ELECTION OF DIRECTORS (PROPOSAL NO. 1)

The number of Directors constituting the Board of Directors is currently set at 15. Directors are divided into three classes, as nearly equal in number as possible, with respect to the time for which the Directors may hold office. Directors are elected to hold office for a term of three years, and the term of one class of Directors expires each year. The term of Directors of Class I expires this year, the term of Directors of Class II expires in 2006, and the term of Directors of Class III expires in 2007. In all cases, Directors are elected until their successors are duly elected and qualify.

Stockholders are being asked to vote for a total of six (6) Director nominees at this year's Annual Meeting. As previously disclosed, Rex W. Burton, a Class I Director, is retiring from the Board pursuant to the Corporation's mandatory retirement policy and is not standing for re-election. Each of the remaining three current Class I Directors is standing for re-election. Additionally, Faye E. Cannon, John McCullough, and Gary Ruddell are also standing for election. The Maryland General Corporation Law and the Corporation's Bylaws require any Director who was elected during the year other than at a regular or special meeting of the Corporation's stockholders to stand for re-election at the annual meeting of shareholders immediately following that initial election. In September 2004, the Board elected Ms. Cannon and Messrs. McCullough and Ruddell to serve as Directors. Directors Cannon, McCullough and Ruddell were recommended for initial election by the Corporation's Chief Executive Officer ("CEO"). If re-elected by shareholders at this year's Annual Meeting, Ms. Cannon and Mr. McCullough will serve as Class I Directors and Mr. Ruddell will serve as a Class II Director.

No Director or nominee holds any directorship in any other public company. All current Directors and Director nominees serve on the board of directors of First United Bank & Trust, the Corporation's wholly-owned subsidiary (the "Bank"). The Corporation's Chairman and CEO is a Class I Director. The Corporation's President and Chief Financial Officer ("CFO") is a Class II Director.

The following tables provide information about the Director nominees, including their ages as of the Record Date, their principal occupations and business experience, and certain other information. In the event a nominee declines or is unable to serve as a Director, which is not anticipated, the proxies will vote in their discretion with respect to a substitute nominee named by the Board.

The election of Directors requires the affirmative vote of holders of a majority of the shares of Common Stock present and voting at the Annual Meeting of Shareholders. A quorum for the Annual Meeting consists of a majority of the issued and outstanding shares of Common Stock present in person or by proxy and entitled to vote. Consequently, the withholding of votes, abstentions and broker non-votes with respect to shares otherwise present at the Annual Meeting in person or by proxy will have no effect on the outcome of this vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR SUCH NOMINEES.

Information about the Directors of Class II and Class III whose terms do not expire in 2005, including their ages as of the Record Date, and their principal occupations and business experience, is listed in the tables below.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, an Asset and Liability Management Committee, an Executive Committee, a Strategic Planning Committee, a Compensation Committee, and a Nominating and Governance Committee (the "Nominating Committee"). These committees are discussed below.

Audit Committee - The Audit Committee is established pursuant to Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and consists of David J. Beachy, Paul Cox, Jr., Raymond F. Hinkle, John W. McCullough, Richard G. Stanton, and Robert G. Stuck. Mr. McCullough was appointed to the Committee in September 2004. The committee is solely responsible for the hiring, compensation and oversight of the Corporation's independent auditors, and it also assists the Board in monitoring the integrity of the financial statements, in monitoring the performance of the Corporation's internal audit function, and in monitoring the Corporation's compliance with legal and regulatory requirements. The Board has determined that all audit committee members are financially literate and that Mr. Stanton qualifies as an "audit committee financial expert" as that term is defined by Item 401(h) of the SEC's Regulation S-K. This committee met 11 times in 2004. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached to this proxy statement as Appendix A.

Asset and Liability Management Committee - The Asset and Liability Management Committee consists of David J. Beachy, Paul Cox, Jr., William B. Grant, Raymond F. Hinkle, Robert W. Kurtz, John W. McCullough, Elaine L. McDonald, Karen F. Myers, I. Robert Rudy, Richard G. Stanton, and Robert G. Stuck. Mr. McCullough was appointed to the Committee in October 2004. The committee reviews and recommends changes to the Corporation's Asset and Liability, Investment, Liquidity, and Capital Plans. This committee met five times in 2004.

Executive Committee - The Executive Committee consists of Rex W. Burton, Paul Cox, Jr., William B. Grant, Robert W. Kurtz, Donald E. Moran, I. Robert Rudy, Richard G. Stanton, and Robert G. Stuck. James F. Scarpelli, Sr. was a member of this committee until his resignation on November 17, 2004. The committee is responsible for reviewing and recommending changes to the Corporation's Insurance Program, overseeing compliance with the Corporation's Bylaws and Articles of Incorporation, monitoring the performance of the Corporation and its subsidiaries, and recommending changes to the personnel policies of the Corporation and of its subsidiaries. The Executive Committee is empowered to act on behalf of the full Board between meetings of the Board. This

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

committee did not meet in 2004.

Strategic Planning Committee - The Strategic Planning Committee consists of Rex W. Burton, Faye E. Cannon, Paul Cox, Jr., William B. Grant, Raymond F. Hinkle, Robert W. Kurtz, Elaine L. McDonald, Donald E. Moran, Gary R. Ruddell, I. Robert Rudy, and Richard G. Stanton. Ms. Cannon and Mr. Ruddell were appointed to the committee in October 2004. The committee focuses on long-term planning to insure that management's decisions take into account the future operating environment, the development of corporate statements of policy, review of overall management of internal control procedures, and review of management's internal and external information and communications systems. This committee met one time in 2004.

Compensation Committee - The Compensation Committee consists of Rex W. Burton, Faye E. Cannon, Raymond F. Hinkle, Elaine L. McDonald, Richard G. Stanton, and Robert G. Stuck. James F. Scarpelli, Sr. was a member of this committee until his retirement from the Board in November 2004. Ms. Cannon was appointed to the committee in October 2004. The committee is responsible for recommending to the Board a compensation policy for the CEO and other executive officers of the Corporation and its subsidiaries, recommending changes to the CEO's compensation package based on performance reviews, and produces an annual report on executive compensation for inclusion in the Corporation's proxy statement in accordance with applicable rules and regulations. This committee met two times in 2004.

Nominating and Governance Committee - The Nominating Committee consists of David J. Beachy, Rex W. Burton, Paul Cox, Jr., John W. McCullough, Elaine L. McDonald, Donald E. Moran, and Richard G. Stanton. James F. Scarpelli, Sr. was a member of this committee until his retirement from the Board in November 2004. The committee is responsible for

-5-

developing qualification criteria for Directors, reviewing Director candidates recommended by shareholders (see "Director Recommendations and Nominations" below), actively seeking, interviewing and screening individuals qualified to become Directors, recommending to the Board those candidates who should be nominated to serve as Directors, and developing and recommending to the Board the Corporate Governance Guidelines applicable to the Corporation and its subsidiaries. This Committee met three times in 2004. The Nominating Committee has a written charter, a copy of which is attached to this proxy statement as Appendix B.

Director Independence

Pursuant to Rule 4350(c) of The Nasdaq Stock Market's listing standards (the "Nasdaq Listing Standards"), a majority of the Corporation's Directors must be "independent directors" as that term is defined by Nasdaq Listing Standards Rule 4200(a)(15). The Corporation's Board of Directors has determined that David J. Beachy, Rex W. Burton, Faye E. Cannon, Paul Cox, Jr., Raymond F. Hinkle, John W. McCullough, Elaine L. McDonald, Donald E. Moran, Karen F. Myers, Gary R. Ruddell, Richard G. Stanton, and Robert G. Stuck are "independent directors", and these independent Directors constitute a majority of the Corporation's Board of Directors. The Compensation Committee and the Nominating Committee are each made up entirely of "independent directors". Each member of the Audit Committee satisfies the independence requirements of Rule 4350(d)(2) of the Nasdaq Listing Standards.

Director Compensation

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

Directors' fees are paid only to Directors who are not executive officers of the Corporation or the Bank. These outside Directors receive \$400 for attending each Board meeting and \$200 for attending each committee meeting of the Board of which the Director is a member. Outside Directors also receive an annual retainer fee of \$10,000. Mr. Rudy received an additional \$200 for chairing the 2004 Annual Meeting of Shareholders. All Directors also serve on the board of directors of the Bank and do not receive additional compensation for this service unless a Bank board or committee meeting is held on a date on which a Corporation Board or committee meeting is not also scheduled. In these cases, outside Directors receive \$400 per Bank board meeting and \$200 per Bank committee meeting.

Attendance at Board Meetings

The Board of Directors held 11 meetings in 2004. Each Director who served as such during 2004 attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors (held during the period served) and (ii) the total number of meetings held by all committees of the Board on which that person served (held during the period served).

Director Recommendations and Nominations

The Nominating Committee will from time to time review and consider candidates recommended by shareholders. Shareholder recommendations should be labeled "Recommendation of Director Candidate" and be submitted in writing to: Robert W. Kurtz, Corporate Secretary, First United Corporation, P.O. Box 9, Oakland, Maryland 21550; and must specify (i) the recommending shareholder's contact information, (ii) the class and number of shares of the Corporation's capital stock beneficially owned by the recommending shareholder, (iii) the name, address and credentials of the candidate for nomination, (v) the number of shares of the Corporation's capital stock beneficially owned by the candidate; and (iv) the candidate's written consent to be considered as a candidate. Such recommendation must be received by the Corporate Secretary no less than 150 days nor more than 180 days before the date of the Annual Meeting of Shareholders for which the candidate is being recommended. For purposes of this requirement, the date of the meeting shall be deemed to be on the same day and month as the Annual Meeting of Shareholders for the preceding year.

Candidates may come to the attention of the Nominating Committee from current Board members, shareholders, officers or other persons. The Nominating Committee periodically reviews its list of candidates available to fill Board vacancies and researches the talent, skills, expertise, and general background of these candidates. In evaluating candidates for nomination, the Nominating Committee uses a variety of methods and regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board.

Whether recommended by a shareholder or another third party, or recommended independently by the Nominating Committee, a candidate will be selected for nomination based on his or her talents and the needs of the Board. The Nominating Committee's goal in selecting nominees is to identify persons that possess complimentary skills and that can work well together with existing Board members at the highest level of integrity and effectiveness. A candidate, whether recommended by a

Corporation shareholder or otherwise, will not be considered for nomination unless he or she maintains strong professional and personal ethics and values, has relevant management experience, and is committed to enhancing shareholder

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

value. Certain Board positions, such as Audit Committee membership, may require other special skills, expertise or independence from the Corporation.

It should be noted that a shareholder recommendation is not a nomination, and there is no guarantee that a candidate recommended by a shareholder will be approved by the Nominating Committee or nominated by the Board of Directors. A shareholder who is entitled to vote for the election of Directors and who desires to nominate a candidate for election to be voted on at a Meeting of Shareholders may do so only in accordance with Article II, Section 4, of the Corporation's Amended and Restated Bylaws, which provides that a shareholder may nominate a Director candidate by written notice to the Chairman of the Board or the President not less than 150 days nor more than 180 days prior to the date of the meeting of shareholders called for the election of Directors which, for purposes of this requirement, shall be deemed to be on the same day and month as the Annual Meeting of Shareholders for the preceding year. Such notice shall contain the following information to the extent known by the notifying shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the number of shares of capital stock of the Corporation owned by each proposed nominee; (d) the name and residence address of the notifying shareholder; (e) the number of shares of capital stock of the Corporation owned by the notifying shareholder; (f) the consent in writing of the proposed nominee as to the proposed nominee's name being placed in nomination for Director; and (g) all information relating to such proposed nominee that would be required to be disclosed by Regulation 14A under the Exchange Act and Rule 14a-11 promulgated thereunder, assuming such provisions would be applicable to the solicitation of proxies for such proposed nominee.

Shareholder Communications with the Board of Directors

Shareholders may communicate with the Board of Directors, including the non-management Directors, by sending a letter to First United Corporation Board of Directors, c/o Robert W. Kurtz, Corporate Secretary, First United Corporation, P.O. Box 9, Oakland, Maryland, 21550. The Corporate Secretary will deliver all shareholder communications directly to the Board of Directors.

The Corporation believes that the Annual Meeting of Shareholders is an opportunity for shareholders to communicate directly with Directors and, accordingly, expects that all Directors will attend each Annual Meeting of Shareholders. If you would like an opportunity to discuss issues directly with our Directors, please consider attending this year's Annual Meeting of Shareholders. At the 2004 Annual Meeting of Shareholders, all members of the Board of Directors were in attendance.

AUDIT COMMITTEE REPORT

The Audit Committee has (i) reviewed and discussed the Corporation's consolidated audited financial statements for the year ended December 31, 2004, with Corporation management; (ii) discussed with Ernst & Young, LLP, the Corporation's independent auditors, all matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU ss. 380), as modified or supplemented; and (iii) received the written disclosures and the letter from Ernst & Young, LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as modified or supplemented, and has discussed with the auditors the auditors' independence. The Committee meets with the internal and independent auditors, with and without management present, to discuss the overall scope and plans for their respective audits, the results of their examinations, their evaluations of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the consolidated audited financial statements for the year ended December 31,

(1) The amounts specified as bonus are made up of pay for performance and, in certain cases, additional incentive payments. The amounts paid pursuant to the pay for performance program (explained in further detail below in the section entitled "Compensation Committee Report on Compensation") for 2002, 2003 and 2004 were distributed in 2003, 2004 and 2005, respectively. The additional incentive payments were granted based on predetermined business production goals as follows: Eugene D. Helbig, Jr., \$16,953; Steven M. Lantz, \$59,202; and Frederick A. Thayer, IV, \$29,004. These amounts were paid in 2005. Jeannette R. Fitzwater elected to defer \$23,838 of her 2004 pay for performance into the Corporation's Deferred Compensation Plan.

- (2) Amounts shown include income imputed to the named executive in connection with the bank-owned life insurance ("BOLI") plan established by the Bank for certain Bank officers (see "BOLI Plan", below) as follows for 2004, 2003 and 2002, respectively: William B. Grant, \$419, \$395, \$533; Robert W. Kurtz, \$475, \$438, \$424; Jeannette R. Fitzwater, \$158, \$150, \$135; Phillip D. Frantz, \$140, \$132, \$119; Eugene D. Helbig, Jr., \$302, \$283, \$281; Steven M. Lantz, \$261, \$247, \$224; Robin E. Murray, \$175, \$16, \$15; and Frederick A. Thayer, IV, \$232, \$215, \$199. All other amounts shown are matching contributions made by the Corporation for each respective executive officer under the Corporation's 401(k) Profit Sharing Plan.
- (3) Each executive officer has in excess of six years of credited service under the 401(k) Profit Sharing Plan and are therefore 100% vested.

Pension Plan

The Corporation maintains a Defined Benefit Pension Plan (the "Pension Plan") for the purpose of providing post-retirement benefits to vested employees. The following table shows the maximum annual retirement benefits payable under the Pension Plan for various levels of compensation during the year of service:

APPROXIMATE ANNUAL BENEFIT UPON RETIREMENT AT AGE 65 BASED ON YEARS OF CREDITED SERVICE

FINAL AVERAGE COMPENSATION	YEARS OF SERVICE						
	15 YEARS	20 YEARS	25 YEARS	30 YEARS	35 YEARS	40 YEARS	45 YEARS
\$ 30,000	\$ 6,000	\$ 8,000	\$ 10,000	\$ 12,000	\$ 14,000	\$ 16,000	\$ 18,000
70,000	15,000	20,000	25,000	30,000	35,000	40,000	45,000
110,000	24,000	32,000	40,000	48,000	56,000	64,000	72,000
150,000	33,000	44,000	55,000	66,000	77,000	88,000	99,000
190,000	42,000	56,000	70,000	84,000	98,000	112,000	126,000
230,000	46,500	62,000	77,500	93,000	108,500	124,000	139,500

For purposes of this table, final average compensation shown is twelve times the average of the highest salary during sixty consecutive months in the last one hundred twenty months preceding normal retirement. Also, for purposes of the table, benefits are payable for life with a minimum guarantee of ten years. Benefits are computed on an actuarial basis. To convert the benefits at normal retirement to a lifetime only benefit, the amounts would be increased by a factor of 1.0677%. Social Security benefits are not shown on the table and would not reduce retirement benefits under the plan.

A table showing current compensation covered by the Pension Plan and the estimated credited years of service for the Highly Compensated Employees immediately follows the Supplemental Executive Retirement Plan discussion.

Supplemental Executive Retirement Plan

Effective November 1, 2001, the Bank's Board of Directors adopted the First United Bank and Trust Supplemental Executive Retirement Plan (the "SERP"). The SERP provides supplemental retirement income to certain senior executives of the Bank designated by the Bank's Board. The executives listed in the Summary

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

Compensation Table are also executives of the Bank and have been designated for coverage under the SERP. The SERP benefit vests upon the executive reaching Normal Retirement Age (as defined in the SERP), upon completion of 10 years of service, or upon death. The normal retirement benefit will be 2.5% of final pay for each year of service up to 24 years of service, plus 1% of final pay for each year of service above 24 up to a maximum of 29 years of service, less 50% of the executive's Social Security benefits and 100% of the benefits payable to the executive under the Corporation's Pension Plan. If the participant dies prior to retirement, the SERP benefit will additionally be reduced by the amount of any death benefit payable to the participant's designated beneficiaries under the Bank's split-dollar arrangements offered in connection with the BOLI plan. In no event will the sum of the pre-retirement SERP benefit paid upon death and the benefits paid under the split-dollar arrangement exceed the normal retirement SERP benefit earned to date of death. For purposes of the SERP, a participant's Final Pay shall mean the average of the three (3) highest annual pay periods over the five (5) years preceding the participant's Normal Retirement. The following table shows the projected benefit payable by the SERP as a single life annuity for various levels of compensation and years of service.

YEARS OF SERVICE

FINAL AVERAGE COMPENSATION	15 YEARS	20 YEARS	25 YEARS	29 YEARS
\$ 100,000	\$ 5,790	\$11,040	\$14,790	\$12,990
125,000	9,540	16,040	20,665	18,365
150,000	13,290	21,040	26,540	23,740
175,000	17,040	26,040	32,415	29,115
200,000	20,790	31,040	38,290	34,490
225,000	30,165	43,540	53,540	50,740
250,000	39,540	56,040	68,790	66,990

The SERP Benefit is based on the annual compensation listed in the Summary Compensation Table. It is expected that the executives will have at least 29 years of service at retirement.

The executive may elect to receive benefits in a lump sum, calculated using the same actuarial assumptions as used under the Pension Plan. Amounts to pay the benefits may, at the Bank's discretion, be held in a rabbi trust. Upon a change of control, the rabbi trust must be fully funded to pay accrued benefits. In addition, upon certain terminations of employment following a change of control, the eight executives designated for coverage become entitled to at least the benefit they would receive based on 24 years of service.

The current compensation covered by the Pension Plan and by the SERP (collectively, the "Plans") and the estimated credit years of service at December 31, 2004, for each of the Highly Compensated Employees under the Plans are as follows:

	Estimated Credited Current Compensation Covered By the Plans	Years of Service at 12/31/04
William B. Grant	\$210,000	26 Years
Robert W. Kurtz	\$184,146	32 Years
Jeannette R. Fitzwater	\$103,985	19 Years

BOLI Plan

BOLI provides insurance on the lives of the Bank's executive and certain other officers. The Bank purchased \$18 million of BOLI in 2001 and \$2.3 million of BOLI in 2004. The Bank is the sole owner of these BOLI policies, has all rights with respect to the cash surrender values of these BOLI policies, and is the sole death beneficiary under these BOLI policies. The Bank has agreed, however, to endorse a portion of the death benefits payable under the BOLI policies to beneficiaries named by each covered officer. Participation in this split-dollar arrangement can be terminated for any reason, at any time, by either the Bank or the covered officer. The Bank intends to terminate each covered officer's participation at retirement. For tax purposes, a covered officer realizes nominal income from the split-dollar arrangement each year equal to the value of that officer's life protection. If the executive officers named above were to die while employed by the Bank, the benefits payable under the split-dollar arrangement to their respective beneficiaries would be as follows: William B. Grant, \$455,000; Robert W. Kurtz, \$295,000; Jeannette R. Fitzwater, \$255,000; Phillip D. Frantz, \$225,000; Eugene D. Helbig, Jr., \$290,000; Steven M. Lantz, \$335,000; Robin M. Murray, \$250,000; and Frederick A. Thayer, IV, \$331,000.

401(k) Profit Sharing Plan

Corporation employees are permitted to contribute a portion of their salary to the Corporation's 401(k) Profit Sharing Plan. The Corporation makes a matching contribution equal to 50% of the amount deferred, up to 6% of an employee's salary, provided that the employee has completed at least one year of service to the Corporation. The Corporation may make

-11-

additional discretionary contributions for employees equal to a percentage of each employee's salary. In 2004, the Corporation made \$30,729 in total matching contributions for the benefit of executive officers. No executive officer received a discretionary contribution in 2004.

Deferred Compensation Plan

Selected executives and Directors of the Corporation and its subsidiaries are permitted to participate in the Corporation's Non-Tax Qualified Deferred Compensation Plan. The plan permits each participant to defer all or a portion of his or her bonus or Directors' fees (as applicable), which income is held in a Rabbi Trust and invested in one or more investment options. The funds are distributed to the participant at termination of employment or Director status, unless the participant initially elects to receive distributions prior to termination. The plan also permits early distribution in the event of certain hardships. Plan benefits are taxed to the participant at the time of distribution.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Board who performed the functions of the Compensation Committee during the last completed fiscal year were: Rex W. Burton, Faye E. Cannon, Raymond F. Hinkle, Elaine L. McDonald, Richard G. Stanton and Robert G. Stuck. Mr. Stanton served as the Chairman of the Board, President and CEO of the Corporation until June 1, 1996. James F. Scarpelli, Sr. was a member of this committee until his retirement from the Board in November 2004. Faye E. Cannon

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

was appointed to the committee in September 2004.

COMPENSATION COMMITTEE REPORT ON COMPENSATION

The basic philosophy of the Corporation's compensation program is to offer competitive compensation for all executive employees, which takes into account both individual contributions and corporate performance.

Executive compensation for the Chairman of the Board/CEO, the President/CFO, and each other executive officer consists of two principal elements: (i) base salary; and (ii) incentives that are variable, fluctuate annually, and are linked to the Corporation's performance, and therefore at risk. Base salaries are set at levels intended to foster a career development among executives, consistent with the long-term nature of the Corporation's business objectives. In setting base salary levels, consideration is given to establishing salary levels that approximate the amounts paid for similar executive positions at other comparable community banking organizations. Salary adjustments and the pay for performance amounts are determined in accordance with the Annual Incentive Program established for executive officers and other members of senior management. The incentive program, which was developed in consultation with the Corporation's independent accountants, utilizes a targeted goal-oriented approach whereby each year the committee establishes performance goals based on the recommendation of the Chairman and CEO. The performance goals include the following strategic financial measures: earnings per share; return on equity; and, the efficiency ratio. Each of these elements is weighted approximately the same. The measures are established annually at the start of each fiscal year and are tied directly to the Corporation's business strategy, projected budgeted results and competitive peer group performance.

Base salary levels for the executives in 2004 were recommended by the Compensation Committee and were approved by the non-employee Directors of the Board. Incentive compensation for the executives for 2004 was recommended in December 2004 by the Compensation Committee and approved by the non-employee Directors of the Board.

The targeted goals for incentive compensation are set at levels which only reward continued exceptional Corporation performance. The incentive awards are expressed as a percent of base pay and measured on a range around the targeted goals with a fixed maximum incentive award.

Mr. Grant's incentive compensation was based on meeting certain financial goals (earnings per share, return on equity and the efficiency ratios). The incentive compensation for each other executive officer was based on a combination of financial goals of the Corporation and certain subjective goals related to the personal performance of each officer.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During the past year, the Bank has had banking transactions in the ordinary course of its business with certain Directors and officers of the Corporation and with their associates. These transactions were on substantially the same terms, including interest rates, collateral, and repayment terms on loans, as those prevailing at the same time for comparable transactions with others. The extensions of credit by the Bank to these persons have not and do

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

not currently involve more than the normal risk of collectibility or present other unfavorable features.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act and the rules promulgated thereunder, the Corporation's executive officers and Directors, and persons who beneficially own more than 10% of the Corporation's Common Stock, are required to file certain reports regarding their ownership of Common Stock with the SEC. Based solely on a review of copies of such reports furnished to the Corporation, or written representations that no reports were required, the Corporation believes that, during the fiscal year ended December 31, 2004, such persons timely filed all reports required to be filed by Section 16(a) except that John W. McCullough filed his initial statement of beneficial ownership late.

INDEPENDENT AUDITORS

The accounting firm of Ernst & Young LLP has been engaged to audit the books and accounts of the Corporation for the next fiscal year. Ernst & Young LLP served as the Corporation's independent auditor in 2004. Ernst & Young LLP has advised the Corporation that neither the accounting firm nor any of its members or associates has any direct financial interest in or any connection with the Corporation other than as independent public auditors. A representative of Ernst & Young LLP is not expected to be present at this year's Annual Meeting of Shareholders.

AUDIT FEES AND SERVICES

The following table shows the fees paid or accrued by the Corporation for the audit and other services provided by Ernst & Young LLP for fiscal years 2004 and 2003:

	FY 2004	FY 2003
	-----	-----
Audit Fees	\$452,147	\$250,900
Audit-Related Fees	--	33,800
Tax Fees	\$126,630	142,715
All Other Fees	\$ 3,500	--
	-----	-----
Total	\$582,277	\$427,415

Fees for audit services include fees associated with the annual audit, the reviews of the Corporation's quarterly reports on Form 10-Q, the attestation of management's report on internal control over financial reporting, and accounting consultations billed as audit services. Audit-related fees for 2003 principally included the audit of the Corporation's employee benefit plans and accounting consultation in connection with corporate governance matters. Tax fees included tax compliance such as tax return preparation, tax advice and tax planning. For 2004, all other fees included a subscription to E&Y Accounting & Auditing Research Tool and fees paid for services rendered in connection with the transition to successor auditors for the employee benefit plan audits. The Audit Committee has reviewed summaries of the services provided by Ernst & Young, LLP and the related fees and has determined that the provision of non-audit services is compatible with maintaining the independence of Ernst & Young, LLP.

It is the Audit Committee's policy to pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Corporation by its independent auditors, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act, which are approved by the Audit Committee prior to the completion of the independent auditor's audit. In 2003, the Securities and

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

Exchange Commission adopted a rule pursuant to the federal Sarbanes-Oxley Act of 2002 that, except with respect to certain de minimis services discussed below, requires Audit Committee pre-approval of audit and non-audit services provided by the Corporation's independent auditors. All of the 2004 services described above were pre-approved by the Audit Committee, and all of the 2003 services described above were pre-approved to the extent that the Securities and Exchange Commission's rule was applicable during 2003.

PERFORMANCE GRAPH

The following graph compares the performance of an investment in shares of the Corporation's Common Stock for the last five years with the performance of a broad market index and a nationally-recognized industry standard assuming in each case both an initial \$100 investment on December 31, 1999, and reinvestment of dividends as of the end of the Corporation's fiscal years. The Corporation has selected the NASDAQ Composite Index because prices for the Corporation's Common Stock are quoted on Nasdaq National Market, and the SNL \$1 billion to \$5 billion Asset-Size Index as the relevant peer group index because of the Corporation's asset size.
