Item 2.02 – Results of Operations and Financial Condition

The financial and statistical disclosure for the fiscal year ended December 31, 2011 included under the caption “Additional Loan Loss Provision” within “Item 8.01 - Other Events” of this Current Report on Form 8-K is incorporated herein by reference.

Item 8.01 – Other Events

On February 16, 2012, Park National Corporation (“Park”) and its wholly-owned subsidiary, Vision Bank (“Vision”), a Florida state-chartered bank, completed their sale of substantially all of the performing loans, operating assets and liabilities associated with Vision to Centennial Bank (“Centennial”), an Arkansas state-chartered bank which is a wholly-owned subsidiary of Home BancShares, Inc., an Arkansas corporation (“Home”), as contemplated by the previously announced Purchase and Assumption Agreement, dated as of November 16, 2011, as amended by the First Amendment to Purchase and Assumption Agreement, dated as of January 25, 2012 (the “P&A Agreement”), by and between Park and Vision, as “Seller”, and Home and Centennial, as “Buyer”.

In accordance with the P&A Agreement, Vision sold to Centennial approximately \$354 million in performing loans, and Centennial assumed approximately \$520 million of deposits, fixed assets of approximately \$12.5 million and other miscellaneous assets and liabilities, including ownership or operation of all 17 Vision office locations for a purchase price of \$27.9 million. Subsequent to the transactions contemplated by the P&A Agreement, Vision was left with approximately \$15.7 million of performing loans and non-performing loans with a fair value of \$89.5 million (both net of any associated loan loss allowance that may have existed prior to the transactions). Park will record a pre-tax gain, resulting from the transactions contemplated by the P&A Agreement, of approximately \$22 million, net of anticipated expenses directly related to the sale.

Promptly following the closing of the transactions contemplated by the P&A Agreement, Vision surrendered its Florida banking charter to the Florida Office of Financial Regulation (the “OFR”) and became a non-bank Florida corporation (the “Florida Corporation”). The Florida Corporation then merged with and into a wholly-owned, non-bank subsidiary of Park, SE Property Holdings, LLC, an Ohio limited liability company (“SE LLC”), with SE LLC being the surviving entity.

The preceding discussion is qualified in its entirety by reference to the P&A Agreement, which is incorporated by reference or included in Exhibit 2.1 to this Current Report on Form 8-K.

On February 16, 2012, Park issued a news release reporting the consummation of the transactions contemplated by the P&A Agreement and the merger of Vision with and into SE LLC. A copy of this news release is included as Exhibit 99.1 to this Current Report on Form 8-K.

Additional Loan Loss Provision

On February 7, 2012, Park National Corporation (“Park”) issued a new release (the “Financial Results News Release”) announcing financial results for the three months (fourth quarter) and the year ended December 31, 2011. The Financial Results News Release was included as Exhibit 99.1 to the Current Report on Form 8-K filed by Park on February 7, 2012 and incorporated by reference into “Item 2.02 – Results of Operations and Financial Condition” of that Form 8-K.

In the Financial Results News Release, Park reported that net income for the year ended December 31, 2011 was \$84.7 million, or \$5.12 per diluted common share and net income for the quarter ended December 31, 2011 was \$13.2 million, or \$0.76 per diluted common share. Due to management’s continued detailed review of the Vision non-performing loans, in preparation for the imminent closing of the transactions contemplated by the P&A Agreement, management determined that an additional \$4.0 million of loan loss provision should be recognized in the fourth quarter of 2011.

Specifically, management is required under Generally Accepted Accounting Principles (“GAAP”) to record the loans (both non-performing and performing), which were not included within the transactions contemplated in the P&A Agreement, at their fair market value at the time of the merger of Vision with and into SE LLC. Therefore, in preparation of the transactions contemplated in the P&A Agreement, management continued its thorough examination of all available information through February 15, 2012, which resulted in reductions to the collateral value of certain impaired collateral dependent loans at Vision. Finally, management determined that these reductions in collateral value should be reflected in 2011, as they were based on facts and circumstances that existed as of December 31, 2011, supplemented by additional information received through February 15, 2012. Therefore, an additional loan loss provision of \$4.0 million was determined to be required for the fourth quarter of 2011.

See the summary table below for a comparison of the operating results for the year ended December 31, 2011 previously announced on February 7, 2012, as compared to the adjusted results for the year ended December 31, 2011:

(In thousands)	2011 Adjusted for additional provision for loan loss	2011 Per 2/7/12 Earnings Release	Change
