The following information amends and restates Item 4:

Pursuant to the Letter Agreement dated March 13, 1997, as amended by the Letter Agreement dated June 10, 1997 (as so amended, the Letter Agreement) by and between MEP LP and the Issuer, MEP LP agreed to purchase an aggregate of 2,105,263 shares of Common Stock. Pursuant to the Agreement of Transfer dated as of June 20, 1997 between MPL and MEP LP (the Transfer Agreement), simultaneous with its acquisition of Common Stock, MEP LP assigned to MPL 1,052,632 shares of Common Stock in exchange for \$5,000,000.00 in cash payable at the direction of MEP LP.

Pursuant to the Letter Agreement, MEP LP has the right to cause the Issuer to include in any registration of the securities of the Issuer under the Securities Act of 1933, as amended (the Securities Act) (other than a registration of shares relating to an employee benefit plan or a transaction pursuant to Rule 145 under the Securities Act) effected by the Issuer such number of shares as MEP LP shall request, subject to underwriter cutbacks.

In addition, pursuant to the Letter Agreement, for so long as MEP LP shall have at least a 10% interest in Equity Securities (as defined in the Letter Agreement) of the Issuer, if the Issuer shall issue any additional Equity Securities, MEP LP shall have the right to purchase, at a price equal to the proposed offering price, an amount of such Equity Securities so that MEP LP may maintain its current ownership percentage of Equity Securities.

On June 24, 1997, pursuant to the Letter Agreement, a designee of MEP LP was appointed as a Class 2 Director of the Issuer and so long as MEP LP maintains at least a 12% interest in the Equity Securities of the Issuer: (i) upon the expiration of the term of such designee, the Issuer shall include and support a designee of MEP LP as one of management's nominees for the board of directors of the Issuer, and (ii) upon the termination of such designee's services as a director other than upon the expiration of term of office, the Issuer shall appoint in his place a replacement designee of MEP LP. In addition, two principals of the Issuer agree to vote Equity Securities which they own (or with respect to which they

(Page 17 of 27)

have the power to direct the vote) in an amount sufficient to elect such designee of MEP LP to the board of directors of the Issuer.

Under Section 141 of the Delaware General Corporation Law, the business of the Issuer is to be managed by or under the direction of its board of directors.

Pursuant to that certain Preferred Stock Purchase Agreement entered into as of September 6, 2002 by and among the Issuer, MDP Ventures II and the other investors named therein (the Series C Preferred Stock Purchase Agreement), MDP Ventures II purchased 2,000 shares of the Issuer's series C convertible preferred stock, par value \$.01 per share (the Series C Preferred Stock), from the Issuer on September 6, 2002 for an aggregate purchase price of \$2,000,000.00. Each share of the Series C Preferred Stock is convertible at the option of its holder at any time into one share of Common Stock at an initial conversion price of \$3.00 per share (subject to adjustment under certain circumstances).

The Series C Preferred Stock entitles each holder thereof to one vote for each share of Common Stock into which such Series C Preferred Stock is convertible and dividends at an annual rate of \$90.00 per share. Dividends are cumulative, do not accrue interest and, at the Issuer's option, may be paid in additional shares of the Series C Preferred Stock.

Edgar Filing: MDP VENTURES II LLC - Form SC 13D/A

With respect to dividend rights and rights in the event of the liquidation or dissolution of the Issuer, the Series C Preferred Stock ranks senior to the Common Stock, pari passu with the Issuer's Series B convertible preferred stock, par value \$.01 per share (the Series B Preferred Stock), and junior to the Issuer's Series D Preferred Stock (as defined below). The Issuer is prohibited from issuing any capital stock that ranks senior to, or pari passu with, the Series C Preferred Stock without the consent of the holders of eighty-one percent (81%) of the outstanding shares of the Series C Preferred Stock.

Upon the liquidation or dissolution of the Issuer, holders of the Series C Preferred Stock are entitled to receive, prior to any distribution to any other stockholder other than the holders of the Series B Preferred Stock and the Series D Preferred Stock, a liquidation amount equal to \$1,000.00 per share (subject to adjustment under certain circumstances), together with all accrued and unpaid dividends with respect to such shares.

The Issuer may redeem, in whole or in part, the outstanding shares of the Series C Preferred Stock at a redemption price equal to \$1,000.00 per share, together with all accrued and unpaid dividends with respect to such shares.

In connection with MDP Ventures II's acquisition of its shares of the Series C Preferred Stock, the Issuer, MDP Ventures II and the other investors in the Series C Preferred Stock (collectively, the Series C Investors) entered into that certain Investors' Rights Agreement dated as of September 6, 2002 (the Series C Investors' Rights Agreement), which agreement governs, among other things, the right of the Series C Investors to cause the Issuer to register under the Securities Act the shares of Common Stock into which their Series C Preferred Stock is convertible.

On February 19, 2004, the Reporting Person Parties agreed to make an investment in the Issuer in accordance with the terms set forth in a non-binding Term Sheet (the New Term Sheet) agreed to with Licklider and Kayne. Licklider and Kayne are referred to herein as the 13D Parties. The Reporting Person Parties and the 13D Parties are referred to herein as the New Term Sheet Parties. Licklider and Kayne are significant beneficial owners of the Issuer's Common Stock and have filed either a Schedule 13D or Schedule 13G pursuant to the Act. The New Term Sheet set forth a non-binding plan for the New Term Sheet Parties to consummate a transaction whereby the New Term Sheet Parties would purchase an

(Page 18 of 27)

aggregate of 65,000 shares of Series D convertible preferred stock, par value \$.01 per share (the Series D Preferred Stock), of the Issuer at \$100 per share.

On March 12, 2004, MDP Ventures II purchased an aggregate of 45,000 shares of the Series D Preferred Stock for an aggregate purchase price of \$4,500,000.00, and affiliates of the 13D Parties purchased an aggregate of 20,000 shares of the Series D Preferred Stock for an aggregate purchase price of \$2,000,000.00, in each case pursuant to the terms of a Stock Purchase Agreement, dated as of March 11, 2004, by and among the Issuer, MDP Ventures II and affiliates of the 13D Parties. Each share of the Series D Preferred Stock is convertible at the option of its holder at any time into one share of Common Stock at an initial conversion price of \$2.00 per share (subject to adjustment under certain circumstances). The shares of Series D Preferred Stock are also subject to mandatory conversion into Common Stock under certain circumstances.

The Series D Preferred Stock entitles each holder thereof to one vote for each share of Common Stock into which such Series D Preferred Stock is convertible and dividends at an annual rate of \$9.00 per share. Dividends are cumulative, do not accrue interest and, at the Issuer's option, may be paid in additional shares of the Series D Preferred Stock.

With respect to dividend rights and rights in the event of the liquidation or dissolution of the Issuer, the Series D Preferred Stock ranks senior to the Common Stock, the Series B Preferred Stock and the Series C Preferred Stock. The Issuer is prohibited from issuing any capital stock that ranks senior to, or pari passu with, the Series D Preferred Stock without the consent of the holders of eighty-five percent (85%) of the outstanding shares of the Series D Preferred Stock.

Upon the liquidation or dissolution of the Issuer, holders of the Series D Preferred Stock are entitled to receive, prior to any distribution to any other stockholder, a liquidation amount equal to \$100.00 per share (subject to adjustment under certain circumstances), together with all accrued and unpaid dividends with respect to such shares.

Edgar Filing: MDP VENTURES II LLC - Form SC 13D/A

The Issuer may, at any time after March 12, 2010, redeem, in whole or in part, the outstanding shares of the Series D Preferred Stock at a redemption price equal to \$100.00 per share, together with all accrued and unpaid dividends with respect to such shares.

In connection with the purchase of the Series D Preferred Stock, the Issuer, MDP Ventures II and affiliates of the 13D Parties entered into that certain Investors' Rights Agreement, dated as of March 10, 2004 (the Series D Investors' Rights Agreement), which agreement governs, among other things, the rights of the purchasers of the Series D Preferred Stock to cause the Issuer to register under the Securities Act the shares of Common Stock into which their Series D Preferred Stock is convertible. The Series D Investors' Rights Agreement also affords MDP Ventures II (together with its affiliates) and the 13D Parties (together with their respective affiliates) certain consent rights with respect to the operation of the Issuer's business. MDP Ventures II (together with its affiliates) also will have the right to designate two directors (one of which must be an independent director) to serve on the Issuer's board of directors and each of the 13D Parties (together with their respective affiliates) also will have the right to designate one director to serve on the Issuer's board of directors. MDP Ventures II (together with its affiliates) and the 13D Parties (together with their respective affiliates) have agreed to take all actions necessary to elect each such designee to the board of directors of the Issuer. The consent rights and director designation rights described above will terminate if certain specified Common Stock ownership thresholds are not satisfied. The rights granted to MDP Ventures II (together with its affiliates) set forth in the Series D Investors' Rights Agreement with respect to the designation of directors supercede the rights granted in the Letter Agreement.

(Page 19 of 27)

As a result of certain of the provisions set forth in the Series D Investors' Rights Agreement, the Reporting Persons have formed a group with the 13D Parties for purposes of Section 13(d) of the Act and the rules and regulations promulgated thereunder. Accordingly, each of the Reporting Persons may be deemed to be the beneficial owner of the shares of the Issuer's Common Stock beneficially owned by the 13D Parties as reported on their respective Schedule 13D or Schedule 13G. Each of the Reporting Persons expressly disclaims beneficial ownership of the Issuer's Common Stock beneficially owned by the 13D Parties.

Pursuant to (i) the Amended and Restated Promissory Note, dated as of December 30, 1997, executed and delivered by Talla, as maker, to MDP Ventures II, as payee, as amended by the Note Modification Agreement, dated as of March 1, 2001, by and between Talla and MDP Ventures II (the Note) and (ii) the Amended and Restated Loan and Stock Pledge Agreement, dated as of December 30, 1997, by and between Talla and MDP Ventures II, as amended by the First Amendment to the Amended and Restated Loan and Stock Pledge Agreement, dated as of March 1, 2001, by and between Talla and MDP Ventures II (the Loan Agreement), Talla was obligated to pay to MDP Ventures II the principal amount of the Note, and all accrued and unpaid interest thereon (collectively, the Obligation), on March 1, 2004. The Obligation was secured by 1,000,000 shares of Common Stock, registered in the name of Talla (the Collateral). Talla failed to pay MDP Ventures II the Obligation on March 1, 2004, which resulted in an event of default under the Loan Agreement. Pursuant to a Confirmation of Foreclosure and Acceptance of Collateral, dated as of November 30, 2004, by and between MDP Ventures II and Talla (the Confirmation of Foreclosure), MDP Ventures II agreed to accept the Collateral in full satisfaction of the Obligation secured by the Collateral and Talla consented to the acceptance by MDP Ventures II of the Collateral in full satisfaction of the Obligation. The Confirmation of Foreclosure provided that the acceptance of the Collateral shall occur on January 2, 2005. Accordingly, on January 2, 2005 MDP Ventures II acquired 1,000,000 shares of Common Stock.

As previously disclosed by the Issuer, the Issuer has engaged an independent investment banker to assist it in selling certain assets and fitness facilities in order to generate cash for working capital purposes and to retire a portion of its existing indebtedness. On September 14, 2004, certain of the Reporting Persons submitted an indication of interest to the Issuer with respect to the purchase of the assets, and in some cases the leases, of the Issuer's fitness facilities located in Washington, D.C., San Francisco, California, Boston, Massachusetts and Miami, Florida. On November 9, 2004, an affiliate of the Reporting Persons (the Bidder) submitted a non-binding proposal (the Initial Proposal) to the Issuer to acquire either (i) the assets of the fitness facilities located in New York (the Reebok Club), New York, New York (the East Side Club), New York, Washington, D.C., San Francisco, California, Boston, Massachusetts and Miami, Florida (the Clubs) for a purchase price of \$80 million or (ii) the assets of the fitness facilities located in Washington, D.C., San Francisco, California, Boston, Massachusetts and Miami, Florida for a purchase price of \$40 million. One of the Reporting Persons and its affiliates currently own the fitness facility located in Miami, Florida, which facility is managed by the Issuer, and certain of the Reporting Persons or their affiliates currently serve as the landlords for the remainder of such fitness facilities. The Initial Proposal was non-binding and was subject to a number of conditions, including the contemporaneous sale of all of the Issuer's other assets to parties unaffiliated with the Reporting Persons.

Edgar Filing: MDP VENTURES II LLC - Form SC 13D/A

On December 7, 2004, the Bidder submitted a non-binding proposal to the Issuer which confirmed its interest in acquiring the assets of the Clubs for \$80 million on substantially the same terms as contained in the Initial Proposal. The Bidder also indicated that it would require the Issuer to provide certain ongoing management and administrative services to the Bidder for up to one year in the event such assets were purchased. The Bidder proposed in the alternative acquiring the Issuer through a merger (the Merger Proposal) in which the Bidder would pay \$2.00 for each outstanding share of the Issuer's Common Stock (other than shares held by the Reporting Persons and certain other stockholders of the

(Page 20 of 27)

Issuer to be determined). The Merger Proposal is non-binding and is subject to a number of conditions, including: (i) the sale of the Issuer's fitness facilities located in Los Angeles, California, Beverly Hills, California and Orange County, California for a purchase price of at least \$125 million; (ii) that all of the Issuer's preferred stockholders consent to roll their preferred stock into preferred stock of the surviving corporation of the merger; and (iii) that sufficient holders of the Issuer's Common Stock roll into common stock of the surviving corporation of the merger.

By letter dated December 15, 2004, the Bidder advised the Issuer that it was withdrawing the proposal made in the Bidder's December 7, 2004 letter and submitting a revised non-binding proposal to the Issuer in which the Bidder confirmed its interest in acquiring for a total cash consideration of \$200 million and otherwise on terms similar to those of the December 7, 2004 proposal certain assets and partnership interests from the Issuer consisting of its sports and fitness facilities (including the Issuer's California facilities but excluding its Rockefeller Center facility) and all related operating and other assets. The Bidder indicated that, to the extent that the Issuer owns a less than 100% partnership or equity interest in any of the entities that own and operate the California facilities, the Bidder will require that the interest not now owned by the Issuer be acquired as necessary and conveyed to the Bidder as part of the assets to be acquired. The proposal is subject to a number of conditions. The Bidder withdrew the alternative proposal made in the December 7, 2004 proposal to acquire the Issuer through a merger.

On February 8, 2005, the Bidder entered into a non-binding letter of intent (the LOI) with the Issuer to acquire substantially all of the assets, properties and rights of the Issuer in connection with the management and operation of the fitness facilities located in New York (the Reebok Club), New York; New York (the East Side Club), New York; New York (the Rockefeller Center Club), New York; Washington, D.C.; San Francisco, California; Miami, Florida; and Boston, Massachusetts. One of the Reporting Persons and its affiliates currently own the fitness facility located in Miami, Florida, which facility is managed by the Issuer, and certain of the Reporting Persons or their affiliates currently serve as the landlords for four of such fitness facilities. In addition, the LOI contemplates that (i) the Bidder will contribute to a newly formed entity (Newco) all of the shares of Common Stock that are owned by the Reporting Persons in exchange for common stock of Newco, (ii) certain of the Issuer's other stockholders (the Principal Stockholders) will contribute to Newco all of the Issuer's Common Stock and preferred stock that is owned by the Principal Stockholders in exchange for common stock and preferred stock of Newco and (iii) Newco will merge with and into the Issuer and all of the Issuer's stockholders (other than the Reporting Persons and the Principal Stockholders) will receive cash equal to \$2.00 per share for each share of Common Stock held by them. The LOI is non-binding and the transactions contemplated thereby are subject to a number of conditions, including satisfactory completion of the Bidder's due diligence investigation, the negotiation and execution of definitive agreements (including a transition services agreement and an operating agreement), the receipt by the Issuer of a fairness opinion with respect to certain of the transactions contemplated by the LOI, the approval of the transactions contemplated by the LOI by the Special Committee of the Issuer's Board of Directors and the Issuer's stockholders and the receipt of consents to the transfer of certain leases. Each of the Reporting Persons expressly disclaims beneficial ownership of the Issuer's Common Stock beneficially owned by the Principal Stockholders.

On October 28, 2005, Millennium Development Partners VIII LLC, a Delaware limited liability company (the Buyer) and an affiliate of the Reporting Persons, entered into an Asset Purchase Agreement (the Asset Purchase Agreement) with the Issuer and certain of the Issuer's subsidiaries to acquire, for a purchase price of \$65 million, substantially all of the assets, properties and rights of the Issuer and such subsidiaries in connection with the management and operation of the fitness facilities located in New York (the Reebok Club), New York; New York (the East Side Club) New York; New York (the Rockefeller Center Club), New York; Washington, D.C.; San Francisco, California; Miami, Florida; and Boston, Massachusetts. An affiliate of the Reporting Persons currently owns the fitness facility located in Miami, Florida, which facility is managed by the Issuer, and certain of the Reporting

(Page 21 of 27)

Persons or their affiliates currently serve as the landlords for four of such fitness facilities. Pursuant to the terms of the Asset Purchase Agreement, the Issuer has the option to exclude the Rockefeller Center Club from the transactions contemplated by the Asset Purchase Agreement, in which case the purchase price to be paid by the Buyer would be \$80 million. The transactions contemplated by the Asset Purchase Agreement are subject to a number of conditions, including receipt of certain governmental and third party consents.

On January 13, 2006, the Buyer consummated the transactions contemplated by the Asset Purchase Agreement and acquired (either directly or through certain of its affiliates) substantially all of the assets, properties and rights of the Issuer and its subsidiaries in connection with the management and operation of the fitness facilities located in New York (the East Side Club), New York; Washington, D.C.; San Francisco, California; and Boston, Massachusetts. An affiliate of the Buyer also acquired the Issuer's interest in Reebok Sports Club/NY, and the Issuer's management agreement covering the fitness facility located in Miami, Florida (which is owned by an affiliate of the Buyer) was terminated. The aggregate purchase price paid by the Buyer was \$80 million, a portion of which was paid through the issuance of two promissory notes.

The Reporting Persons, in the aggregate, are the beneficial owners of 10,157,469 shares of Common Stock (which number does not include the shares of Common Stock beneficially owned by the 13D Parties, which shares the Reporting Parties expressly disclaim beneficial ownership of as disclosed above). At each respective time of purchase or other acquisition, the purchasing/acquiring Reporting Person purchased/acquired the subject shares of Common Stock for investment purposes.

Except as described above in this Item 4 and below in Item 6, none of the Reporting Persons nor, to the best of the knowledge of the Reporting Persons, any of the individuals named in Schedule I hereto, has any plans or proposals that relate to or would result in any of the actions or events specified in clauses (a) through (j) of Item 4 of Schedule 13D. Notwithstanding the foregoing, the Reporting Persons may determine to change their investment intent with respect to the Issuer at any time in the future. The Reporting Persons intend to vote their respective shares of Common Stock, Series C Preferred Stock and Series D Preferred Stock as each deems appropriate from time to time. In determining from time to time whether to sell their shares of Common Stock, Series C Preferred Stock or Series D Preferred Stock (and in what amounts) or to retain such shares, the applicable Reporting Persons will take into consideration such factors as they deem relevant, including the business and prospects of the Issuer, anticipated future developments concerning the Issuer, existing and anticipated market conditions from time to time, general economic conditions, and other opportunities available to the Reporting Persons. Each of the Reporting Persons reserves the right to acquire additional securities of the Issuer in the open market, in privately negotiated transactions (which may be with the Issuer or with third parties) or otherwise, to dispose of all or a portion of its holdings of securities of the Issuer or to change their intention with respect to any or all of the matters referred to in this Item 4.
