(1) These shares of Common Stock are held by Danaos Investment Limited as Trustee of the 883 Trust (DIL), which has sole voting and dispositive control over these shares of Common Stock. The beneficiaries of the 883 Trust are Dr. Coustas and members of his immediate family. The board of directors of DIL consists of four members, none of whom is a beneficiary of the 883 Trust or member of the Coustas family, and has voting and dispositive control over the shares held by the 883 Trust. Dr. Coustas has certain powers to remove and replace DIL as Trustee of the 883 Trust and, accordingly, he may be deemed to beneficially own these 67,828,140 shares of Common Stock. This does not necessarily imply economic ownership of the securities.

This Amendment No. 1 to the Statement on Schedule 13D originally filed on August 16, 2010 (the Statement) is being filed by (i) Danaos Investment Limited, a company organized under the laws of New Zealand, as Trustee of the 883 Trust, a trust established under the laws of England and Wales (DIL), and (ii) Dr. John Coustas (Dr. Coustas) and, together with DIL as Trustee of the 883 Trust, the Reporting Persons). The purpose of this Amendment No. 1 is to report changes to Items 2, 3, 4, 5 and 6 of the Statement to describe certain agreements entered into by the Reporting Persons in connection with the debt refinancing (the Refinancing) of Danaos Corporation (the Company) and its subsidiaries (the Group), pursuant to the terms of that certain debt refinancing agreement dated June 19, 2018, as thereafter amended and/or restated from time to time (the Refinancing Agreement). The closing date of the Refinancing (the Closing Date) was August 10, 2018.

Items 2, 3, 4, 5, and 6 of the Statement are hereby amended as follows:

Item 2. Identity and Background

Item 2 of the Statement is hereby amended by adding the following sentences immediately after the first paragraph of Item 2:

This Amendment No. 1 is being filed pursuant to a Joint Filing Agreement (which is filed as Exhibit 1 and incorporated herein by reference) between the Reporting Persons.

See Schedule A, as revised, hereto for information regarding the additional persons listed thereon.

Item 3. Source and Amount of Funds or Other Consideration

Item 3 of the Statement is hereby amended by adding the following paragraphs prior to the last paragraph of Item 3:

In December 2011, 195,000 shares of Common Stock were granted to Dr. Coustas as an equity award and are held by DIL.

As of August 14, 2018, two directors of DIL beneficially own shares of Common Stock:

(a) Iraklis Prokopakis (who is also the Senior Vice President, Treasurer and Chief Operating Officer of the Company) beneficially owns 471,384 shares of Common Stock, or less than 1.0% of the outstanding Common Stock, which were acquired (i) from Protector Holdings Inc. in June 2016 in exchange for an equivalent interest therein, (ii) from the Company in a private placement in August 2010 using personal funds, (iii) as equity awards granted in December 2011, and (iv) in open market transactions from time to time using personal funds.

(b) Evangelos Chatzis (who is also the Chief Financial Officer and Secretary of the Company) beneficially owns 125,000 shares of Common Stock, or less than 1.0% of the outstanding Common Stock, which were granted to Mr. Chatzis as an equity award in December 2011.

(the directors in (a) and (b), the Shareholder Directors).

Each of the Shareholder Directors has sole voting and dispositive power with respect to such shares. The principal place of business of each of the Shareholder Directors is c/o 14 Akti Kondyli, 185 45 Piraeus, Greece.

Item 4. Purpose of Transaction

Item 4 of the Statement is hereby amended by adding the following paragraph to the end of Item 4:

As part of the Refinancing:

(a) On July 31, 2018, the Group entered into new credit facilities with such lenders that agreed to provide ongoing financing to the Company following the consummation of the Refinancing (such lenders, the Lenders and the new credit facilities, the New Facilities). The Company issued to the Lenders an aggregate of 99,342,271 shares of Common Stock on the Closing Date, representing 47.5% of its issued and outstanding shares of Common Stock after giving effect to such issuance, and which issuance ratably diluted the existing holders of the Company's Common Stock, including DIL.

(b) On the Closing Date, DIL, along with each Lender, entered into a stockholders agreement (the Stockholders Agreement) with the Company to, among other matters, set forth certain rights and restrictions concerning DIL's relationship with, and equity holding in, the Company, including in respect of the governance of the Company and the sale and transfer of DIL's shares of Common Stock. Among other provisions, pursuant to the Stockholders Agreement, DIL has agreed to reinvest a cash amount equal to 50% of any dividend payment it receives from the Company by way of subscription for shares of Common Stock issued by the Company within six months of the receipt of such dividend payments, or alternatively, place such amounts in escrow to be released in connection with consummating such a dividend reinvestment (or, if not yet reinvested, to be released to DIL following the earlier of the repayment in full of the New Facilities or June 30, 2024). Such reinvestment will be made by DIL by way of subscription of Common Stock in a public offering by the Company at the price offered to the public in such offering or, if there is no such public offering during that six-month period, in a private placement based on the volume weighted average trading price of the Common Stock on the NYSE over the consecutive thirty (30) trading day period prior to one business day prior to the closing of such private placement. Under the Stockholders Agreement, the parties thereto have agreed to cause the Board of Directors of the Company to consist of up to nine directors, with a majority of such directors being independent within the meaning of the NYSE listing rules. The Stockholders Agreement further states that, on the Closing Date, the Board of Directors of the Company would consist of seven directors: Dr. John Coustas, Iraklis Prokopakis, George Economou, William Repko, Myles R. Itkin, Miklós Konkoly-Thege and Petros Christodoulou. The Stockholders Agreement also gives DIL, together with the Company's lenders receiving shares of Common Stock in connection with the Refinancing, the right to participate as a purchaser in any primary offering of shares of Common Stock by the Company, unless such holder is selling concurrently with such offering, on a *pro rata* basis based on the respective holder's percentage share ownership of Common Stock at the time of such offering, subject to customary exceptions, including for share issuances pursuant to equity compensation arrangements or as acquisition consideration. A copy of the Stockholders Agreement is filed as Exhibit 2 and is incorporated herein by reference.

(c) On the Closing Date, DIL, the Company and each Lender entered into a registration rights agreement (the Registration Rights Agreement), pursuant to which the Company has agreed to register for resale under the Securities Act the shares of Common Stock issued to such lenders in the Refinancing as well as shares of Common Stock issued to DIL pursuant to the Backstop Agreement described below or, generally, its dividend reinvestment obligation described above, subject to the limitations contained therein. The Registration Rights Agreement requires the Company to file with the SEC a shelf registration statement to register resales of Common Stock received by such lenders and DIL and to use commercially reasonable efforts to have the SEC declare it effective no later than 90 days after the Closing Date and maintain its effectiveness. The Registration Rights Agreement also includes provisions, effective from 90 days after the Follow-on Equity Raise (as defined below), until the date five years after the occurrence of the Follow-on Equity Raise: (i) providing for demand registration rights in the event there is not an effective shelf registration statement at the time, (ii) requiring the Company to provide customary marketing assistance and cooperation in connection with any shelf take-down offering requested in

accordance with the terms thereof and (iii) providing for piggyback registration rights, with customary cutbacks, with respect to such securities. A copy of the Registration Rights Agreement is filed as Exhibit 3 and is incorporated herein by reference.

(d) On the Closing Date, DIL entered into a Contribution Agreement with the Company (the Contribution Agreement), pursuant to which DIL provided a capital contribution in an amount of US\$10,000,000 (the Contribution Amount) to the Company on the Closing Date, for which DIL did not receive

shares of Common Stock or other interests in the Company. A copy of the Contribution Agreement is filed as Exhibit 4 and is incorporated herein by reference.

(e) As part of its financial and operating commitments in connection with the Refinancing, DIL entered into a subordinated loan agreement with the Company on the Closing Date making a loan available to the Company (the Loan) to satisfy its obligation to backstop any shortfall in the minimum consolidated aggregate cash balance of the Group, being an aggregate amount of US\$60,000,000, required under the New Facilities as at September 30, 2018 (such loan agreement, the Subordinated Loan Agreement). The Loan will bear no interest, and the Company will repay the aggregate principal amount of the Loan in full one business day following the date on which all amounts under the New Facilities have been repaid in full. A copy of the Subordinated Loan Agreement is filed as Exhibit 5 and is incorporated herein by reference.

(f) Pursuant to the Refinancing Agreement, the Company has agreed to use commercially reasonable efforts to consummate, within 18 months of the Closing Date, an offering of Common Stock for aggregate net proceeds of not less than US\$50,000,000 (the Follow-on Equity Raise). On the Closing Date, DIL entered into a backstop agreement with the Company (the Backstop Agreement), pursuant to which DIL has agreed, to the extent that the aggregate net proceeds of such offering are less than US\$50,000,000, to purchase up to US\$10,000,000 of Common Stock of the Company in such public offering at the price to the public in such offering. In the event that the Company determines not to, or fails to, complete a Follow-on Equity Raise within such time period, DIL has agreed to invest US\$10,000,000 for Common Stock of the Company in a private placement at a price per share determined in accordance with the Backstop Agreement. A copy of the Backstop Agreement is filed as Exhibit 6 and is incorporated herein by reference.

(g) On the Closing Date, the Company entered into an amended and restated restrictive covenant agreement with DIL and Dr. Coustas (the Amended and Restated Restrictive Covenant Agreement) that supersedes the existing restrictive covenant agreement between the parties originally entered into on September 18, 2006, and that, among other things, (1) extends its term until December 31, 2024 and (2) permits Dr. Coustas and DIL to terminate the agreement upon the occurrence of certain transactions constituting a Change of Control of the Company which are not within the control of Dr. Coustas or DIL, including where Dr. Coustas ceases to be both the Chief Executive Officer of the Company and a director of the Company without his consent in connection with a hostile takeover of the Company by a third party. A copy of the Amended and Restated Restrictive Covenant Agreement is filed as Exhibit 7 and is incorporated herein by reference.

Each of the Shareholder Directors acquired their shares of Common Stock for investment purposes. Each of the Shareholder Directors and, other than as described elsewhere in the Statement and this Amendment No. 1, each of the Reporting Persons, has no present plans or proposals which would relate to, or would result in, any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D. Each of the Shareholder Directors and each of the Reporting Persons reserves the right to change their respective intentions, as they deem appropriate. Depending on market conditions and other factors that they may deem material, each of the Shareholder Directors and each of the Reporting Persons may, in privately negotiated transactions, in the open market or otherwise, purchase additional shares of Common Stock and/or related securities, dispose of all or a portion of the shares of Common Stock or related securities that they

now beneficially owns or may acquire hereafter, and/or enter into transactions that increase or hedge their economic exposure to the shares of Common Stock without affecting their beneficial ownership.
