Lakeview Avenue, Anaheim, California 92807, for the following purposes, as more fully described in the proxy statement accompanying this Notice:

1. To elect Stephen Catanzaro, Glen F. Ceiley, Jay Conzen, and William L. Means to the Board of Directors, each to hold such office until the next annual meeting of shareholders or until his successor is elected and qualified.
2. To ratify the appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as our independent registered public accounting firm for the fiscal year ending August 31, 2013.
3. To approve, by advisory vote, the compensation of our named executive officers, as described in the proxy statement accompanying this notice.
4. To conduct an advisory vote regarding the frequency of conducting future advisory votes on the compensation of our named executive officers.
5. To transact any other business which may properly come before the Annual Meeting or any adjournment(s) or postponement(s) thereof.

The Board of Directors has fixed the close of business on April 1, 2013 as the record date for determining shareholders entitled to vote at the Annual Meeting. Only shareholders of record at the close of business on that date are entitled to notice of and to vote at the Annual Meeting, and at any postponement(s) or adjournment(s) thereof.

Your vote is very important, regardless of the number of shares you own. On behalf of the Board of Directors, we urge you to sign, date and return the enclosed proxy card as soon as possible, even if you currently plan to attend the meeting. If your shares are held in “street name,” that is, your shares are held in the name of a brokerage firm, bank or other nominee, in lieu of a proxy card you should receive from that institution an instruction form for voting by mail and you may also be eligible to vote your shares electronically over the Internet or by telephone. Should you receive more than one proxy card or voting instruction form because your shares are held in multiple accounts or registered in different names or addresses, please sign, date and return each proxy card or voting instruction form to ensure that all of your shares are voted. You may revoke your proxy at any time prior to the Annual Meeting. If you attend the Annual Meeting and vote by ballot, any proxy that you previously submitted will be revoked automatically and only your vote at the Annual Meeting will be counted. For further information, please see the discussion of voting rights and proxies beginning on page 1 of the enclosed proxy statement.

PROXY STATEMENT

FOR THE 2013 ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 21, 2013

Date, Time and Place of Meeting

These proxy materials and the enclosed proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors of EACO Corporation, a Florida corporation (“EACO”), to be voted at the 2013 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on May 21, 2013 and at any adjournment(s) or postponement(s) of the meeting. The Annual Meeting will be held at 7:30 a.m. Pacific Time, at the offices of Bisco Industries, Inc. (“Bisco”), located at 1500 N. Lakeview Avenue, Anaheim, California 92807. If you need directions to the Annual Meeting, please contact us at (714) 876-2490.

These proxy materials and the form of proxy are expected to be mailed to our shareholders who are entitled to vote at the Annual Meeting on or about April 12, 2013.

Unless the context requires otherwise, the terms the “Company”, “we”, “us” and “our” include Bisco, a wholly-owned subsidiary of EACO, and Bisco’s wholly-owned Canadian subsidiary, Bisco Industries Limited.

Purpose of Meeting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of the Annual Meeting of Shareholders and are described in more detail in this proxy statement.

Internet Availability of Materials

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON MAY 21, 2013: The Notice of the Annual Meeting of Shareholders, proxy statement, proxy card, annual report on Form 10-K for the fiscal year ended August 31, 2012 and quarterly report on Form 10-Q for the quarter ended November 30, 2012 are also available at <http://www.eacocorp.com>.

Voting Rights

The record date for determining those shareholders who are entitled to notice of, and to vote at, the Annual Meeting has been fixed as April 1, 2013. At the close of business on the record date, 4,861,590 shares of our common stock, par value \$0.01 per share, were outstanding. Each shareholder is entitled to one vote for each share of common stock held by such shareholder as of the record date.

The presence in person or by proxy of the holders of a majority of the outstanding shares of common stock entitled to vote will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained.

As a Florida corporation, EACO is subject to the Florida Business Corporation Act (the “FBCA”) with respect to voting requirements and procedures. In addition, pursuant to Section 2115 of the California General Corporation Law (the “CGCL”), EACO is currently subject to certain provisions of the CGCL, including those that affect the election of directors. In the election of directors under Proposal One, directors will be elected by a plurality of the common stock entitled to vote and present in person or represented by proxy at the Annual Meeting, unless cumulative voting is in effect. Under the FBCA, directors are elected by a plurality of the votes cast. Shareholders are also entitled to cumulate votes pursuant to the provisions of the CGCL applicable to EACO. As such, if any shareholder has given notice prior to commencement of voting of his or her intention to cumulate votes, then each shareholder may cumulate votes by multiplying the number of shares of common stock the shareholder is entitled to vote by the number of directors to be elected. The number of cumulative votes thus determined may be voted all for one candidate or distributed among several candidates, at the discretion of the shareholder. The candidates receiving the highest number of votes, up to the number of directors to be elected, will be elected. If cumulative voting is in effect, the persons named in the accompanying proxy will vote the shares of common stock covered by proxies received by them (unless authority to vote for directors is withheld) among the named candidates as they determine. No shareholder is entitled to cumulate his or her votes for candidates other than those whose names have been placed in nomination prior to the commencement of voting.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions, and “broker non-votes.” Broker non-votes occur when brokers or nominees who hold stock in “street name” return proxy cards stating that they do not have authority to vote the stock which they hold on behalf of beneficial owners. If a broker or nominee does not receive voting instructions from the beneficial owner, the broker may vote on only “routine” matters, such as the ratification of the independent registered public accounting firm (Proposal Two). Brokers and nominees may not vote on “non-routine” matters, which include all other proposals contained in this proxy statement, absent instructions from the beneficial owner. If you hold your shares in “street name” or through a broker, it is important that you give your broker your voting instructions.

Under Florida law, abstentions and broker non-votes” (*i.e.*, shares held by brokers or nominees as to which instructions have not been received from the beneficial owners entitled to vote and the broker or nominee does not have discretionary authority to vote on a particular matter) are treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. However, the effect of abstentions and broker non-votes on the outcome of a proposal will depend on the vote required to approve the proposal. Directors are elected by a plurality of the votes cast. Therefore, abstentions and broker non-votes have no effect under Florida law with respect to the election of directors. With respect to each of Proposals Two and Three, the proposal will be approved if the votes cast favoring the matter exceed the votes opposing the matter. Therefore, abstentions and broker non-votes have no effect under Florida law with respect to such proposals. With respect to Proposal Four, there is no threshold vote that must be obtained for the proposal. The Board of Directors will take into consideration the outcome of the vote in setting a policy with respect to the frequency of future advisory votes on the compensation of our named executive officers.

Voting

Edgar Filing: EACO CORP - Form DEF 14A

If you are a “registered holder,” that is, your shares are registered in your own name through our transfer agent, you may vote by returning a completed proxy card in the enclosed postage-paid envelope. If your shares are held in “street name,” that is, your shares are held in the name of a brokerage firm, bank or other nominee, in lieu of a proxy card you should receive a voting instruction form from that institution by mail. The voting instruction form should indicate whether the institution has a process for beneficial holders to vote over the Internet or by telephone. Shareholders who vote over the Internet or by telephone need not return a proxy card or voting instruction form by mail, but may incur costs, such as usage charges, from telephone companies or Internet service providers. If your voting instruction form does not reference Internet or telephone information, please complete and return the paper voting instruction form in the self-addressed, postage-paid envelope provided.

If you are a registered holder, you may also vote your shares in person at the Annual Meeting. If your shares are held in street name and you wish to vote in person at the meeting, you must obtain a proxy issued in your name from the record holder and bring it with you to the Annual Meeting. We recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

Proxies

Please use the enclosed proxy card to vote by mail. If your shares are held in street name, then in lieu of a proxy card you should receive from the brokerage firm, bank or other nominee an instruction form for voting by mail, the Internet or by telephone. Should you receive more than one proxy card or voting instruction form because your shares are held in multiple accounts or registered in different names or addresses, please be sure to complete, sign, date and return each proxy card or voting instruction form to ensure that all of your shares will be voted. Only proxy cards and voting instruction forms that have been signed, dated and timely returned (or otherwise properly voted by Internet or telephone) will be counted in the quorum and voted. Properly executed proxies will be voted in the manner directed by the shareholders. If the proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted FOR the election of each of the persons nominated by the Board under Proposal One and FOR the approval of (or in accordance with the recommendation of the Board on) each of the other proposals described in this proxy statement and the accompanying notice.

The enclosed proxy also grants the proxy holders discretionary authority to vote on any other business that may properly come before the Annual Meeting as well as any procedural matters. We have not been notified by any shareholder of his or her intent to present a shareholder proposal at the Annual Meeting.

If your shares are held in your name, you may revoke or change your vote at any time before the Annual Meeting by filing a notice of revocation or another signed proxy card with a later date with our Corporate Secretary at 1500 North Lakeview Avenue, Anaheim, CA 92807. If your shares are held in street name, you should contact the record holder to obtain instructions if you wish to revoke or change your vote before the Annual Meeting. If you attend the Annual Meeting and vote by ballot, any proxy that you submitted previously to vote the same shares will be revoked automatically and only your vote at the Annual Meeting will be counted. *Please note, however, that if your shares are held in street name, your vote in person at the Annual Meeting will not be effective unless you have obtained and present a proxy issued in your name from the record holder.* Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Solicitation

The enclosed proxy is being solicited by our Board of Directors. We will bear the entire cost of proxy solicitation, including the costs of preparing, assembling, printing, and mailing this proxy statement, the proxy card, and any additional material furnished to the shareholders. Copies of the solicitation materials will be furnished to brokerage houses, fiduciaries, and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, we may reimburse such persons for their reasonable expenses in forwarding the solicitation materials to the beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by personal contact, telephone, facsimile, email or any other means by our directors, officers, or employees. No additional compensation will be paid to these individuals for any

such services.

In the discretion of management, we reserve the right to retain a professional firm of proxy solicitors to assist in solicitation of proxies. Although we do not currently expect to retain such a firm, we estimate that the fees of such firm would range from \$5,000 to \$20,000 plus out-of-pocket expenses, all of which would be paid by us.

PROPOSAL ONE:

ELECTION OF DIRECTORS

Four directors are to be elected at the Annual Meeting. All directors are elected annually and hold office until the next annual meeting of shareholders and until their successors are duly elected and qualified. Our Board of Directors selected and approved the following persons as nominees for election at the Annual Meeting to serve until the next annual meeting of shareholders, or until their successors are duly elected and qualified or until their earlier resignation, removal or death: Stephen Catanzaro, Glen F. Ceiley, Jay Conzen and William L. Means.

Each nominee for election is currently a member of our Board of Directors and has agreed to serve if elected. We have no reason to believe that any of the nominees will be unavailable to serve. In the event any of the nominees named herein is unable to serve or declines to serve at the time of the Annual Meeting, the persons named in the enclosed proxy will exercise discretionary authority to vote for substitutes. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the nominees named above.

Shareholder Approval

The four candidates receiving the highest number of affirmative votes, present in person or represented by proxies and entitled to vote at the Annual Meeting, will be elected as our directors. However, if cumulative voting is in effect, the proxy holders will have the right to cumulate and allocate votes among those nominees standing for election as such proxy holders in their discretion elect.

Recommendation of the Board of Directors

Our Board of Directors recommends a vote “FOR” each of the four director nominees listed above.

Family Relationships; Arrangements for Selection

Zach Ceiley, the Vice President of Sales and Marketing of Bisco, is the son of Glen Ceiley, EACO's Chairman of the Board, Chief Executive Officer and majority shareholder and Bisco's Chief Executive Officer and Chairman of the Board. There are no other family relationships among any of our directors, director nominees or executive officers, and there are no arrangements or understandings between any director nominee and any other person pursuant to which the nominee was selected.

CORPORATE GOVERNANCE

Code of Ethics

EACO has adopted a code of ethics applicable to its senior executive and financial officers. You may receive, without charge, a copy of the Financial Code of Ethical Conduct by contacting our Corporate Secretary, c/o Bisco Industries, Inc., at 1500 N. Lakeview Avenue, Anaheim, California 92807.

Director Independence

EACO's Board consists of the following directors: Stephen Catanzaro, Glen Ceiley, Jay Conzen and William L. Means. The Board has determined that two of its four directors, Stephen Catanzaro and Jay Conzen, are independent as defined by the NASDAQ Stock Market's Marketplace Rules. In addition to such rules, the Board considered transactions and relationships between each director (and his immediate family) and the Company to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent. As a result, the Board determined that Messrs. Ceiley and Means are not independent, as they are (or recently served as) employees of Bisco and members of Bisco's steering committee. Bisco's steering committee handles the day to day operations of the Company, and Messrs. Ceiley and Means have been intimately involved with decision-making that directly affects the financial statements of the Company.

Board Structure

The Board does not have a policy regarding the separation of the roles of the Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interest of the Company to make that determination based on the position and direction of the Company and the membership of the Board from time to time. Currently, the Chairman of the Board also serves as the CEO of EACO, and he also serves as the Chairman and CEO of Bisco. The Board does not have a separate lead independent director, but the independent directors of the Company are actively involved in decision-making by the Board. The Board has determined that the current structure is appropriate for the Company and enhances the Company's ability to execute its business and strategic plans and makes best use of the CEO's knowledge of the Company and the industries that it serves, while maintaining strong independence over Board decisions and oversight through the involvement and participation of the independent directors.

Board Meetings and Committees

In accordance with the Bylaws of EACO, which empower the Board to appoint such committees as it deems necessary and appropriate, the Board has established an Audit Committee and an Executive Compensation Committee. During the fiscal year ended August 31, 2012 (“Fiscal 2012”), the Board of Directors and the various committees of the Board held the following number of meetings: Board of Directors – 4; Audit Committee – 4; and Executive Compensation Committee – 0. During Fiscal 2012, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings of any committees of the Board held while he was serving on the Board or such committee.

Audit Committee. The Audit Committee’s basic functions are to assist the Board in discharging its fiduciary responsibilities to the shareholders and the investment community in the preservation of the integrity of the financial information published by the Company, to maintain free and open means of communication between the Company’s directors, independent auditors and financial management, and to ensure the independence of the independent auditors. The Board has adopted a written charter for the Audit Committee, a copy of which is attached as Annex A to this proxy statement. The Audit Committee charter is not available on EACO’s website.

Currently, the members of the Audit Committee are Messrs. Catanzaro, Conzen (Chairman) and Means. As indicated in the section entitled “Director Independence” above, the Board has determined that each of Messrs. Catanzaro and Conzen is “independent” as defined by the NASDAQ Stock Market’s Marketplace Rules. Mr. Means is not independent as he was employed by Bisco and was a member of Bisco’s steering committee which handles the day to day operations of EACO until his retirement from Bisco in June 2010. Given the size and resources of EACO and Mr. Means’ knowledge of the business of the Company and the risks relating to the industries which it serves, the Board believes that it is in the best interests of the Company and its shareholders that he serve on the Audit Committee.

The Board has identified Mr. Conzen as the member of the Audit Committee who qualifies as an “audit committee financial expert” under applicable SEC rules and regulations governing the composition of the Audit Committee.

Executive Compensation Committee. The Executive Compensation Committee is responsible for establishing the salary and annual bonuses paid to executive officers of EACO and administering EACO’s equity incentive plans, including granting stock options to officers and employees of EACO. The Committee has not adopted a formal charter. The current members of the Committee are Messrs. Glen Ceiley (Chairman) and William Means.

Nomination of Directors

The Board does not have a Nominating Committee, but each director participates in the consideration of director nominees. Given the size and resources of EACO, the Board believes that this is appropriate. The Board believes that having a separate committee would not enhance the nomination process. While the Board does not have a formal policy with regard to the consideration of diversity in identifying director nominees, it strives to nominate directors with a variety of complementary skills and backgrounds so that, as a group, the Board will possess the appropriate talent, skills, insight and expertise to oversee our business. These factors, and others as considered useful by the Board, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time. As a result, the priorities and emphasis of the Board may change from time to time to take into account changes in business and other trends, and the portfolio of skills and experience of current and prospective directors. The Board periodically reviews the performance of each Board member and concludes whether or not the member should continue in their current capacity.

EACO has not adopted a charter relating to the director nomination process, nor does it have a formal policy regarding the consideration of any director candidates recommended by shareholders or specific minimum qualifications for director nominees. The Board believes this is appropriate since any such recommendations may be informally submitted to and considered by EACO's directors. Recommendations by shareholders of director nominees should be directed to EACO's Corporate Secretary, c/o Bisco Industries, Inc., at 1500 N. Lakeview Avenue, Anaheim, California 92807, and should include the name and address of the candidate; a brief biographical description, including the candidate's occupation for at least five years; a statement of the qualifications of the candidate; and the candidate's signed consent to be named in any applicable information statement or proxy statement and to serve as director, if elected. Directors should possess qualities such as understanding the Company's business and operations and corporate governance principles.

Risk Oversight

The Board is responsible for overseeing our risk management, and its duties in this regard are supplemented by committees of the Board. In particular, the Audit Committee focuses on financial risk, including internal controls, and is responsible for discussing with management and our independent auditors policies with respect to risk assessment and risk management, including the process by which we undertake major financial and accounting decisions. Risks related to our compensation programs are reviewed by the Executive Compensation Committee. In connection with its responsibilities relating to risk assessment, our full Board receives reports on risk management from senior officers of the Company, including the CEO of the Company, and from the Chairman of the Audit Committee and periodically engages in discussions of the most significant risks that the Company is facing and how these risks are being managed.

Shareholder Communications

The Board has established a process by which shareholders may send written communications to the attention of the Board, any committee of the Board or any individual Board member, care of our Corporate Secretary. The name of any specific intended Board recipient should be noted in the communication. Our Corporate Secretary will be primarily responsible for collecting, organizing and monitoring communications from shareholders and, where appropriate depending on the facts and circumstances outlined in the communication, providing copies of such communications to the intended recipients. Communications will be forwarded to directors if they relate to appropriate and important substantive corporate or Board matters. Communications that are of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration will not be forwarded to the Board. Shareholders who wish to communicate with the Board can write to the Corporate Secretary at EACO Corporation, c/o Bisco Industries, Inc., at 1500 N. Lakeview Avenue, Anaheim, California 92807.

Annual Meeting Attendance

We do not have a formal policy regarding attendance by members of our Board of Directors at annual meetings of our shareholders; however, directors are encouraged to attend all such meetings. One of our current directors attended our 2012 Annual Meeting of Shareholders.

PROPOSAL TWO:

**RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The accounting firm of Squar, Milner, Peterson, Miranda & Williamson, LLP (“Squar Milner”) was engaged to serve as our independent registered public accounting firm for Fiscal 2012. The Audit Committee of the Board of Directors has selected that firm to continue in this capacity for the fiscal year ending August 31, 2013. We are asking our shareholders to ratify the selection by the Audit Committee of Squar Milner as our independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending August 31, 2013 and to perform other appropriate services. Shareholder ratification of the selection of Squar Milner as our independent registered public accounting firm is not required by our bylaws or otherwise. In the event that the shareholders fail to ratify the appointment, the Audit Committee will reconsider its selection. Even if the selection is ratified, the Audit Committee, in its sole discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the committee feels that such a change would be in the best interests of us and our shareholders.

A representative of Squar Milner is expected to be present at the Annual Meeting, and that representative will have the opportunity to make a brief presentation to the shareholders if he or she so desires and will be available to respond to appropriate questions from shareholders.

Shareholder Approval

This proposal will be approved if the votes cast for the proposal exceed the votes cast against it.

Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote “FOR” the ratification and approval of the selection of Squar Milner as our independent registered public accounting firm for the fiscal year ending August 31, 2013.

PROPOSAL THREE:

ADVISORY VOTE REGARDING EXECUTIVE COMPENSATION

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), shareholders have the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers. Commonly known as a “say-on-pay” vote, this proposal gives our shareholders the opportunity to express their views on our executive compensation policies and programs and the compensation paid to the named executive officers.

We are asking our shareholders to indicate their support of the compensation of our named executive officers, as described in this proxy statement by approving the following resolution at the Annual Meeting:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby approved.”

The Board of Directors recommends a vote FOR approval of the advisory resolution because it believes that the Company’s executive compensation policies and practices are effective in achieving the Company’s goals of rewarding contributions to the financial and operating performance of the Company without promoting undue risk taking and providing fair compensation to incentivize executives to remain with the Company.

The vote on this proposal is advisory and therefore not binding on the Company, the Board of Directors or the Executive Compensation Committee. Although the vote is non-binding, the Board of Directors and the Executive Compensation Committee will review and consider the voting results in future decisions regarding executive compensation.

Shareholder Approval

This proposal will be approved if the votes cast for the proposal exceed the votes cast against it.

Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote “FOR” the advisory resolution approving the compensation of our named executive officers as disclosed in this proxy statement.

PROPOSAL FOUR:

**ADVISORY VOTE ON FREQUENCY OF
FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION**

Section 14A of the Exchange Act also requires us to provide shareholders with the opportunity to indicate at least once every six years, on an advisory basis, their preference as to the frequency of future say-on-pay votes. In this Proposal Four, we are asking shareholders to vote on whether future say-on-pay votes should occur once every year, every two years or every three years. Shareholders also may abstain from voting on this proposal.

We believe that every three years is the optimal frequency for the say-on-pay vote. A vote every three years will provide the Board of Directors and the Executive Compensation Committee with sufficient time to consider the results of the advisory vote and to implement any changes to our compensation practices. A three-year cycle will also provide sufficient time for the implementation of any changes before shareholders must evaluate the effectiveness of such changes in conjunction with our related business results. Accordingly, the Board of Directors recommends that the shareholders vote for a frequency of every three years for future advisory votes on the compensation of our named executive officers, which means that the next say-on-pay vote would be held at the 2016 annual meeting of shareholders.

Shareholder Approval

Shareholders will be able to specify one of four choices for this proposal on the proxy card: one year, two years, three years or abstain. There is no threshold vote that must be obtained for this proposal. The Company will consider the frequency that receives the highest number of votes by shareholders to be the frequency that is preferred by shareholders. Although this vote is advisory and not binding, the Board of Directors will take into consideration the outcome of the vote in setting a policy with respect to the frequency of future say-on-pay votes.

Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote for every “THREE YEARS” as the frequency for an advisory vote on the compensation of our named executive officers.

Executive Compensation

The Executive Compensation Committee is responsible for establishing the salary and annual bonuses paid to executive officers of EACO and administering EACO's equity incentive plans, including granting stock options to officers and employees of EACO. The committee has not adopted a formal charter. The current members of the committee are Messrs. Glen Ceiley and William Means.

Prior to the acquisition of Bisco in March 2010, EACO had only one officer – Mr. Ceiley, the Chief Executive Officer of EACO. Due to the nature of EACO's operations and related financial results in recent years, the Executive Compensation Committee and Mr. Ceiley agreed that no salary or other compensation for his services as the Chief Executive Officer of EACO was justified and no such compensation was provided to Mr. Ceiley for Fiscal 2012 and Fiscal 2011. However, both Mr. Ceiley and Michael Bains, the Controller of EACO and Bisco, receive compensation from Bisco for their services to Bisco.

All compensation for the named executive officers for Fiscal 2012 and Fiscal 2011, other than the amounts payable to Messrs. Ceiley and Means in connection with their service as directors of EACO, were paid by Bisco. The compensation of named executive officers who serve as officers of Bisco are determined by Bisco's Chairman of the Board, Glen Ceiley. Bisco currently does not pay bonuses or other incentive compensation to the named executive officers.
