Item 2.02. Results of Operations and Financial Condition.

On October 30, 2015, Colgate-Palmolive Company (the “Company”) issued a press release announcing its earnings for the quarter ended September 30, 2015. This press release is attached as Exhibit 99 and is incorporated herein by reference.

The information in Item 2.02 of this Current Report is being furnished and shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in Item 2.02 of this Current Report shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended.

Item 2.05. Costs Associated with Exit or Disposal Activities.

Recognizing the macroeconomic challenges around the world and the Company’s successful implementation of its four-year Global Growth and Efficiency Program (the “2012 Restructuring Program”) to date, on October 29, 2015, the Company’s Board of Directors approved the reinvestment of the funds from the sale of the Company’s laundry detergent business in the South Pacific to expand the 2012 Restructuring Program and extend it through December 31, 2017. Initiatives under the expanded 2012 Restructuring Program will continue to fit within the Program’s three focus areas of expanding commercial hubs, extending shared business services and streamlining global functions and optimizing the global supply chain and facilities. The Company expects the initiatives under the expanded program to have a similar aftertax rate of return to the existing program, which on average has been 30%. The Company will update its disclosure to reflect the impact the expansion will have on the range of estimated charges and savings for the 2012 Restructuring Program when the additional initiatives under the expanded Program are approved.
