**INFORMATION STATEMENT**

---

**INTRODUCTION**

This Information Statement is furnished by the Board of Directors (the **Board**) of Consumers Energy Company (**Consumers**) in connection with the Annual Meeting of Shareholders to be held on May 16, 2014.

As of March 21, 2014, Consumers' outstanding common stock (\$10 par value) and preferred stock (\$100 par value) consisted of 84,108,789 shares of common stock held by CMS Energy Corporation (**CMS**) and 373,148 shares of preferred stock held by the public (except the directors' holdings noted below). Holders of preferred and common stock are entitled to one vote for each share and shareholders have cumulative voting rights for the election of directors. That is, holders of preferred and common shares are entitled to cast as many votes as equal the number of shares held multiplied by the number of directors to be elected (11 this year), and they may cast all of such votes for a single nominee or distribute them among any two or more nominees as they choose.

While all shareholders are cordially invited to attend the Annual Meeting, **WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.** We have been advised that all 84,108,789 shares of Consumers common stock held by CMS (99.5% of the Consumers shares entitled to vote) will be voted in favor of the proposed director nominees, thus assuring their election, as well as in favor of the other proposal(s) recommended by the Consumers' Board.

To the knowledge of management, no person or entity except CMS owns beneficially more than 5% of any class of Consumers' outstanding voting securities. Messrs. Way and Yasinsky each owns 10 shares of the preferred stock of Consumers.

The determination of approval of corporate action by the shareholders is based on votes for and against. Abstentions and broker discretionary votes are not counted as for or against votes but are counted in the determination of a quorum.

**INCORPORATION BY REFERENCE CMS PROXY STATEMENT**

Please refer to the enclosed CMS Proxy Statement dated April 4, 2014, for information regarding the nominees for directors and the other proposal(s) being voted on by Consumers' shareholders, as well as the committees of the Board, compensation of directors and executive officers and various other 2013 Information Statement disclosures. This information appears beginning with the heading **CORPORATE GOVERNANCE** in the CMS Proxy Statement and is incorporated by reference herein.

**BOARD AND COMMITTEE INFORMATION**

The Consumers Board of Directors met 7 times during 2013. Our Amended and Restated Corporate Governance Principles state the expectation that all Consumers Board members will attend all scheduled board and committee meetings, as well as the Annual Meeting of Shareholders. During 2013, 9 incumbent directors attended 100% of the Consumers Board and assigned committee meetings and 2 incumbent directors attended at least 80% of the Consumers Board and assigned committee meetings while they were on the Board. All then-current Consumers Board members attended the 2013 Annual Meeting of Shareholders.
