Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 21, 2018, the Compensation Committee of the Board of Directors of Accelerate Diagnostics, Inc. (the “Company”) approved the 2019 Salary Waiver and Nonqualified Stock Option Grant Plan (the “Sub-Plan”) to be established pursuant to the Accelerate Diagnostics, Inc. 2012 Omnibus Equity Incentive Plan (the “2012 Plan”).

Pursuant to the Sub-Plan, each eligible employee will be permitted to irrevocably waive a portion of the base compensation (e.g., salary) scheduled to be paid to them in 2019 in exchange for a grant of nonqualified stock options of the Company (the “Options”), which will be awarded pursuant to the 2012 Plan in January 2019. Eligible employees include all United States-based, full-time employees of the Company and its subsidiaries who were employed as of December 20, 2018. An eligible employee participating in the Sub-Plan is required to submit a salary waiver agreement (the “Waiver Agreement”), a form of which is attached as Exhibit 10.2 hereto, which is irrevocable after December 31, 2018.

The minimum amount of salary that can be waived is \$5,000 and amounts in excess of \$5,000 must be denominated in additional increments of \$5,000. The maximum amount of salary that can be waived is 50% of base compensation (determined by reference to the eligible employee’s base compensation rate effective as of January 1, 2019), provided, that, no participant will receive base cash compensation that is less than the applicable statutory minimum wage.

The number of Options that will be awarded to each participant in January 2019 pursuant to the Sub-Plan will be determined by multiplying the amount designated in the participant’s Waiver Agreement by four and dividing such amount by the 30-day trailing average closing price of the Company’s common stock as of December 21, 2018, with such amount rounded to the nearest whole share. Subject to continued full-time employment, the Options will vest and become exercisable in equal monthly installments, on the last day of each month, over 12 months, with the first installment vesting on January 31, 2019 and the last installment vesting on December 31, 2019.

Upon termination of employment for any reason other than death or disability, the vested portion of the Options, if any, may generally be exercised for 90 days following termination of employment. Upon termination of employment by reason of death or disability, the vested portion of the Options, if any, may generally be exercised for 12 months following termination of employment.

The foregoing description of the Sub-Plan and the Waiver Agreement is not complete and is qualified in its entirety by reference to the full text of the Sub-Plan and the Waiver Agreement, which are filed herewith as Exhibit 10.1 and 10.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.
