7

DESCRIPTION OF CAPITAL STOCK

The following description briefly summarizes certain information regarding our capital stock. This information does not purport to be complete and is subject in all respects to the applicable provisions of the Maryland General Corporation Law, as amended (the "MGCL"), our Restated Articles of Incorporation, as amended (our "charter"), and our Amended and Restated Bylaws (our "bylaws").

Capital Stock

Our authorized capital stock consists of (i) 100,000,000 shares of common stock, \$.01 par value per share and (ii) 10,000,000 shares of preferred stock, \$.01 par value per share. As of August 14, 2008, we had 39,787,924 shares of common stock issued and outstanding, and no shares of preferred stock issued.

Our board of directors is authorized to reclassify any unissued portion of the authorized shares of capital stock to provide for the issuance of shares in other classes or series, including preferred stock in one or more series, to establish the number of shares in each class or series and to fix the preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends, qualifications and terms and conditions of redemption of such class or series.

Common Stock

Each share of common stock entitles the holder thereof to one vote on all matters submitted to a vote of shareholders, including the election of directors. There is no cumulative voting in the election of directors. Consequently, the holders of a majority of the outstanding shares of common stock can elect all of the directors then standing for election.

Holders of the common stock are entitled to receive ratably such dividends, if any, as may be declared from time to time by our board of directors out of funds legally available therefor. Holders of our common stock have no conversion, preemptive or other rights to subscribe for any securities of ours, and there are no redemption or sinking fund provisions with respect to such shares. In the event of any liquidation or dissolution of us or winding-up of our affairs, holders of common stock will be entitled to share ratably in the assets of the Company remaining after provision for payment of liabilities to creditors. The rights, preferences and privileges of holders of common stock are subject to the rights of the holders of any shares of preferred stock and any additional classes of stock which we may issue in the future.

Preferred Stock

Our charter authorizes our board of directors to create and issue up to 10,000,000 shares of preferred stock in one or more classes or series and to fix for each such class or series the voting powers, designations, preferences and relative, participating, optional or other special rights and any qualifications, limitations or restrictions thereof. Our board of directors is authorized to, among other things, provide that any such class or series of preferred stock may be (i) subject to redemption at such time or times and at such price or prices as our board may establish; (ii) entitled to receive dividends (which may be cumulative or non-cumulative) at such rates, on such conditions, and at such times, and payable in preference to, or in such relation to, the dividends payable on any other class or classes or any other series as our board may establish; (iii) entitled to such rights upon the dissolution of us, or upon any distribution of our assets, as our board may establish; or (iv) convertible into, or exchangeable for, shares of any other class or classes of stock, or of any other series of the same or any other class or classes of stock, of ours at such price or prices or at such rates of exchange and with such adjustments as our board may establish. Issuance of preferred stock could discourage bids for the common stock at a premium as well as create a depressive effect on the market price of the common stock. As of the date hereof, no shares of preferred stock are outstanding and we have no present plans to issue any

such stock.

Additional Classes of Stock

Additional classes of stock, including preferred stock, may be issued from time to time, in one or more series, as authorized by our board of directors. Prior to issuance of shares of each series, our board of directors is required by the MGCL and our charter to set for each such series the preferences, conversion or other rights, voting powers, restrictions, limitations as to the dividends or other distributions, qualifications and terms or conditions of redemption, as are permitted under the MGCL. Our board of directors could authorize the issuance of capital stock with terms and conditions which could have the effect of discouraging a takeover or other transaction which holders of some, or a majority, of the common stock might believe to be in their best interests or in which holders of some, or a majority, of the common stock might receive a premium for their common stock over the then market price of such common stock. As of the date hereof, no such additional classes of stock are outstanding and we have no present plans to issue any such stock.

8

Liability of Directors and Officers; Indemnification

Our charter contains provisions which eliminate the personal liability of a director or officer to us and our shareholders for breaches of duty to the maximum extent provided by law. Under Maryland law, however, these provisions do not eliminate or limit the personal liability of a director or officer (i) to the extent that it is proved that the director or officer actually received an improper benefit or profit or (ii) if a judgment or other final adjudication is entered in a proceeding based on a finding that the directors' or officers' action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in such proceeding. These provisions do not affect the ability of us or our shareholders to obtain equitable relief, such as an injunction or rescission.

Our charter and bylaws provide that we shall indemnify and advance expenses to our directors to the maximum extent permitted by Maryland law, and that we shall indemnify and advance expenses to our officers to the same extent as our directors and to such further extent as is consistent with Maryland law; provided that we will not be obligated to indemnify any director or officer in connection with any proceeding initiated by such director or officer (except for proceedings to enforce rights to indemnification) unless such proceeding was authorized or consented to by our board of directors. Maryland law requires a corporation (unless its charter provides otherwise, which our charter does not) to indemnify a director who has been successful in the defense of any proceeding to which he or she is made a party by reason of his or her service in that capacity. Maryland law also permits a corporation to indemnify any director made a party to any proceeding by reason of service in that capacity unless it is established that (i) the act or omission of the director was material to the matter giving rise to the proceeding and (a) was committed in bad faith or (b) was the result of active and deliberate dishonesty, or (ii) the director actually received an improper personal benefit in money, property or services, or (iii) in the case of any criminal proceeding, the director had reasonable cause to believe that the act or omission was unlawful. Maryland law permits Maryland corporations to indemnify their officers, employees or agents to the same extent as its directors and to such further extent as is consistent with law.

We maintain directors' and officers' liability insurance and have also previously entered into indemnification agreements with certain of our directors and certain of our officers under which we will indemnify them against expenses and losses incurred for claims brought against them by reason of being a director or officer of the Company. The indemnification agreements indemnify and advance expenses to our directors and officers to the fullest extent permitted by the MGCL.

Certain Charter, Bylaw and Statutory Provisions Affecting Shareholders

Certain provisions in our charter and bylaws and the MGCL may have the effect of delaying, deferring or preventing a change of control of the Company or may operate only with respect to extraordinary corporate transactions involving the Company.

Removal of Directors

A director may be removed by the shareholders, but only for cause, and only by the affirmative vote of the holders, voting as a single class, of at least two-thirds of the voting power of the Company's then outstanding capital stock entitled to vote generally in the election of directors. The director removal provision could have the effect of discouraging a potential acquiror from making a tender offer or initiating a proxy contest or otherwise attempting to gain control of the Company and could increase the likelihood that incumbent directors will retain their positions.

Advance Notice of Shareholder Proposals or Nominations

Our bylaws provide that shareholders at an annual meeting may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the board or by a shareholder who was a shareholder of record on the record date for the meeting, who is entitled to vote at the meeting and who has given to the Company's Secretary timely written notice, in proper form, of the shareholder's intention to bring that proposal or nomination before the meeting. In addition to certain other applicable requirements, for a shareholder proposal or nomination to be properly brought before an annual meeting by a shareholder, such shareholder generally must have given notice thereof in proper written form to the Secretary of the Company not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of shareholders. Although our bylaws do not give our board the power to approve or disapprove shareholder nominations of candidates or proposals regarding other business to be conducted at a special or annual meeting, our bylaws may have the effect of precluding the conduct of certain business at a meeting if the proper procedures are not followed or may discourage or defer a potential acquiror from conducting a solicitation of proxies to elect its own slate of directors or otherwise attempting to obtain control of the Company.

Special Meetings of Shareholders

Pursuant to the MGCL, our bylaws permit shareholders to call special meetings of shareholders upon written request of holders of shares entitled to cast not less than a majority of all votes entitled to be cast at such meeting. Our bylaws provide that only business specified in the notice of a special meeting will be conducted at such meeting. Such provisions do not, however, affect the ability of shareholders to submit a proposal to the vote of all shareholders of the Company at an annual meeting in accordance with our bylaws, which provide for the additional notice requirements for shareholder nominations and proposals at the annual meetings of shareholders as described above. In addition, pursuant to the MGCL, our bylaws provide that any action required or permitted to be taken at a meeting of the shareholders may be taken without a meeting by unanimous written consent, if such consent sets forth such action and is signed by each shareholder entitled to vote on the matter and is filed with a written waiver of any right to dissent signed by each shareholder entitled to notice of the meeting but not entitled to vote thereat.

Amendments

Our charter and bylaws provide that the affirmative vote of the holders of at least 80% of the then outstanding shares of common stock is required to amend, alter, change or repeal certain of their provisions. This requirement of a super-majority vote to approve amendments to certain provisions of our charter and bylaws could enable a minority of the Company's shareholders to exercise veto power over any such amendments.

Business Combinations

Under the MGCL, certain "Business Combinations" (including a merger, consolidation, share exchange or, in certain circumstances, an asset transfer or issuance or reclassification of equity securities) between a Maryland corporation and any person who beneficially owns 10% or more of the voting power of the corporation's shares or an affiliate of the corporation who, at any time within the two-year period prior to the date in question, was the beneficial owner of 10% or more of the voting power of the then-outstanding voting stock of the corporation (an "Interested Shareholder") or an affiliate thereof are prohibited for five years after the most recent date on which the Interested Shareholder became an Interested Shareholder. Thereafter, any such Business Combination must be recommended by the Board of Directors of such corporation and approved by the affirmative vote of at least (i) 80% of the votes entitled to be cast by holders of outstanding voting shares of the corporation and (ii) 66 2/3% of the votes entitled to be cast by holders of outstanding voting shares of the corporation other than shares held by the Interested Shareholder with whom the Business Combination is to be effected, unless, among other things, the corporation's shareholders receive a minimum price (as defined in the MGCL) for their shares and the consideration is received in cash or in the same form as

previously paid by the Interested Shareholder for its shares. Pursuant to the MGCL, these provisions also do not apply to Business Combinations which are approved or exempted by the board of directors of the corporation prior to the time that the Interested Shareholder becomes an Interested Shareholder.

-
- (1) Represents less than 1% of our outstanding common stock.
- (2) Assumes that the applicable shareholder sells all of the shares of our common stock set forth in the column entitled “Number of Shares Being Offered” and does not acquire any additional shares.
- (3) We are reserving 5,934 shares of common stock for certain potential selling shareholders who currently have not, but may in the future under the merger agreement with Staubach, elect to sell their common stock under the registration statement of which this prospectus is a part. As of the date of this prospectus, several potential selling shareholders have not yet provided us with the information necessary to specifically include them by name in the prospectus. It is our intent, however, to file prospectus supplements at such reasonable times as such potential selling shareholders provide the information necessary to include them in the registration statement of which this prospectus is a part and otherwise comply with the provisions of the merger agreement with Staubach.

PLAN OF DISTRIBUTION

The selling shareholders may, from time to time sell, transfer or otherwise dispose of any or all of their shares of common stock directly to purchasers or through broker-dealers or agents. The common stock may be sold in one or more transactions at fixed prices, prevailing market prices at the time of sale, prices related to the prevailing market prices, varying prices determined at the time of sale or negotiated prices. The selling shareholders may use any one or more of the following methods when disposing of the shares or interests therein:

- on any national securities exchange or quotation service on which our common stock may be listed or quoted at the time of sale, including the New York Stock Exchange;
 - in the over-the-counter market;
- in transactions otherwise than on such exchanges or services or in the over-the-counter market; or
 - through the writing of options.

These transactions may include block transactions or crosses. Crosses are transactions in which the same broker acts as agent on both sides of the trade.

The selling shareholders may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the selling shareholders may arrange for other broker-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling shareholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated.

Upon our being notified in writing by a selling shareholder that any material arrangement has been entered into with a broker-dealer for the sale of common stock through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, a supplement to this prospectus will be filed, if required, pursuant to Rule 424(b) under the Securities Act, disclosing the name of each such selling shareholder and of the participating broker-dealers, the number of shares involved, the price at which such shares of common stock were sold, the commissions paid or discounts or concessions allowed to such broker-dealers, where applicable, that such broker-dealers did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus, and other facts material to the transaction.

In connection with the sale of the shares of common stock or interests in shares of common stock, the selling shareholders may enter into hedging transactions after the effective date of the registration statement of which this prospectus is a part with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling shareholders may also sell shares of common stock short after the effective date of the registration statement of which this prospectus is a part and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling shareholders may also enter into option or other transactions after the effective date of the registration statement of which this prospectus is a part with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

Selling shareholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions

received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

In order to comply with the securities laws of some states, if applicable, the shares must be sold in those states only through registered or licensed brokers or dealers. In addition, some states may restrict the selling shareholders from selling shares unless the shares have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We have advised the selling shareholders that they are required to comply with Regulation M promulgated under the Securities Exchange Act during such time as they may be engaged in a distribution of the shares. The foregoing may affect the marketability of the common stock.

We are required to pay all expenses arising from or incident to the registration of the public sale by the selling shareholders of the shares of common stock, exclusive of discounts, selling commissions, applicable stock transfer taxes, and certain other expenses of the selling shareholders. We have agreed to indemnify the selling shareholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act or otherwise.

We have agreed with the selling shareholders to keep the registration statement of which this prospectus is a part effective for six months after the Registration Statement is declared effective or until all selling shareholders' shares have been sold, whichever is earlier. However, a selling shareholder's right to sell shares of our common stock pursuant to the registration statement of which this prospectus is a part will terminate at such time as such shares first becomes eligible for sale pursuant to Rule 144 under the Securities Act.

We cannot assure you that the selling shareholders will sell all or any of the common stock offered under the registration statement.

The validity of the shares of common stock offered hereby will be passed upon by Gordon G. Repp, Deputy Global General Counsel and Assistant Secretary, Jones Lang LaSalle Incorporated, 200 East Randolph Drive, Chicago, Illinois, 60601.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. Other Expenses of Issuance and Distribution

The estimated expenses in connection with this offering to be paid by us are as follows:

	Amount To Be Paid
SEC registration fee	\$ 4,430
Legal fees and expenses	75,000
Accounting fees and expenses	45,000
Miscellaneous (including any applicable listing fees and transfer agent's fees and expenses)	3,070
Total	\$ 127,500

Item 15. Indemnification of Directors and Officers

Our charter and bylaws provide that we shall indemnify and advance expenses to our directors to the maximum extent permitted by Maryland law, and that we shall indemnify and advance expenses to our officers to the same extent as our directors and to such further extent as is consistent with Maryland law; provided that we will not be obligated to indemnify any director or officer in connection with any proceeding initiated by such director or officer (except for proceedings to enforce rights to indemnification) unless such proceeding was authorized or consented to by our board of directors. Maryland law requires a corporation (unless its charter provides otherwise, which our charter does not) to indemnify a director who has been successful in the defense of any proceeding to which he or she is made a party by reason of his or her service in that capacity. Maryland law also permits a corporation to indemnify any director made a party to any proceeding by reason of service in that capacity unless it is established that (i) the act or omission of the director was material to the matter giving rise to the proceeding and (a) was committed in bad faith or (b) was the result of active and deliberate dishonesty, or (ii) the director actually received an improper personal benefit in money, property or services, or (iii) in the case of any criminal proceeding, the director had reasonable cause to believe that the act or omission was unlawful. Maryland law permits Maryland corporations to indemnify their officers, employees or agents to the same extent as its directors and to such further extent as is consistent with law.

We maintain directors' and officers' liability insurance and have also previously entered into indemnification agreements with certain of our directors and certain of our officers under which we will indemnify them against expenses and losses incurred for claims brought against them by reason of being a director or officer of the Company. The indemnification agreements indemnify and advance expenses to our directors and officers to the fullest extent permitted by the MGCL.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering price may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is a part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time to be deemed the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is a part of the registration statement will, as to a purchaser with a time of

contract sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was a part of the registration statement or made in any such document immediately prior to such effective date.

II-2

(b) That for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Chicago, State of Illinois, on August 15, 2008.
