Item 1.01 Entry into a Material Definitive Agreement.

Amendments to Existing Equity Plans

On January 21, 2005, the Board of Directors of Time Warner Inc. (the "Company" or "Time Warner") adopted and approved amendments to three existing equity plans, including (i) the Time Warner Inc. 1988 Restricted Stock and Restricted Stock Unit Plan for Non-Employee Directors (formerly named the Time Warner Inc. 1988 Restricted Stock Plan for Non-Employee Directors), (ii) the Time Warner Inc. 1999 Stock Plan and (iii) the Time Warner Inc. 1999 Restricted Stock and Restricted Stock Unit Plan (formerly named the Time Warner Inc. 1999 Restricted Stock Plan). The primary purpose of the amendments was to permit the award of restricted stock units under each of these plans, in addition to the other types of stock-based awards already permitted under the plans. The amendments also eliminated deferral provisions under the plans to comply with Section 409A of the Internal Revenue Code. Each of these equity plans was previously approved by the Company's stockholders and each plan, as approved by stockholders, already permitted the award of restricted stock. In reliance on guidance issued by the New York Stock Exchange in its "Frequently asked questions on Equity Compensation Plans," as revised January 11, 2005, we have concluded that the current amendment of these plans does not constitute a material revision to any of the plans requiring stockholder approval.

The Time Warner Inc. 1988 Restricted Stock and Restricted Stock Unit Plan for Non-Employee Directors (the "Directors' Restricted Stock Plan") provides for the award of restricted stock and restricted stock units to directors who are not employed by the Company or any subsidiary. The Time Warner Inc. 1999 Stock Plan (the "1999 Stock Plan") provides for the award of stock options (non-qualified and incentive), purchase rights in connection with restricted stock, and restricted stock units to key employees, directors and consultants of the Company or its affiliates. The Time Warner Inc. 1999 Restricted Stock and Restricted Stock Unit Plan (the "1999 Restricted Stock Plan") provides for the grant of restricted stock and restricted stock units to key employees of the Company and its subsidiaries.

A restricted stock unit represents the contingent obligation of Time Warner to deliver a share of its common stock to the holder of the restricted stock unit upon the completion of a vesting period. If the holder's employment or other relationship with the Company terminates prior to the vesting date, the restricted stock units may be affected in a variety of ways. The treatment of the holder's restricted stock units will depend on the reason for the termination, which could cause the restricted stock units to be forfeited, vested on a pro rata basis or have accelerated vesting. Restricted stock units are similar to restricted stock, but shares of common stock are not issued until restricted stock units vest. Accordingly, prior to the vesting date, the holder of restricted stock units will not own common stock and will not have voting rights. Under the terms of the customary agreements, if the Company awards a dividend on its common stock prior to the vesting date of a restricted stock unit, the holder of the restricted stock unit would be entitled to receive a dividend equivalent.

The foregoing descriptions of the Directors' Restricted Stock Plan, the 1999 Stock Plan and the 1999 Restricted Stock Plan (collectively, the "Plans") are qualified in their entirety by reference to the provisions of each of the Plans, which are attached as Exhibits 10.1, 10.4 and 10.8 to this Current Report on Form 8-K.

Forms of Award Agreements and Notices

Edgar Filing: TIME WARNER INC - Form 8-K

The Company may grant various equity awards to its directors and executive officers under the Plans or other existing equity plans of the Company. Forms of award agreements and award notices applicable to the Company's directors and executive officers are attached as exhibits to this Current Report on Form 8-K and are hereby incorporated by reference.

The customary vesting schedule for awards to executive officers of stock options is vesting in four equal annual installments on the anniversary of the grant date, subject to earlier vesting upon the occurrence of certain events. The customary vesting schedule for awards to executive officers of restricted stock and restricted stock units is vesting in two equal installments, with one-half of an award vesting on the third anniversary of the grant date and the remaining one-half of the award vesting on the fourth anniversary of the grant date, subject to earlier vesting upon the occurrence of certain events. For awards to non-employee directors, the customary vesting schedule for awards of stock options, restricted stock and restricted stock units is vesting over a four-year period, with earlier vesting upon the occurrence of certain events.

Changes to Director Compensation Program

As part of its regular biennial review of director compensation, on January 21, 2005, the Board of Directors of the Company approved changes to the annual compensation that is paid to the Company's non-employee directors. These changes are designed to comply with the guidelines set forth in the Company's Corporate Governance Policy, which provide that non-employee director compensation should be largely equity-based and set at approximately the 75th percentile of the Company's peer group. Consistent with these criteria and following consultation with an outside compensation advisor, the Board approved a total annual director compensation package consisting of (i) a cash retainer of \$100,000, (ii) options to purchase 8,000 shares of Time Warner common stock, as provided in the 1999 Stock Plan, and (iii) an award of restricted stock units valued at \$75,000 under the Directors' Restricted Stock Plan. The new annual director compensation package will take effect in connection with the Company's 2005 annual meeting of stockholders. To provide for greater consistency in the compensation of non-employee directors, the Board also addressed the compensation for directors who join the Board of Directors at a time other than in connection with an annual meeting of stockholders. In general, for directors who join the Board less than six months prior to the Company's next annual meeting of stockholders, the policy will be to increase the stock option grant on a pro-rated basis and to provide a pro-rated cash retainer consistent with the compensation package described above, subject to limitations that may exist under the applicable equity plan.
