**Item 2.02. Results of Operations and Financial Condition.**

The information contained in this Item 2.02 of this Current Report on Form 8-K is being furnished by New York Mortgage Trust, Inc. (the Company) pursuant to Item 7.01 of Form 8-K in satisfaction of the public disclosure requirements of Regulation FD and Item 2.02 of Form 8-K, insofar as they disclose preliminary select financial estimates regarding the Company's results of operations or financial condition as of December 31, 2016.

*Preliminary Estimate of Book Value Per Common Share as of December 31, 2016*

The preliminary estimate set forth below contains forward-looking statements. You should not place undue reliance on such preliminary estimate because it may prove to be materially inaccurate. The preliminary estimate has not been compiled or examined by the Company's independent auditors, and it is subject to revision upon completion of the Company's internal closing process and normal review and the preparation of its audited consolidated financial statements as of and for the year ended December 31, 2016, including all disclosures required by U.S. generally accepted accounting principles, and as the Company's independent auditors conduct their audit of these financial statements. While the Company believes that such preliminary estimate is based on reasonable assumptions, actual results may vary, and such variations may be material.

On January 17, 2017, the Company announced that it estimates that, when finally determined and after adjusting for the \$0.24 common dividend per share it announced on December 15, 2016, the Company's net book value per common share as of December 31, 2016 will be in the range of \$6.10 to \$6.18, reflecting a modest decrease from the Company's book value per common share of \$6.34 at September 30, 2016. During the fourth quarter of 2016, market volatility resulted in higher interest rates and wider credit spreads.

In accordance with General Instructions B.2 and B.6 of Form 8-K, the information included in this Item 2.02 of this Current Report on Form 8-K shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any filing made by the Company under the Exchange Act or the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

The disclosure contained in Item 2.02 of this Current Report on Form 8-K is incorporated herein by reference.

**Item 8.01. Other Events.**
