**Item 8.01**

**Other Events.**

Among the items to be considered and acted upon by the stockholders of Corinthian Colleges, Inc. (the Company) at its Annual Meeting of Stockholders scheduled to be held at 10:00 a.m. California Time on November 13, 2013 (the Annual Meeting), at the DoubleTree Hotel located at 201 East MacArthur Boulevard, Santa Ana, California 92707, are (i) a proposal to elect eleven current directors to the Board of Directors of the Company and (ii) a proposal to approve certain amendments to the Corinthian Colleges, Inc. 2003 Performance Award Plan (the 2003 Plan). These proposals are identified, respectively, as Proposal 1 (Proposal 1) and Proposal 2 (Proposal 2) in the Company's Proxy Statement dated October 3, 2013 (the Proxy Statement) that was previously furnished to the Company's stockholders of record as of the close of business on September 13, 2013.

As of the filing of the Proxy Statement, Paul St. Pierre and Linda Skladany, each of whom is standing for re-election to the Company's Board of Directors at the Annual Meeting under Proposal 1, were members of the Nominating and Corporate Governance Committee of the Company's Board. Effective October 30, 2013, Mr. St. Pierre and Ms. Skladany both resigned from the Nominating and Corporate Governance Committee of the Board of Directors of the Company. Mr. St. Pierre and Ms. Skladany will continue to serve on the Company's Board of Directors and are still standing for re-election at the Annual Meeting under Proposal 1.

As disclosed in Proposal 2, if the Company's stockholders approve the proposed 2003 Plan amendments described in Proposal 2, equity-based awards granted by the Company during its fiscal years ending June 30, 2014, 2015 and 2016 will be structured such that the Company's average annual burn rate with respect to such grants will not exceed 3.88% for this three-year period. For this purpose, the burn rate for any one particular fiscal year means the total number of shares of the Company's common stock issuable upon exercise or payment, as the case may be, of the equity-based awards granted by the Company in that fiscal year divided by the Company's weighted average total number of shares of common stock issued and outstanding during that particular fiscal year. In calculating the burn rate, Proposal 2 provides that shares issuable upon exercise or payment, as the case may be, of full value awards (as described in Proposal 2) will be counted as 1.42 shares for each share actually issuable in respect of the award. The Company has reconsidered this ratio and determined that it should be 1.5-for-1 instead of 1.42-for-1. Accordingly, if the Company's stockholders approve the proposed 2003 Plan amendments described in Proposal 2, in calculating the burn rate, shares issuable upon exercise or payment, as the case may be, of full-value awards (as described in Proposal 2) will be counted as 1.5 shares for each share actually issuable in respect of the award. As disclosed in Proposal 2, shares issued in respect of equity-based awards that are initially granted by other entities and that are assumed or substituted for by the Company in connection with mergers and acquisitions will not be counted for purposes of calculating the burn rate.
