Item 2.02 Results of Operations and Financial Condition.

Attached as Exhibit 99.1 and Exhibit 99.2 to this Current Report is the slide presentation and transcript, respectively, from the Annual Meeting of Stockholders of Impac Mortgage Holdings, Inc. (the Company) held on July 25, 2017 and the information therein is incorporated herein by reference.

Non-GAAP Financial Measures

The presentation contains operating income excluding changes in contingent consideration (Adjusted Operating Income) as a performance measure, which is considered a non-GAAP financial measure, to further aid the Company's investors in understanding and analyzing the Company's core operating results and comparing them among periods. Adjusted Operating Income excludes certain items that the Company does not consider part of its core operating results. Although the Company is required by GAAP to record change in fair value and accretion of the contingent consideration, management believes operating income excluding contingent consideration changes and the related accretion is more useful to discuss the ongoing and future operations of the Company. This non-GAAP financial measure is not intended to be considered in isolation or as a substitute for operating income or net earnings before income taxes, or net earnings prepared in accordance with GAAP. The table below shows operating income excluding these items:

Adjusted Operating Income (in thousands, except share data)	For the year ended December 31, 2016	
Net earnings	\$	46,670
Total other (expense) income		11,950
Income tax expense (benefit)		1,093
Operating income	\$	59,713
Accretion of contingent consideration		6,997
Change in fair value of contingent consideration		30,145
Adjusted operating income (loss)	\$	96,855

Item 5.02 Departure of Director or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On July 25, 2017, the stockholders of the Company approved an amendment to the Company's 2010 Omnibus Incentive Plan, as amended (the Plan), increasing the number of shares available under the Plan by 500,000 shares. Awards under the Plan may include incentive stock options, nonqualified stock options, stock appreciation rights, restricted shares of common stock, restricted stock units, performance share or unit awards, other stock-based awards and cash-based incentive awards. The increase in shares available under the Plan is designed to enhance the flexibility in granting stock options and other awards to officers, employees, non-employee directors and other key persons and to ensure that the Company can continue to grant stock options and other awards to such persons at levels determined to be appropriate by the Company's

compensation committee.

A description of the terms and conditions of the Plan is set forth in the Company's definitive Proxy Statement for the 2017 Annual Meeting of Stockholders filed with the Securities and Exchange Commission on June 2, 2017, under the heading "Proposal No. 2 - Approval of Amendment to 2010 Omnibus Incentive Plan to Increase the Shares Subject to the Plan by 500,000 Shares", which such description is incorporated herein by reference. The summary of the terms and conditions of the Plan is not a complete discussion of the document.
