## INFORMATION TO BE INCLUDED IN THE REPORT

### **Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On July 10, 2015, the Registrant concluded and informed its independent registered public accounting firm that, based on new information received from the Registrant's 50%-owned Hong Kong Joint Venture (the "HKJV"), the financial results of the Company and its HKJV as reported in the Registrant's Quarterly Reports on Form 10-Q for the fiscal quarters ended September 30, 2014 and December 31, 2014 were misstated as a result of errors in the HKJV's accounting for inventory. Based on a preliminary review, (i) for the quarter and six month period ended September 30, 2014, equity in the loss of the HKJV and net loss were understated by approximately \$182,000, and (ii) for the quarter and nine month period ended December 31, 2014, equity in the loss of the HKJV and net loss were understated by approximately \$163,000 and \$345,000, respectively. Accordingly, investors should no longer rely upon the Registrant's financial statements set forth in those Reports and other financial data for these periods or any press releases or other shareholder communications that relate to that information. The Registrant will be filing Forms 10-Q/A restating its financials for these periods as soon as practicable. Management and an authorized officer has discussed the matters disclosed in this Item 4.02 of this Current Report on Form 8-K with the Company's independent registered public accounting firm.
