Item 1.01 Entry into a Material Definitive Agreement.

On December 2, 2013, Extra Space Storage LP (the Operating Partnership), the operating partnership subsidiary of Extra Space Storage Inc. (the Company), entered into a Fourth Amended and Restated Agreement of Limited Partnership (the Partnership Agreement). The Partnership Agreement provides for the designation and issuance of Series C Convertible Redeemable Preferred Units (Series C Preferred Units) and Series D Redeemable Preferred Units (Series D Preferred Units) of the Operating Partnership.

The Series C Preferred Units and Series D Preferred Units rank junior to the Operating Partnership's Series A Participating Redeemable Preferred Units, on parity with the Operating Partnership's Series B Redeemable Preferred Units and senior to all other partnership interests with respect to distributions and liquidation. The Series C Preferred Units have a priority quarterly return per unit (i) before the fifth anniversary of the date of issuance of such units, equal to \$0.18 plus the then-payable quarterly distribution per common unit of the Operating Partnership, and (ii) after the fifth anniversary of the date of issuance of such units, equal to the quarterly distribution payable in respect of such Series C Preferred Units during the four consecutive fiscal quarters prior to the fifth anniversary of the date of issuance of such units. The Series C Preferred Units have a liquidation value of \$42.10 per Series C Preferred Unit. The Series C Preferred Units will be convertible at the option of the holders after the first anniversary of the date of issuance of such units and until the fifth anniversary of the date of issuance of such units, into approximately 0.9145 common units of the Operating Partnership per Series C Preferred Unit. The Series D Preferred Units will also have a priority return, the rate of which will be established by the Operating Partnership and the holders of such units upon issuance thereof, with a liquidation value of \$25.00 per Series D Preferred Unit. The Series C Preferred Units and the Series D Preferred Units will be redeemable for the liquidation value per unit at the option of the holders after the first anniversary of the date of issuance of such units, which redemption obligation may be satisfied, at the option of the Company, in cash or shares of its common stock, \$0.01 par value per share.

The foregoing description of the Partnership Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of the Partnership Agreement, which is filed as Exhibit 10.1 to this current report and incorporated herein by reference.
