Trinity Learning Corporation and Subsidiaries
Notes to the Pro Forma (Unaudited) Financial Statements
December 31, 2003

NOTE 1 - Overview

Trinity Learning Corporation ("Trinity," "the Company" or "we") was incorporated on April 14, 1975 in Oklahoma under the name U.S. Mineral & Royalty Corp. as an oil and gas exploration, development and operating company. In 1989, the Company changed its name to Habersham Energy Company. Historically, the Company was engaged in the business of acquiring and producing oil and gas properties, but did not have any

Edgar Filing: TRINITY LEARNING CORP - Form 8-K/A

business activity from 1995 to 2002. Pursuant to its reorganization in 2002, the Company changed its domicile to Utah, amended its capital structure and changed its name to Trinity Companies Inc., then, in March 2003, to Trinity Learning Corporation. Until adoption of its recent operating strategy in 2002, the Company had not had any business activity since 1995. On August 6, 2003, our board of directors approved a change in our fiscal year-end from September 30 to June 30 to align with those of the companies we had already acquired or were at that time in the process of acquiring.

Pursuant to a series of related transactions that closed on October 1, 2002, ("the Acquisition Date") the Company issued 3,000,000 restricted shares of its common stock, issued \$1,000,000 in convertible promissory notes and assumed \$222,151 in indebtedness to acquire Competency Based Learning, Inc. (CBL-California), a California corporation and two related Australian companies, Competency Based Learning, Pty. Ltd. ACN 084 763 780 ("CBL-Australia") and ACN 082 126 501 Pty. Ltd. (collectively referred to as "CBL"). The transactions were effected through CBL Global Corp. ("CBL Global"), a wholly-owned subsidiary.

On September 12, 2003, we filed a Complaint in the United States District Court for the District of Utah, Central Division, against CBL Global (f/k/a CBL Acquisition Corporation), and Robert Stephen Scammell, the sole shareholder of CBL-California, (Case No. 2:03CV00798DAK) alleged, among other things, that Scammell and CBL-California provided us with misstated financial statements prior to our merger in October 2002 with CBL-California and CBL Global. On September 18, 2003, we filed a First Amended Complaint and Jury Demand, which added as defendants CBL Global and Brian Kennedy, the sole shareholder of CBL-Australia. The First Amended Complaint alleged causes of action for violations of Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 promulgated there under, for violations of Section 20(a) of the Securities Exchange Act of 1934, for declaratory relief and breach of contract, for common law fraud, and for negligent misrepresentation.

On December 22, 2003, we sold our interests in CBL Global and its Australian subsidiaries (collectively "CBL") to the former owners of CBL. In conjunction with the management buyout, we entered into a Settlement Agreement with respect to our litigation with CBL. Pursuant to the terms of the agreement, we conveyed all of our interest in CBL back to the former owners in exchange for surrender and cancellation of 3,000,000 shares of Company stock issued to them in connection with acquisition of CBL and the cancellation of \$1,000,000 in convertible notes payable to them. Also, as a result of the divestiture, \$222,151 owed by CBL Global to Messrs. Kennedy and Scammell is no longer an obligation of the Company.

NOTE 2 - Significant Accounting Policies

- A. Method of Accounting. The Company uses the accrual method of accounting.
- B. Revenue and Expense Recognition. Revenues and directly related expenses are recognized in the financial statements in the period when the goods are shipped to the customer.
- C. Cash and Cash Equivalents. The Company considers all short-term, highly liquid investments that are readily convertible within three months to known amounts, as cash equivalents.
- D. Depreciation and Amortization. The cost of property and equipment is depreciated over the estimated useful lives of the related assets. The cost of leasehold improvements is amortized over the lesser of the length of the lease of the related assets or the estimated lives of

Edgar Filing: TRINITY LEARNING CORP - Form 8-K/A

- the assets. Depreciation and amortization is computed on the straight-line method.
- E. Use of Estimates. The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.
 - F. Consolidation Policies. The accompanying consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries. Intercompany transactions and balances have been eliminated in consolidation.
 - G. Foreign Currency Translation/Remeasurement Policy. Assets and liabilities that occur in foreign currencies are recorded at historical cost and translated at exchange rates in effect at the end of the reporting period. Statement of Operations accounts are translated at the average exchange rates for the year. Translation gains and losses are recorded as Other Comprehensive Income in the Equity section of the Balance Sheet.
 - H. Purchase Accounting. The cost of fixed assets purchased in the acquisition of CBL was determined based on their historical value less accumulated depreciation. All other assets were valued at their current value and a technology-based intangible asset was recorded.

NOTE 3 Acquisitions and Divestitures

On October 1, 2002, we issued 3,000,000 restricted shares of its common stock, issued \$1,000,000 in convertible promissory notes and assumed \$222,151 in indebtedness to acquire Competency Based Learning, Inc. (CBL-California), a California corporation and two related Australian companies, Competency Based Learning, Pty. Ltd. ACN 084 763 780 ("CBL-Australia") and ACN 082 126 501 Pty. Ltd. (collectively referred to as "CBL"). The transactions were effected through CBL Global Corp. ("CBL Global"), a wholly-owned subsidiary.

On September 1, 2003, we completed the acquisition of all of the issued and outstanding shares of TouchVision, a California corporation that is in the business of providing technology-enabled information and learning systems to healthcare providers, financial services companies and other industry segments. In consideration for the TouchVision shares, we issued an aggregate of 1,250,000 restricted shares of our common stock, of which 312,500 shares are subject to the terms of an escrow agreement as collateral for the indemnification obligations of the former TouchVision shareholders. We also agreed to loan to TouchVision the sum of \$20,000 per month for the twelve-month period following closing, to be used for working capital. We had previously loaned TouchVision the sum of \$50,000 in June and July, 2003 by way of bridge financing pending completion of the acquisition. In connection with the acquisition, TouchVision entered into substantially similar employment agreements with each of Messrs. Gregory L. Roche and Larry J. Mahar, the former principals of TouchVision, which have a term of two years and provide for annual salaries of \$120,000. In conjunction with the acquisition of TouchVision, we issued 735,000 stock options pursuant to the 2002 Stock Plan at \$0.50 per share. On October 1, 2003, we advanced \$150,000 to pay off a loan payable to a bank, which was guaranteed by the Small Business Administration.

On September 1, 2003, we completed the acquisition of all of the issued and outstanding shares of RMT, an Australian company that is in the business of providing workplace training programs for various segments of the food

Edgar Filing: TRINITY LEARNING CORP - Form 8-K/A

production industry, including viticulture and horticulture. In consideration for the shares of RMT we issued 700,000 restricted shares of our common stock, of which 350,000 shares are subject to the terms of an escrow agreement as collateral for the indemnification obligations of the former RMT shareholders. We also loaned US\$49,000 to RMT for the purpose of repaying outstanding loans advanced to RMT by its former shareholders.

On September 1, 2003, we completed the acquisition of 51% of the issued and outstanding shares of Ayrshire that owns 95% of Riverbend Group Holdings (Proprietary) Limited ("Riverbend"), a South African company that provides learning services to corporations and individuals in South Africa. We also acquired the option to purchase the remaining 49% of Ayrshire. In consideration for the Ayrshire shares, we issued a convertible non-interest-bearing promissory note in the amount of \$20,000, which amount is convertible from time to time but no later than December 30, 2006 into a maximum of 2,000,000 shares of our common stock, which has been recorded as conditionally redeemable common stock in stockholders' equity at \$0.50 per share. Of these shares, up to 400,000 may be withheld in satisfaction for any breach of warranties by the former shareholders of Ayrshire. The Ayrshire shares are subject to escrow and pledge agreements will be reconveyed to the former shareholders in the event of a default by us of certain terms and conditions of the acquisition agreements, including, among other things, a voluntary or involuntary bankruptcy proceeding involving us or the failure by us to list our shares of common stock on a major stock exchange by December 30, 2006.

As further consideration for the Ayrshire shares, we agreed to make a non-interest-bearing loan of \$1,000,000 to Ayrshire, \$300,000 of which was advanced at closing of the acquisition and \$700,000 was advanced on November 3, 2003. We may exercise an option to acquire the remaining 49% of Ayrshire in consideration for the issuance of 1,500,000 shares of our common stock, subject to certain adjustments.

-10-

On December 1, 2003, we completed the acquisition of all the issued and outstanding shares of Danlas, a British Virgin Islands Company that owns 51% of IRCA (Proprietary) Limited ("IRCA"), a South African company specializing in corporate learning, certification and risk mitigation in the area of safety, health environment and quality assurance ("SHEQ"). IRCA operates in South Africa, England and the United States through various operating subsidiaries. Danlas also holds options to acquire the remaining 49% of IRCA. In consideration for the Danlas shares, the Company (i) issued three convertible promissory notes in the aggregate principal amount of \$40,000 and convertible under certain conditions into a maximum of 4,500,000 shares of the Company's common stock, (ii) agreed to advance \$500,000 in cash to establish an international sales force, (iii) provided \$500,000 for certain bank guarantees and, (iv) provided certain future profit thresholds are met, agreed to issue up to an additional 1,000,000 shares of the Company's common stock. The first promissory note for \$20,000 convertible to 2,500,000 shares has been classified as conditionally redeemable common stock at \$0.50 per share. The remaining \$20,000 in promissory notes has been classified as intercompany note payable and eliminated in the consolidation of the Company and its subsidiaries at December 31, 2003.

Purchased Intangible Assets

Of the total purchase price paid for the TouchVision acquisition, approximately \$1,292,970 has been allocated to purchase intangible assets,

Edgar Filing: TRINITY LEARNING CORP - Form 8-K/A

which include software, and is being amortized on a straight line basis over a useful life of five years.

Of the total purchase price paid for the RMT acquisition, approximately \$390,630 has been allocated to purchase intangible assets, which include software, and is being amortized on a straight line basis over a useful life of five years.

Of the total purchase price paid for the Riverbend acquisition, approximately \$1,000,000 has been allocated to purchase intangible assets, which include software, and is being amortized on a straight line basis over a useful life of five years.

Of the total purchase price paid for the Danlas acquisition, approximately \$1,250,000 has been allocated to purchased intangible assets, which include software, and is being amortized on a straight line basis over a useful life of five years.

Divestitures

On December 22, 2003, we sold our interests in CBL Global Corporation ("CBL Global") and its Australian subsidiaries (collectively "CBL") to Messrs. Scammell and Kennedy, the former owners of CBL. In conjunction with the management buyout, we entered into a Settlement Agreement with respect to our litigation with CBL. Pursuant to the terms of the agreement, we conveyed all of our interest in CBL back to the former owners in exchange for surrender and cancellation of 3,000,000 shares of Company stock issued to them in connection with acquisition of CBL and the cancellation of \$1,000,000 in convertible notes payable to them. Also as a result of the divestiture, \$222,151 owed by CBL Global to Messrs. Kennedy and Scammell is no longer an obligation of the Company.

-11-

NOTE 4 - Fixed Assets

The Company capitalizes furniture and equipment purchases in excess of \$5,000 or at lower amounts based on local jurisdiction. Capitalized amounts are depreciated over the useful life of the assets using the straight-line method of depreciation. Scheduled below are the assets, cost, and accumulated depreciation at December 31, 2003 and June 30, 2003, respectively and depreciation expense for the six months ended December 31, 2003 and for the nine month transition period ended June 30, 2003, respectively.

	Asset Cost		Depreciation Expense		Accumulated Depreciation	
	12/31/2003	06/30/2003	12/31/2003	06/30/2003	12/31/2003	06/30/2003
	-----	-----	-----	-----	-----	-----
Furniture						
& Equipment	\$1,104,500	\$ 0	\$ 74,085	\$ 0	\$ 109,162	\$ 0

NOTE 5 Technology-Based Intangible Assets

The Company capitalized technology-based intangible assets in its acquisitions of CBL, TouchVision, RMT, Danlas and Ayrshire ("acquisitions"). The amounts capitalized were equal to the difference

Edgar Filing: TRINITY LEARNING CORP - Form 8-K/A

between the consideration paid for acquisitions including any liabilities assumed and the value of the other assets acquired. Other assets were valued at the current value at the date of the acquisitions including the net value of fixed assets, historical price less accumulated depreciation, of \$1,002,10002,743. The technology-based intangible assets are being amortized over a five-year period using the straight-line method. The values assigned to the technology-based intangible assets are considered appropriate - until the Company receives independent valuations - based on average annual revenues earned from licensing of these assets over the two year period ended September 30, 2003 and December 31, 2003, respectively, and the expectation that future revenues for the five year period subsequent to the acquisition will equal or exceed this amount. Scheduled below is the asset cost and accumulated amortization at December 31, 2003 and June 30, 2003, respectively, and amortization expense for the six months ended December 31, 2003 and for the nine month transition period ended June 30, 2003, respectively:

Certain lease rentals are subject to renewal options and escalation based upon property taxes and operating expenses. These operating lease agreements expire at varying dates through 2008.

NOTE 7 Legal Proceedings

On September 12, 2003, we filed a Complaint in the United States District Court for the District of Utah, Central Division, against CBL Global (f/k/a CBL Acquisition Corporation), and Robert Stephen Scammell, the sole

Edgar Filing: TRINITY LEARNING CORP - Form 8-K/A

shareholder of CBL-California, (Case No. 2:03CV00798DAK) alleged, among other things, that Scammell and CBL-California provided us with misstated financial statements prior to our merger in October 2002 with CBL-California and CBL Global. On September 18, 2003, we filed a First Amended Complaint and Jury Demand, which added as defendants CBL Global and Brian Kennedy, the sole shareholder of CBL-Australia. The First Amended Complaint alleged causes of action for violations of Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 promulgated there under, for violations of Section 20(a) of the Securities Exchange Act of 1934, for declaratory relief and breach of contract, for common law fraud, and for negligent misrepresentation.

The First Amended Complaint alleged, among other things, that the defendants were advised by CBL-California's accountant on September 18, 2002 that CBL-California's financial statements were misstated, and alleged that new restated financial statements were issued on September 19, 2002. The First Amended Complaint alleged, however, that the restated financial statements were not provided to us prior to the October 1, 2002 closing of the merger.

In December, 2003, we sold our interests in CBL Global and its Australian subsidiaries (collectively "CBL") to the former owners of CBL. In conjunction with the management buyout, we entered into a Settlement Agreement with respect to our litigation with CBL. Pursuant to the terms of the agreement, we conveyed all of our interest in CBL back to the former owners in exchange for surrender and cancellation of 3,000,000 shares of Company stock issued to them in connection with acquisition of CBL and the cancellation of \$1,000,000 in convertible notes payable to them. Also, as a result of the divestiture, \$222,151 owed by CBL Global to Messrs. Kennedy and Scammell is no longer an obligation of the Company.

NOTE 8 Notes Receivable

On June 5, 2003, we agreed to lend TouchVision \$50,000 in two equal installment of \$25,000 each. Interest accrued on the unpaid principal amount of the note at a rate equal to six percent per year. Interest accrued under the note is paid annually, with the first payment due June 5, 2004. All unpaid principal and interest are due June 29, 2005. At June 30, 2003, \$25,000 had been advanced to TouchVision and accrued interest totaled \$41. Subsequent to the TouchVision acquisition on September 1, 2003, this note receivable along with accrued interest thereon was reclassified to intercompany notes receivable and intercompany notes payable. Accordingly, these balances are eliminated in consolidation of the Company and its subsidiaries at December 31, 2003.

NOTE 9 Related Party Transactions

From time to time, Ms. McPherson and Ms. Hayman, officers of RMT, have advanced funds to RMT. The current balance of \$15,379 is due December 31, 2004 and accrues interest at a rate of 6% per annum.

Of the current balance of \$2,301,573, \$750,000 is non-interest bearing and due June 30, 2004; \$20,000 is non-interest bearing and has no fixed terms of repayment and the remaining amount due of \$1,531,573 has no fixed terms of repayment and bears interest at a Republic of South Africa Bank prime rate.

On December 17, 2003, we entered into an agreement with Titan Aviation Ltd ("Titan"), a Guernsey company, for the purpose of having Titan act as our

Edgar Filing: TRINITY LEARNING CORP - Form 8-K/A

representative in our acquisition of IRCA. Mr. Martin Steynberg, a member of our board of directors, is the managing director of Titan. Mr. Steynberg is a shareholder in IRCA Investments (Proprietary) Limited which owns 49% of IRCA. Under the terms of the agreement, we will pay Titan four million rand or approximately \$612,668 on March 1, 2004.

On July 15, 2002, Trinity entered in a two-year Advisory Agreement with Granite Creek Partners, LLC ("GCP") (formerly Kings Peak Advisors, LLC) with automatic renewal for a 12-month period. Under the terms of the Advisory Agreement, GCP agreed to provide the Company with general corporate, financial, business development and investment advisory services on a non-exclusive basis. GCP is a private company whose principals are Douglas Cole and Edward Mooney, who are officers and directors of Trinity, and Mr. Swindells. The Advisory Agreement was suspended in August 2003.

-14-

The Advisory Agreement provided that GCP would be compensated for its various advisory services as follows: (i) for general corporate advisory services, an initial retainer of \$25,000 and a fee of \$20,000 per month throughout the term of the agreement, payable, at GCP's option, in shares of common stock at a price per share equal to \$0.025; (ii) for financial advisory services, a fee based on 10% of the gross proceeds of any equity financings and/or 1.5% of any gross proceeds of debt financings that are completed by underwriters or placement agents introduced by GCP, as well as any fees which may be due to GCP for its assistance in identifying prospective investors pursuant to terms and conditions of offering memoranda issued by the Company; (iii) for merger and acquisition services involving a transaction resulting from a contact provided by GCP, a sliding fee based on a percentage of the value of the transaction, subject to an additional \$100,000 bonus in the event the transaction is valued at \$3,000,000 or more; (iv) in respect of general business development advisory services, a fee to be negotiated with GCP based upon certain agreed-upon fee parameters between the parties; and (v) in respect of debt, credit or leasing facilities, a fee to be negotiated on a case-by-case basis.

Trinity acknowledged that it was indebted to GCP for prior services rendered since April 1, 2002 in the amount of \$30,000, up to 50% of which amount is payable, at GCP's option, in shares of common stock at a price per share of \$0.025. The total number of shares of common stock issuable to GCP under the Advisory Agreement may not exceed 4,400,000 shares. Through December 31, 2003, GCP had earned a total of \$315,000 under the Advisory Agreement, \$110,000 of which was converted into 4,400,000 shares of common stock in March 2003. Of the balance of \$205,000, \$187,087 has been paid to GCP, leaving a balance owing at December 31, 2003 of \$17,913.

On July 31, 2002, we entered into a Advisory Agreement with European American Securities, Inc. ("EAS") pursuant to which EAS agreed to provide financial advisory and investment banking services to the Company in exploration of the following strategic alternatives: (a) a private placement of the Company's convertible promissory notes, (b) a private placement of the Company's common or preferred stock, and (c) one or more possible purchase transactions by the Company. In exchange for such services, we agreed to pay EAS a retainer fee of \$5,000 per month and a commission ranging from 5% to 7% based on the type of transaction

Edgar Filing: TRINITY LEARNING CORP - Form 8-K/A

consummated. Such fees to be paid in cash or our common stock, at EAS' option. Through December 31, 2003, EAS had earned a total of \$734,773 under the Advisory Agreement. Of the balance of \$734,773, \$429,773 has been paid to EAS, leaving a balance owing at December 31, 2003 of \$305,000, of which, \$125,000 or 250,000 shares was paid to EAS in the Company's common stock in January 2004.

-15-

On August 8, 2002, Trinity formalized a Debt Conversion Agreement with Global Marketing Associates, Inc. ("GMA"), holder of a convertible promissory note (the "GMA Note") in the principal amount of \$166,963, pursuant to which the principal amount of the note, along with accrued interest thereon, was made convertible, under certain conditions, into 3,200,000 shares of common stock. The GMA Note was originally issued in November 2000 to the Company's former attorneys and was subsequently acquired by Pacific Management Services, Inc., who assigned the note to GMA; both entities are unrelated to Trinity. GMA subsequently assigned the right to acquire 2,600,000 of the 3,200,000 shares of common stock into which the note is convertible, to several persons, comprising Messrs. Cole, Mooney, Swindells and EAS. Pursuant to the assignment, Messrs. Cole and Mooney each acquired the right to acquire 600,000 shares of the common stock into which the GMA Note is convertible and Mr. Swindells acquired the right to acquire 1,000,000 shares. Fifty percent of the shares issuable upon the conversion of the GMA Note are subject to a two-year lock-up provision that restricts transfer of such shares without prior written consent of Trinity's board of directors. As of December 31, 2003, 3,200,000 shares of our common stock had been issued pursuant to the terms of the GMA Note.

From time to time, since inception of our current operating strategy, Mr. Swindells has provided short-term working capital loans on a non-interest bearing basis. During our previous fiscal year, we were advanced \$145,000 by Mr. Swindells, and during the transition period from October 1, 2002 to June 30, 2003, we were advanced an additional \$780,000 by Mr. Swindells. The principal may be converted into such other debt or equity securities financings that we may issue in private offerings while the loan is outstanding. In September 2003, we repaid \$500,000 on the \$925,000 note balance then outstanding. In November 2003, the remaining balance of \$425,000 was converted in to 850,000 shares of common stock and issued to Mr. Swindells.

NOTE 10 - Notes Payable

On December 31, 2003, notes payable to accredited investors and related parties totaled \$2,901,285 as compared with \$925,000 at June 30, 2003. The notes bear interest between the rates of 0% and 12% per annum, some of which are secured by our common stock. Certain notes are convertible into the Company's common stock.

NOTE 12 - Going Concern

Our financial statements are prepared using generally accepted accounting principles applicable to a going concern, which contemplates the realization of assets and liquidation of liabilities in the normal course of business. Currently, we do not have significant cash or other material assets, nor do we have an established source of revenues sufficient to cover our operating costs and to allow us to continue as a going concern. We do not currently possess a financial institution source of financing and we cannot be certain that our existing sources of cash will be adequate to meet our liquidity requirements. However, we have undertaken the following to meet our liquidity requirements:

- (a) Seek additional funding through senior convertible bridge notes to raise sufficient funds to continue operations and fund its ongoing development, merger and acquisition activities. In January 2004, we commenced a \$3,000,000 offering of senior convertible bridge notes to accredited investors, the proceeds of which will be used for (i) corporate administration, (ii) the expansion of subsidiary operations, and (iii) expenses and funds advanced for acquisitions in 2003. In conjunction with the offering, we have engaged various financial advisory firms and other finders to identify prospective investors.

-20-

- (b) Generate sufficient cash flow to sustain and grow subsidiary operations and, if possible, create excess cash flow for corporate administrative expenses through our operating subsidiaries; and
- (c) Identify prospective acquisition targets with sufficient cash flow to fund subsidiary operations, as well as potentially generating operating cash flow that may sustain corporate

Edgar Filing: TRINITY LEARNING CORP - Form 8-K/A

administrative expenses.

Trinity's future capital requirements will depend on its ability to successfully implement these initiatives and other factors, including our ability to maintain our existing customer base and to expand our customer base into new geographic markets, and overall financial market conditions in the United States and other countries where we will seek prospective investors.

NOTE 13 Subsequent Events

On March 1, 2004, we acquired Virtual Learning Partners SA ("VILPAS"), a learning services company headquartered in Oslo, Norway. Among its various business development initiatives, VILPAS is majority owner of FunkWeb, also headquartered in Oslo. FunkWeb is a leading provider of workplace training and retraining for disabled persons. In conjunction with national and local employment programs, FunkWeb has a successful track record in providing disabled persons with skills, certifications and job placement services primarily related to information technologies, web-based systems, and computing. The minority partner in FunkWeb is the Norwegian Federation of Functionally Disabled People, a non-government organization (NGO) representing many of the country's associations and programs for the disabled.

Through March 2004, we had received subscriptions to our January 2004 offering of Senior Convertible Bridge Notes (the "Notes") totaling \$955,000. The Notes will mature in twelve months plus accrued interest at a rate of 7% per annum. The Notes will be convertible at 80% of the "Next Equity Financing" offering price. The Next Equity Financing shall mean a common stock equity financing in which proceeds equal or exceed \$5,000,000, which shall include any principal or interest accrued under the Notes. The Company expects to complete the Next Equity Financing in early 2004. In addition, for each \$1.00 invested, the investor shall receive a 5 year warrant to purchase a share of the Company's common stock at \$1.00 per share.

On February 23, 2004, Trinity Learning we announced that we had entered into an Agreement and Plan of Merger (the "Merger Agreement") with ProsoftTraining, a Nevada corporation ("Prosoft"), and MTX Acquisition Corp., a Utah corporation and a wholly-owned subsidiary of Prosoft (the "Merger Sub"), pursuant to which the Merger Sub will be merged with and into the Company, with the Company continuing as the surviving corporation wholly-owned by Prosoft (the "Merger"). Upon completion of the Merger, holders of Company common stock will be entitled to receive one (1) share (the "Exchange Ratio") of Prosoft common stock for each share of Company common stock held by them. Prosoft will assume all outstanding options to purchase shares of Company common stock, which will become exercisable to purchase the number of shares of Prosoft common stock at the exercise price as adjusted by the Exchange Ratio. The Merger is intended to be a tax-free reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended. The consummation of the Merger is subject to the approval of the stockholders of each of the Company and Prosoft, effectiveness of the Form S-4 Registration Statement to be filed by Prosoft, regulatory approvals, satisfactory agreements with certain creditors and other customary closing conditions.

NOTE 14 - New Technical Pronouncements

Edgar Filing: TRINITY LEARNING CORP - Form 8-K/A

years beginning after December 15, 2003. It is anticipated that SFAS 148 will have no effect upon the Company's financial statements.

In April 2003, Statement of Financial Accounting Standards Number 149 ("SFAS 149"), "Amendment of Statement 133 on Derivative Instruments and Hedging Activities" was issued for fiscal quarters that began prior to June 15, 2003. Adoption of SFAS 149 will have no effect upon the Company's financial statements.

In May 2003, Statement of Financial Accounting Standards Number 150 ("SFAS 150"), "Accounting for Certain Financial Instruments with Characteristics of Both Liabilities and Equity" was issued for the first interim period beginning after June 15, 2003. The Company anticipates that SFAS 150 may impact the accounting for certain future acquisitions and the anticipated distribution of stock for services.
