**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On July 11, 2012, the board of directors of Sypris Solutions, Inc. (the “Company”) elected Robert F. Lentz, age 59, as a Class II member of the Company’s board of directors.

From approximately June 2009 until March 2012, Mr. Lentz served as a consultant and member of the Senior Advisory Board for the Company’s subsidiary Sypris Electronics, LLC (“Sypris Electronics”). In this capacity Mr. Lentz provided strategic guidance relating to new and emerging technologies in the cyber security marketplace, and he was particularly valuable in facilitating introductions to potential partners in the cyber security marketplace. In anticipation of a directorship with the Company, Mr. Lentz has also agreed to terminate any separate compensation for services rendered to Sypris Electronics. The Company anticipates that, in his new role as a director of the Company, Mr. Lentz will continue to provide strategic guidance to the Company with his extensive knowledge and first-hand experience with many of the companies that make up the cyber security marketplace.

Since January 1, 2011 Mr. Lentz has received approximately \$176,250 for Senior Advisory Board membership and consulting services and \$6,722 for expenses including meals, airfare and transportation from Sypris Electronics. The Company has determined that, due to his prior compensation arrangement with Sypris Electronics, Mr. Lentz will be a non-independent director for the present time.

There are no arrangements or understandings pursuant to which Mr. Lentz was selected as a director of the Company.

Mr. Lentz will be compensated in accordance with the Sypris Solutions, Inc. Directors Compensation Program on the same basis as each of the other non-employee directors.

From October 2009 to the present, Mr. Lentz has served as President of Cyber Security Strategies, LLC, a global cyber security consulting company. From November 2007 to October 2009, Mr. Lentz served as Deputy Assistant Secretary of Defense for Cyber, Identity and Information Assurance in the Department of Defense (“DoD”). From November 2000 to October 2009, he served as the Chief Information Security Officer for the DoD. Among his many other responsibilities, Mr. Lentz served as the Chairman of the National Space INFOSEC Steering Council, principal DoD member of the Presidential Sub-Committee on National Security Systems, leader of the DoD IA Steering Council, and the IA Domain Owner of the Global Information Grid Enterprise Information Environment Mission Area. In his capacity as the Chief Information Security Officer, Mr. Lentz was a member of the DoD CIO Executive Council. He also served as the DoD liaison to several private sector boards, including the Center for Internet Security Strategic Advisory Council, the Common Vulnerabilities & Exposures Senior Advisory Council, the International Cyber Center Advisory Board and SAFEcode. Mr. Lentz began his career with the National Security Agency in 1975.

A copy of the press release announcing Mr. Lentz’s election is attached as Exhibit 99 to this Form 8-K and is incorporated by reference herein.
