Item 1.01 Entry into a Material Definitive Agreement

On October 6, 2009, Protective Life Corporation (Protective) entered into a purchase agreement (the Purchase Agreement) with Banc of America Securities LLC, Barclays Capital Inc. and Wells Fargo Securities, LLC, as representatives of the several underwriters named on Schedule I(a) thereto (the Underwriters), for the issuance and sale by Protective of \$700,000,000 in aggregate principal amount of Protective s senior notes, consisting of \$400,000,000 principal amount of 7.375% senior notes due 2019 (the 2019 Notes) and \$300,000,000 principal amount of 8.450% senior notes due 2039 (the 2039 Notes and, together with the 2019 Notes, the Notes). The closing of the transactions provided for under the Purchase Agreement occurred on October 9, 2009. The Notes have been issued under an Indenture dated June 1, 1994 (as supplemented, the Senior Indenture), between Protective and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the Trustee), as supplemented by Supplemental Indenture No. 12, dated as of October 9, 2009, with respect to the 2019 Notes (Supplemental Indenture No. 12) and Supplemental Indenture No. 13, dated as of October 9, 2009, with respect to the 2039 Notes (Supplemental Indenture No. 13). Copies of the Purchase Agreement, Supplemental Indenture No. 12 and Supplemental Indenture No. 13 are attached hereto as Exhibits 1.1, 4.1 and 4.3, respectively.

The Notes were offered and sold pursuant to Protective s shelf registration statement on Form S-3 (File No. 333-151976, the Registration Statement), which became effective upon filing with the Securities and Exchange Commission (the SEC) on June 26, 2008, and a related Prospectus Supplement dated October 6, 2009, which was filed with the SEC on October 7, 2009.

The net proceeds from the offering of the Notes are approximately \$694,028,000, after giving effect to the underwriting discount and estimated expenses of the offering. Protective expects to use all of the net proceeds from the offering of the Notes, together with approximately \$5,527,000 in additional borrowings from its revolving credit facility, to purchase \$700 million in aggregate principal amount of newly-issued surplus notes of one of its indirect wholly-owned subsidiaries, Golden Gate Captive Insurance Company (Golden Gate). Golden Gate reinsures certain policy liabilities of Protective s existing insurance affiliates, primarily related to statutory reserves on level premium term life products. Protective intends that the newly issued surplus notes of Golden Gate will bear an annual interest rate that will generate payments to Protective equal to Protective s aggregate annual interest payments on the Notes. Such interest will be payable monthly, and the stated maturity will be August 15, 2037. Golden Gate intends to use a portion of the proceeds from the sale of the surplus notes to Protective to repurchase at a discount \$800 million in aggregate principal amount of its outstanding floating rate surplus notes that are held by third parties. The outstanding floating rate surplus notes to be repurchased by Golden Gate currently accrue interest at the rate of LIBOR plus 375 basis points (increasing to LIBOR plus 425 basis points on March 26, 2010) and mature on August 15, 2037. It is expected that the repurchased surplus notes will be cancelled once acquired by Golden Gate.

The Purchase Agreement with the Underwriters includes customary representations, warranties and covenants by Protective. It also provides for customary indemnification by each of Protective and the Underwriters against certain liabilities arising out of or in connection with the sale of the Notes.

Certain of the Underwriters and their respective affiliates have provided, are providing, and may in the future provide distribution of products of Protective s affiliates and commercial banking, investment banking and financial advisory services to Protective and its affiliates for which they have in the past received, and may in the future receive, customary fees or other compensation. In particular, Protective and its affiliates have the following relationships (other than in respect of the Purchase Agreement) with the Underwriters and their respective affiliates:

On April 16, 2008, Protective and its subsidiary, Protective Life Insurance Company (Protective Life), entered into a Second Amended and Restated Credit Agreement with the several lenders from time to time party thereto, and Regions Bank, as Administrative Agent, Regions Capital Markets, as Co-Lead Arranger and Sole Bookrunner, Wachovia Capital Markets, LLC, as Co-Lead Arranger and Syndication Agent, and Bank of America, N.A. and Barclays Bank PLC, as Co-Documentation Agents, to increase the lending commitment to a maximum principal
