Lamperd Less Lethal Receives Purchase Order from Canadian Government for Ultra-Light Launchers

Lamperd Less Lethal, Inc. (OTC Pink: LLLI), a manufacturer of less lethal weapons and ammunition for defensive purposes, today announced the receipt of a purchase order from the Canadian Government to supply 350 Ultra-Light 40MM Single-Shot Grenade Launchers. Under the agreement, the company will supply 250 launchers by March 31, 2014 with the remaining 100 to be delivered at a later date. "The Canadian government's purchase order represents the first of many for our new ultra-light launchers," said Barry Lamperd, President of Lamperd Less Lethal Inc. "The new launchers have generated excitement among police and military forces who have tested the products and we believe they could become a new industry standard." The new Ultra-Light Single-Shot Launchers are made from a high-performance composite material and weigh just 3.7 pounds. The Company is also preparing to release a new Ultra-Light Multi-Shot Launcher that weighs just 5.4 pounds. Both are the lightest of their kind in the industry. In addition to the purchase order from the Canadian Government, the Company is in communication with a large military end user that has expressed interest in both single- and multi-shot launchers.
