**SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS**

**Item 1.01.**

**Entry into a Material Definitive Agreement.**

On June 23, 2006, we entered into a license agreement with DGM Audio LLC. Under the License Agreement, we granted to DGM worldwide rights to manufacture, market and sell headsets and headphones using our ribbon-driver technology and certain of our trademarks. We retained our rights with respect to the headsets and headphones that we sell in the commercial, industrial and professional markets.

We are required to provide DGM with drawings and specifications for the licensed technology within five business days after the date of the agreement. The effectiveness of the license agreement is conditioned upon the payment by DGM of a non-refundable license fee of \$300,000 by no later than 10 business days after we deliver such drawings and specifications to DGM. If not paid by that date, the license agreement will be automatically canceled. We will also be entitled to royalties on sales of any products incorporating any of our intellectual property. To maintain the license, DGM must make minimum annual royalty payments of \$300,000 in 2007, \$600,000 in 2008, \$900,000 in 2009, and \$1.2 million each year thereafter.

This description of the license agreement is qualified in its entirety by reference to the full agreement, which is filed as exhibit to this report.
