Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) On March 27, 2008, the compensation committee (the "Committee") of the board of directors (the "Board") of Capital Trust, Inc. (the "Company") approved performance objectives for purposes of determining 2008 incentive compensation for John R. Klopp, the Company's chief executive officer, Stephen D. Plavin, the Company's chief operating officer and Geoffrey G. Jervis, the Company's chief financial officer, pursuant to their respective employment agreements with the Company.

Mr. Klopp's employment agreement with the Company (the "Klopp Agreement") provides for an annual opportunity to earn a cash bonus ranging from 100% of base salary at threshold performance to 200% of base salary at maximum performance, with a target of 150% of base salary at target performance. In addition, the Klopp Agreement provides for an annual opportunity to earn shares of restricted stock and performance stock, subject to future vesting, with a value ranging from \$250,000 at threshold performance to \$750,000 at maximum performance, with a target of \$500,000 at target performance. The restricted stock component of this grant, representing 50% of the shares that may be earned, is subject to time vesting in equal installments over the three year period commencing on January 1, 2009 and ending on December 31, 2012 and the performance stock component, representing 50% of the shares that may be earned, is subject to performance vesting on December 31, 2012 provided that the total shareholder return during the vesting period is at least 13% per annum.

Mr. Plavin's employment agreement with the Company provides for an annual opportunity to earn a cash bonus ranging from 100% of base salary at threshold performance to 200% of base salary at maximum performance, with a target of 150% of base salary at target performance.

Mr. Jervis' employment agreement with the Company provides for an annual opportunity to earn a cash bonus ranging from 100% of base salary at threshold performance to 200% of base salary at maximum performance, with a target of 150% of base salary at target performance.

The Committee approved the Company performance objectives for 2008 and the relative weights assigned to them (which vary by officer) that will be used to determine the amount of cash bonuses (and in the case of Mr. Klopp the amount of restricted and performance stock) earned by the officers based upon the achievement of threshold, target and maximum performance levels specified by the Committee.

The Committee determined that performance measures for 2008 would be (i) adjusted net income, (ii) dividends per share, (iii) fund equity raised, (iv) liability management, (v) portfolio credit performance, and (vi) gross originations. For (i) and (ii), the performance objectives carry weights of 20% for each of Mr. Klopp, Mr. Plavin and Mr. Jervis. For (iii) and (iv), the performance objectives carry weights of 15% for Mr. Klopp, 20% for Mr. Jervis and 10% for Mr. Plavin. For (v) and (vi), the performance objectives carry weights of 15% for Mr. Klopp, 20% for Mr. Plavin and 10% for Mr. Jervis.

The amounts to be awarded are calculated pursuant to a formula that applies the weights to the performance level obtained in 2008, with interpolation between threshold and target levels and between target and maximum levels.
