**CF INDUSTRIES SEEKS RESPONSE FROM TERRA INDUSTRIES**

DEERFIELD, IL, April 14, 2009 CF Industries Holdings, Inc. (NYSE: CF) today sent the following letter to Terra Industries Inc. (NYSE: TRA):

April 14, 2009

Michael L. Bennett

President and Chief Executive Officer

Terra Industries Inc.

Terra Centre

600 Fourth Street

P.O. Box 6000

Sioux City, Iowa 51102-6000

Dear Mr. Bennett:

We have received a letter from your general counsel informing us that you have purchased 100 shares of our stock and making a demand that we provide you with a list of CF Industries stockholders in order to communicate with them. We want to give you the opportunity to explain to the Terra stockholders, and to us, why you appear to be more interested in communicating with our stockholders than in negotiating a merger

agreement with us. We also note that, although your by-laws require you to hold your annual meeting no later than May 15, you have not announced the time and place of your meeting. We would appreciate an explanation as to why you have not yet announced your meeting arrangements.

As you are aware from our interactions over the years, including our meeting in February, we and our advisors are prepared to meet with you and your advisors to negotiate promptly in good faith a merger agreement between our two companies. We continue to believe in the compelling strategic logic of such a combination structured in a manner that allows all of our respective stockholders to share in the future benefits of the transaction. We believe that Terra stockholders share our view and we do not understand your reluctance to explore this opportunity in direct discussions.

We look forward to your response.

Sincerely,

Stephen R. Wilson

CF Industries, CF Composite, their respective directors and executive officers and the individuals nominated by CF Composite for election to Terra's board of directors are participants in the solicitation of proxies from Terra stockholders for Terra's 2009 annual meeting of stockholders. Information regarding such participants and a description of their direct and indirect interests in such solicitation, by securities holdings or otherwise, is contained in the revised preliminary proxy statement filed by CF Industries with the SEC on April 7, 2009. CF Industries and its directors and executive officers will be participants in any solicitation of proxies from Terra stockholders or CF Industries stockholders in respect of the proposed transaction with Terra. Information regarding CF Industries' directors and executive officers is available in the supplement to its proxy statement for its 2009 annual meeting of stockholders, which was filed with the SEC on April 7, 2009, and a description of their direct and indirect interests in such solicitation, by security holdings or otherwise, will be contained in the proxy statement/prospectus filed in connection with the proposed transaction with Terra.

#### Safe Harbor Statement

Certain statements contained in this press release may constitute forward-looking statements. All statements in this press release, other than those relating to historical information or current condition, are forward-looking statements. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from such statements. Risks and uncertainties relating to the proposed transaction include: Terra's failure to accept CF Industries' proposal and enter into definitive agreements to effect the transaction; our ability to obtain shareholder, antitrust, regulatory and other approvals on the proposed terms and schedule; uncertainty of the expected financial performance of CF Industries following completion of the proposed transaction; CF Industries' ability to achieve the cost-savings and synergies contemplated by the proposed transaction within the expected time frame; CF Industries' ability to promptly and effectively integrate the businesses of Terra and CF Industries; and disruption from the proposed transaction making it more difficult to maintain relationships with customers, employees or suppliers. Additional risks and uncertainties include: the relatively expensive and volatile cost of North American natural gas; the cyclical nature of our business and the agricultural sector; changes in global fertilizer supply and demand and its impact on the selling price of our products; the nature of our products as global commodities; intense global competition in the consolidating markets in which we operate; conditions in the U.S. agricultural industry; weather conditions; our inability to accurately predict seasonal demand for our products; the concentration of our sales with certain large customers; the impact of changing market conditions on our forward pricing program; the reliance of our operations on a limited number of key facilities; the significant risks and hazards against which we may not be fully insured; reliance on third party transportation providers; unanticipated adverse consequences related to the expansion of our business; our inability to

expand our business, including the significant resources that could be required; potential liabilities and expenditures related to environmental and health and safety laws and regulations; our inability to obtain or maintain required permits and governmental approvals or to meet financial assurance requirements; acts of terrorism; difficulties in securing the supply and delivery of raw materials we use and increases in their costs; losses on our investments in securities; loss of key members of management and professional staff; recent global market and economic conditions, including credit markets; and the other risks and uncertainties included from time to time in our filings with the SEC. Except as required by law, we undertake no obligation to update or revise any forward-looking statements.
