- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

### **Item 1.01 Entry into a Material Definitive Agreement**

PubliCARD, Inc. (the Company) sponsored a defined benefit pension plan (the Plan) that was frozen in 1993. In January 2003, the Company filed a notice with the Pension Benefit Guaranty Corporation (the PBGC) seeking a distress termination of the Plan. Pursuant to the Agreement for Appointment of Trustee and Termination of Plan between the PBGC and the Company effective September 30, 2004, the PBGC proceeded to terminate the Plan and was appointed as the Plan's trustee. As a result, the PBGC has assumed responsibility for paying the obligations to Plan participants. Under the terms of the Settlement Agreement effective September 23, 2004 between the PBGC and the Company (the Settlement Agreement), the Company is liable to the PBGC for the unfunded guaranteed benefit payable by the PBGC to Plan participants in the amount of \$7.5 million. The Company satisfied this liability by issuing a non-interest bearing note (the Note) dated September 23, 2004 payable to the PBGC with a face amount of \$7.5 million.

Pursuant to the Security Agreement and Pledge Agreement, both dated September 23, 2004, the Note is secured by (a) all presently owned or hereafter acquired real or personal property and rights to property of the Company and (b) the common and preferred stock of Infineer Ltd. (Infineer) and TecSec Incorporated (TecSec) owned by the Company. Infineer is a wholly-owned subsidiary of the Company. The Company has an approximately 5% ownership interest in TecSec, on a fully diluted basis.

The Note matures on September 23, 2011. The first payment will be equal to \$1.0 million and will become due 30 days after the Company has received a total of \$4.0 million in Net Recoveries (as defined below). Thereafter, on each anniversary of the first payment, the Company is required to pay the PBGC an amount equal to 25% of the Net Recoveries in excess of \$4.0 million (less the sum of all prior payments made in accordance with this sentence in prior years). Net Recoveries, as defined in the Settlement Agreement, is the net cash proceeds received by the Company with respect to transactions consummated after March 31, 2003 from (a) the sale of the Company's interest in Infineer and TecSec and real property in Louisiana and (b) any recoveries from the Company's historic insurance program. As of September 23, 2004, Net Recoveries was approximately \$3.2 million.

In the event of default by the Company under the Settlement Agreement, the PBGC may declare the outstanding amount of the Note to be immediately due and payable, proceed with foreclosure of the liens granted in favor of the PBGC and exercise any other rights available under applicable law.

### **Item 2.03. Creation of Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information provided in Item 1.01 above is incorporated herein by reference.

**Item 9.01. Financial Statements and Exhibits.**
