The Notes were sold in a private placement transaction in reliance on an exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"). The Company sold the Notes to institutional accredited investors (as defined by Rule 501(a) of the Securities Act), pursuant to a Note Purchase Agreement dated July 28, 2017 (the "Note Purchase Agreement"). Interest on the Notes is payable semiannually on May 15 and November 15 of each year, commencing on November 15, 2018.

The Company used the gross proceeds from the Notes to repay \$350,000,000 million of the Company's 7.95% Senior Unsecured Notes that matured on May 15, 2018.

The terms of the Note Purchase Agreement, which continue to apply so long as any of the Notes are outstanding, include customary covenants, including a covenant that requires the maintenance of a debt-to-capital ratio of less than or equal to 65%, customary events of default, including a cross default provision, and covenants regarding parity of financial covenants, liens and guarantees with respect to the Company's material credit facilities. In the event of a change of control, the Company will be required to offer to prepay the Notes at par. The Company may, on not less than ten nor more than sixty days' prior written notice, prepay at any time all, or from time to time part of, the Notes of any series, in an amount not less than twenty percent of the aggregate principal amount of the Notes of such series, prior to their respective maturities, subject to payment of a customary make-whole premium.

As previously disclosed, the Company has agreed to sell a total of \$450,000,000 in aggregate principal amount of senior unsecured notes pursuant to the Note Purchase Agreement. The Company intends to issue the remaining \$100,000,000 under the Note Purchase Agreement on or about August 1, 2018 as its proposed 3.78% Senior Unsecured Notes, Series D, due August 1, 2028 and 4.60% Senior Unsecured Notes, Series H, due August 1, 2048.

The above description of the Note Purchase Agreement and the Notes does not purport to be a complete statement of the parties' rights and obligations thereunder. Such description is qualified in its entirety by reference to the Note Purchase Agreement, a copy of which was attached as Exhibit 10.1 to the Company's Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on July 28, 2017, which is incorporated herein by reference. The forms of each of the Notes was attached to the Note Purchase Agreement as Schedule 1-A, Schedule 1-B, Schedule 1-C, Schedule 1-E, Schedule 1-F and Schedule 1-G, respectively, and each is incorporated herein by reference.

The Notes are not registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements and applicable state laws. This Current Report on Form 8-K does not constitute an offer to sell nor a solicitation of an offer to purchase the Notes or any other securities, and shall not constitute an offer, solicitation or sale in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.
