The information contained in Item 7.01 below is incorporated in this Item 2.02 by reference.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liability of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Item 7.01 Regulation FD Disclosure.

The Company’s laboratory information management system (LIMS) installed at its New Haven, Connecticut laboratory testing facility experienced a software failure that resulted in reduced sample processing capacity.

The Company has reviewed and improved its internal procedures to secure proper function of the LIMS. The Company believes that full sample processing capacity has been restored and expects to complete the sample backlog caused by the LIMS failure by June 2012.
