PROXY STATEMENT

**Annual Meeting of Stockholders to be held
May 25, 2016**

**INFORMATION ABOUT THE ANNUAL MEETING AND
VOTING**

General Background

The Board of Directors (the **Board**) of ANI Pharmaceuticals, Inc. (the **Company** or **ANI**) is providing these proxy materials to the holders of record of the Company's common stock and class C special stock (together the **Company's Stockholders**) in connection with the solicitation of proxies by the Company on behalf of the Board for the Company's 2016 Annual Meeting of Stockholders (the **Annual Meeting**), which will take place at 10:00 a.m. Eastern Time on Wednesday, May 25, 2016 and at any adjournment thereof, at the Company's finance office at 1007 N. Orange Street, Suite 235, Wilmington, Delaware, 19801.

Instead of mailing a printed copy of the Company's proxy materials, including the Company's Annual Report, to each Stockholder of record, the Company is providing access to these materials via the Internet. Accordingly, on or about April 14, 2016, the Company will mail a Notice Regarding Internet Availability of Proxy Materials (the **Notice**) to all Stockholders of record as of March 28, 2016 and will post its proxy materials on the website referenced in the Notice (www.proxyvote.com). As more fully described in the Notice, all Stockholders may access the proxy materials on the website or may request a printed set of the proxy materials, and also specify how they wish their proxy materials to be delivered in the future, either by mail or e-mail.

Unless otherwise required by the context, references in this proxy statement to the **Company** or **ANI** refer to ANI Pharmaceuticals, Inc., a Delaware corporation formed in April 2001, formerly known as BioSante Pharmaceuticals, Inc. The Company's principal executive offices are located at 210 Main Street West, Baudette, Minnesota 56623, its telephone number is (218) 634-3500, and its website address is www.anipharmaceuticals.com.

Questions and Answers About the Annual Meeting and Voting Rights

Q: Why am I receiving these materials?

A: The Board has made these materials available to you over the Internet or delivered paper copies of these materials to you by mail in connection with the Company's annual meeting of Stockholders, which will take place at 10:00 a.m. Eastern Time on Wednesday, May 25, 2016. As a Stockholder, you are invited to attend the Annual Meeting and to vote on the items of business described in this proxy statement. This proxy statement includes information that the Company is required to provide to you under the rules of the SEC and that is designed to assist you in voting your shares.

Q: Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?

A: The Company is using the SEC rule that allows companies to furnish their proxy materials over the Internet. As a result, the Company is mailing to all Stockholders of record as of March 28, 2016 the Notice about the Internet availability of the proxy materials instead of a paper copy of the proxy materials. All Stockholders receiving the Notice will have the ability to access the proxy materials over the Internet and request to receive a paper copy of the proxy materials by mail. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the Notice. In addition, the Notice contains instructions on how you may request to access proxy materials in printed form by mail or electronically on an ongoing basis.

1

TABLE OF CONTENTS

Q: Why didn't I receive a notice in the mail about the Internet availability of the proxy materials?

A: The Company is providing those Stockholders who have previously requested to receive paper copies of the proxy materials with paper copies of the proxy materials instead of the Notice about the Internet availability of the proxy materials.

In addition, the Company is providing the Notice of the Internet availability of the proxy materials by e-mail to those Stockholders who have previously elected delivery of the proxy materials electronically. Those Stockholders should have received an e-mail containing a link to the website where those materials are available and a link to the proxy voting website.

Q: Who is entitled to attend and vote at the Annual Meeting?

A: Only holders of record of the Company's common stock and class C special stock at the close of business on March 28, 2016 are entitled to notice of and to vote at the Annual Meeting. As of March 28, 2016, 11,455,364 shares of the Company's common stock were issued and outstanding and entitled to vote and 10,864 shares of the Company's class C special stock were issued and outstanding and entitled to vote. There is no cumulative voting with respect to the election of directors. Holders of the Company's common stock and class C special stock are entitled to one vote per share on each matter presented at the Annual Meeting. **If you plan to vote in person, please send an e-mail to IR@anipharma.com stating your name and your intention to attend ANI's annual meeting, so that entrance to the building can be provided.**

Q: What is the difference between holding shares as a Stockholder of record and as a beneficial owner?

A: If your shares are registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust, you are considered, with respect to those shares, the Stockholder of record. If your shares are held in a stock brokerage account or by a bank or other nominee holder of record, you are considered the beneficial owner of shares held in street name. As the beneficial owner, you have the right to direct your broker, bank or other nominee holder of record on how to vote your shares held in your account.

Q: If I am a holder of record of the Company's common stock or class C special stock, how do I vote?

A: You may vote by proxy over the Internet by visiting the website established for that purpose at www.proxyvote.com or via a toll-free telephone number. Once you access that website, in order to vote your shares, you will be required to provide the login control number contained on your proxy card. After providing this information, you will be prompted to complete an electronic proxy card. Your votes will be indicated on your computer screen and you will be prompted to submit or revise your electronic proxy card as desired. If you received a paper copy of a proxy or voting instruction card by mail, you may also submit your proxy or voting instruction card by completing, signing, dating and returning your proxy or voting instruction card in the pre-addressed envelope provided. Alternatively, if you are a Stockholder of record, you may vote in person at the Annual Meeting. You will receive a ballot when you arrive. **If you plan to vote in person, please send an e-mail to IR@anipharma.com stating your name and your intention to attend ANI's annual meeting, so that entrance to the building can be provided.**

Q: If I am a beneficial owner of shares held in street name, how do I vote?

A: You should receive from your broker, bank or other nominee a voting instruction form that outlines the methods by which you can vote your shares. A number of brokers and banks have arranged for beneficial owners to vote their shares via the Internet or telephone and will provide voting instructions on the voting instruction form. If your broker or bank uses Broadridge Financial Solutions, you may vote your shares via the Internet at www.proxyvote.com or by phone by calling the telephone number shown on the voting instruction form received from your broker or bank.

TABLE OF CONTENTS

Q: What can I do if I change my mind after I vote my shares?

A: The Delaware General Corporation Law generally provides that, unless otherwise provided, a stockholder may revoke a proxy previously given at any time prior to its exercise at the Annual Meeting. A Stockholder of the Company who has voted shares by returning a proxy card or by delivering a proxy via the Internet or by phone may revoke it at any time before it is exercised at the Annual Meeting by:

Delivering to any of the persons named as proxies on the proxy card, or addressed to and received by the Company's Investor Relations Department, an instrument revoking the proxy;

Appearing at the Annual Meeting and voting in person and executing a later-dated proxy, which is exercised at the Annual Meeting; or

Casting a later vote via the Internet or telephone.

Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Q: What are the voting requirements to approve each of the proposals that will be voted on at the Annual Meeting?

A. Proposal

Vote Required

Election of directors (Proposal 1).

The election of each of the directors will be determined by a plurality of the shares of the Company's common stock and class C special stock, voting together as a single class, present at the Annual Meeting in person or by proxy and entitled to vote on the proposal, assuming a quorum is present.

Approval of the ANI Pharmaceuticals, Inc. 2016 Employee Stock Purchase Plan (Proposal 2).

A majority of the shares of the Company's common stock and class C special stock, voting together as a single class, present at the Annual Meeting in person or by proxy and entitled to vote on the proposal, assuming a quorum is present, is required to vote For Proposal 2 in order to approve the ANI Pharmaceuticals, Inc. 2016 Employee Stock Purchase Plan.

Ratification of the appointment of EisnerAmper LLP as the Company's independent registered public accounting firm for the year ending December 31, 2016 (Proposal 3).

A majority of the shares of the Company's common stock and class C special stock, voting together as a single class, present at the Annual Meeting in person or by proxy and entitled to vote on the proposal, assuming a quorum is present, is required to vote For Proposal 3 in order to ratify the appointment of EisnerAmper. Ratification of EisnerAmper's appointment is not required by the Company's bylaws or otherwise. If Stockholders fail to ratify the appointment, the Company's Audit and Finance Committee will reconsider whether or not to retain that firm.

Q: What constitutes a quorum at the Annual Meeting?

A: The presence at the Annual Meeting, either in person or by proxy, of the holders of one-third of the outstanding shares of the Company's common stock and class C special stock entitled to vote will constitute a quorum for the transaction of business. Abstentions and broker non-votes are counted as present and entitled to vote for purposes

of determining a quorum.

3

TABLE OF CONTENTS

Q: What is a broker non-vote?

A: A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because that nominee does not have discretionary voting power for that particular proposal and has not received instructions from the beneficial owner.

If you do not give voting instructions to your broker, bank or other nominee within ten days of the Annual Meeting, your broker, bank or other nominee may vote on matters that the New York Stock Exchange determines to be routine, but will not be permitted to vote your shares with respect to non-routine items. Under NYSE rules (which banks and brokers may be subject to even though the Company's common stock is listed on The NASDAQ Global Market), the ratification of the appointment of the Company's independent auditors is the only routine matter to be addressed at the Annual Meeting. When a broker, bank or other nominee has not received instructions from the beneficial owners or persons entitled to vote and the nominee cannot vote on a particular matter because it is not routine, then there is a broker non-vote on that matter. Broker non-votes do not count as votes **FOR**, **WITHHELD** or **AGAINST** any proposal, as applicable, but will be counted in determining whether there is a quorum for the Annual Meeting.

Accordingly, if Stockholders do not direct their brokers or other nominees how to vote in Proposal 1 and 2, their brokers or other nominees may not exercise discretion and may not vote their shares on Proposal 1 and 2.

Q: What is the effect of a **WITHHOLD ALL** vote in the election of directors, Proposal 1?

A: Common stock or class C special stock that is represented by valid proxy cards or properly voted via the Internet and that are marked **WITHHOLD ALL** with regard to the election of the nominees for director will be excluded entirely from the vote and will have no effect on the outcome. If no vote is specified on the proxy with respect to Proposal 1, and in the absence of directions to the contrary, the shares will be voted **FOR** the election of the nominees for director named in this proxy statement.

Q: What is the effect of an **ABSTAIN** vote in Proposals 2 and 3?

A: Proxies marked **ABSTAIN** will be counted in determining the total number of shares entitled to vote and votes cast on each of the proposals being submitted to a vote of Stockholders and will have the effect of a vote **AGAINST** a proposal.

Q: Could other matters be decided at the Annual Meeting?

A: As of the date of this proxy statement, the Company does not know of any matters to be raised at the Annual Meeting other than those referred to in this proxy statement. If other matters are properly presented at the Annual Meeting for consideration, the proxies designated by the Company will have the discretion to vote on those matters for you.

Q: Who will count the vote?

A: An officer of the Company or a designee will tabulate the votes of the Company's common stock and class C special stock and act as inspector of the election.

Q: Who is paying for this proxy solicitation?

A: The expense of soliciting proxy cards, including the costs of preparing, assembling and mailing the Notice Regarding Internet Availability of Proxy Materials and the Notice of Annual Meeting of Stockholders, proxy statement and proxy card, will be borne by the Company.

Q: Whom should I call with questions?

A: If you have additional questions, you should contact:

EMPLOYEE STOCK PURCHASE PLAN**

On April 7, 2016, the Board approved and adopted the Employee Stock Purchase Plan (ESPP), subject to stockholder approval. If the Stockholders approve the ESPP, it will become effective on July 1, 2016.

The ESPP is intended to qualify as an Employee Stock Purchase Plan under Section 423 of the Internal Revenue Code (the Code) and would provide eligible employees with an opportunity to purchase shares of ANI common stock (Shares) through payroll deductions. The principal provisions of the ESPP are summarized below. This summary is not a complete description of all of the ESPP s provisions, and is qualified in its entirety by reference to the text of the ESPP, which is attached to this proxy statement as Appendix A. Capitalized terms in this summary not defined in this proxy statement have the meanings set forth in the text of the ESPP.

Purpose. The ESPP is intended to provide employees of ANI and its Designated Parents and Subsidiaries with an opportunity to acquire Shares through overlapping two-year Offer Periods, each containing four six-month Purchase Periods.

Shares. Shares offered under the ESPP will be ANI common stock having a par value of \$0.0001. The maximum number of Shares which may be sold under the ESPP is 229,000 Shares. The Board has specified that a maximum of 750 Shares may be offered to each eligible employee during each Purchase Period. Any Shares that are not purchased during a Purchase Period may again be sold under the ESPP.

Administration. The ESPP will be administered by the Board or a committee appointed by the Board (the Administrator).

Eligibility. Any employee of the Company or any of its Designated Parents and Subsidiaries who has been employed by the Company or such Designated Parent or Subsidiary for at least 12 months, and whose customary employment with the Company is more than 20 hours per week and more than five months in any calendar year will be eligible to participate in the ESPP, subject to signing an enrollment agreement and other enrollment procedures. However, employees who satisfy the eligibility requirements of the ESPP, but who are subject to rules or laws of foreign jurisdictions that prohibit or make impractical participation in the ESPP will not be permitted to participate. Also, no employee will be permitted to elect to purchase Shares if after such purchase the employee would own 5% or more of the total combined voting power or value of all classes of stock of ANI or any subsidiary. An employee who is on an authorized sick leave, military leave or other leave of absence will remain an employee for purposes of the ESPP unless the period of leave exceeds 90 days and the employee s right to reemployment is not guaranteed either by statute or contract. As of March 31, 2016, ANI had approximately 90 employees who would be eligible to participate in the ESPP.

Method of Payment. Payment for Shares purchased under the ESPP will be made by payroll deduction in 1% increments of compensation, subject to a minimum deduction of 1% of compensation per pay period and a maximum deduction of 10% of compensation per pay period. Payroll deductions will occur over each Purchase Period which

will generally be a period of six months. The payroll deduction amounts will be held in a recordkeeping account for the participant until the purchase of the Shares. Interest will not be paid on the amount credited to the account.

Purchase of Shares. Shares will be purchased on the Exercise Date, which will be the last day of the Purchase Period. The amount of Shares purchased by an account will be the number of whole shares that can be purchased with the amount credited to the account. Fractional shares will not be purchased. Any amount remaining in the account after the purchase will be carried over to the next Purchase Period if not withdrawn by the participant. If the number of Shares to be purchased exceeds the number available for purchase in the Purchase Period, the Administrator will allocate the available Shares among the participants in an equitable manner.

TABLE OF CONTENTS

Purchase Price. The Purchase Price per Share will not be less than the lesser of: (a) 85% of the Fair Market Value of a Share on the first day of the Offer Period, or (b) 85% of the Fair Market Value of a Share on the Exercise Date. No participant will be permitted to purchase Shares with a value exceeding \$25,000 (determined at the Fair Market Value of the Shares on the first day of each Purchase Period) in any calendar year.

Withdrawal By Participant. At any time during the Purchase Period a participant may withdraw all (but not less than all) of the amount credited to the participant's account. If the participant withdraws all the amounts credited to the participant's account, then the participant will cease to participate in the Offer Period and may not resume participation until the next Offer Period.

Termination of Employment; Death. If a participant ceases to be an employee of the Company or any of its Designated Parents and Subsidiaries, whether due to termination of employment or death, the participant shall be deemed to have elected to withdraw the participant's account. The amount in the participant's account will be paid to the participant, or to the participant's beneficiary or estate if the participant is deceased.

Adjustments to Shares. In the event of a change in Shares subject to the ESPP or subject to any Offering by reason of any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, or other similar corporate transaction or event that affects the Shares such that the Administrator determines an adjustment to be appropriate, then the Administrator may adjust the maximum number of Shares subject to the ESPP and the outstanding options under the ESPP. In the event of a sale of substantially all assets of the Company, or a sale of more than 50% of the outstanding securities of the Company, or a merger or similar transaction in which the Company is not the surviving entity or following which Shares outstanding are converted to other property, then the Administrator may cause the purchase of Shares with the amounts then credited to the participants' accounts to be accelerated.

Federal Income Tax Consequences to Participants. Payroll deductions to the ESPP are made on an after-tax basis, which means that the applicable federal and state tax withholding is applied to a participant's compensation before ESPP contributions are deducted. Under the federal tax laws, income and withholding taxes do not apply at the time of purchase. Based on federal income tax laws, participants pay tax on the Shares purchased through the ESPP only if they sell or transfer the shares as described below.

If there is a disposition of the participant's Shares more than one year after the Purchase Date and more than two years after the beginning of the Offer Period, or in the event of the death of the participant while owning the Shares, and the purchase price of the Shares is less than 100% of the Fair Market Value of the Shares on the first day of the applicable Purchase Period, the participant will recognize compensation income to the extent of the lesser of (a) the excess of Fair Market Value of the Shares at death or disposition over the Purchase Price of the Shares; or (b) the percentage discount of Fair Market Value on the Purchase Date. The amount of compensation recognized upon such a disposition (but not upon death) is added to the participant's basis in the Shares. Any further gain that is realized upon such disposition of Shares is treated as a long-term capital gain. If the disposition of the participant's Shares occurs prior to the expiration of the required holding periods, the participant will realize ordinary income equal to the discount off the Fair Market Value that the participant received on the Date of Purchase through the ESPP.

Federal Income Tax Consequences to ANI. In the event of a disposition of Shares by a participant after the expiration of the required holding periods, ANI will not recognize taxable income, nor will it be entitled to any deduction from income by reason of the participant's purchase or disposition of the Shares. In the event a participant recognizes compensation income as a result of a disposition prior to the expiration of the required holding periods, ANI will be entitled to a corresponding deduction from its taxable income, subject to the deduction limitation imposed by Section

162(m) of the Code.

The foregoing summary of the effect of federal income taxation upon the participant with respect to Shares purchased under the ESPP does not purport to be complete. Reference should be made to the applicable provisions of the Code. In addition, the summary does not discuss the tax implications of a participant's death or the provisions of income tax laws of any municipality, state or foreign country in which the participant may reside.

TABLE OF CONTENTS

New Plan Benefits. Participation in the ESPP, if we choose to implement it, will be voluntary. Accordingly, the benefits that will be received by or allocated to participants under the ESPP cannot be determined at this time because the amount of contributions set aside to purchase shares of the common stock under the Purchase Plan (subject to the limitations discussed above) is entirely within the discretion of each participant.

Vote Required; Recommendation of the Board

The affirmative vote of a majority of the votes cast by Stockholders present, in person or by proxy, and entitled to vote at the Annual Meeting, is required to approve the Employee Stock Purchase Plan.

The Board of Directors recommends a vote FOR the approval of the Employee Stock Purchase Plan.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Company's Board has adopted Corporate Governance Guidelines. The Guidelines, together with the Company's Amended and Restated Certificate of Incorporation, Bylaws and charters of the Board's committees, provide the framework for the governance of the Company. A copy of the Company's Corporate Governance Guidelines and charters of the Audit and Finance Committee, Nominating and Corporate Governance Committee, and Compensation Committee can be found on the Investors' Corporate Governance section of the Company's corporate website at www.anipharmaceuticals.com. Among the topics addressed in the Company's Corporate Governance Guidelines are:

Selection of directors;

Director Independence

The Company's Board of Directors has determined that four of the seven current directors—Fred Holubow, Tracy L. Marshbanks, Ph.D., Daniel Raynor and Peter A. Lankau—are independent directors under the Listing Rules of The NASDAQ Stock Market. The Listing Rules of The NASDAQ Stock Market provide a non-exclusive list of persons who are not considered independent. For example, under these rules, a director who is, or during the past three years was, employed by the Company or by any parent or subsidiary of the Company, other than prior employment as an interim chairman or chief executive officer, would not be considered independent. No director qualifies as independent unless the Board of Directors of the Company affirmatively determines that the director does not have a material relationship with the listed company that would interfere with the exercise of independent judgment. In making an affirmative determination that a director is an independent director, the Company's Board reviews and discusses information provided by these individuals and by the Company with regard to each of their business and personal activities as they may relate to the Company and its management.

Board Leadership Structure

The Company's Board believes that its Stockholders are best served if the Board retains the flexibility to adapt its leadership structure to applicable facts and circumstances, which necessarily change over time. Accordingly, under the Company's Corporate Governance Guidelines, the office of Chair of the Board and Chief Executive Officer may or may not be held by the same person. Currently, the Chair of the Board is Robert E. Brown, Jr., and the Company's Chief Executive Officer is Arthur S. Przybyl.

The Company currently does not have a lead independent director. The Board may in the future determine to appoint a member to act as lead independent director.

During the year ended December 31, 2015, the Board held 12 meetings, the Audit and Finance Committee held six meetings, the Compensation Committee held three meetings and the Nominating and Corporate Governance Committee held three meetings. During the year, all of the directors of the Board

attended all Board meetings, except for Fred Holubow, who attended more than 75 percent of the Board meetings, and each of the members of the committees attended all meetings of all committees of which such director is a member.

The Company encourages its directors to attend the Company's annual meeting of Stockholders, if their schedules permit. All of the then-incumbent directors attended the 2015 annual meeting of shareholders.

Committees of the Board

The Board has three standing committees: the Audit and Finance Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. All of the members of each of these committees are independent.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following Compensation Discussion and Analysis (CD&A) explains our compensation program philosophy, structure, and decision-making process for 2015 with respect to our named executive officers in the positions in which they served for the fiscal year ended December 31, 2015.

Arthur S. Przybyl President and Chief Executive Officer
Charlotte C. Arnold Vice President, Finance and Chief Financial Officer
James G. Marken Vice President, Operations
Robert Schrepfer Vice President, New Business Development and Contract Manufacturing

Overview

The pharmaceutical industry is very competitive, and we face competition from U.S. and foreign manufacturers, many of whom have greater financial resources than us. Therefore, our long-term success requires that we be resourceful, efficient, and flexible. Our executive compensation program is designed with those characteristics in mind to successfully attract, retain, and motivate the best possible talent to foster our business success and to reward our executives for performance that drives value for our Stockholders.

In recent years, our operations have increased significantly, by both organic growth and through acquisitions. To achieve our long-term goals, we need to conserve resources and capital and maintain flexibility with respect to all aspects of our business, including executive compensation. For these reasons, our management and the Compensation Committee have not adopted standard policies, guidelines, or timelines for awarding base-salary increases, cash bonuses, and long-term equity-based compensation, or other aspects of executive compensation. Nor has the Compensation Committee established formal policies or complex formulas for allocating total executive compensation among the different components. Instead, the Compensation Committee believes it is important to have a compensation philosophy that preserves flexibility to exercise its discretion and not overly constrain the Company by formal policies or complex formulas.

Compensation Philosophy and Objectives

The Compensation Committee generally reviews management's compensation recommendations compared to compensation programs of designated peer companies, with further adjustments as it deems appropriate to take into account the individual and collective performance of management and progress toward or achievement of important company goals that it believes could increase stockholder value. The Compensation Committee also factors into its decisions such other considerations as changing business conditions, our cash resources, and overall market conditions. In exercising its discretion, the Compensation Committee also remains committed to the principle that executives should be rewarded for performance that increases stockholder value.

The Compensation Committee recognizes the importance of providing competitive total compensation packages to attract, retain, and motivate qualified executives, ensure that executives are rewarded for success, while also conserving resources. For example, although the Compensation Committee assesses peer companies to gain an understanding of relative levels of executive compensation in our industry, and aims to set executive compensation at-or-near the 50th percentile of peer companies, we do not follow any fixed, pre-determined benchmark or any pre-specified percentile of peer-company executive compensation but instead adjust for the factors we described

above, individual performance and qualities, and the totality of the circumstances and information available to the Compensation Committee.

The compensation paid to our named executive officers in 2015 reflected our primary compensation objectives of:

Providing a competitive total compensation package to enable us to attract, retain, and motivate qualified executives;
Aligning compensation decisions with stockholder interests by tying executive compensation to attainment of goals and milestones that create stockholder value and enhance the long-term success of our business (*i.e.*, pay for performance);

20

TABLE OF CONTENTS

Creating a direct link between stockholder and management interests by compensating executives with equity ownership; and

Allowing the Compensation Committee to retain significant discretion to set and adjust named executive officer compensation based on facts and circumstances unique to the Company during any given year.

As discussed below, our executive compensation program for 2015 was intended to strike a balance among three primary components of base salary, cash bonuses, and long-term equity incentive compensation in order to best achieve our compensation objectives and drive our performance.

Compensation Component	Primary Purposes	Basic Design
<u>Base Salary</u>	To attract and retain talented executives and to reward their scope of responsibilities, experience and industry knowledge	Fixed cash compensation, may be adjusted annually by the Compensation Committee
<u>Annual Bonus</u>	To motivate and reward executives to achieve or exceed the Company's goals	Target bonus is set as percentage of base salary, payable in cash
	To foster accountability for continued performance	No minimum guaranteed payout; bonuses are approved at the discretion of the Compensation Committee
		Compensation Committee has discretion to award bonuses beyond the target to reward extraordinary performance
<u>Long-Term Equity Awards</u>	To motivate executives to drive performance	Consists of restricted stock and options-based awards, vesting over four years in equal annual increments
	To foster accountability for continued performance	
	To align compensation with long-term stockholder growth	No minimum guaranteed payout, and long-term equity is awarded at the discretion of the Compensation Committee

Process for Determining Executive Compensation

Peer Group Assessment

The Compensation Committee is responsible for, among other things, oversight of all aspects of executive compensation. In 2015, the Compensation Committee engaged Radford as its independent executive compensation consultant. Radford performed an analysis of a group of 16 peer companies. The 2015 peer group consisted of the following companies: Aceto, Albany Molecular Research, Cambrex, Depomed, Horizon Pharmaceuticals, Teligent, Inc. (formerly IGI Laboratories), Impax Laboratories, INSYS Therapeutics, Lannett, Momenta Pharmaceuticals, Pernix Therapeutics Holdings, POZEN, Prestige Brands Holdings, Sagent Pharmaceuticals, Spectrum Pharmaceuticals and Supernus Pharmaceuticals.

In addition, Radford also compared the Company's executive compensation program with the Radford Global Life Sciences Survey (which provides data concerning cash and long-term compensation paid to executives in the life sciences industry). The Radford Global Life Sciences Survey reviews 40 public biopharmaceutical companies with net revenue between \$20 million to \$170 million, and market capitalization between \$260 million and \$2.4 billion. Radford blended equally the group of 16 peer companies with the Radford Global Life Sciences Survey, and assessed each component of the Company's executive compensation program—base salary, annual bonus, total short term incentives (base salary plus annual

TABLE OF CONTENTS

bonus), long-term equity awards, and total compensation. Radford presented its analysis and provided its commentary on the Company's executive compensation program to the Compensation Committee for the Compensation Committee's consideration.

Internal Evaluations

The Compensation Committee receives and considers in its discussions detailed data and other information prepared by management. It also considers the recommendations of management in establishing compensation policies and in setting the amount of and the form of compensation paid to executives. Management also develops certain metrics for consideration by the Compensation Committee, including the rate at which we have issued options over recent years, the allocation of equity awards among all of our employee groups, the weighted-average exercise price of outstanding options for each executive, and other data reflective of the value of the elements of long-term executive compensation.

For each named executive officer other than the CEO, the CEO makes a recommendation to the Compensation Committee based on internal management reviews and discussions. The Compensation Committee conducts an independent review with respect to the CEO's compensation. The Compensation Committee then considers all factors that it deems relevant before making its recommendations on executive compensation to the Board, which is responsible for the final approval of executive compensation. Arthur Przybyl, our President, CEO and member of the Board, is not present in any discussions relating to his compensation and abstains from voting on all matters relating to his compensation.

In making its recommendations to the Board, the Compensation Committee assessed base salary levels, bonus targets, equity ranges and structures, and other significant aspects of executive compensation of each of the identified peer companies. The Compensation Committee used this data to help inform and validate decisions related to our executive compensation and agreements related to such executive compensation generally; however, the Compensation Committee did not target compensation levels to a certain percentile in this peer group. That is, the Compensation Committee utilized this peer group analysis primarily to confirm our named executive officer compensation levels and structure, rather than to target compensation in a formulaic manner.

TABLE OF CONTENTS

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The Company's Board of Directors has delegated to the Audit and Finance Committee, pursuant to the terms of a written policy, the authority to review, approve and ratify related party transactions. If it is not feasible for the Audit and Finance Committee to take an action with respect to a proposed related party transaction, the Company's Board or another committee of the Company's Board, may approve or ratify it. No member of the Company's Board or any committee may participate in any review, consideration or approval of any related party transaction with respect to which such member or any of his or her immediate family members is the related party.

The Company's policy defines a related party transaction as a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) were, are or will be a participant and in which any related party had, has or will have a direct or indirect interest.

Prior to entering into or amending any related party transaction, the party involved must provide notice to the Company's finance department of the facts and circumstances of the proposed transaction, including:

The related party's relationship to the Company and his or her interest in the transaction;
The material facts of the proposed related party transaction, including the proposed aggregate value of such transaction or, in the case of indebtedness, the amount of principal that would be involved;

The purpose and benefits of the proposed related party transaction with respect to the Company;
If applicable, the availability of other sources of comparable products or services; and

An assessment of whether the proposed related party transaction is on terms that are comparable to the terms available to an unrelated third party or to employees generally.

If the Company's finance department determines the proposed transaction is a related party transaction and the amount involved will or may be expected to exceed \$10,000 in any calendar year, the proposed transaction is submitted to the Audit and Finance Committee for its prior review and approval or ratification. In determining whether to approve or ratify a proposed related party transaction, the Audit and Finance Committee will consider, among other things, the following:

The purpose of the transaction;

The benefits of the transaction to the Company;

The impact on a director's independence in the event the related party is a non-employee director, an immediate family member of a non-employee director or an entity in which a non-employee director is a partner, stockholder or executive officer;

The availability of other sources for comparable products or services;

The terms of the transaction; and

The terms available to unrelated third parties or to employees generally.

Related party transactions that involve \$10,000 or less must be disclosed to the Audit and Finance Committee but are not required to be approved or ratified by the Audit and Finance Committee.

TABLE OF CONTENTS

The Company also produces quarterly reports to the Audit and Finance Committee of any amounts paid or payable to, or received or receivable from, any related party. These reports allow the Company to identify any related party transactions that were not previously approved or ratified. In that event, the transaction will be promptly submitted to the Audit and Finance Committee for consideration of all the relevant facts and circumstances, including those considered when a transaction is submitted for pre-approval. Under the Company's policy, certain related party transactions as defined under the policy, such as certain transactions not requiring disclosure under the rules of the SEC, will be deemed to be pre-approved by the Audit and Finance Committee and will not be subject to these procedures.

There were no related party transactions for the Company during the fiscal year ended December 31, 2015, and as of the latest practicable date before the printing of this proxy statement, there were no related party transactions in 2016.

OTHER MATTERS

Householding

The SEC has adopted rules that permit companies and intermediaries, including brokers, banks and other nominee record holders, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more Stockholders sharing the same address by delivering a single Notice or set of proxy materials addressed to those Stockholders. This process, which is commonly referred to as householding, is designed to reduce duplicative mailings and save significant printing and processing costs as well as natural resources.

The Company will deliver promptly to any Stockholder upon written or oral request, a separate copy of the proxy statement and annual report to a Stockholder at a shared address to which a single copy of the documents was delivered. A Stockholder who wishes to receive a separate copy of the proxy statement and annual report, now or in the future, may obtain one, without charge, by addressing a written request to ANI Pharmaceuticals, Inc., Attn: Charlotte C. Arnold, 210 Main Street West, Baudette, Minnesota 56623. Stockholders can also obtain copies of the proxy statement and annual report on the Company's website or on the SEC's website. Beneficial owners sharing an address who are receiving multiple copies of proxy materials and annual reports and who wish to receive a single copy of such materials in the future should contact their broker, bank or other nominee to request that only a single copy of each document be mailed to all Stockholders at the shared address in the future.

Annual Report

The Company's Annual Report on Form 10-K for the year ended December 31, 2015 is included with these proxy solicitation materials. A copy of the Company's Annual Report, including the financial statements included therein, is also available without charge by visiting the Company's website, www.anipharmaceuticals.com, or upon written request to ANI Pharmaceuticals, Inc., Attn: Investor Relations, 210 Main Street West, Baudette, Minnesota 56623.

Stockholder Proposals

Stockholder proposals intended to be presented in the Company's proxy materials relating to its next annual meeting of Stockholders must have been received by the Company on or before January 26, 2017, unless the date of the annual meeting in 2017 is delayed by more than 30 calendar days from the first anniversary of the Annual Meeting, and must satisfy the requirements of the proxy rules promulgated by the SEC.

Any other Stockholder proposals to be presented at the Company's next annual meeting of Stockholders must be given in writing to the Company's Chief Financial Officer and received at the Company's principal executive offices not later than February 25, 2017 nor earlier than January 26, 2017; provided, however, that in the event that the annual meeting is not held within thirty calendar days before or after May 25, 2017, to be timely, notice by the Stockholder must be received not later than the close of business on the tenth calendar day following the date on which the first public announcement of the date of the annual meeting was made.

For a proposal to be presented at the annual meeting, the proposal must contain specific information required by the Company's bylaws, a copy of which may be obtained by accessing the SEC's EDGAR filing database at www.sec.gov, the Company's website at www.anipharmaceuticals.com, or by writing to the Company's Chief Financial Officer. If a proposal is not timely and properly made in accordance with the procedures set forth in the Company's bylaws, it will

be defective and may not be brought before the meeting. If the proposal nonetheless is brought before the annual meeting and the Chair of the annual meeting does not exercise the power and duty to declare the proposal defective, the persons named in the proxy may use their discretionary voting with respect to the proposal.

TABLE OF CONTENTS

Director Nominations

In accordance with procedures set forth in the Company's bylaws, the Company's Stockholders may propose nominees for election to the Company's Board only after providing timely written notice to the Company's Chief Financial Officer. In the case of a special meeting of Stockholders called for the purpose of electing directors, to be timely a Stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not later than the close of business on the tenth day following the date on which the first public announcement of the date of the special meeting was made.

- (a) General. Any individual who is an Employee on a given Enrollment Date shall be eligible to participate in the Plan for the Offer Period commencing with such Enrollment Date.
- (b) Limitations on Grant and Accrual. Any provisions of the Plan to the contrary notwithstanding, no Employee shall be granted an option under the Plan (i) if, immediately after the grant, such Employee (taking into account stock owned by any other person whose stock would be attributed to such Employee pursuant to Section 424(d) of the Code) would own stock and/or hold outstanding options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any Parent or Subsidiary, or (ii) which permits the Employee's rights to purchase stock under all employee stock purchase plans of the Company and its Parents or Subsidiaries to accrue at a rate which exceeds Twenty-Five Thousand Dollars (US\$25,000) worth of stock (determined at the Fair Market Value of the shares at the time such option is granted) for each calendar year in which such option is outstanding at any time. The determination of the accrual of the right to purchase stock shall be made in accordance with Section 423(b)(8) of the Code and the regulations thereunder.
- (c) Other Limits on Eligibility. Notwithstanding Subsection (a), above, the following Employees shall not be eligible to participate in the Plan for any relevant Offer Period: (i) Employees whose customary employment is 20 hours or less per week; (ii) Employees whose customary employment is for not more than five months in any calendar year; (iii) Employees who have been employed for fewer than twelve months; and (iv) Employees who are subject to rules or laws of a foreign jurisdiction that prohibit or make impractical the participation of such Employees in the Plan.

4. Offer Periods.

- (a) The Plan shall be implemented through overlapping or consecutive Offer Periods until such time as (i) the maximum number of shares of Common Stock available for issuance under the Plan shall have been purchased or (ii) the Plan shall have been sooner terminated in accordance with Section 19 hereof. The maximum duration of an Offer Period shall be twenty-seven (27) months. Initially, the Plan shall be implemented through overlapping Offer Periods of twenty-four (24) months duration commencing each January 1 and July 1 following the Effective Date (except that the initial Offer Period shall commence on the Effective Date and shall end on December 31, 2017).
- (b) A Participant shall be granted a separate option for each Offer Period in which he or she participates. The option shall be granted on the Enrollment Date and shall be automatically exercised in successive installments on the Exercise Dates ending within the Offer Period.
- (c) If on the first day of any Purchase Period in an Offer Period in which a Participant is participating, the Fair Market Value of the Common Stock is less than the Fair Market Value of the Common Stock on the Enrollment Date of the Offer Period (after taking into account any adjustment during the Offer Period pursuant to Section 18(a)), the Offer

Period shall be terminated automatically and the Participant shall be enrolled automatically in the new Offer Period which has its first Purchase Period commencing on that date, provided the Participant is eligible to participate in the Plan on that date and has not elected to terminate participation in the Plan.

(d) Except as specifically provided herein, the acquisition of Common Stock through participation in the Plan for any Offer Period shall neither limit nor require the acquisition of Common Stock by a Participant in any subsequent Offer Period.

5. Participation.

(a) An eligible Employee may become a Participant in the Plan by completing a subscription agreement authorizing payroll deductions in the form of Exhibit A to this Plan (or such other form or method (including electronic forms) as the Administrator may designate from time to time) and filing it with the designated payroll office of the Company at least ten (10) business days prior to the Enrollment Date for the Offer Period in which such participation will commence, unless a later time for filing the subscription agreement is set by the Administrator for all eligible Employees with respect to a given Offer Period.

(b) Payroll deductions for a Participant shall commence with the first partial or full payroll period beginning on the Enrollment Date and shall end on the last complete payroll period during the Offer Period, unless sooner terminated by the Participant as provided in Section 10.

6. Payroll Deductions.

(a) At the time a Participant files a subscription agreement, the Participant shall elect to have payroll deductions made during the Offer Period in amounts between one percent (1%) and not exceeding ten percent (10%) of the Compensation which the Participant receives during the Offer Period.

(b) All payroll deductions made for a Participant shall be credited to the Participant's account under the Plan and will be withheld in whole percentages only. A Participant may not make any additional payments into such account.

(c) A Participant may discontinue participation in the Plan as provided in Section 10, or may increase or decrease the rate of payroll deductions during the Offer Period by completing and filing with the Company a change of status notice in the form of Exhibit B to this Plan (or such other form or method (including electronic forms) as the Administrator may designate from time to time) authorizing an increase or decrease in the payroll deduction rate. Any increase or decrease in the rate of a Participant's payroll deductions shall be effective with the first full payroll period commencing ten (10) business days after the Company's receipt of the change of status notice unless the Company elects to process a given change in participation more quickly. A Participant's subscription agreement (as modified by any change of status notice) shall remain in effect for successive Offer Periods unless terminated as provided in Section 10. The Administrator shall be authorized to limit the number of payroll deduction rate changes during any Offer Period.

(d) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) herein, a Participant's payroll deductions shall be decreased to 0%. Payroll deductions shall recommence at the rate provided in such Participant's subscription agreement, as amended, at the time when permitted under Section 423(b)(8) of the Code and Section 3(b) herein, unless such participation is sooner terminated by the Participant as provided in Section 10.

7. Grant of Option. On the Enrollment Date, each Participant shall be granted an option to purchase (at the applicable Purchase Price) 750 shares of the Common Stock, subject to adjustment as provided in Section 18 hereof; provided (i) that such option shall be subject to the limitations set forth in Sections 3(b), 6 and 12 hereof, and (ii) the maximum number of shares of Common Stock a Participant shall be permitted to purchase in any Purchase Period shall be 750 shares, subject to adjustment as provided in Section 18 hereof. Exercise of the option shall occur as provided in Section 8, unless the Participant has withdrawn pursuant to Section 10, and the option, to the extent not exercised, shall expire on the last day of the Offer Period.

8. Exercise of Option. Unless a Participant withdraws from the Plan as provided in Section 10, below, the Participant's option for the purchase of shares will be exercised automatically on each Exercise Date, by applying the accumulated payroll deductions in the Participant's account to purchase the number of full shares subject to the option by dividing such Participant's payroll deductions accumulated prior to such Exercise Date and retained in the Participant's account as of the Exercise Date by the applicable Purchase Price. No fractional shares will be purchased; any payroll deductions accumulated in a Participant's account which are not sufficient to purchase a full share shall be carried over to the next Purchase Period or Offer Period, whichever applies, or returned to the Participant, if the Participant withdraws from the Plan. Notwithstanding

A-4

TABLE OF CONTENTS

the foregoing, any amount remaining in a Participant's account following the purchase of shares on the Exercise Date due to the application of Section 423(b)(8) of the Code or Section 7, above, shall be returned to the Participant and shall not be carried over to the next Offer Period or Purchase Period. During a Participant's lifetime, a Participant's option to purchase shares hereunder is exercisable only by the Participant.

9. Delivery. Upon receipt of a request from a Participant after each Exercise Date on which a purchase of shares occurs, the Company shall arrange the delivery to such Participant, as promptly as practicable, of a certificate representing the shares purchased upon exercise of the Participant's option; provided that the Company shall not be required to issue such a certificate if the Participant's ownership of applicable shares is appropriately noted in the electronic records of the Company and/or its keeper of stockholder records.

10. Withdrawal; Termination of Employment.

(a) A Participant may either (i) withdraw all but not less than all the payroll deductions credited to the Participant's account and not yet used to exercise the Participant's option under the Plan or (ii) terminate future payroll deductions, but allow accumulated payroll deductions to be used to exercise the Participant's option under the Plan at any time by giving written notice to the Company in the form of Exhibit B to this Plan (or such other form or method (including electronic forms) as the Administrator may designate from time to time). If the Participant elects withdrawal alternative (i) described above, all of the Participant's payroll deductions credited to the Participant's account will be paid to such Participant as promptly as practicable after receipt of notice of withdrawal, such Participant's option for the Offer Period will be automatically terminated, and no further payroll deductions for the purchase of shares will be made during the Offer Period. If the Participant elects withdrawal alternative (ii) described above, no further payroll deductions for the purchase of shares will be made during the Offer Period, all of the Participant's payroll deductions credited to the Participant's account will be applied to the exercise of the Participant's option on the next Exercise Date, and after such Exercise Date, such Participant's option for the Offer Period will be automatically terminated. If a Participant withdraws from an Offer Period, payroll deductions will not resume at the beginning of the succeeding Offer Period unless the Participant delivers to the Company a new subscription agreement.

(b) Upon termination of a Participant's employment relationship (as described in Section 2(k)) at a time more than three (3) months from the next scheduled Exercise Date, the payroll deductions credited to such Participant's account during the Offer Period but not yet used to exercise the option will be returned to such Participant or, in the case of his/her death, to the person or persons entitled thereto under Section 14, and such Participant's option will be automatically terminated. Upon termination of a Participant's employment relationship (as described in Section 2(k)) within three (3) months of the next scheduled Exercise Date, the payroll deductions credited to such Participant's account during the Offer Period but not yet used to exercise the option will be applied to the purchase of Common Stock on the next Exercise Date, unless the Participant (or in the case of the Participant's death, the person or persons entitled to the Participant's account balance under Section 14) withdraws from the Plan by submitting a change of status notice in accordance with subsection (a) of this Section 10. In such a case, no further payroll deductions will be credited to the Participant's account following the Participant's termination of employment and the Participant's option under the Plan will be automatically terminated after the purchase of Common Stock on the next scheduled Exercise Date.

11. Interest. No interest shall accrue on the payroll deductions credited to a Participant's account under the Plan.

12. Stock.

(a) The maximum number of shares of Common Stock which shall be made available for sale under the Plan shall be 229,000 shares, subject to adjustment upon changes in capitalization of the Company as provided in Section 18. If the Administrator determines that on a given Exercise Date the number of shares with respect to which options are to be exercised may exceed (x) the number of shares then available for sale under the Plan or (y) the number of shares available for sale under the Plan on the Enrollment Date(s) of one or more of the Offer Periods in which such Exercise Date is to occur, the Administrator may make a pro rata allocation of the shares remaining available for purchase on such Enrollment Dates or Exercise Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine to be equitable, and shall either continue all Offer Periods then in effect or terminate any one or more Offer Periods then in effect pursuant to Section 19, below.

(b) A Participant will have no interest or voting right in shares covered by the Participant's option until such shares are actually purchased on the Participant's behalf in accordance with the applicable provisions of the Plan. No adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date of such purchase.

(c) Shares to be delivered to a Participant under the Plan will be registered in the name of the Participant or in the name of the Participant and his or her spouse.

13. Administration. The Plan shall be administered by the Administrator which shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan. Every finding, decision and determination made by the Administrator shall, to the full extent permitted by Applicable Law, be final and binding upon all persons.

14. Designation of Beneficiary.

(a) Each Participant will file a written designation of a beneficiary who is to receive any shares and cash, if any, from the Participant's account under the Plan in the event of such Participant's death. If a Participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.

(b) Such designation of beneficiary may be changed by the Participant (and the Participant's spouse, if any) at any time by written notice. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living (or in existence) at the time of such Participant's death, the Company shall deliver such shares and/or cash to the Participant's spouse, or if no spouse of the Participant is known to exist or survive the Participant, to the estate of the Participant.

15. Transferability. Neither payroll deductions credited to a Participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided in Section 14 hereof) by the Participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Administrator may treat such act as an election to withdraw funds from an Offer Period in accordance with Section

10.

16. Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

17. Reports. Individual accounts will be maintained for each Participant in the Plan. Statements of account will be given to Participants at least annually, which statements will set forth the amounts of payroll deductions, the Purchase

Price, the number of shares purchased and the remaining cash balance, if any.

18. Adjustments Upon Changes in Capitalization; Corporate Transactions.

(a) Adjustments Upon Changes in Capitalization. Subject to any required action by the stockholders of the Company, the Reserves, the Purchase Price, the maximum number of shares that may be purchased in any Offer Period or Purchase Period, as well as any other terms that the Administrator determines require adjustment shall be proportionately adjusted for (i) any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, (ii) any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company, or (iii) as the Administrator may determine in its discretion, any other transaction with respect to Common Stock to which Section 424(a) of the Code applies; provided, however that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Administrator and its determination shall be final, binding and conclusive. Except as the Administrator determines, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason hereof shall be made with respect to, the Reserves and the Purchase Price.

(b) Corporate Transactions. In the event of a proposed Corporate Transaction, each option under the Plan shall be assumed by such successor corporation or a parent or subsidiary of such successor corporation, unless the Administrator, in the exercise of its sole discretion and in lieu of such assumption, determines to shorten the Offer Period then in progress by setting a new Exercise Date (the New Exercise Date). If the Administrator shortens the Offer Period then in progress in lieu of assumption in the event of a Corporate Transaction, the Administrator shall notify each Participant in writing at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for the Participant's option has been changed to the New Exercise Date and that either:

(1) the Participant's option will be exercised automatically on the New Exercise Date, unless prior to such date the Participant has withdrawn from the Offer Period as provided in Section 10; or

(2) the Company shall pay to the Participant on the New Exercise Date an amount in cash, cash equivalents, or property as determined by the Administrator that is equal to the difference in the Fair Market Value of the shares subject to the option and the Purchase Price due had the Participant's option been exercised automatically under Subsection (b)(i) above.

(c) For purposes of this Subsection, an option granted under the Plan shall be deemed to be assumed if, in connection with the Corporate Transaction, the option is replaced with a comparable option with respect to shares of capital stock of the successor corporation or Parent thereof. The determination of option comparability shall be made by the Administrator prior to the Corporate Transaction and its determination shall be final, binding and conclusive on all persons.

19. Amendment or Termination.

(a) The Administrator may at any time and for any reason terminate or amend the Plan. Except as provided in Section 18, no such termination can affect options previously granted, provided that the Plan or any one or more Offer Periods may be terminated by the Administrator on any Exercise Date or by the Administrator establishing a new Exercise Date with respect to any Offer Period and/or any Purchase Period then in progress if the Administrator determines that the termination of the Plan or such one or more Offer Periods is in the best interests of the Company and its stockholders. Except as provided in Section 18 and this Section 19, no amendment may make any change in any option theretofore granted which materially and adversely affects the rights of any Participant without the consent of affected Participants. To the extent necessary to comply with Section 423 of the Code (or any successor rule or

provision or any other Applicable Law), the Company shall obtain stockholder approval in such a manner and to such a degree as required.

(b) Without stockholder consent and without regard to whether any Participant rights may be considered to have been materially and adversely affected, the Administrator shall be entitled to limit the frequency and/or number of changes in the amount withheld during Offer Periods, change the length of Purchase Periods within any Offer Period, determine the length of any future Offer Period, determine

whether future Offer Periods shall be consecutive or overlapping, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, establish additional terms, conditions, rules or procedures to accommodate the rules or laws of applicable foreign jurisdictions, permit payroll withholding in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each Participant properly correspond with amounts withheld from the Participant's Compensation, and establish such other limitations or procedures as the Administrator determines in its sole discretion advisable and which are consistent with the Plan.

20. Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Administrator at the location, or by the person, designated by the Administrator for the receipt thereof.

21. Conditions Upon Issuance of Shares. Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance. As a condition to the exercise of an option, the Company may require the Participant to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned Applicable Laws. In addition, no options shall be exercised or shares issued hereunder before the Plan shall have been approved by stockholders of the Company as provided in Section 23.

22. Term of Plan. The Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the stockholders of the Company. It shall continue in effect for a term of twenty (20) years unless sooner terminated under Section 19.

23. Stockholder Approval. Continuance of the Plan shall be subject to approval by the stockholders of the Company within twelve (12) months before or after the date the Plan is adopted. Such stockholder approval shall be obtained in the degree and manner required under Applicable Laws.

24. No Employment Rights. The Plan does not, directly or indirectly, create any right for the benefit of any employee or class of employees to purchase any shares under the Plan, or create in any employee or class of employees any right with respect to continuation of employment by the Company or a Designated Parent or Subsidiary, and it shall not be deemed to interfere in any way with such employer's right to terminate, or otherwise modify, an employee's employment at any time.

25. No Effect on Retirement and Other Benefit Plans. Except as specifically provided in a retirement or other benefit plan of the Company or a Designated Parent or Subsidiary, participation in the Plan shall not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Company or a Designated Parent or Subsidiary, and shall not affect any benefits under any other benefit plan of any kind or any benefit plan subsequently instituted under which the availability or amount of benefits is related to level of compensation. The Plan is not a Retirement Plan or Welfare Plan under the Employee Retirement Income Security Act of 1974, as amended.

26. Effect of Plan. The provisions of the Plan shall, in accordance with its terms, be binding upon, and inure to the benefit of, all successors of each Participant, including, without limitation, such Participant's estate and the executors, administrators or trustees thereof, heirs and legatees, and any receiver, trustee in bankruptcy or representative of creditors of such Participant.

27. Governing Law. The Plan is to be construed in accordance with and governed by the internal laws of the State of Delaware, without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than the internal laws of the State of Delaware to the rights and duties of the parties, except to the extent the internal laws of the State of Delaware are superseded by the laws of the United States. Should any provision of the Plan be determined by a court of law to be illegal or unenforceable, the other provisions shall nevertheless remain effective and shall remain enforceable.

28. Dispute Resolution. The provisions of this Section 28 (and as restated in the Subscription Agreement) shall be the exclusive means of resolving disputes arising out of or relating to the Plan. The Company and the Participant, or their respective successors (the parties), shall attempt in good faith to resolve any disputes arising out of or relating to the Plan by negotiation between individuals who have authority to settle the controversy. Negotiations shall be commenced by either party by notice of a written statement of the party's position and the name and title of the individual who will represent the party. Within thirty (30) days of the written notification, the parties shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to resolve the dispute. If the dispute has not been resolved by negotiation, the parties agree that any suit, action, or proceeding arising out of or relating to the Plan shall be brought in the United States District Court for the Southern District of New York (or should such court lack jurisdiction to hear such action, suit or proceeding, in a New York state court in New York, New York) and that the parties shall submit to the jurisdiction of such court. The parties irrevocably waive, to the fullest extent permitted by law, any objection the party may have to the laying of venue for any such suit, action or proceeding brought in such court. **THE PARTIES ALSO EXPRESSLY WAIVE ANY RIGHT THEY HAVE OR MAY HAVE TO A JURY TRIAL OF ANY SUCH SUIT, ACTION OR PROCEEDING.** If any one or more provisions of this Section 28 shall for any reason be held invalid or unenforceable, it is the specific intent of the parties that such provisions shall be modified to the minimum extent necessary to make it or its application valid and enforceable.
