INFORMATION TO BE INCLUDED IN THE REPORT

Item 8.01. Other Events.

(a) Sterling Financial Corporation ("Sterling") announced the extension of the expiration date to 5:00 p.m. Eastern Daylight Time, March 31, 2010 from March 23, 2010 for the redemption of certain of its managed trust preferred securities ("TruPS"). The revised expiration date coincides with the deadline for the redemption of the balance of its unmanaged TruPS. The aggregate principal amount of the Sterling TruPS is \$238 million in total.

With the exception of the new deadline, the terms and conditions of the offers to redeem the TruPS will be the same for all TruPS holders as outlined in an 8-K filing by Sterling on February 1, 2010.

Consummation of any offer is conditioned upon Sterling's receipt of net proceeds from an equity offering, sale of assets or other transaction sufficient to purchase the TruPS that are validly tendered and not withdrawn, and the approval, to the extent required, by banking regulators. There can be no assurance that any of these efforts will be successful.

This filing is for informational purposes only and is not an offer to purchase, a solicitation of an offer to purchase or a solicitation of consent with respect to any securities.

Forward-Looking Statements

This filing contains certain "forward-looking" statements relating to Sterling's offer to repurchase its TruPS. These forward-looking statements are subject to various risks and uncertainties, many of which are beyond the control of Sterling, which could cause actual results to differ materially from such statements. Such risks and uncertainties include, but are not limited to, Sterling's ability to complete a financing transaction on favorable terms, if at all, the receipt of consents and tenders from holders of the TruPS sufficient to approve the proposed amendments to the applicable indenture governing the note underlying the relevant series of TruPS and such other factors as are described in greater detail in Sterling's filings with the Securities and Exchange Commission, including, without limitation, Item 1A. Risk Factors of Sterling's Annual Report on Form 10-K for the fiscal year ended December 31, 2009. Unless legally required, Sterling disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise.
