Hadera Paper Ltd. (the "Company") (AMEX:AIP) announced that on April 11, 2011 the Company received a letter from the Water Authority regarding the Company's request for a permit order of discharging treated waste water flow into the Hadera River, which was submitted according to the Water Law - 1959 ("the Law"). For further details regarding the Company's request see section 17.2.3 of the Company's Periodical Report for 2010.

In accordance with the Water Authority's letter, it was stated , inter alia, that it decided not to grant the Company a permit order as stated in the Law based on the Company's request (that specified in its framework the relieved treated waste water quality in relation to the former permit order the Company received) and that the Company was given the opportunity to reappear before the Advisory Committee granting order permits to the river, after improving and upgrading the plant's treated waste water.

The Company has been taken measures that brought about a significant improvement in the quality of the treated waste water since submitting the request, and the Company intends to apply immediately to the Committee for submitting order permits and to the Water Authority administration.
