PEAPACK - GLADSTONE BANK NASDAQ: PGC June 2016 Subordinated Notes Offering

The foregoing contains forward - looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements are not historical facts and include expressions about Management's view of future interest income and net loans, Management's confidence and strategies and Management's expectations about new and existing programs and products, relationships, opportunities and market conditions. These statements may be identified by such forward - looking terminology as "expect", "look", "believe", "anticipate", "may", "will", or similar statements or variations of such terms. Actual results may differ materially from such forward - looking statements. Factors that may cause actual results to differ materially from those contemplated by such forward - looking statements include, among others, those risk factors identified in the Company's Form 10 - K for the year ended December 31, 2015, in addition to/which include the following : a) inability to successfully grow our business and implement our strategic plan, including an inability to generate revenues to offset the increased personnel and other costs related to the strategic plan; b) the impact of anticipated higher operating expenses in 2016 and beyond; c) inability to manage our growth; d) inability to successfully integrate our expanded employee base; e) a continued or unexpected decline in the economy, in particular in our New Jersey and New York market areas; f) declines in our net interest margin caused by the low interest rate environment and highly competitive market; g) declines in value in our investment portfolio; h) higher than expected increases in our allowance for loan losses; i) higher than expected increases in loan losses or in the level of nonperforming loans; j) unexpected changes in interest rates; k) a continued or unexpected decline in real estate values within our market areas; l) legislative and regulatory actions (including the impact of the Dodd - Frank Wall Street Reform and Consumer Protection Act, Basel III and related regulations) subject us to additional regulatory oversight which may result in increased compliance costs; m) successful cyberattacks against our IT infrastructure and that of our IT providers; n) higher than expected FDIC insurance premiums; o) adverse weather conditions; p) inability to successfully generate new business in new geographic markets; q) inability to execute upon new business initiatives; r) lack of liquidity to fund our various cash obligations; s) reduction in our lower - cost funding sources; t) our inability to adapt to technological changes; u) claims and litigation pertaining to fiduciary responsibility, environmental laws and other matters; and other unexpected material adverse changes in our operations or earnings. The Company assumes no responsibility to update such forward - looking statements in the future even if experience shows that the indicated results or events will not be realized. Although we believe that the expectations reflected in the forward - looking statements are reasonable, the Company cannot guarantee future results, levels of activity, performance, or achievements . The Company has filed a shelf registration statement (File No. 333 - 198299) (including base prospectus) and related preliminary prospectus supplement dated June 8, 2016 with the Securities and Exchange Commission (the "SEC") for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement, and related applicable preliminary prospectus supplement and any other documents that the Company has filed with the SEC for more information about the Company and the offering. You may get these documents for free by visiting EDGAR on the SEC website at [www.sec.gov](http://www.sec.gov). Alternatively, the Company, any underwriter or any dealer participating in the offerings will arrange to send you the prospectus and the related preliminary prospectus supplement if you request it by calling Sandler O'Neill + Partners, L.P. toll - free at 866 - 805 - 4128 . Neither the SEC nor any state securities commission has approved or disapproved of these securities or determined if this free writing prospectus, or any related prospectus supplement or prospectus, is truthful or complete. Any representation to the contrary is a criminal offense . Forward - Looking Statements / Safe Harbor
