## Introductory Note

On April 2, 2018, USA Compression Partners, LP, a Delaware limited partnership (the Partnership ), completed the previously announced acquisition (the CDM Acquisition ) of all of the issued and outstanding membership interests of CDM Resource Management LLC, a Delaware limited liability company ( CDM ), and CDM Environmental & Technical Services LLC, a Delaware limited liability company ( CDM E&T ), from Energy Transfer Partners, L.P., a Delaware limited partnership ( ETP ) in exchange for aggregate consideration of approximately \$1.7 billion, consisting of (i) 19,191,351 common units representing limited partner interests in the Partnership ( Common Units ), (ii) 6,397,965 Class B units representing limited partner interests in the Partnership and (iii) \$1.232 billion in cash (including customary closing adjustments).

Also on April 2, 2018 and in connection with the closing of the CDM Acquisition, pursuant to that certain Purchase Agreement (the GP Purchase Agreement ), dated as of January 15, 2018, by and among Energy Transfer Equity, L.P., a Delaware limited partnership ( ETE ), Energy Transfer Partners, L.L.C. (together with ETE, the GP Purchasers ), USA Compression Holdings, LLC, a Delaware limited liability company ( USAC Holdings ), and, solely for certain purposes therein, R/C IV USACP Holdings, L.P. and ETP, the GP Purchasers acquired from USAC Holdings (i) all of the outstanding limited liability company interests in the General Partner and (ii) 12,466,912 Common Units (the GP Purchase ) for cash consideration equal to \$250 million.

In connection with the transactions described herein, the Partnership consummated certain additional transactions on April 2, 2018, which are described in the Partnership's Current Report of Form 8-K filed on April 6, 2018.

## Item 4.01 Changes in Registrant's Certifying Accountant.

On April 5, 2018, the Audit Committee (the Committee ) of the board of directors (the Board ) of USA Compression GP, LLC, a Delaware limited liability company and the general partner of the Partnership (the General Partner ), notified KPMG LLP ( KPMG ) of its appointment of Grant Thornton LLP ( Grant Thornton ) to serve as the Partnership's new independent registered public accounting firm for the fiscal year ending December 31, 2018. Concurrently on April 5, 2018 (the Dismissal Date ), KPMG was also dismissed as the auditor of the Partnership. The decision was made as part of the integration process related to the acquisition of the General Partner by ETE pursuant to the GP Purchase Agreement. The acquisition resulted in the Partnership becoming a consolidated subsidiary of ETE. As Grant Thornton currently serves as ETE's independent registered public accounting firm, the Committee determined that it would be beneficial for ETE and the Partnership to have the same accounting firm audit their respective financial statements.

KPMG's audit reports on the Partnership's consolidated financial statements for the fiscal years ended December 31, 2017 and 2016 did not contain any adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Partnership's two most recent fiscal years ended December 31, 2017 and 2016 and in the subsequent interim period through the Dismissal Date, there were no (i) disagreements between the Partnership and KPMG on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of KPMG, would have caused KPMG to make reference to the subject matter of the disagreement in its reports on the consolidated financial statements for such years, or (ii) reportable events (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

## Edgar Filing: USA Compression Partners, LP - Form 8-K

The Partnership provided KPMG with a copy of this Current Report on Form 8-K, and requested that KPMG furnish the Partnership with a letter addressed to the Securities and Exchange Commission stating whether KPMG agrees with the disclosures contained in this Current Report on Form 8-K, and, if not, stating the respects in which it does not agree. The Partnership had not received a copy of the requested letter from KPMG as of the time that it filed this Current Report on Form 8-K. A copy of such letter, when received, will be included as Exhibit 16.1 to an Amendment of this Current Report on Form 8-K.

During the Partnership's two most recent fiscal years ended December 31, 2017 and 2016 and the subsequent interim period through the Dismissal Date, neither the Partnership nor anyone on its behalf has consulted with Grant Thornton regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Partnership's financial statements, and neither a written report nor oral advice was provided to the Partnership that Grant Thornton concluded was an important factor considered by the Partnership in reaching a decision as to the accounting, auditing, or financial reporting issue

or (ii) any matter that was either the subject of a disagreement (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

As of the date of this report, management has preliminarily concluded that the Partnership will be the predecessor for reporting purposes for periods prior to the date on which the CDM Acquisition was consummated. However, the Partnership may ultimately determine that CDM is the appropriate reporting predecessor and account for the CDM Acquisition as a reverse acquisition. If the Partnership accounts for the CDM Acquisition as a reverse acquisition, the financial statements of CDM as of December 31, 2017 and 2016 and for the years ended December 31, 2017, 2016 and 2015, which have been audited by Grant Thornton, will become the historical financial statements of the Partnership and the closing of the CDM Acquisition on April 2, 2018 will constitute a deemed change in independent registered public accounting firms from KPMG to Grant Thornton as of such date. If management maintains its conclusion that the Partnership will be the predecessor for reporting purposes for periods prior to the date on which the CDM Acquisition was consummated, then the change in independent registered public accounting firms from KPMG to Grant Thornton will have occurred as of the Dismissal Date as noted above.
