**ITEM 8.01. OTHER EVENTS.**

On November 14, 2018, the Company announced that its Board of Directors (the Board) has declared a cash dividend of \$0.05 per share on all of the issued and outstanding shares of the Company's common stock, payable on February 12, 2019 to shareholders of record on the close of business on January 22, 2019. The Board anticipates declaring a dividend in future quarters on a regular basis; however, future declarations of dividends are subject to Board approval and may be adjusted based on the Company's results of operations, financial position and cash flows or as business needs or market conditions change.

Also on November 14, 2018, the Company announced that the Board has authorized a \$313 million increase to the Company's existing \$400 million share repurchase program for its common stock that was previously announced in February 2018. With this increase and taking into account repurchases already made under the existing program, the Company had approximately \$600 million in remaining repurchase authority as of November 1, 2018.

Under the repurchase program, repurchases can be made from time to time using a variety of methods, which may include open market purchases, privately negotiated transactions, accelerated share repurchase programs, or otherwise, all in accordance with the requirements of the Securities and Exchange Commission and other applicable legal requirements. The specific timing, price and size of purchases will depend on prevailing stock prices, general economic and market conditions, and other considerations. The repurchase program does not obligate the Company to acquire any particular amount of its common stock, and the repurchase program may be suspended or discontinued at any time at the Company's discretion.
