Re: ESOP Diversification Election

Dear ESOP Participant:

We are writing to you because you previously elected to diversify a portion of your Employee Stock Ownership Program (ESOP) account based on the December 31, 2013 valuation price of \$220.60 per share of Great Lakes Financial Resources, Inc. (Great Lakes) common stock. On Monday, July 7th, we entered into a definitive merger agreement (the Merger Agreement) with First Midwest Bancorp, Inc. (First Midwest). The Merger Agreement provides that, upon and subject to the conditions set forth therein, Great Lakes will merge with and into First Midwest with First Midwest continuing as the surviving entity (the Merger). A copy of the public announcement is enclosed with this letter.

Under the Merger Agreement, if the Merger is approved and completed, each of the outstanding shares of Great Lakes common stock will be converted into \$112.50 in cash and a number of shares of First Midwest common stock based on the volume weighted average price (VWAP) of First Midwest common stock over a ten day trading period prior to the closing of the Merger (the Consideration). If the VWAP is greater than \$20.01, the stock component of the Consideration for each Great Lakes share will be fixed at \$287.50 divided by the VWAP. If the VWAP is less than \$14.18, the stock component of the Consideration for each Great Lakes share will not exceed 17.589 shares of First Midwest common stock. The Consideration is subject to certain adjustments as set forth in the Merger Agreement, and will be substantially determined by the VWAP of First Midwest s common stock over a ten day trading period prior to closing.

In light of the potential for you to receive more than \$220.60 per share for the shares of Great Lakes common stock that you elected to diversify, we are offering you the opportunity to revoke your diversification election. To do so, you should complete the attached election form and return it to the Human Resources Department at the address below. You may also use the form to confirm your desire to keep your diversification

election in place at the per share value of \$220.60. In making your election, please keep in mind that although First Midwest is targeting a closing during the fourth quarter of 2014, the Merger is subject to closing conditions as set forth in the Merger Agreement, including approval of the Great Lakes stockholders and certain regulatory approvals. There is no set date for when the Merger will close, nor can we be certain the transaction will be consummated.

Please return the completed form *no later than July 31, 2014*, to:
