#### **Caution Concerning Forward-Looking Statements**

*Certain matters discussed in this news release are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, particularly statements regarding future operating or financial performance. Words such as will, expects, anticipates, estimates, intends, believes, plans and words and terms of similar substance in connection with any discussion of future operating or financial performance identify forward-looking statements. These statements are based on management's current expectations or beliefs and are subject to a number of risks and uncertainties that could cause actual results to differ materially including, but not limited to, risks in product development plans and schedules, rapid technological change, changes and delays in product approval and introduction, customer acceptance of new products, the impact of competitive products and pricing, market acceptance, the lengthy sales cycle, proprietary rights of TIS and its competitors, risk of operations in Israel, government regulation, dependence on third parties to manufacture products, quarterly fluctuations in sales of products in the Data Capture market (where in general the fourth quarter is the strongest and the first quarter is the weakest), TIS's ability to successfully integrate businesses it acquires, litigation (including litigation over intellectual property rights), general economic conditions and other risk factors detailed in the Company's most recent annual report on Form 20-F and other subsequent filings with the United States Securities and Exchange Commission. We are under no obligation to, and expressly disclaim any obligation to, update or alter our forward-looking statements, whether as a result of new information, future events or otherwise.*
