FOR IMMEDIATE RELEASE

**Matav Provides Details of
Termination of ADR Program**

NETANYA, Israel February 28, 2006 Matav-Cable Systems Media Ltd. (NASDAQ & TASE: MATV) provided today additional details about the termination of its American Depositary Receipt (ADR) program. As announced on February 22, 2006, Matav intends to delist voluntarily from the Nasdaq National Market and to deregister Matav's ADRs with the U.S. Securities and Exchange Commission, both expected to take effect by the end of March 2006.

As part of the delisting process, Matav has given notice to The Bank of New York (BONY), the depository for its ADR program, to terminate the ADR program. At Matav's request, BONY ceased to issue new ADRs as of February 27, 2006 and is deregistering on Form F-6 with respect to unissued ADSs in the ADR facility on the date hereof. Matav and BONY have also agreed to amend the Deposit Agreement to, among other things, shorten from one year to 90 days the period after termination of the Deposit Agreement during which ADR holders may exchange their ADRs for underlying ordinary shares, failing which ADR holders will only be entitled to receive cash following the disposal by BONY of their underlying ordinary shares.

Following termination of the amended Deposit Agreement, to be effective March 30, 2006, ADRs will no longer be transferable. Holders of ADRs will, however, be entitled to return their ADRs to BONY before June 28, 2006 and receive the appropriate number of underlying ordinary shares, subject to cancellation fees charged by BONY pursuant to the Deposit Agreement.

For ADRs not submitted to BONY for exchange by June 28, 2006, BONY will, as soon as practicable thereafter, sell the underlying ordinary shares at the price that BONY can obtain on the Tel Aviv Stock Exchange. The remaining ADR holders may obtain the cash proceeds from the sale, net of any applicable charges, expenses, taxes or governmental charges, by returning their ADRs to BONY after June 28, 2006.

The following is an expected schedule and related key dates:

February 28, 2006: Deregistration on Form F-6

Edgar Filing: MATAV CABLE SYSTEMS MEDIA LTD - Form 6-K

March 30, 2006: Termination of Deposit Agreement, as amended

By the end of March 2006: Matav delists from Nasdaq and deregisters from the SEC and begins to make public reports solely in accordance with the Israeli securities laws and regulations.

June 28, 2006: Deadline for holders to exchange their ADRs for underlying ordinary shares
