Item 2.01. Completion of Acquisition or Disposition of Assets.

On August 19, 2004, we completed an acquisition of a Class A office property from 1000 Milwaukee Avenue Owner Corp., an unaffiliated third party for cash of \$85.8 million. The purchase price was determined through arms-length negotiations. The seven-story building, located in Glenview, Illinois, includes 416,209 square feet of office space on 33 acres of land.

We financed this acquisition with proceeds from our warehouse facility with Wachovia Bank, N.A.

The property is net leased to Aon Corporation (Aon), which is rated A- and Baa2 by Standard & Poor's and Moody's, respectively. Aon has approximately 13 years remaining on the lease. Since this property is leased to a single tenant on a long-term basis under a net lease that transfers substantially all of the operating costs to the tenant, management believes that the financial condition and results of operations of the lessee, Aon, is more relevant to investors than financial statements of the property acquired.

Aon currently files its financial statements in reports filed with the SEC, and the following summary financial data regarding Aon is taken from its previously filed public reports:
