Dear Fellow Shareholder,

The stock market stayed on its upward course throughout 2017. Our Fund was up 17.8% during the year, against an 21.8% increase for our benchmark, the S&P 500 (total return) index.

As we've expressed at various times in the recent past, we remain cautious about the market's near-term prospects. Price/earnings multiples are elevated, and risk has been pushed aside. While there is good news on the economic front, we don't put much faith in a perpetual Goldilocks economy.

Economics and economists worship at the altar of free markets and competition. We are both trained as economists, appreciating the beauty of Adam Smith's "invisible hand" that makes capitalism such a dynamic force. Capitalism is wonderful for consumers and society at large who enjoy its efficiency. And, Economics gets a handful of concepts dead right, while missing relevant parts of others. (I only suffer from an undergraduate education in Economics, while David has to reckon with both undergraduate and Masters degrees. Thank God that David didn't pursue his PhD in Economics or we'd be hopeless on the investing front.) Economics correctly depicts the benefit of competition for consumers: lower prices are good for consumers. On the other side, similarly, competition also stands as a threat to profits for investors.

As the owners of the underlying businesses, investors gain as profits swell and suffer as they wane. To escape the ills of competition, we seek to find niches where a handful of companies operate and each of them does so profitably. While all of the standard rules of competition apply, generally these companies have a larger incentive to "comfortably compete" with others, offering profits to investors in each of the companies in the industry.

Among some more obvious oligopolies would be:

*Colgate-Palmolive and Procter & Gamble's Crest (toothpaste)

*Coke, Pepsi and Dr. Pepper Snapple (in branded carbonated beverages)

*Home Depot, Lowe's and Tractor Supply (in home improvement stores)

*AutoZone, O'Reilly Automotive, Advance Auto and Genuine Parts (in aftermarket auto parts), and

*Stryker, Zimmer Biomet, Johnson & Johnson (DePuy division), et al (in knee & hip replacements and related medical devices).

In order to demonstrate our point more precisely, we're going to focus on the inherent profitability and growth of the aftermarket auto parts industry. We added a pair of these companies to the portfolio during the year. There are, in our view, four major publicly-traded players in aftermarket auto parts industry: AutoZone (AZO), O'Reilly Automotive (ORLY), Advance Auto Parts (AAP) and Genuine Parts (GPC.) We realize that we are painting with a broad brush, and that there are niche players in certain segments, and major companies with operations in minor or niche markets. Our goal is to provide a "big picture" view of the major players as we outline our oligopoly theory of investing.

Set forth below is a summary of certain financial and operating metrics of this group:

	AZO	ORLY	AAP	GPC
Gross margin	53 %	53 %	45 %	30 %
Operating margin	19 %	20 %	8 %	7 %
Pretax margin	18 %	19 %	8 %	7 %
After-tax margin	12 %	12 %	5 %	5 %

Return on capital (ROA) 14% 14% 6% 8%

The financial and operating metrics for the aftermarket auto parts companies are superior to the average American company and demonstrate why we love oligopolies when we look for investment opportunities.

There are also a handful of errant items to note, as you page through the report. We hold a significant amount of Colgate-Palmolive Co, which is the world's number 1 maker of toothpaste, providing four of every ten tubes of paste in the world. In the current environment, we view holding a top company as a good defensive position. The distribution in 2017 had a 60% participation rate, with almost \$1.1 million reinvested in the Fund. Another year with remarkable participation. And, in late 2016, the Fund's main broker retired. We were making transactions with him at a penny a share but have accepted the industry rate of \$0.05 per share with our new broker. Luckily, we have limited cause for transactions so the increase has a small effect on the Fund.

We love hearing from Fund shareholders. To our longstanding shareholders the following caveat will seem awfully redundant---we won't comment on any undisclosed Fund portfolio security position, nor will we discuss whether or not we are purchasing or selling any Fund security. All Fund disclosures with respect to security purchases and sales are made to the investing public at the same time. With that minor exception noted above, we welcome all comments and questions from shareholders.

Notes to Financial Statements

(1) Organization.

Eagle Capital Growth Fund, Inc., a Maryland corporation (“Fund”), is a diversified closed-end investment company subject to the Investment Company Act of 1940.

(2) Significant Accounting Policies.

Dividends and distributions—Dividends and distributions paid to the Fund from portfolio investments are recorded on the ex-dividend date.

Investments— Investments in equity securities are valued at the closing market price as of the close of regular trading on the applicable valuation date. If no such closing market price is available on the valuation date, the Fund uses the then most recent closing market price.

In the unlikely event that there is no current or recent closing market price for a portfolio security (whether equity or debt) traded in the over-the-counter market, then the Fund uses the most recent closing bid price. If there is no closing bid price for a portfolio security for a period of ten (10) consecutive trading days, then the Fund’s Audit Committee or other appropriate committee shall determine the value of such illiquid security. From inception to December 31, 2017, the Fund has not held a security which required an illiquid pricing valuation.

Investment security purchases and sales are accounted for on a trade date basis. Interest income is accrued on a daily basis while dividends are included in income on the ex-dividend date.

Use of estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Federal income taxes—The Fund intends to comply with the general qualification requirements of the Internal Revenue Code applicable to regulated investment companies such as the Fund. The Fund plans to distribute annually at least 90% of its taxable income, including net long-term capital gains, to its shareholders. In order to avoid imposition of the excise tax applicable to regulated investment companies, the Fund intends to declare as dividends in each calendar year an amount equal to at least 98% of its net investment income and 98% of its net realized capital gains (including undistributed amounts from previous years).

The following information is based upon the Federal income tax basis of equity portfolio investments as of December 31, 2017:

Gross unrealized appreciation	\$ 12,205,039
Gross unrealized depreciation	-
Net unrealized appreciation	\$ 12,205,039
Federal income tax basis	\$ 19,163,529

Expenses—The Fund’s service providers bear all of their expenses in connection with the performance of their services. The Fund bears all of its expenses incurred in connection with its operations including, but not limited to, investment advisory fees (as discussed in Note 3), legal and audit fees, taxes, insurance, shareholder reporting and other related costs. As noted in Note 3, the Fund’s investment advisor, as part of its responsibilities under the Investment Advisory

Agreement, is required to provide certain internal administrative services to the Fund at such investment advisor's expense. The Investment Advisory Agreement provides that the Fund may not incur annual aggregate expenses in excess of two percent (2%) of the first \$10 million of the Fund's average net assets, one and a half percent (1.5%) of the next \$20 million of the average net assets, and one percent (1%) of the remaining average net assets for any fiscal year. Any excess expenses are the responsibility of the investment advisor.

Fair Value Accounting—Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provides a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

In general, fair values determined by Level 1 inputs use quoted prices in active markets for identical assets or liabilities that the Fund has the ability to access. All of the Fund's investments are classified as Level 1.

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets and liabilities in active markets, and other inputs such as interest rates and yield curves that are observable at commonly quoted intervals.

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

The Fund's financial statements, other than investments, consist of receivables and payables due in the near term. Fair value of those instruments approximates historical cost.

(3) Certain Service Providers Arrangements

Investment advisor—For its services under the Investment Advisory agreement, the investment advisor receives a monthly fee calculated at an annual rate of three-quarters of one percent (0.75%) of the weekly net asset value of the Fund, as long as the weekly net asset value is at least \$3.8 million. The investment advisor is not entitled to any compensation for any week in which the average weekly net asset value falls below \$3.8 million. Pursuant to the Investment Advisory Agreement, the investment advisor is required to provide certain internal administrative services to the Fund at the investment advisor's expense.

Effective June 1, 2007, following shareholder approval of the Investment Advisory Agreement, Sims Capital Management LLC ("SCM") began serving as the Fund's investment advisor. Pursuant to the Investment Advisory Agreement, SCM is responsible for the management of the Fund's portfolio, subject to oversight by the Fund's Board of Directors. Luke E. Sims, a Director, President and Chief Executive Officer of the Fund and owner of more than five percent of the Fund's outstanding shares, owns 50% of SCM. David C. Sims, the Chief Financial Officer, Chief Compliance Officer, Secretary, and Director of the Fund and the son of Luke E. Sims, owns the remaining 50% of SCM.

Custodian—US Bancorp serves as the Fund's custodian pursuant to a custodian agreement. As the Fund's custodian, US Bancorp receives fees and compensation of expenses for services provided including, but not limited to, an annual account charge and security transaction fees.

Bank of America served as the Fund's custodian until September 1, 2017 when US Bank began acting as custodian.

Transfer Agent— American Stock Transfer & Trust Company ("AST") serves as the Fund's transfer agent and dividend disbursing agent. AST receives fees for services provided including, but not limited to, account maintenance fees, activity and transaction processing fees and reimbursement for its out-of-pocket expenses. AST also acts as the agent under the Fund's Dividend Reinvestment and Cash Purchase Plan ("DRIP").

(4) Dividend Reinvestment and Cash Purchase Plan.

The Fund has a Dividend Reinvestment and Cash Purchase Plan ("Plan") which allows shareholders to reinvest cash dividends and make cash contributions. Pursuant to the terms of the DRIP, cash dividends may be used by the DRIP

agent to either purchase shares from the Fund or in the open market, depending on the most favorable pricing available to DRIP participants. Voluntary cash contributions from DRIP participants are used to purchase Fund shares in the open market. A complete copy of the DRIP is available on the Fund's website (www.eaglecapitalgrowthfund.com) or from AST, the DRIP agent.

(5) Distributions to Shareholders

Distributions to shareholders from the Fund's net investment income and realized net long- and short-term capital gains will be declared and distributed at least annually. The amount and timing of distributions are determined in accordance with federal income tax regulations.

On November 6, 2017, a distribution of \$0.51 per share aggregating \$1,830,378 was declared from net investment income and capital gains. The dividend was paid on December 28, 2017, to shareholders of record on November 24, 2017. The tax character of distributions paid during 2016 and 2017 was as follows:

	2016	2017
Distributions paid from:		
Net investment income and short-term gains:	\$29,562	\$770,194
Long-term gains:	3,853,782	1,060,184

The distribution was paid in shares of the Fund, with the option for shareholders to elect to receive cash. As a result of the distribution, 138,914 shares were issued to shareholders and \$735,737 in cash was paid to shareholders. The Fund issued shares at \$7.88 per share. The issuance price was determined as the arithmetic average of the closing market price on December 11th, 12th, 13th, and 14th, as detailed in the Notice to Shareholders.

As of December 31, 2017, the components of distributable earnings on a tax basis were as follows:

Overdistributed ordinary income:	\$(3,184)
Net unrealized appreciation:	\$12,205,039

(6) Fund Investment Transactions

Purchases and sales of securities, other than short-term securities, for the year ended December 31, 2017 were \$18,872,260 and \$15,690,457, respectively.

(7) Financial Highlights.

The Financial Highlights present a per share analysis of how the Fund's net asset value has changed during the periods presented. Additional quantitative measures expressed in ratio form analyze important relationships between certain items presented in the financial statements. The total investment return based on market value assumes that shareholders bought into the Fund at the bid price and sold out of the Fund at the bid price. In reality, shareholders buy into the Fund at the asked price and sell out of the Fund at the bid price. Therefore, actual returns may differ from the amounts shown.

EAGLE CAPITAL GROWTH FUND, INC. (“Fund”)
DIVIDEND REINVESTMENT AND CASH PURCHASE PLAN (“Plan”)

ADVANTAGE OF THE PLAN

Participants in the Plan have the ability to have cash dividends from the Fund reinvested in additional Fund shares. Participants may also make cash contributions to the Plan to acquire additional Fund shares.

JOINING THE PLAN

You can enroll in the Plan by going to www.amstock.com or calling American Stock Transfer & Trust Company (the “Plan Agent”) at 877-739-9994. Plan information is also available at the Fund’s website at www.eaglecapitalgrowthfund.com/drip.html.

COSTS OF PARTICIPATION IN THE PLAN

You are not charged any fee or expense for enrolling in the Plan. Shareholders depositing certificated shares are charged a fee of \$7.50. Sales of shares incur a sales commission of \$15.00, plus \$0.10 per share. In the event a shareholder sends in a check to buy more shares and the check is returned, a \$35.00 charge will apply. Fees may change from time to time; please contact AST for information about current fees.

REINVESTMENT OF FUND DISTRIBUTIONS

If the Fund pays a distribution in Fund shares, Participants’ accounts under the Plan will be credited with newly-issued Fund shares at the distribution price, which is the price described in the distribution notice to shareholders. These shares will be held by the Plan Agent pursuant to the Plan.

The Fund may pay distributions in cash. In the event that the Fund makes a cash distribution, the Plan will first seek to buy shares on the open market up to and including the most recent net asset value (“NAV”) of each Fund share. The NAV of each Fund share shall be calculated within forty-eight hours of the distribution, excluding Sundays and holidays. Should the market price rise to or above the calculated NAV per share, the Fund may issue new shares to the Plan at the greater of NAV per share or 95% of the market price. For purposes of the Plan, the market price is the most recently traded price of a Fund share on the New York Stock Exchange. The reinvestment of cash distributions will occur as soon as practicable, and in no case later than 30 days after the Plan Agent’s receipt of the cash distributions, except where necessary to comply with federal securities laws.

In the event that the open market purchases take more than one day, the Fund will recalculate the NAV on a daily basis. Such recalculated NAV will be used to determine whether the market price per share has risen to or above the calculated NAV per share. If the Plan Agent terminates open market purchases based on the recalculated NAV and the Fund issues new shares to the Plan at the greater of NAV per share or 95% of the market price, the number of shares received by the participant in respect of the cash dividend or distribution will be based on the weighted average of prices paid for shares purchased in the open market and the price at which the Fund issues remaining shares.

VOLUNTARY CASH PAYMENTS

Plan participants may make voluntary cash payments of not less than \$50 per month (but in any event not more than \$250,000 in any year) for the purpose of acquiring additional Fund shares.

Voluntary cash payments received by the Plan Agent on or prior to the last day of any month will be invested beginning on or about the first (1st) business day of the following month (the “Investment Date”). The Plan will purchase Fund shares in the open market. If the Plan Agent has not completed its open market purchase of Fund

shares within thirty (30) days of the Investment Date, then the balance of such voluntary cash payments will be returned to participants on a pro rata basis. All cash received by the Plan Agent in connection with the Plan will be held without earning interest or income.

Optional cash payments may be made online at www.amstock.com. You will need to know your 10-digit Plan account number to access your account. The Fund recommends that participants making voluntary cash payments send their cash payments so that they reach the Plan Agent as close as possible but prior to the Investment Date. A participant should be aware of possible delays in the mail if payment is to be made in that manner. Accordingly, it is recommended that a participant mail the voluntary cash payment no later than ten days prior to an Investment Date, or make cash payments online.

HOLDING OF SHARES

For your convenience, AST will hold in safekeeping all Fund shares you own by reason of your participation in the Plan. Upon your request (whether online at www.amstock.com, by mail, or telephonically to the Plan Agent at (877) 739-9994), AST will send you a physical stock certificate representing a specified number of whole shares acquired or held the Plan in your account.

The Plan Agent will allow you to deposit with it for safekeeping under the Plan any additional stock certificates for Fund shares that you may hold. Such shares, once deposited, will be retained in “book-entry” form under the Plan.

STATEMENT OF ACCOUNT

At least annually, a detailed statement of transactions in your Plan account for each calendar year will be sent to you by the Plan Agent. You may also access your account information online at www.amstock.com. You will also receive the customary Internal Revenue Service Form 1099 to report taxable income as a result of Fund distributions with respect to Fund shares held in your Plan account.

FEDERAL INCOME TAX CONSIDERATIONS

You should consult your accountant or tax advisor with respect to the Federal and/or other tax consequences resulting from participating in the Plan. However, as a general rule, participants are taxed on Fund distributions, whether those distributions are paid directly in additional Fund shares, or are in cash (whether such cash is used to purchase additional Fund shares in the open market or otherwise).

SHAREHOLDERS' RIGHTS

Plan participants enjoy the same rights as Fund shareholders generally with respect to Fund shares held in the Plan, including, without limitation, rights with respect to stock dividends, stock splits, and voting rights. In the event of a major corporate event affecting the Fund, such as a stock split or a stock dividend, the resulting Fund shares will be properly credited to your Plan account. In the event that a Plan participant holds shares in both a Plan account and individually in his or her own name, any Fund shares resulting from a major corporate event affecting the Fund will be distributed to the Plan account and the participant individually on a pro rata basis. AST reserves the right to delay, curtail or suspend any action otherwise required of it under the Plan during the pendency of any major corporate action affecting the Fund.

ADDITIONAL TERMS AND CONDITIONS OF PARTICIPATION IN THE EAGLE CAPITAL GROWTH FUND, INC. DIVIDEND REINVESTMENT AND CASH PAYMENT PLAN

1. By enrolling in the Plan, all of the participant's cash distributions from the Fund and/or voluntary cash payments will be reinvested in additional Fund shares.

If the Fund declares a distribution in Fund shares but includes a provision allowing shareholders to elect to receive cash in lieu of Fund shares, the Plan Agent will receive the distribution in Fund shares on behalf of each Plan participant with respect to the Fund shares the participant holds through the Plan, provided that if you (as a Plan participant) desire to elect to receive cash in lieu of Fund shares, you must promptly terminate your participation in the Plan in accordance with paragraph 5 below. You must also notify the Fund in writing of your election to receive cash. Such written notice to the Plan and to the Fund must be received at least three business days prior to the cut-off election date in order to be effective prior to the receipt of the declared dividend. If a Plan participant beneficially owns Fund shares outside of the Plan and desires to elect to receive cash in lieu of Fund shares, the participant must individually make this election.

2. The Plan Agent may commingle participant funds in connection with the receipt of cash distributions from the Fund, and from voluntary cash payments from participants. The Plan Agent will allocate purchased Fund shares among participant accounts based upon the average price paid (net of any costs).

3. The Plan Agent shall hold shares for participants in its own name or in the name of its nominee. The Plan Agent will acquire Fund shares in the open market at such price or prices then reasonably available to it. Participants understand that from time to time Fund shares may not be available for purchase, or may not be available for purchase at a reasonable price. Moreover, any temporary or continued closing of the securities trading generally might require the temporary curtailment or suspension of the Plan Agent's efforts to purchase Fund shares. The Plan Agent is not responsible or liable for, and shall not be accountable for, any inability on such its part to purchase Fund shares.

4. With respect to the voting of Fund shares held in the Plan, the Plan Agent will provide participants with proxy solicitation materials and request their direction. If a participant does not direct the Plan Agent as to the manner of voting, the Plan Agent will not vote such participant's shares.

5. Plan participation may be terminated upon request to the Plan Agent. A participant may terminate by providing written notice to the Plan Agent (the tear-off section at the bottom of participant's account statement is available for this purpose). Such written notice must be signed by all persons who are listed on the Plan account. If a request is received fewer than three business days prior to the cut-off election date in the case of a share distribution, or three days prior to the ex-dividend date in the case of a cash dividend, then the termination will begin after the receipt of Fund shares or reinvestment of the declared dividend, as applicable. The Plan Agent will send to a participant who has terminated participation in the Plan a certificate(s) representing the number of full shares held by the Plan Agent in such participant's account under the Plan. In case of termination, a participant's interest in a fractional share will be converted to, and remitted in cash, in an amount based upon the then current market value of the share (less service fees). However, the foregoing does not apply to voluntary cash payments held for investment on the Investment Date as a result of voluntary cash payments. A participant may request the return of any voluntary cash payment, if the participant makes a separate written request which is received by the Plan Agent at the address above at least forty-eight (48) hours prior to the time when such voluntary cash payment is scheduled to be invested. If a participant so requests, the Plan Agent may sell a terminating participant's shares and remit the proceeds (less related brokerage commissions and service fees).

6. The Plan Agent shall not be liable for any action taken in good faith or for any good faith failure to act, including without limitation, any claim of liability (a) arising out of a failure to terminate the participant's account upon the participant's death, prior to receipt of notice in writing of such death and submission of documentation, by the personal representative of the deceased participant, in form and substance satisfactory to the Plan Agent and (b) with respect to

the price or prices at which Fund shares are purchased or sold for a participant's account and/or the timing of such purchases and/or sales.

7. The Fund reserves the right to amend or terminate the Plan effective upon thirty (30) days written notice (from the date of mailing) to all Plan participants. All inquiries with respect to the Plan should be directed to the Plan Agent at the addresses and phone numbers identified in the Plan.

8. The Plan shall be governed by, and construed in accordance with, the internal laws of the State of Wisconsin.

9. The Plan has been last amended and revised as of February 15, 2018.

ITEM 7. DISCLOSURE OF PROXY VOTING AND PROCEDURES FOR CLOSED-END MANAGEMENT INVESTMENT COMPANIES

Sims Capital Management LLC, a Wisconsin limited liability company (the "Advisor"), is the investment advisor for the Fund. The Fund and the Advisor are parties to an Investment Advisory Agreement dated as of February 16, 2007 (the "Advisory Agreement"). The Fund is one of the Advisor's two institutional advisory clients.

The Advisor's authority to vote the proxies of the Fund is established through the Investment Advisory Agreement. It has adopted the following policies and procedures:

The Company will vote proxies for its clients and, therefore, will adhere to the following requirements:

A. General Statement of Policy. Consistent with its duty of care the Company monitors proxy proposals just as it monitors other corporate events affecting the companies in which its clients invest. The Company votes securities subject to its control consistent with its analysis and judgment of each issue, regardless of whether such voting position is consistent with the approach proposed by the issuer's board of directors or management.

B. There may be instances where the interests of the Company may conflict or appear to conflict with the interests of its clients. For example, the Company may manage a pension plan of a company whose management is soliciting proxies and there may be a concern that the Company would vote in favor of management because of its relationship with the Company. In such situations, the Company will, consistent with its duty of care and duty of loyalty, vote the securities in accordance with its pre-determined voting policy, but only after the disclosing the conflict to clients and affording the clients the opportunity to direct the Company in the voting of such securities.

C. Record Keeping. The Company will maintain the following records with respect to proxy voting:

(1) A copy of this proxy voting policy;

(2) A copy of all proxy statements received (the Company may rely on the EDGAR system to satisfy this requirement);

(3) A record of each vote cast on behalf of a client (the Company may rely on a third party to satisfy this requirement);

(4) A copy of any document prepared by the Company that was material to making a voting decision or that memorializes the basis for that decision;

(5) A copy of each written client request for information on how the Company voted proxies on the client's behalf, and a copy of any written response to any (written or oral) client request for information on how the Company voted proxies on behalf of the requesting client.

D. Disclosure. The Company will furnish a copy of this policy to all of its clients. The Company will disclose to clients how proxies were voted upon request.

ITEM 8. PORTFOLIO MANAGERS OF CLOSED-END MANAGEMENT INVESTMENT COMPANIES.

Luke E. Sims

President and Chief Executive Officer (since 2007) and Director of the Fund (since 2002). Luke Sims has been a partner in the law firm of Foley & Lardner since 1984 until February 2010. Luke Sims is a 50% equity owner in the Advisor.

The Advisor is also the investment advisor of Peregrine Investment Fund LLC (“Peregrine”), a private investment fund, with approximately \$3.0 million in assets under management as of December 31, 2017. Peregrine has similar investment objectives to the Fund. The Advisor receives an investment advisory fee from Peregrine of one and one-half percent of its assets under management. To the extent investment opportunities arise in which both the Fund and Peregrine will invest and in which the amount to be purchased is limited, the investment will be made pro rata based on the respective asset size of the Fund and Peregrine.

The Advisor is also the investment advisor of Sims Total Return Fund, Inc. (“Sims Total Return”), an open-end investment fund, with approximately \$7.7 million in assets under management as of December 31, 2017. To the extent investment opportunities arise in which both the Fund and Sims Total Return will invest and in which the amount to be purchased is limited, investment discretion lies with the managers. A number of factors will come into play which are not easy to predict prior to the actual investment decision. Over time, investments will be made so that no advantage is provided to either Sims Total Return investors or Eagle Capital Growth Fund investors.
