Edgar Filing: Seagate Technology - Form SC TO-C

On August 21, 2009, Seagate Technology (Seagate or the Company) filed a Preliminary Proxy Statement for the 2009 Annual General Meeting of Shareholders of Seagate (the 2009 AGM) to be held on October 28, 2009 (the Preliminary Proxy Statement), which contains a proposal to approve a possible stock option exchange program for employees other than the Company s executive officers subject to the restrictions under Section 16 of the Securities Exchange Act of 1934, as amended, and directors (the Option Exchange Program), which will be submitted to a vote of shareholders at the 2009 AGM. In connection with the Option Exchange Program, Seagate is herewith filing (or incorporating by reference herein):

- (a) the Preliminary Proxy Statement;
- (b) an email from Stephen J. Luczo to employees dated August 21, 2009, regarding the Option Exchange Program; and
- (c) a list of Frequently Asked Questions sent to employees on August 21, 2009 regarding the Option Exchange Program.

Neither the Preliminary Proxy Statement nor the communications attached as exhibits to this Schedule TO constitute an offer to holders of the Company s outstanding stock options to exchange those options. The Option Exchange Program will only be commenced, if at all, if the Company s shareholders approve the Option Exchange Program.

The Option Exchange Program has not yet commenced. Seagate will file a Tender Offer Statement on Schedule TO with the Securities and Exchange Commission (SEC) upon the commencement of the Option Exchange Program. Option holders should read the Tender Offer Statement on Schedule TO and other related materials when those materials become available, because they will contain important information about the Option Exchange Program.

In connection with the proposal to be voted on by Seagate s shareholders to approve the Option Exchange Program, Seagate has filed a preliminary proxy statement with the SEC and intends to file other relevant materials with the SEC, including a definitive proxy statement. Seagate shareholders are advised to read such materials as and when they become available and before making any decisions regarding the Option Exchange Program, because they will contain important information about the proposal to be voted on by shareholders with respect to the Option Exchange Program.

Seagate shareholders and option holders will be able to obtain the written materials described above and the other documents filed by Seagate with the SEC free of charge from the SEC s website at www.sec.gov.
