SODEXHO ALLIANCE REQUESTS THE AMF TO OPEN AN ENQUIRY

Paris, January 12, 2004 - Following various rumours at the opening of the stock market and the spread of incorrect information originating from a summary report made by Smith Barney, Sodexho Alliance insists on clarifying certain information which could lead to the belief that the group has not been transparent in its communication, particularly as regards its receivables securitization in the United Kingdom.

Sodexho Alliance notes that the 100 million euros of cash flow generated, in Fiscal 2002-2003, by working capital from operations does not in anyway include the impact of receivables securitization in the United Kingdom.

Edgar Filing: SODEXHO ALLIANCE SA - Form 6-K

This securitization program has been in place since 1999 as a financing source and since this date is disclosed in the accounts of our subsidiary, according to local accounting principles. In addition and following the new recommendations dated January 2003 of the AMF, this information is published in the Group's Annual Report filed on 28 November 2003 with the AMF; it is available on our website.

Considering that this erroneous information prejudices the company and its shareholders, Sodexho Alliance reserves its right to seek appropriate redress.

Following a downwards movement in its share price of nearly 8% over a few hours and volumes exchanged on 12 January of more than 2.7 million shares, Sodexho Alliance questions the speculative nature of these movements and requests the AMF to open an enquiry.
