GENERAL

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board of Directors” or “Board”) of Glen Burnie Bancorp (the “Company”) to be used at the 2010 Annual Meeting of Stockholders of the Company and any adjournments or postponements thereof (hereinafter called the “Annual Meeting”) which will be held at Michael’s Eighth Avenue, 7220 Grayburn Drive, Glen Burnie, Maryland on Thursday, May 13, 2010 at 2:00 p.m., Eastern Time. The accompanying Notice of Annual Meeting and form of proxy and this Proxy Statement are being first mailed to stockholders on or about April 19, 2010.

VOTING AND REVOCABILITY OF PROXIES

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are given, signed proxies will be voted for the nominees named below and for the proposal to authorize the Board of Directors to accept the selection of the Audit Committee of an outside auditing firm for the 2010 fiscal year. The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, and with respect to matters incident to the conduct of the Annual Meeting. If any other business is presented at the Annual Meeting, proxies will be voted by those named therein in accordance with the determination of a majority of the Board of Directors. Proxies marked as abstentions will not be counted as votes cast. In addition, shares held in street name which have been designated by brokers on proxy cards as not voted will not be counted as votes cast. Proxies marked as abstentions or as broker no votes, however, will be treated as shares present for purposes of determining whether a quorum is present.

Stockholders who execute proxies retain the right to revoke them at any time prior to being voted. Unless so revoked, the shares represented by properly executed proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked by written notice to Barbara J. Elswick, the Secretary of the Company, at the address above or by the filing of a later dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting. A proxy will not be voted if a stockholder attends the Annual Meeting and votes in person. The presence of a stockholder at the Annual Meeting will not revoke such stockholder’s proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Board has nominated Thomas Clocker, F. William Kuethe, Jr., William N. Scherer, Sr., and Karen B. CORPORATE GOVERNANCE

The Board of Directors periodically reviews its corporate governance policies and procedures to ensure that the Company meets the highest standards of ethical conduct, reports results with accuracy and transparency, and maintains full compliance with the laws, rules and regulations which govern the Company's operations.

Meetings and Committees of the Board of Directors

Board of Directors. The Board of Directors consists of twelve members and holds regular monthly meetings and special meetings as needed. During the year ended December 31, 2009, the Board met 12 times. No incumbent director attended fewer than 75% of the total number of meetings of the Board of Directors held during 2009 and the total number of meetings held by all committees on which the director served during such year. Board members are expected to attend the Annual Meeting of Stockholders, and all incumbent directors attended the 2009 Annual Meeting of Stockholders.

- iv -

The Board has numerous committees, each of which meets at scheduled times, including the following committees:

Audit Committee. The Bank's Audit Committee acts as the audit committee for the Company and currently consists of Directors William N. Scherer, Sr., Shirley E. Boyer, Karen B. Thorwarth, Norman E. Harrison and Thomas Clocker. During the year ended December 31, 2009, the Audit Committee met 16 times.

The Audit Committee monitors internal accounting controls, meets with the Bank's Internal Auditor to review internal audit findings, recommends independent auditors for appointment by the Board, and meets with the Company's independent auditors regarding these internal controls to assure full disclosure of the Company's financial condition. Each member of the Audit Committee is independent, as defined in Rule 5605(a)(2) of the NASDAQ Stock Market Rules and under the criteria for independence set forth in Rule 10A-3(b)(1) promulgated by the Securities and Exchange Commission (SEC) under the Exchange Act, and otherwise meets the criteria for Audit Committee membership set forth in applicable NASDAQ rules. In addition, each member of the Audit Committee is able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. Additionally at least one member of the Committee has employment experience in finance or accounting and the requisite professional certification in accounting, which results in the individual's financial sophistication. The Audit Committee does not include an "audit committee financial expert" (as defined in applicable SEC rules), because the Board of Directors believes that the benefits provided by the addition to the Audit Committee of an individual who meets the SEC criteria at this time do not justify the cost of retaining such an individual.

The Board of Directors of the Company has adopted a written charter for the Audit Committee, which is attached to this Proxy Statement as Appendix A.

Employee Compensation and Benefits Committee. The Bank's Employee Compensation and Benefits Committee acts as the compensation committee for the Company and is composed of Directors Shirley E. Boyer, F. William Kuethe, Jr., John E. Demyan, William N. Scherer, Sr., Frederick W. Kuethe, III, Thomas Clocker, Michael G. Livingston, Norman Harrison, and Karen Thorwarth. Messrs. Kuethe, Demyan, Kuethe and Livingston are not independent directors. This Committee met three times during 2009. The purpose of the Compensation Committee is to evaluate and ascertain the appropriateness of compensation levels pertaining to the officers of the Bank other than the Chief Executive Officer and the other executive officers of the Bank. The compensation levels of the Chief Financial Officer is recommended by the Chief Executive Officer for deliberation and approval of the Committee prior to submission to the full Board. The compensation levels of the Chief Executive Officer and the other executive officers of the Bank are reviewed by the full Board of Directors and must be approved by a majority of the independent directors. No executive officer is present during deliberations or voting on his compensation.

Nominations. The independent members of the Company's Board of Directors acts as a nominating committee for the annual selection of its nominees for election as directors, and the Board held one meeting during 2010 in order to make nominations for directors. The Board has not adopted a charter with respect to the nominating committee function. The Board of Directors believes that the interests of the Company's shareholders are served by relegating the nominations process to the Board members who are independent from management. While the Board of Directors will consider nominees recommended by stockholders, it has not actively solicited recommendations from the Company's stockholders for nominees, nor established any procedures for this purpose. In considering prospective nominees, the Board of Directors will consider the prospect's relevant financial and business experience, familiarity with and participation in the Bank's market area, the integrity and dedication of the prospect, his independence and other factors the Board deems relevant. The Board of Directors will apply the same criteria to nominees recommended by stockholders as those recommended by the Board. Nominations by stockholders must comply with certain informational requirements set forth in Article III, Section 1 of the Company's Bylaws. See "Stockholder Proposals" elsewhere in this Proxy Statement.

Director Compensation

Director's Fees. Currently, all directors are paid a fee of \$1,000 for each combined regular or special meeting of the Company and the Bank attended, with fees paid for one excused absence. In addition to the foregoing director's fees, Mr. Demyan is compensated at the rate of \$30,000 per annum for the additional responsibilities of serving as the Chairman of the Board. Directors (other than F. William Kuethe, Jr., Mr. Demyan and Mr. Livingston who receive no fees for committee meetings) are paid an additional \$300 chairman fee or \$200 member fee, as applicable, for each committee meeting. Directors are also eligible for annual bonuses.

- v -

Executive and Director Deferred Compensation Plan. The Bank's Executive and Director Deferred Compensation Plan was terminated effective December 31, 2008, at which time two directors participated in this plan. Under the terms of the plan, participating directors could elect to defer all or a portion of their fees on a pre-tax basis. Deferred fees are held in a trust account and invested as directed by the participant. Participants are fully vested in their accounts at all times and may elect to have their accounts paid out in a lump sum or in equal installments over a period of five, ten or fifteen years beginning on a date no earlier than three years after the initial deferral election. Upon a participant's death, any amounts remaining in their account will be paid to their beneficiaries.

Director Health Plan. The Bank's Director Health Plan was terminated on December 31, 2006 with the participation of one director grandfathered into the Bank's employee health plan. Under the terms of the health plan, the Bank pays 80% of the premiums for participating directors and their spouses.

Transactions with Management

Certain directors, executive officers and significant stockholders of the Company, and members of their immediate families, were depositors, borrowers or customers of the Bank in the ordinary course of business during 2009. Similar transactions are expected to occur in the future. All such transactions were made in the ordinary course of business of the Bank and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collection or present other unfavorable features.

The Bank's Internal Audit/Compliance Department reviews all loan transactions with directors, officers and employees of the Bank and members of their immediate families to ensure that they are fair and reasonable, on market terms, on an arms-length basis and comply with all applicable regulations including Federal Reserve Board Regulation O which governs such loans. The Internal Audit/Compliance Department also provides the Board of Directors with semi-annual reports of all loans outstanding to employees, officers, and directors which reports are reviewed by the entire Board at a regularly scheduled meeting.

Code of Ethics

The Company has adopted a Code of Business Conduct and Ethics that is designed to promote the highest standards of ethical conduct by the Company's and the Bank's directors, executive officers and employees. The Code of Business Conduct and Ethics has been posted on the Bank's website, www.thebankofglenburnie.com.

Communications with the Board

The Board of Directors has not established a formal process for stockholders to send communications to the Board. Due to the infrequency of stockholder communications to the Board, the Board does not believe that a formal process is necessary. Furthermore, all of the Company's Board members are residents of the communities served by the Bank and where most of the Company's stockholders reside, and therefore are accessible to the great majority of the Company's stockholders.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to regulations promulgated under the Exchange Act, the Company's officers, directors and persons who own more than ten percent of the outstanding Common Stock ("Reporting Person") are required to file reports detailing their ownership and changes of ownership in such Common Stock, and to furnish the Company with copies of all such reports. Based on the Company's review of such reports which the Company received during the last fiscal year, or written representations from Reporting Persons that no annual report of change in beneficial ownership was required, the Company believes that, with respect to the last fiscal year, all persons subject to such reporting requirements have complied with the reporting requirements.

 SECURITIES OWNERSHIP OF MANAGEMENT

Change in Control Severance Plan

The Company and the Bank maintain a Change in Control Severance Plan. All employees, including the named executive officers, and Board members of the Company, the Bank and affiliates of the Company or Bank who, on the date of a change in control, are not parties to an employment agreement or change in control severance agreement with the applicable employer, are eligible to participate in the Plan. A "change in control" is defined as any one of the following events: (i) the acquisition of ownership, holding or power to vote more than 25% of the Company's voting stock, (ii) the acquisition of the ability to control the election of a majority of the Bank's or the Company's directors, (iii) the acquisition of a controlling influence over the management or policies of the Bank or the Company by any person or by persons acting as a "group" (within the meaning of Section 13(d) of the Exchange Act, or (iv) during any period of two consecutive years, individuals who at the beginning of such period constitute the board of directors of the Bank or the Company (excluding individuals whose election or nomination for election as a member of the existing board was approved by a vote of at least two-thirds of the continuing directors then in office) cease for any reason to constitute at least two-thirds thereof.

- viii -

Under the terms of the Plan, in the event the individual voluntarily terminates his employment within two years following a change in control, or in the event the individual's employment is terminated by the Bank (or its successor) for any reason, other than cause, within two years following a change in control, the individual is entitled to receive the benefits specified in the Plan based on the individual's position with the employer and, in some instances, years of service on the date of the change in control. The payment will be made either in a lump sum or in installments, at the option of the individual. Under the Plan, upon a change in control Mr. Livingston would receive an amount equal to the aggregate present value of 2.99 times his average annual taxable compensation from the Company for the prior five complete years, and Mr. Porter would receive an amount equal to 130 weeks of his gross weekly salary as of the date of termination. In addition, Mr. Porter would receive \$10,000 toward the premiums for his COBRA medical insurance coverage following the termination of employment if he elects to receive COBRA benefits. The aggregate present value of Mr. Porter's cash payment and COBRA benefits may not exceed 2.99 times his average annual taxable compensation from the Company for the prior five complete years.

If change in control payments would be triggered today, the named executive officers would receive the following amounts: Mr. Livingston, \$485,588, and Mr. Porter, \$247,836 plus \$10,000 toward COBRA coverage.

Employee Stock Purchase Plan

All employees, including the named executive officers, are eligible to participate in the Company's Employee Stock Purchase Plan at levels determined by the Bank's human resources department and commensurate with each employee's salary level. The Board believes that by making shares of the Company's stock available to employees at a discounted price, employees become vested in the successful financial performance of the Bank and the Company.

GLEN BURNIE BANCORP
AUDIT COMMITTEE OF THE BOARD OF DIRECTORS
CHARTER

Purpose

The Audit Committee (the “Committee”) assists the Board of Directors (the “Board”) of Glen Burnie Bancorp (the “Company”) in their responsibilities to oversee the independence of the independent auditor and evaluate the Company’s financial reporting practices, accounting policies and internal control structure. The Audit Committee fulfills these responsibilities by carrying out the activities enumerated in this Charter.

Composition

The Committee will be comprised of three or more directors as determined by the Board. The members of the Committee will meet the independence and experience requirements specified by applicable regulations of the Securities and Exchange Commission (“SEC”) and relevant self-regulatory organizations. The members of the Committee will be appointed annually at the organizational meeting of the full Board held in May. The Board will select one Committee member to the Committee Chair, and may appoint one or more staff members and engage consultants to assist the Committee.

Responsibility

The Committee is a part of the Board. Its primary function is to assist the Board in fulfilling its oversight responsibilities with respect to (i) the annual financial information to be provided to shareholders and the SEC; (ii) the review of quarterly financial statements; (iii) the system of internal controls that management has established; and (iv) the internal audit, external audit and loan review processes. In addition, the Committee provides an avenue for communication between the internal auditor, the independent auditor, financial management and the Board.

The Committee should have a clear understanding with the independent auditor that the independent auditor must maintain an open relationship with the Committee, and that the ultimate accountability of the independent auditor is to the Board and the Committee. The Committee will make regular reports to the Board concerning its activities.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditor or to assure compliance with laws and regulations and the Company’s business conduct guidelines.

Authority

The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company (including resolution of disagreements between management and the auditor regarding financial reporting), and such independent auditor must report directly to the Committee.

The Committee is granted authority to investigate any matter or activity involving financial accounting and financial reporting, as well as the internal controls of the Company, or any other any matter within the Committee's scope of responsibilities. In that regard, the Committee will have the authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties. All employees will be directed to cooperate with respect thereto as requested by members of the Committee.

In furtherance of its duties, the Company will provide for appropriate funding, as determined by the Committee, in its capacity as a committee of the Board, for the payment of: (i) compensation to such independent auditor; (ii) compensation to any advisers employed by the Committee; and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

A-1

Meetings

The Committee will meet monthly, or more frequently as circumstances dictate. The Committee may, at its discretion, meet in separate executive sessions with the chief financial officer, independent auditor and internal auditor.

Attendance

Committee members will strive to be present at all meetings. As necessary or desirable, the Committee Chair may request that members of management and representatives of the independent auditor and internal auditor be present at Committee meetings.

Specific Duties

To fulfill its responsibilities and duties the Audit Committee shall:

- (i) Review the scope and general extent of the independent auditor's annual audit. The Committee's review should include an explanation from the independent auditor of the factors considered by the auditor in determining the audit scope, including the major risk factors. The independent auditor should confirm to the Committee that no limitations have been placed on the scope or nature of their audit procedures. The Committee will review annually with management the fee arrangement with the independent auditor.
- (ii) Establish procedures for (i) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and (ii) the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing matters.
- (iii) Review with management, the internal auditor and independent auditor, the Company's accounting and financial reporting controls.
- (iv) Review with management, the internal auditor and the independent auditor significant accounting and reporting principles, practices and procedures applied by the Company in preparing its financial statements.
- (v) Discuss with the independent auditor its judgments about the quality, not just the acceptability of the Company's accounting principles used in financial reporting.
- (vi) Review legal and regulatory matters that may significantly impact the financial affairs or operations of the Company.
- (vii) Inquire as to the independence of the independent auditor and obtain from the independent auditor, at least annually, a formal written statement delineating all relationships between the independent auditor and the Company as contemplated by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.
- (viii) Review with financial management and the independent auditor the quarterly financial statements prior to the filing of the Company's Form 10-Q. The review will focus on the impact of significant events, transactions and changes in accounting estimates considered by the independent auditor in performing their review of the Company's interim financial statements. The Chair of the Committee may represent the entire committee for purpose of this review. At the completion of the annual audit, review with management, the Company's internal auditor and the independent auditor the following:

§ The Company's annual financial statements and related footnotes and financial information to be included in the Company's annual report to shareholders and on annual report on Form 10- K.

§ Results of the audit of the financial statements and the related report thereon and, if applicable, a report on changes during the year in accounting principles and their application.

A-2

§ Any significant changes to the audit plan, any serious disputes or difficulties with management encountered during the audit, and the level of cooperation received by the independent auditor from Company personnel during the audit, including access to all requested records, data and information.

§ Any disagreements between the independent auditor and management, which, if not satisfactorily resolved, would have caused the independent auditor to issue a nonstandard report on the Company's financial statements.

§ Other communications as required to be communicated by the independent auditor by Statement of Auditing Standards (SAS) 61 as amended by SAS 90 relating to the conduct of the audit. Such communication should include a discussion of the independent auditor's judgment about the quality of the Company's accounting principles.

If deemed appropriate after such review and discussion, recommend to the Board that the financial statements be included in the Company's annual report on Form 10-K.

(ix) Meet with management, the internal auditor and the independent auditor to discuss any relevant significant recommendations that the independent auditor may have, particularly those characterized as "reportable conditions". The Committee should review responses of management to the reportable conditions from the independent auditor and receive follow-up reports on action taken concerning the aforementioned recommendations.

(x) Evaluate the internal auditor's risk assessment matrix of the Company's subsidiary activities used in developing the annual audit program.

(xi) Receive reports of major findings from the internal auditor and evaluate management's response in addressing the reported conditions.

(xii) Evaluate the performance of and, where appropriate, replace the internal auditor.

(xiii) Review and reassess the adequacy of this charter annually and recommend any proposed changes to the Board for approval. This should be done in compliance with applicable regulatory Audit Committee requirements. The charter is to be published as an appendix to the Company's proxy statement every three years.
