On March 27, 2012, the Compensation Committee of the Board of Directors of the Company adopted the Company's fiscal 2013 cash bonus program. The Company's named executive officers, as well as certain other executive officers and certain employees, are eligible to participate in the 2013 bonus program. Below is a description of the fiscal 2013 bonus program, as adopted by the Compensation Committee.

The purpose of the 2013 bonus program is to promote the interests of the Company and its stockholders by providing key employees with financial rewards upon achievement of specified business objectives and financial performance of the Company, as well as help the Company attract and retain key employees by providing attractive compensation opportunities linked to performance results.

The Company has established three bonus levels for the 2013 bonus program – Threshold, Target and Maximum. Each of the levels represents the attainment by the Company of certain operating pre-tax profit. If the Company does not achieve the Threshold level, no bonus will be paid to any named executive officer, other executive officer or employee pursuant to the 2013 bonus program. The Target level is the operating pre-tax profit level that the Company has budgeted for fiscal 2013. The Threshold level is set at approximately 80% of the Target level, and the Maximum level is based upon the Company's attainment of approximately 125% of the Target level.

The Company intends to pay these bonuses (if any) under the 2013 bonus plan in March 2013 after the end of the performance period during which the bonuses were earned and after the Company determines its level of operating profit, based on the operating profit to be disclosed in its Annual Report on Form 10-K for its fiscal year ended the immediately preceding January 31. In order to be eligible for a bonus under the 2013 bonus program, eligible participants must be employed through the end of fiscal year ending January 31, 2013. Bonuses normally will be paid in cash in a single lump sum, subject to payroll taxes and tax withholdings.
