Mixer House, Rokach Blvd 101

Dear Top Image Systems Ltd. Shareholders:

We cordially invite you to attend an extraordinary general meeting of shareholders of Top Image Systems Ltd. (“TIS”, the “Company” or “we”) to be held at the principal business office of TIS, located at Mixer House, Rokach Blvd 101, Tel Aviv, Israel 6153101, on April 4, 2019 at 10:00 am (Israel time) (the “shareholder meeting” or “meeting”). On February 4, 2019, we announced that we had entered into the Merger Agreement (defined below) on February 3, 2019 under which we will be acquired, by way of a merger, by Kofax Holdings International Ltd., a private limited company incorporated under the Laws of England and Wales (the “Parent”).

At the meeting you will be asked to consider and vote upon the following proposals:

Approval of the acquisition of TIS by the Parent, including the approval of: (i) the Agreement and Plan of Merger, dated as of February 3, 2019 (as it may be amended from time to time, the “Merger Agreement”), by and among TIS, Parent, Kofax, Inc. a company organized under the Laws of the State of Delaware (the “Ultimate Parent”) and Tornely Ltd., an Israeli company and a wholly-owned subsidiary of Parent (“Merger Sub”); (ii) the merger of Merger Sub with and into TIS (the “Merger”) on the terms and subject to the conditions set forth in the Merger Agreement and in accordance with Sections 314-327 of the Israeli Companies Law, 5759-1999, following which Merger Sub will cease to exist as a separate legal entity and TIS will become a wholly-owned subsidiary of Parent; (iii) the consideration to be received by the shareholders of TIS in the Merger, consisting of \$0.86 in cash, without interest and less any applicable withholding taxes (the “Merger Consideration”), for each ordinary share of TIS (other than ordinary shares owned by the Company, the Parent or any of their respective direct or indirect subsidiaries) outstanding immediately prior to the effective time of the Merger; and (iv) all other transactions and arrangements contemplated by the Merger Agreement. We refer to this proposal as the “Merger Proposal.”

Approval, on a non-binding, advisory basis, of certain compensation that may be paid or become payable to TIS’s executive officers in connection with the Merger and the agreements and understandings pursuant to which such compensation may be paid or become payable. We refer to this proposal as the “Advisory Proposal.”

The Company’s shareholders will have the opportunity to hear from representatives of the Company’s management, who will be available at the meeting to answer questions from shareholders.

A copy of the Merger Agreement was attached as Exhibit 2.1 to TIS’s Current Report on Form 8-K that was filed with the U.S. Securities and Exchange Commission (the “SEC”) on February 4, 2019 and is also attached as Annex A to the enclosed Proxy Statement.

The board of directors of the Company (the “Board”) has unanimously determined that the Merger Agreement, the Merger, the Merger Consideration and all other transactions and arrangements contemplated by the Merger Agreement including, without limitation, the purchase of run-off directors’ and officers’ liability insurance, are in the best interests of TIS’s shareholders.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL AND ADOPTION OF THE MERGER PROPOSAL AND “FOR” THE APPROVAL OF THE ADVISORY PROPOSAL. OUR BOARD MADE ITS DETERMINATION AFTER EVALUATING THE MERGER IN CONSULTATION WITH TIS’S

MANAGEMENT AND LEGAL AND FINANCIAL ADVISORS AND CONSIDERING A NUMBER OF FACTORS. IN CONSIDERING THE RECOMMENDATION OF OUR BOARD, YOU SHOULD BE AWARE THAT THE DIRECTORS AND EXECUTIVE OFFICERS OF TIS HAVE CERTAIN INTERESTS IN THE MERGER THAT MAY BE DIFFERENT FROM OR IN ADDITION TO THE INTERESTS OF TIS SHAREHOLDERS GENERALLY. SEE "INTERESTS OF CERTAIN OF TIS'S DIRECTORS AND EXECUTIVE OFFICERS IN THE MERGER" AND "NON-BINDING, ADVISORY VOTE ON TRANSACTION-RELATED COMPENSATION FOR TIS'S EXECUTIVE OFFICERS" BEGINNING ON PAGES 38 AND 59, RESPECTIVELY, OF THE ACCOMPANYING PROXY STATEMENT FOR A MORE DETAILED DESCRIPTION OF THESE INTERESTS.

Provided that a quorum is present, the adoption and approval of the Merger Proposal at the shareholder meeting requires the affirmative vote of the holders of a majority of our ordinary shares present, in person or by proxy, at the meeting (or any adjournment or postponement thereof), excluding abstentions and broker non-votes and excluding any votes of our ordinary shares held by Parent, Merger Sub or by any person holding at least 25% of the means of control of Parent or Merger Sub, or any person or entity acting on behalf of Parent, Merger Sub or any family member of, or entity controlled by any of the foregoing (any such person or entity – a “Merger Sub Affiliate”).

In order for your vote to be counted, you must affirm on the proxy card or voting instruction form that you are not a Merger Sub Affiliate. If you do not so affirm, your vote will not count towards the tally for the merger proposal.

Your ordinary shares can be voted at the shareholder meeting only if you are present or represented by a valid proxy or proxy card. Only holders of record of the TIS ordinary shares at the close of business on March 5, 2019, which the Board has set as the record date for the shareholder meeting, are entitled to attend and vote at the shareholder meeting or any adjournment or postponement thereof. Even if you plan to attend the shareholder meeting, we encourage you to submit your proxy prior to the shareholder meeting. Shares held through a bank, broker or other nominee that is a shareholder of record of TIS or that appears in the participant list of a securities depository, may also be voted via a proxy card in accordance with the instructions provided with the proxy card you received from the bank, broker or other nominee.

Enclosed with this letter you will find attached a notice of the shareholder meeting as published by TIS on February 12, 2019 and a proxy statement (the “Proxy Statement”). The accompanying Proxy Statement provides you with detailed information about the Merger, the Merger Proposal, and the shareholder meeting. Please give this material your careful attention. You also may obtain more information about TIS, the Merger Agreement and the shareholder meeting from documents we have filed with or furnished to the SEC or from TIS’s website at <http://www.topimagesystems.com>.

Thank you for your cooperation and continued support.

Very truly yours,

/s/ Donald R. Dixon

PROXY STATEMENT

EXTRAORDINARY GENERAL MEETING OF SHAREHOLDERS TO BE HELD ON April 4, 2019

INTRODUCTION

We, Top Image Systems Ltd. (“TIS,” the “Company” or “we”), are furnishing this Proxy Statement to our shareholders in connection with the solicitation by our board of directors (the “Board”) of proxies to be used at the extraordinary general meeting of shareholders, as may be adjourned or postponed from time to time (the “shareholder meeting” or the “meeting”), to be held at the principal business office of TIS, located at Mixer House, Rokach Blvd 101, Tel Aviv, Israel 6153101, Israel, on April 4, 2019 at 10:00 AM (Israel time), and thereafter, as it may be adjourned from time to time. We are first mailing this Proxy Statement, the accompanying notice, letter to shareholders and proxy card on or about March 13, 2019, to the holders of our ordinary shares entitled to vote at the shareholder meeting.

At the meeting you will be asked to consider and vote upon the following proposals:

Approval of the acquisition of TIS by Kofax Holdings International Ltd., a private limited company incorporated under the Laws of England and Wales (“Parent”), including the approval of: (i) the Agreement and Plan of Merger, dated as of February 3, 2019 (as it may be amended from time to time, the “Merger Agreement”), by and among TIS, Parent, Kofax, Inc. a company organized under the Laws of the State of Delaware (the “Ultimate Parent”) and Tornely Ltd., an Israeli company and a wholly-owned subsidiary of Parent (“Merger Sub”); (ii) the merger of Merger Sub with and into TIS (the “Merger”) on the terms and subject to the conditions set forth in the Merger Agreement and in accordance with Sections 314-327 of the Israeli Companies Law, 5759-1999 (the “ICL”), following which Merger Sub will cease to exist as a separate legal entity and TIS will become a wholly-owned subsidiary of Parent; (iii) the consideration to be received by the shareholders of TIS in the Merger, consisting of \$0.86 in cash, without interest and less any applicable withholding taxes (the “Merger Consideration”), for each ordinary share (other than ordinary shares owned by the Company, the Parent or any of their respective direct or indirect subsidiaries) of TIS outstanding immediately prior to the effective time of the Merger (the “Effective Time”); and (iv) all other transactions and arrangements contemplated by the Merger Agreement. We refer to this proposal as the “Merger Proposal.”

Approval, on a non-binding, advisory basis, of certain compensation that may be paid or become payable to TIS’s executive officers in connection with the Merger and the agreements and understandings pursuant to which such compensation may be paid or become payable.

In addition to considering the Merger Proposal and the Advisory Proposal, the Company’s shareholders will have the opportunity to hear from representatives of the Company’s management, who will be available at the meeting to answer questions from shareholders.

Shareholders may also act upon such other matters as may properly come before the meeting or any adjournment or postponement thereof. As of the current time, the Company is not aware of any such additional matters to be brought before the meeting.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” APPROVAL OF THE MERGER PROPOSAL AND ADVISORY PROPOSAL

In considering the recommendation of the TIS board, you should be aware that directors and executive officers of TIS have certain interests in the merger that may be different from, or in addition to, the interests of TIS shareholders generally. See “Interests of Certain of TIS’s Directors and Executive Officers in the Merger” beginning on page 38 of this Proxy Statement and “Non-Binding, Advisory Vote on Transaction-Related Compensation for TIS’s Executive Officers” beginning on page 59 of the this Proxy Statement for a more detailed description of these interests.

Quorum

Only holders of record of the TIS ordinary shares at the close of business on March 5, 2019, which is the record date for the shareholder meeting (the “Record Date”), are entitled to vote at the meeting. As of that date, there were 18,483,715 ordinary shares outstanding and entitled to vote. Each ordinary share outstanding on the Record Date will entitle its holder to one vote upon each of the proposals to be presented at the meeting.

The presence (in person or by proxy) of any two or more shareholders holding, in the aggregate, at least 33 1/3% of the voting rights in the Company constitutes a quorum for purposes of the meeting. In the absence of the requisite quorum of shareholders at the meeting, the meeting will be adjourned to the same day in the immediately following week and will be held at the same time and place, unless otherwise determined at the meeting in accordance with the Company’s amended and restated articles of association. At such adjourned meeting, the presence of at least two shareholders, in person or by proxy (regardless of the voting power represented by their shares) will constitute a quorum.

Proxies

Shareholders may elect to vote their shares once, either by attending the shareholder meeting in person, or by executing and delivering to TIS a proxy as detailed below. If your ordinary shares are held in “street name” through a bank, broker or other nominee, you may complete a proxy card in order to direct such bank, broker or other nominee on how to vote your ordinary shares. In the alternative, you may obtain a legal proxy from such bank, broker or other nominee to vote your ordinary shares in person at the meeting.

Proxies are being solicited by our Board and proxy cards are being mailed together with this Proxy Statement. Certain of our officers, directors, employees and agents may solicit proxies by telephone, facsimile, electronic mail or other personal contact. However, such parties will not receive additional compensation for those activities. We will bear the cost of the solicitation of proxies, including the cost of preparing, assembling and mailing the proxy materials, and will reimburse the reasonable expenses of brokerage firms and others for forwarding such proxy materials to the beneficial owners of our ordinary shares.

All Ordinary Shares represented by properly executed proxies received by the Company at Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717 or at the Company’s registered office no later than 6:00 a.m. (Israel time) on April 4, 2019, will, unless such proxies have been revoked prior to the shareholder meeting or superseded, be voted at the meeting in accordance with the directions on the proxies. No postage will be required if your proxy card is mailed in the United States in the envelope provided.

A shareholder returning a proxy may revoke it by communicating such revocation in writing to us or by executing and delivering a later-dated proxy. Shares represented by any proxy in the enclosed form (including a proxy serving as revocation of an earlier proxy), or shares that are subject to a written revocation, if the proxy or revocation is properly executed and received by the Company at Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717 or at its registered office by 6:00 a.m. (Israel time) on April 4, 2019, will be voted (or not voted, as appropriate) as indicated therein with respect to the Merger Proposal, Advisory Proposal and as determined by TIS Board of Directors concerning any other matter that may be presented to the shareholder meeting, as described above.

Submission of Position Notices

A shareholder may address the other shareholders in writing through the Company in an attempt to influence the manner in which the shareholders will vote with regard to any proposal. Position notices must be submitted to the Company no later than the close of the business in Israel on March 25, 2019. Any position notice submitted to the Company at a later date will be ignored.

Request to Include Item on Agenda

A shareholder holding, or shareholders holding together, at least one percent of the voting rights represented at the meeting are entitled to request that the Board of Directors include an item on the agenda, provided the item is suitable to be dealt with at the meeting. Such request must have been submitted to the Company within 7 days after the publication of the notice of the meeting.

Required Vote

Provided that a quorum is present, the adoption and approval of the Merger Proposal and Advisory Proposal at the shareholder meeting requires the affirmative vote of the holders of a majority of our ordinary shares present, in person or by proxy, at the meeting (or any adjournment or postponement thereof), excluding abstentions and broker non-votes and in the case of the Merger Proposal also excluding votes of any Merger Sub Affiliate (as defined below).

If a shareholder of record signs, dates and returns the proxy card without indicating how the shareholder intends to vote with respect to a proposal, then the ordinary shares will be voted in favor of such proposal.

Pursuant to Section 320(c) to the Israeli Companies Law, the approval of the Merger Proposal requires the affirmative vote of the holders of a majority of ordinary shares present, in person or by proxy, at the meeting where a quorum is present and voting on the proposal, not including abstentions and broker non-votes and excluding any votes of our ordinary shares held by Parent, Merger Sub or by any person holding at least 25% of the means of control of Parent or Merger Sub, or any person or entity acting on behalf of Parent, Merger Sub or any family member of, or entity controlled by any of the foregoing (any such person or entity – a “Merger Sub Affiliate”).

In order for your vote to be counted, you must affirm on the proxy card or voting instruction form that you are not a Merger Sub Affiliate. If you do not so affirm, your vote will not count towards the tally for the Merger Proposal.

Voting through Agent; No Internet Voting

A shareholder may appoint a voting agent to vote in his or her place by way of signing a writ of appointment in accordance with TIS’s Articles of Association.

TIS does not allow voting through the Internet.

A: The shareholder meeting will take place on April 4, 2019 at 10:00 AM, Israel time, at the principal business office of the Company, located at Mixer House, Rokach Blvd 101, Tel Aviv, Israel 6153101.

Q: Who is entitled to vote at the shareholder meeting?

Shareholders as of March 5, 2019 (the "Record Date") are entitled to notice of the shareholder meeting and to vote at the shareholder meeting. Each holder of ordinary shares is entitled to cast one vote on each matter properly brought before the shareholder meeting for each ordinary share owned by such holder as of the Record Date.

1

Q: May I attend the shareholder meeting and vote in person?

Yes. All shareholders as of the Record Date may attend the shareholder meeting and vote in person. Shareholders will need to present proof of ownership of their ordinary shares, such as a bank or brokerage account statement, and a form of personal identification to be admitted to the shareholder meeting. No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the shareholder meeting.

Even if you plan to attend the shareholder meeting in person, to ensure that your shares will be represented at the shareholder meeting we encourage you to sign, date and return the enclosed proxy card in the accompanying A: prepaid reply envelope. If you attend the shareholder meeting and vote in person by ballot, your vote will revoke any proxy previously submitted.

If you hold your shares in “street name,” you should instruct your bank, broker or other nominee how to vote your shares in accordance with the voting instruction form that you will receive from your bank, broker or other nominee. Your broker or other agent cannot vote on any of the proposals, including the Merger Proposal, without your instructions. If you hold your shares in “street name,” you may not vote your shares in person at the shareholder meeting unless you obtain a “legal proxy” from your bank, broker or other nominee.

Q: What is the proposed Merger and what effects will it have on the Company?

The proposed Merger is the acquisition of the Company by Parent. If the Merger Proposal is approved by the shareholders and the other closing conditions under the Merger Agreement have been satisfied or waived, Merger Sub will merge with and into the Company, with the Company continuing as the surviving company. As a result of A: the Merger, the Company will become a wholly owned subsidiary of Parent, and our ordinary shares will no longer be publicly traded and will be delisted from Nasdaq Capital Market. In addition, our ordinary shares will be deregistered under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and we will no longer file periodic reports with the SEC.

Q: What will I receive if the Merger is completed?

Upon completion of the Merger, you will be entitled to receive the per share Merger Consideration for each A: ordinary share that you own. For example, if you own 100 ordinary shares, you will receive \$86.00 in cash in exchange for your ordinary shares, less any applicable withholding taxes.

Q: How does the per share Merger Consideration compare to the unaffected market price of the ordinary shares?

The relationship of the \$0.86 per share Merger Consideration to the trading price of the ordinary shares constituted A: a premium of 65% over the volume weighted average price of the ordinary shares traded on the Nasdaq Capital Market over the 30 trading days immediately prior to the announcement of the transaction on February 4, 2019.

Q: What do I need to do now?

We encourage you to read this Proxy Statement, the annexes to this Proxy Statement and the documents that we refer to in this Proxy Statement carefully and consider how the Merger affects you. Then sign, date and return, as A: promptly as possible, the enclosed proxy card in the accompanying reply envelope, so that your shares can be voted at the shareholder meeting. If you hold your shares in “street name,” please refer to the voting instruction forms provided by your bank, broker or other nominee to vote your shares. Please do not send your share certificates with your proxy card.

Q: Should I send in my share certificates now?

No. After the Merger is completed, you will receive a letter of transmittal from American Stock Transfer & Trust Company, LLC (the “paying agent”) containing instructions for where to send your share certificates in order to receive the appropriate cash payment for the ordinary shares represented by your share certificates. You should use the letter of transmittal to exchange your share certificates for the cash payment to which you are entitled. Please do not send your share certificates with your proxy card.

2

Q: What happens if I sell or otherwise transfer my ordinary shares after the Record Date but before the shareholder meeting?

A: The Record Date for the shareholder meeting is earlier than the date of the shareholder meeting and the date on which the Merger is expected to be completed. If you sell or transfer your ordinary shares after the Record Date but before the shareholder meeting, unless special arrangements (such as provision of a proxy) are made between you and the person to whom you sell or otherwise transfer your shares and each of you notifies the Company in writing of such special arrangements, you will transfer the right to receive the per share Merger Consideration, if the Merger is completed, to the person to whom you sell or transfer your ordinary shares, but you will retain your right to vote those shares at the shareholder meeting. Even if you sell or otherwise transfer your ordinary shares after the Record Date, we encourage you to sign, date and return the enclosed proxy card in the accompanying reply envelope.

Q: How does the Board of Directors recommend that I vote?

A: The Board unanimously recommends that you vote “FOR” the Merger Proposal and Advisory Proposal.

Q: What happens if the Merger is not completed?

A: If the Merger Agreement is not adopted by the shareholders or if the Merger is not completed for any other reason, the shareholders will not receive any payment for their ordinary shares. Instead, the Company will remain an independent public company, our ordinary shares will continue to be listed and traded on the Nasdaq Capital Market and registered under the Exchange Act, and we will continue to file periodic reports with the SEC.

Under specified circumstances, the Company will be required to pay Parent a termination fee or reimburse Parent for its expenses upon the termination of the Merger Agreement, as described in the section of this Proxy Statement captioned “The Merger Agreement — Termination Fee and Expense Reimbursement Payable by the Company.”

Q: What vote is required to approve the Merger Proposal, adopt the Merger Agreement and approve the Advisory Proposal?

Provided that a quorum is present, the adoption and approval of the Merger Proposal at the shareholder meeting requires the affirmative vote of the holders of a majority of our ordinary shares present, in person or by proxy, at the meeting (or any adjournment or postponement thereof), excluding abstentions and broker non-votes and excluding any votes of our ordinary shares held by Parent, Merger Sub or by any person holding at least 25% of the means of control of Parent or Merger Sub, or any person or entity acting on behalf of Parent, Merger Sub or any family member of, or entity controlled by a Merger Sub Affiliate.

A: The proposal to approve, on a non-binding, advisory basis, the merger-related executive compensation requires the affirmative vote of a majority of votes cast thereon. If you vote to abstain or if you fail to submit a valid proxy or to vote in person at the meeting or if your ordinary shares are held through a bank, brokerage firm or other nominee and you do not instruct your bank, brokerage firm or other nominee to vote your ordinary shares, your ordinary shares will not be voted, but this will not have an effect on the proposal to approve, on a non-binding, advisory basis, the Merger-related executive compensation.

Q: Do I need to affirm that I am not a Merger Sub Affiliate?

A: Yes. In order for your vote to be counted, you must affirm on the proxy card or voting instruction form that you are not a Merger Sub Affiliate. If you do not so affirm, your vote will not count towards the tally for the merger proposal.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, to be the “shareholder of record.” In this case, this Proxy Statement and your proxy card have been sent directly to you by the Company.

If your shares are held through a bank, broker or other nominee, you are considered the “beneficial owner” of ordinary shares held in “street name.” In that case, this Proxy Statement has been forwarded to you by your bank, broker or other nominee who is considered, with respect to those shares, to be the shareholder of record. As the beneficial owner, you have the right to direct your bank, broker or other nominee how to vote your shares by following their instructions for voting. You are also invited to attend the shareholder meeting. However, because you are not the shareholder of record, you may not vote your shares in person at the shareholder meeting unless you obtain a “legal proxy” from your bank, broker or other nominee.

3

Q: How may I vote?

A: If you are a shareholder of record (that is, if your ordinary shares are registered in your name with American Stock Transfer & Trust Company, LLC, our transfer agent), there are two ways to vote:

- by signing, dating and returning the enclosed proxy card in the accompanying prepaid reply envelope; or
- by attending the shareholder meeting and voting in person by ballot.

A control number, located on your proxy card, is designed to verify your identity and allow you to vote your ordinary shares.

Even if you plan to attend the shareholder meeting in person, you are strongly encouraged to vote your ordinary shares by proxy. If you are a record holder or if you obtain a “legal proxy” to vote shares that you beneficially own, you may still vote your ordinary shares in person by ballot at the shareholder meeting even if you have previously voted by proxy. If you are present at the shareholder meeting and vote in person by ballot, your previous vote by proxy will not be counted.

If your shares are held in “street name” through a bank, broker or other nominee, you may vote through your bank, broker or other nominee by completing and returning the voting form provided by your bank, broker or other nominee.

Q: If my broker holds my shares in “street name,” will my broker vote my shares for me?

No. Your bank, broker or other nominee is permitted to vote your shares on any proposal currently scheduled to be considered at the shareholder meeting only if you instruct your bank, broker or other nominee how to vote. You should follow the procedures provided by your bank, broker or other nominee to vote your ordinary shares. Without instructions, your shares will not be voted on such proposals, which will have the same effect as if you abstained on the vote to approve the Merger Proposal and to adopt the Merger Agreement.

Q: May I change my vote after I have mailed my signed proxy card?

A: Yes. If you are a shareholder of record, you may change your vote or revoke your proxy at any time before it is voted at the shareholder meeting by:

- signing another proxy card with a later date and returning it to us prior to the shareholder meeting;
- delivering a written notice of revocation to the Company, which must be received at our principal business office by 4:00 p.m. (Israel time) on April 3, 2019; or
- attending the shareholder meeting and voting in person by ballot.

If you hold your ordinary shares in “street name,” you should contact your bank, broker or other nominee for instructions regarding how to change your vote. You may also vote in person at the shareholder meeting if you obtain a “legal proxy” from your bank, broker or other nominee.

Q: What is a proxy?

A: A proxy is your legal designation of another person, referred to as a “proxy,” to vote your ordinary shares. The written document describing the matters to be considered and voted on at the shareholder meeting is called a “proxy statement.” The document used to designate a proxy to vote your ordinary shares is called a “proxy card.” Brendan

Reidy, our Chief Executive Officer, with full power of substitution, is the proxy holder for the shareholder meeting.

Q: If a shareholder gives a proxy, how are the shares voted?

Regardless of the method you choose to vote, the proxy holders will vote your shares in the way that you indicate.

A: You may specify whether your shares should be voted for or against or to abstain from voting on all, some or none of the specific items of business to come before the shareholder meeting.

Q: What should I do if I receive more than one set of voting materials?

Please sign, date and return each proxy card and voting instruction card that you receive.

You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card.

Q: Where can I find the voting results of the shareholder meeting?

A: The preliminary voting results will be announced at the shareholder meeting. The Company intends to publish final voting results in a Current Report on Form 8-K to be filed with the SEC following the shareholder meeting. All reports that the Company files with the SEC are publicly available when filed. See the section of this Proxy Statement captioned “Where You Can Find More Information.”

Q: Will I be subject to U.S. federal income tax upon the exchange of ordinary shares for cash pursuant to the Merger?

If you are a U.S. Holder (as defined under the caption “The Merger — Material U.S. Federal and Israeli Income Tax Consequences”), the exchange of ordinary shares for cash pursuant to the Merger will be a taxable transaction for U.S. federal income tax purposes, which generally will require a U.S. Holder to recognize gain or loss for U.S. federal income tax purposes in an amount equal to the difference, if any, between the amount of cash received by such U.S. Holder in the Merger and such U.S. Holder’s adjusted tax basis in the ordinary shares surrendered in the Merger.

A: If you are not a U.S. Holder, generally you will not be subject to U.S. federal income tax with respect to the exchange of ordinary shares for cash in the Merger unless an exception applies.

Because particular circumstances may differ, we recommend that you consult your own tax advisor to determine the U.S. federal income tax consequences relating to the Merger in light of your own particular circumstances and any consequences arising under the laws of any state, local or foreign taxing jurisdiction. For additional details, see the description provided under the caption “The Merger — Material U.S. Federal and Israeli Income Tax Consequences.”

Q: Will I be subject to Israeli income tax upon the exchange of ordinary shares for cash pursuant to the Merger?

A: Parent is required to withhold Israeli taxes from the Merger Consideration even if you are not subject to Israeli capital gains tax unless it is provided with a certificate issued by the Israel Tax Authority (the “ITA”) regarding exemption from withholding of Israeli tax. We intend to submit an application to the ITA in order to clarify the withholding mechanism. In addition, as part of the application, we will request an exemption from withholding of Israeli capital gains tax for those who hold shares in “street name” through a bank, broker or other nominee. We cannot assure you that our application will be accepted.

Q: What will the holders of the Company stock options and RSUs receive in the Merger?

A: To the extent not exercised prior to the Effective Time, each vested and unvested Company Option will be cancelled and converted into the right to receive an amount in cash (without interest and subject to deduction for any required withholding tax) equal to the product of the excess, if any, of the Merger Consideration (i.e. \$0.86 per share) over the exercise price per share of each such Company Option (the “Option Consideration”) less any applicable withholding taxes. Since the Merger Consideration is lower than the lowest exercise price of any of the Company Options, all vested and unvested Company Options will be cancelled without consideration upon the Effective Time and no Option Consideration will be paid.

Each vested and unvested RSU will be cancelled and converted into the right to receive an amount in cash (without interest and subject to deduction for any required withholding tax) equal to the product of (1) the Merger Consideration (i.e. \$0.86 per share) and (2) the number of ordinary shares subject to such RSU.

Q: When do you expect the Merger to be completed?

A:

We are working toward completing the Merger as quickly as possible and currently expect to complete the Merger in the second calendar quarter of 2019. However, the exact timing of completion of the Merger cannot be predicted because the Merger is subject to the closing conditions specified in the Merger Agreement, many of which are outside of our control, and the passage of at least fifty (50) days from the filing of a merger proposal with the Israeli Companies' Registrar and at least thirty (30) days from the approval of the Merger Proposal by the shareholders of the Company.

Q: Am I entitled to appraisal rights under the ICL?

A: No. The ICL does not grant the shareholders any appraisal rights.

5

Q: Do any of the Company's directors or officers have interests in the Merger that may differ from those of Company's shareholders generally?

Yes. In considering the recommendation of the Board with respect to the proposal to adopt the Merger Agreement, you should be aware that our directors and executive officers may have interests in the Merger that are different from, or in addition to, the interests of shareholders generally. The Board was aware of and considered these interests to the extent that they existed at the time, in (i) evaluating and negotiating the Merger Agreement, (ii) approving the Merger Agreement and the Merger, and (iii) recommending that the Merger Proposal and the Merger Agreement be adopted by the shareholders. For more information, see the section of this Proxy Statement captioned "The Merger—Interests of Certain of TIS's Executive Officers and Directors in the Merger."

RISK FACTORS

In addition to the other information included in this Proxy Statement, including the matters addressed under “Cautionary Statements Regarding Forward-Looking Statements” beginning on page 14 of this Proxy Statement, you should consider carefully the following risk factors in determining how to vote at the shareholder meeting. The following is not intended to be an exhaustive list of the risks related to the Merger and you should read and consider the risk factors described under Part 1, Item 3. “Key Information — Risk Factors” of TIS’s Annual Report on Form 20-F for the year ended December 31, 2017, which TIS filed with the SEC on May 16, 2018.

Failure to complete the Merger could negatively impact our share price, business, financial condition, results of operations or prospects.

The Merger is subject to the satisfaction or waiver of certain closing conditions described under “The Merger Agreement—Conditions to the Merger” beginning on page 12 of this Proxy Statement, including, among others, the following:

- approval of the Merger Agreement by TIS’s shareholders;
- receipt of regulatory approvals, including receipt of the merger certificate from the Israeli Companies Registrar and the expiration or termination of any waiting period under Israeli law;
- there being no statute, judgment, injunction, order or decree prohibiting consummation of the transactions contemplated under the Merger Agreement;
- subject to certain exceptions, filing of all reports by TIS required to be filed by it with the Securities and Exchange Commission (the “SEC”);
- subject to specified materiality standards, the continuing accuracy of certain representations and warranties of each party;
- continued compliance by each party in all material respects with its covenants;
- no event having occurred that has had, or would reasonably likely to have, a Company Material Adverse Effect (as defined in the Merger Agreement) on TIS; and
- TIS having delivered to Parent a payoff letter for all indebtedness for borrowed money and factoring arrangements.

No assurance can be given that each of the conditions will be satisfied. In addition, the Merger Agreement may be terminated under the circumstances described under “The Merger Agreement—Termination of the Merger Agreement” beginning on page 13 of this Proxy Statement. If the conditions are not satisfied or waived in a timely manner and the Merger is delayed, payment of the Merger Consideration will also be delayed. Such delay may cause us to seek additional financing, and in the event the Merger is not completed when our debt to Hale Capital is due, we may not have the ability to refinance. If the Merger is not completed (including in the case the Merger Agreement is terminated), our ongoing business may be adversely affected.

We also could be subject to litigation related to any failure to complete the Merger. If the Merger is not completed, these risks may materialize and may adversely affect the price of our ordinary shares, our business, financial condition, results of operations or prospects.

Some of our directors and officers have interests that may be perceived as different from the interests of our shareholders, and these persons may be deemed to have conflicts of interest in recommending to our shareholders to approve the Merger.

Some of the members of management and our Board may have interests that may be perceived as different from, or in addition to, their interests as shareholders, which are described under “The Merger—Interests of Certain of TIS’s Executive Officers and Directors in the Merger” beginning on page 38 of this Proxy Statement. These interests could cause members of our Board or our management to be perceived as having a conflict of interest in recommending

approval of the Merger. The TIS board was aware of these interests and considered them, among other things, in evaluating and approving the Merger Agreement and the Merger and in recommending that the TIS shareholders adopt the merger agreement. See “Non-Binding, Advisory Vote on Transaction-Related Compensation for TIS’s Named Executive Officers” beginning on 59 of this Proxy Statement.

The fact that there is a Merger pending could harm our business and results of operations.

While the Merger is pending, we are subject to a number of risks that may harm our business and results of operations, including:

- the diversion of management and employee attention from our ongoing business operations;
- we may have difficulties retaining employees;
- we have and will continue to incur expenses related to the Merger prior to its closing;

the disruption of current plans and operations; and
we may be unable to respond effectively to competitive pressures, industry developments and future opportunities.

Our current and prospective employees may be uncertain about their future roles and relationships with TIS following completion of the Merger. This uncertainty may adversely affect our ability to attract and retain key personnel.

Our obligation to pay a termination fee or reimburse Parent's expenses under certain circumstances and the restrictions on our ability to solicit or engage in negotiations with respect to other acquisition proposals may discourage other transactions that may be favorable to our shareholders.

Until the Merger is completed or the Merger Agreement is terminated, with limited exceptions, the Merger Agreement prohibits us from entering into, soliciting or engaging in negotiations with respect to acquisition proposals or other business combinations. TIS is required to pay to Parent a termination fee of \$560,986, which represents 3.5% of the aggregate equity value of the transaction, or reimburse Parent for up to \$750,000 of its expenses in connection with the termination of the Merger Agreement under certain specified circumstances, as described in the section of this Proxy Statement captioned "The Merger Agreement — Termination Fee and Expense Reimbursement Payable by the Company."

If the Merger is not consummated by June 3, 2019, either we or Parent may choose not to proceed with the Merger under certain circumstances.

The Merger is subject to the satisfaction or waiver of certain closing conditions described under "The Merger Agreement—Conditions to the Merger" beginning on page 12 of this Proxy Statement and set forth in the Merger Agreement. The fulfillment of certain of these conditions is beyond our control, such as the receipt of shareholder approval of the Merger by our shareholders. If the Merger has not been completed by the outside date, either TIS or Parent may terminate the Merger Agreement, except that the right to terminate the Merger Agreement in this circumstance will not be available to a party whose failure to perform its obligations under the Merger Agreement has been the principal cause of the failure of the Merger to occur on or before such date and such action or failure constitutes a breach of the Merger Agreement.

If we experience significant delays in completing the Merger, we may need to seek additional capital to finance the business.

If we experience significant delays in completing the Merger, we may need to seek additional capital to finance the Company and its operations, which additional capital may not be available when needed on acceptable terms, or at all. The failure to obtain such additional capital may have a material adverse effect on the Company and on our ability to complete the Merger.

If the Merger does not close by May 31, 2019, we will need to negotiate an extension of our term loans issued to HCP-FVE, LLC or refinance our existing indebtedness due to HCP-FVE, LLC.

The term loan notes, in the aggregate principal amount of \$2,350,000, that we issued to HCP-FVE, LLC on January 18, 2019 mature on May 31, 2019. If the Merger does not close by May 31, 2019, we will need to either negotiate an extension of these term loans or refinance all of the indebtedness to HCP-FVE, LLC (including the indebtedness outstanding under a convertible note issued to HCP-FVE on January 18, 2019 in the initial aggregate principal amount of \$5,861,657.47). If the Merger is not consummated by May 31, 2019 and we are unsuccessful in negotiating an extension of the term loans or in refinancing all of the indebtedness due to HCP-FVE, LLC, then we will be in default under the terms of our indebtedness with HCP-FVE, LLC and HCP-FVE, LLC will be entitled to exercise all of its rights and remedies, including as a secured creditor of the Company and its subsidiaries.

TIS’s Reasons for Approval of the Merger; Recommendation of the Board of Directors

After careful consideration, the Board has:

- determined that the Merger Agreement, the Merger, the Merger Consideration and the other transactions contemplated by the Merger Agreement are fair to, and in the best interests of, TIS and its shareholders;
- approved the Merger Agreement, the Merger, the Merger Consideration and the other transactions and arrangements contemplated under the Merger Agreement; and
- determined to recommend that TIS’s shareholders approve the Merger Agreement, the Merger, the Merger Consideration and the other transactions contemplated by the Merger Agreement.

Accordingly, the Board recommends that you vote “FOR” the Merger Proposal.

TIS’s Board recommends that you vote “FOR” the approval of the Merger Proposal.

In reaching its decision to approve the Merger Proposal and to recommend that TIS’s shareholders vote to approve the Merger Proposal, TIS’s Board consulted with TIS’s management and TIS’s financial and legal advisors and considered a number of strategic, financial and other factors, as described under “The Merger—Reasons for Approval of the Merger; Recommendation of the Board of Directors” beginning on page 31 of this Proxy Statement.

Opinion of TIS’s Financial Advisor

The Company retained Canaccord Genuity LLC (“Canaccord”) as its financial advisor in connection with efforts to review strategic alternatives. The Company selected Canaccord based on its knowledge of the Company and its qualifications, expertise and familiarity with our business and industry. As part of its investment banking business, Canaccord regularly engages in the valuation of businesses and their securities in connection with mergers and acquisitions, restructurings and other transactions.

On February 2, 2019, at a meeting of the Board held to evaluate the Merger, Canaccord delivered to the Board its oral opinion, which was subsequently confirmed by delivery of a written opinion dated February 2, 2019, to the effect that, as of such date and on the basis of and subject to the qualifications, limitations and assumptions set forth in the written opinion, the Merger Consideration payable to the holders of TIS's ordinary shares in the Merger pursuant to the Merger Agreement was fair, from a financial point of view, to such holders.

The full text of Canaccord's written opinion, dated February 2, 2019, which describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex B. The Company's shareholders are urged to read the opinion carefully and in its entirety. The summary of Canaccord's opinion is qualified in its entirety by reference to the full text of such opinion included as Annex B.

See "The Merger—Opinion of TIS's Financial Advisor" beginning on page 33 of this Proxy Statement.

Interests of Certain Persons; Share Ownership of TIS's Directors and Executive Officers

When considering the recommendation by TIS's Board to vote "FOR" the Merger Proposal, you should be aware that executive officers and directors of TIS have interests in the Merger that may be perceived as different from, or in addition to, your interests, including:

- the Cash-Out of vested Company RSUs;
- the accelerated vesting of non-vested Company RSUs;
- transaction bonus payable to John London, TIS's interim financial officer, in the amount of \$50,000;
- severance payments payable to Brendan Reidy, TIS's chief executive officer, if he is terminated by the surviving company after the consummation of the Merger;
- the continued indemnification and directors' and officers' liability insurance to be provided by the surviving company; and
- the payment, at the closing of the Merger of all indebtedness and other amounts due and owing as of the closing of the Merger to HCP-FVE, LLC, of which one of the directors, Martin Hale, Jr. is principal, including the success fee in the amount of \$313,255 for the closing of its term loan facility with the Company (which payment HCP-FVE, LLC agreed to defer until the closing of the Merger) and a fee of \$5,513.81 per day for each day from April 1, 2019 through May 31, 2019 that the indebtedness remains outstanding in consideration for HCP-FVE, LLC's extension of the maturity date of its term loan notes from March 31, 2019 to May 31, 2019.

If the Merger Proposal is approved, the ordinary shares held by our directors and executive officers will be treated in the same manner as outstanding ordinary shares held by all other shareholders. For more information, see the sections of this Proxy Statement captioned "The Merger—Interests of Certain of TIS's Executive Officers and Directors in the Merger" beginning on page 38 of this Proxy Statement and "The Merger—Effects of the Merger on Company Share Plans and Warrants" beginning on page 39 of this Proxy Statement.

As of the record date for the shareholder meeting, the directors and executive officers of TIS, as a group, beneficially owned in the aggregate approximately 26% of the outstanding ordinary shares.

See "Share Ownership of Certain Beneficial Owners, Directors and Executive Officers of TIS" beginning on page 61 of this Proxy Statement and "The Merger Proposal—The Merger—Interests of Certain of TIS' Executive Officers and Directors in the Merger" beginning on page 38 of this Proxy Statement.

As noted above, our executive officers will receive certain compensation and realize value on equity held in connection with the Merger, and may receive severance following consummation of the Merger. The TIS board was aware of and considered these interests, among other matters, in reaching its decisions to (i) approve the Merger, (ii) approve and declare advisable the Merger Agreement, and (iii) resolve to recommend the adoption of the Merger

Agreement by TIS shareholders. See “Non-Binding, Advisory Vote on Transaction-Related Compensation for TIS’s Executive Officers” beginning on page 59 of this Proxy Statement.

The Merger Agreement

The Merger Agreement is attached as Annex A to this Proxy Statement. You should read the Merger Agreement carefully in its entirety. It is the most important legal document governing the Merger . See “The Merger Agreement” beginning on page 45 of this Proxy Statement.

Structure of the Merger

The Merger is being effected as a merger between TIS and Merger Sub under the ICL. In the Merger, Merger Sub, a wholly-owned subsidiary of Parent, will be merged with and into TIS, with TIS surviving the Merger and becoming a wholly-owned subsidiary of Parent. See “The Merger Agreement” beginning on page 45 of this Proxy Statement.

Merger Consideration

At the effective time of the Merger, by virtue of the Merger and without any additional action on the part of TIS, Parent, Merger Sub or the holders of any of the ordinary shares, each ordinary share issued and outstanding immediately prior to the Effective Time (other than ordinary shares held in the treasury of TIS, reserved for future grants under the Company share plans or owned by Parent or any direct or indirect wholly-owned subsidiary of TIS or of Parent (if any), which will be canceled and retired without any conversion or consideration paid in respect thereof and will cease to exist) will automatically be converted into and represent the right to receive \$0.86 in cash, without interest and less applicable withholding taxes.

See “The Merger—Effects of the Merger on Our Ordinary Shares” beginning on page 39 of this Proxy Statement and “The Merger Agreement—Merger Consideration” beginning on page 46 of this Proxy Statement.

Treatment of Options and Restricted Stock Units Outstanding under our Company Share Plans and Warrants Otherwise Outstanding

At the Effective Time, each vested and unvested Company Option will be cancelled and converted into the right to receive an amount in cash (without interest and subject to deduction for any required withholding tax) equal to the product of the excess, if any, of the Merger Consideration (i.e. \$0.86 per share) over the exercise price per share of each such Company Option (the “Option Consideration”) less any applicable withholding taxes. Since the Merger Consideration is lower than the lowest exercise price of any of the Company Options, all vested and unvested Company Options will be cancelled without consideration upon the Effective Time and no Option Consideration will be paid.

At the Effective Time, each vested and unvested RSU will be cancelled and converted into the right to receive an amount in cash (without interest and subject to deduction for any required withholding tax) equal to the product of (1) the Merger Consideration (i.e. \$0.86 per share) and (2) the number of ordinary shares subject to such RSU.

Voting Agreements

Izhak Nakar, a director, and his affiliated entity Nir 4 You Technologies Ltd, Brendan Reidy, our Chief Executive Officer, and entities affiliated with Trident Capital Management-V, L.L.C., who collectively hold approximately 24.6% of the outstanding ordinary shares of the Company on the date of the Merger Agreement, have entered into voting agreements pursuant to which each of them agreed to vote their ordinary shares:

- in favor of the adoption of the Merger Agreement and the approval of the Merger and the other transactions contemplated by the Merger Agreement;
- against any Acquisition Proposal and any agreement pertaining to an Acquisition Proposal (other than the Merger Agreement); and
- against any action, proposal, agreement or transaction that would reasonably be expected to materially impede, interfere with, frustrate, delay, postpone or adversely affect the consummation of the Merger.

See “The Voting Agreements.”

The Meeting

Date, Time, Place and Agenda. The shareholder meeting is scheduled to be held at the principal business office of TIS, located at Mixer House, Rokach Blvd 101, Tel Aviv, Israel 6153101, on April 4, 2019 at 10:00 AM (Israel time). The meeting is being held for the purpose of considering a proposal to approve the acquisition of TIS by Parent, including approval of the Merger Agreement, the Merger, the Merger Consideration, and all other transactions and arrangements contemplated under the Merger Agreement.

11

Other than the Merger Proposal and the Advisory Proposal, we do not currently expect there to be any other matters on the agenda at the shareholder meeting; however, if any other matter is properly presented at the shareholder meeting, including voting on the adjournment or postponement of the shareholder meeting, the persons named in the enclosed proxy card will vote upon such matters in accordance with their discretion.

Record Date. TIS has fixed March 5, 2019 as the record date for the shareholder meeting. If you owned ordinary shares at the close of business on the record date, you are entitled to vote on matters that come before the shareholder meeting. There are 18,483,715 ordinary shares entitled to be voted at the shareholder meeting.

Required Vote. Provided that a quorum is present, the adoption and approval of the Merger Proposal at the shareholder meeting requires the affirmative vote of the holders of a majority of our ordinary shares present, in person or by proxy, at the meeting (or any adjournment or postponement thereof), excluding abstentions and broker non-votes and excluding any votes of our ordinary shares held by Parent, Merger Sub or by any person holding at least 25% of the means of control of Parent or Merger Sub, or any person or entity acting on behalf of Parent, Merger Sub or any family member of, or entity controlled by a Merger Sub Affiliate. Approval of the Advisory Proposal requires the affirmative vote of a majority of the votes cast thereon.

In order for your vote to be counted, you must affirm on the proxy card or voting instruction form that you are not a Merger Sub Affiliate. If you do not so affirm, your vote will not count towards the tally for the Merger Proposal. See “The Extraordinary General Meeting – Required Vote for the Merger Proposal” beginning on page 23 of this Proxy Statement.

Conditions to the Merger

The parties will complete the Merger only if the parties satisfy or waive several conditions. The conditions include, among others:

Conditions to Each Party’s Obligations.

- the consummation of the Merger not being made illegal or otherwise prohibited by any law or order of any governmental authority;

- the Company and Merger Sub have received a certificate of merger from the Israeli Companies’ Registrar.

Conditions to Parent’s and Merger Sub’s Obligations.

- Accuracy of the representations and warranties of the Company in the Merger Agreement relating to organization and standing, authorization and enforceability, absence of anti-takeover provisions and brokers in all material respects;
- Accuracy of the representations and warranties of the Company in the Merger Agreement relating to the Company’s capitalization and aggregate Merger Consideration (other than as described in the bullet point below), except for inaccuracies that would not, individually or in the aggregate, increase the aggregate Merger Consideration payable in the Merger by more than \$400,000;
- Accuracy of the representations and warranties of the Company in the Merger Agreement relating to the Company’s option and RSU vesting schedule, except for inaccuracies that would not, individually or in the aggregate, increase the aggregate option and RSU consideration payable in the Merger as of the Effective Time by more than \$400,000;

- Accuracy of the other representations and warranties of the Company in the Merger Agreement, except for any failure to be so true and correct which has not had, and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Company;
- The Company has performed and complied with its obligations under the Merger Agreement in all material respects;
 - The delivery of an officer's certificate by the Company certifying that the above conditions have been satisfied;
 - No material adverse effect with respect to the Company has occurred since the execution and delivery of the Merger Agreement and that is continuing; and
 - The Company shall have filed all reports required to be filed with the SEC, subject to certain exceptions.

Conditions to TIS's Obligations.

Accuracy of the representations and warranties of the Parent and Merger Sub in the Merger Agreement in all material respects;
Parent and Merger Sub shall have performed and complied with their obligations under the Merger Agreement in all material respects;
The delivery of an officer's certificate by the Parent and Merger Sub certifying that the above conditions have been satisfied; and
Receipt by the Company of an undertaking by the Parent in customary form in favor of the Israeli Innovation Authority to comply with the applicable Israeli Encouragement of Industrial Research, Development and Innovation Law 5744-1984.

See "The Merger Agreement—Conditions to the Closing of the Merger" beginning on page 54 of this Proxy Statement.

Termination of the Merger Agreement

Parent and TIS can agree to terminate the Merger Agreement by mutual written consent at any time prior to the effective time of the Merger. In addition, either Parent or TIS can terminate the Merger Agreement if any of the following, among other things, occurs:

the Merger is not consummated by June 3, 2019, which we refer to as the "outside date" (except that the right to terminate the Merger Agreement in this circumstance will not be available to any party whose failure to fully perform its obligations under the Merger Agreement has been the principal cause or resulted in the failure of the closing of the Merger to have occurred on or before such outside date);
the shareholders of the Company fail to adopt the Merger Agreement at the shareholder meeting or any adjournment or postponement thereof; or
any governmental authority of competent jurisdiction shall have issued a final and non-appealable order enjoining or otherwise prohibiting the Merger; provided that the party seeking to terminate the Merger Agreement shall not have failed to use such efforts as required by the Merger Agreement to prevent and oppose such order.

In addition, the Company can terminate the Merger Agreement to enter into a binding definitive agreement for a Superior Proposal, subject to complying with the conditions specified in the Merger Agreement. Parent may terminate the Merger Agreement at any time prior to the receipt of shareholder approval of the merger by TIS's shareholders if the Board has effected a company board recommendation change which has not been withdrawn.

See The Merger Agreement—Termination of the Merger Agreement" beginning on page 55 of this Proxy Statement.

No Solicitation of Acquisition Proposals

The Merger Agreement contains detailed provisions restricting TIS's right to solicit acquisition proposals.

See "The Merger—Reasons for the Merger" beginning on page 31 of this Proxy Statement.

Termination Fees

The Company is required to pay Parent a termination fee of \$560,986, which represents 3.5% of the aggregate equity value of the transaction, if the Merger Agreement is terminated under any of the following circumstances:

by the Company to enter into a definitive agreement with respect to a Superior Proposal in accordance with the terms of the Merger Agreement;

by either party due to the TIS shareholders voting against the Merger if, prior to the shareholder meeting, there was a publicly announced competing Acquisition Proposal that was not withdrawn and the Company enters into a definitive agreement for such competing Acquisition Proposal within twelve (12) months following the termination of the Merger Agreement and such Acquisition Proposal is subsequently consummated; or
·by Parent in the event the Board shall effected a company adverse recommendation change.

The Company is required to reimburse Parent for up to \$750,000 of its transaction expenses if the Merger Agreement is terminated by (i) TIS or Parent due to the failure to obtain the shareholder approval of the Merger (but only in a circumstance where the termination fee is not payable) or (ii) Parent due to the willful breach of the Agreement by the Company.

See “The Merger Agreement— Termination Fee and Expense Reimbursement Payable by the Company” beginning on page 56 of this Proxy Statement.

Expenses

Except as otherwise provided in the Merger Agreement, all fees and expenses incurred in connection with the Merger Agreement and the other transactions contemplated by the Merger Agreement will be paid by the party incurring such fees and expenses. At the closing of the Merger, Parent will pay, or cause the Company to pay, the Company's out-of-pocket costs and expenses incurred in connection with the Merger against delivery of invoices.

See "The Merger Agreement—Fees and Expenses" beginning on page 57 of this Proxy Statement.

Absence of Appraisal Rights

Under Israeli law, holders of ordinary shares are not entitled to statutory appraisal rights in connection with the Merger.

Regulatory Approvals

See "The Merger—Regulatory Matters" beginning on page 44 of this Proxy Statement.

Material U.S. Federal and Israeli Income Tax Consequences

The receipt by a U.S. holder of cash in exchange for the TIS ordinary shares in connection with the Merger will be a taxable transaction for U.S. federal income tax purposes. Generally, a U.S. holder will recognize gain or loss equal to the difference between the amount of cash it receives in connection with the Merger and its aggregate adjusted tax basis in the TIS ordinary shares that it exchanges therefor.

For an Israeli holder, in general, under the Israeli Income Tax Ordinance (New Version), 5721-1961 and the rules and regulations promulgated thereunder (the "Tax Ordinance"), the disposition of shares of an Israeli resident company is deemed to be a sale of capital assets, unless such shares are held for the purpose of trading.

See "The Merger—Material U.S. Federal and Israeli Income Tax Consequences" for a summary discussion of material U.S. federal income tax consequences of the Merger to U.S. holders and material Israeli tax consequences in connection with the Merger. You should consult your tax advisor about the particular tax consequences of the Merger to you.

2018 Results Summary

For the year ended December 31, 2018, the Company expects that total revenues will decline slightly compared to that of the year ended December 31, 2017, due to a reduction in License revenues, partially offset somewhat by an increase in Services revenues. The decline in License revenues is driven by the delay in the timing of when the next generation cloud-based offering of the Company's main business automation software known as Extract-Cloud will be available for release, which is the second quarter of 2019, compared to the cycle of when existing customers would have anticipated upgrading to the next release in 2018.

Throughout 2018, the Company continued its effort, which commenced in calendar year 2017, to achieve efficiency improvements from operations, protecting its core receivables automation and forms processing business, and accelerating investment in development of a cloud-based process automation offering, which can be operated both in the cloud and on premise, and with particular emphasis on accounts payable automation.

While overall revenues are expected to be slightly lower in 2018 compared to 2017, Gross Profit for the same comparable period is expected to increase. This increase, which includes a full four point increase in Gross Margin, is due to the realization of the full year impact of cost reductions implemented in 2017, and further cost cutting actions in 2018. These actions included personnel reductions and reductions in data center and other technology costs.

Similarly, Operating Expenses are also expected to decrease in 2018 compared to 2017, due to the same reasons, as well as the impact of implementing an offshoring strategy for research and development activities and trimming certain sales and marketing activities to better align the Company's activities with the products and services it is currently delivering. Additional reductions in stock-based compensation expense, as the Company's stock price declined and only limited new issuances of options and restricted stock units occurred, and the amortization of intangibles, resulted in further Operating Expense reductions.

Overall, the Operating Loss of the Company in 2018 is expected to narrow, compared to 2017, by at least \$2.5M. Below the Operating Loss line, the Company expects an increase in interest and other financial expenses due to higher debt levels compared to 2017.

The preliminary 2018 year-end financial summary described above reflects management's estimates based solely upon information available to it as of the date of this proxy statement and is not a comprehensive statement of our financial results for the year ended December 31, 2018. The preliminary estimated financial information presented above is subject to change, and our actual financial results may differ from such preliminary estimates and such differences could be material. Accordingly, you should not place undue reliance upon these preliminary estimates.

THE EXTRAORDINARY GENERAL MEETING

General; Date; Time and Place

This document is furnished in connection with the solicitation of proxies by TIS's Board for use at the shareholder meeting. The shareholder meeting will be held at the principal business office of TIS, located at Mixer House, Rokach Blvd 101, Tel Aviv, Israel 6153101 on April 4, 2019 at 10:00 AM (Israel time), unless it is postponed or adjourned.

Purpose of the Shareholder Meeting

At the shareholder meeting you will be asked to consider and vote upon a proposal to approve the acquisition of TIS by Parent, including the (i) approval of the Merger Proposal: (a) the Merger Agreement; (b) the Merger on the terms and subject to the conditions set forth in the Merger Agreement and in accordance with Sections 314-327 of the ICL, following which Merger Sub will cease to exist as a separate legal entity and TIS will become a wholly-owned subsidiary of Parent; (c) the consideration to be received by the shareholders of TIS in the Merger, consisting of \$0.86 in cash, without interest and less any applicable withholding taxes, for each ordinary share owned immediately prior to the Effective Time; and (d) all other transactions and arrangements contemplated by the Merger Agreement; and (ii) approval on a non-binding, advisory basis, of certain compensation that may be paid or become payable to TIS's executive officers in connection with the Merger and the agreements and understandings pursuant to which such compensation may be paid or become payable which we refer to as the Advisory Proposal.

In addition to the Merger Proposal and the Advisory Proposal, you also will be asked to consider and, as applicable, vote upon, any other business that may properly come before the shareholder meeting or any adjournment or postponement of the shareholder meeting, including voting on the adjournment or postponement of such meetings. TIS currently does not contemplate that any other matters will be considered at the shareholder meeting.

Shareholders Entitled to Vote; Record Date

Shareholders of record who held the TIS ordinary shares at the close of business on March 5, 2019 (the "Record Date") are entitled to vote at the shareholder meeting. In addition, shareholders who, as of the Record Date, held ordinary shares through a bank, broker or other nominee which is a shareholder of record of TIS or which appears in the participant list of a securities depository, are considered to be beneficial owners of shares held in street name. These proxy materials are being forwarded to beneficial owners by their bank, broker or other nominee that is considered the holder of record. Beneficial owners have the right to direct how their shares should be voted and are also invited to attend the shareholder meeting, but may not actually vote their shares in person at the meeting unless obtaining, prior to the meeting, a legal proxy from such bank, broker or other nominee that authorizes them to vote their shares.

As of the Record Date, there were 18,483,715 ordinary shares issued, outstanding and entitled to vote at the shareholder meeting.

Recommendation of the Board of Directors

After careful consideration, the Board has:

determined that the Merger Agreement, the Merger, the Merger Consideration and the other transactions contemplated by the Merger Agreement are fair to, and in the best interests of, TIS and its shareholders;
approved the Merger Agreement, the Merger, the Merger Consideration and the other transactions and arrangements contemplated under the Merger Agreement; and
determined to recommend that TIS's shareholders approve the Merger Agreement, the Merger, the Merger Consideration and the other transactions contemplated by the Merger Agreement.

Accordingly, the Board recommends that you vote “FOR” the Merger Proposal.

ACCORDINGLY, THE TIS BOARD UNANIMOUSLY RECOMMENDS THAT TIS SHAREHOLDERS VOTE “FOR” THE ADOPTION OF THE MERGER AGREEMENT AND “FOR” THE NON-BINDING, ADVISORY VOTE ON CERTAIN COMPENSATION ARRANGEMENTS.

Quorum and Voting

Pursuant to TIS’s amended and restated articles of association, the quorum required for the shareholder meeting consists of at least two shareholders present, in person or by proxy, who hold or represent in the aggregate at least 33 1/3% of the voting power in TIS. If a quorum is not present within 30 minutes from the time appointed for the shareholder meeting, the shareholder meeting will stand adjourned either (a) to the same day in the next week, at the same time and place, unless such day falls on a statutory holiday (either in Israel or in the U.S.), in which case the meeting will be adjourned to the first business day afterwards which is not a statutory holiday, (b) to such later day and at such time and place as indicated in the notice of such meeting, or (c) to such later day than the date pursuant to clause (a) above if the Company has sent to the shareholders a prior notice of no less than 72 hours before the date set for the postponed meeting.

At the adjourned meeting, any matter that was to be addressed during the shareholder meeting will be addressed, provided at least two shareholders are present in person or by proxy, regardless of the voting power in TIS held by them.

If you are a beneficial owner of shares and do not specify how you want to vote on your proxy card, your bank, broker or other nominee will not be permitted to instruct the depositary to cast a vote with respect to the Merger Proposal or the Advisory Proposal. Banks, brokers and other nominees who hold shares in “street name” for clients typically have authority to vote on “routine” proposals even when they have not received instructions from beneficial owners, absent specific instructions from the beneficial owner of the ordinary shares to the contrary. However, banks, brokers and other nominees are not allowed to exercise their voting discretion with respect to the approval of non-routine matters, such as adoption and approval of a merger and the proposal to approve, on a non-binding, advisory basis, the merger-related executive compensation. On the proposals, if a beneficial owner does not provide instructions to his, her or its bank, broker or other nominee, the ordinary shares will not be voted (referred to as a “broker non-vote”). Broker non-votes and abstentions will be treated as neither votes “for” nor “against” any matter, although they will be counted as present in determining whether a quorum is present. If your ordinary shares are held of record by a bank, broker, or other nominee, we urge you to give instructions to your bank, broker, or other nominee as to how your ordinary shares should be voted so that you thereby participate in the voting on the proposals.

Each ordinary share is entitled to one vote on the proposals or any other item that comes before the shareholder meeting. If two or more persons are registered as joint holders of any ordinary share, the right to attend the shareholder meeting will be conferred upon each of such joint owners, but the right to vote at the shareholder meeting and/or the right to be counted as part of the quorum thereat will be conferred exclusively upon the more senior among the joint holders attending the shareholder meeting, in person or by proxy. For this purpose, seniority will be determined by the order in which the names appear in TIS’s shareholder register.

Required Vote for the Merger Proposal

Provided that a quorum is present, the adoption and approval of the Merger Proposal at the shareholder meeting requires the affirmative vote of the holders of a majority of our ordinary shares present, in person or by proxy, at the meeting (or any adjournment or postponement thereof), excluding abstentions and broker non-votes.

Pursuant to Section 320(c) to the Israeli Companies Law, the approval of the Merger Proposal requires the affirmative vote of the holders of a majority of ordinary shares present, in person or by proxy, at the meeting where a quorum is present and voting on the proposal, not including abstentions and broker non-votes and excluding any votes of our ordinary shares held by Parent, Merger Sub or by any person holding at least 25% of the means of control of Parent or Merger Sub, or any person or entity acting on behalf of Parent, Merger Sub or any family member of, or entity controlled by a Merger Sub Affiliate.

In order for your vote to be counted, you must affirm on the proxy card or voting instruction form that you are not a Merger Sub Affiliate. If you do not so affirm, your vote will not count towards the tally for the merger proposal.

The Required Vote for the Merger-related executive compensation Proposal

The proposal to approve, on a non-binding, advisory basis, the merger-related executive compensation requires the affirmative vote of a majority of votes cast thereon. For purposes of the proposal, if your ordinary shares are present at the special meeting but are not voted on this proposal, or if you have given a proxy and abstained on this proposal, or if you fail to submit a proxy or to vote in person at the special meeting, as applicable, the ordinary shares held by you or your bank, brokerage firm or other nominee will not be counted in respect of, and will not have an effect on, the proposal to approve, on a non-binding, advisory basis, the merger-related executive compensation.

Voting Results

The preliminary voting results will be announced at the shareholder meeting. The final voting results will be tallied by Broadridge and will be published following the shareholder meeting on Form 8-K.

THE MERGER

Background of the Merger

The following is a summary of the material events leading up to the execution of the Merger Agreement. At each formal meeting of the Board described below, all of the members of the Board were present, and the actions taken by the Board at such meetings were approved by all of the members of the Board. In addition, throughout the period described below, prior to and in between our formal meetings of the Board, Donald Dixon, the Chairman of the Board of the Company, and Brendan Reidy, the Chief Executive Officer of the Company, updated the members of the Board on the relevant events and developments.

The Company's senior management team and Board actively monitor and assess developments in the enterprise software and related industries. In addition, our senior management team and Board regularly consider and evaluate options for achieving the Company's long-term strategic goals and enhancing shareholder value as an independent company, as well as potential strategic alternatives to enhance shareholder value.

During the period between July 26, 2017 and September 30, 2017, Mr. Reidy engaged in preliminary high-level discussions with members of senior management of the Ultimate Parent that were initiated by the Ultimate Parent. On July 26, 2017 Mr. Dixon received an unsolicited expression of interest from the Ultimate Parent to acquire the Company. On August 14, 2017, the Board had an in person meeting at the Company's offices in Plano, Texas and authorized Mr. Reidy to continue the discussions with the Ultimate Parent. On August 17, 2017, Mr. Reidy met with Reynolds C. Bish, the CEO of the Ultimate Parent, and Karl Doyle, the Senior Vice President of Corporate Development of the Ultimate Parent, at the Ultimate Parent's offices in Irvine, California to have a high level discussion about the merits of an acquisition. On August 28, 2017 the two parties signed a confidentiality agreement. During the last discussion between the parties during this period, the Ultimate Parent re-affirmed its interest in potentially acquiring all of the outstanding equity interests of the Company.

26

On October 2, 2017, the Board convened a telephonic meeting for Mr. Reidy to update the Board on the Ultimate Parent's potential interest in the Company. A representative of the Company's Israeli counsel participated in the board meeting. At the board meeting, in light of the potential interest from the Ultimate Parent, the Board discussed commencing a process with the assistance of a financial advisor to explore strategic alternatives for the Company. In advance of the meeting of the Board, Mr. Dixon and Mr. Reidy had discussions with potential financial advisors who could assist the Company in its exploration of strategic alternatives, including with the Ultimate Parent, and updated the Board on those discussions. Based on such discussions and for the reasons noted in the following paragraph, Mr. Dixon recommended that the Board engage Canaccord.

The board meeting was adjourned and, later that same day, the Company received a preliminary non-binding indication of interest from the Ultimate Parent. The non-binding letter of intent provided for the acquisition of all of the Company's outstanding ordinary shares at a valuation range of \$1.65 to \$1.85 per share and was subject to a number of assumptions and conditions, including the Ultimate Parent's satisfactory completion of its business and legal due diligence, the Company continuing to operate with \$1.5 million of bank debt and a liquid cash balance of at least \$4.4 million and the Company being on track to achieve its fiscal year 2017 revenue target. By written consent of the Board later that same day, the Board adopted resolutions approving the engagement of Canaccord, as its financial advisor (subject to entering into an acceptable engagement letter with Canaccord), due to, among other reasons, its knowledge of the Company and its industry, its access to key decision makers at potential interested parties, the senior level attention it would receive from Canaccord and its sell side M&A experience. The Board also authorized Mr. Dixon, Mr. Reidy and Martin Hale, Jr., a member of the Board, to lead negotiations with respect to any potential strategic transaction of the Company.

On October 17, 2017, the Board convened a telephonic meeting. At the meeting, the Board approved the engagement letter with Canaccord and discussed the exploration of strategic opportunities and the Company's response to the Ultimate Parent's preliminary non-binding indication of interest which was set to expire on October 18, 2017. The Board decided to let the Ultimate Parent's preliminary non-binding indication of interest expire given, among other things, the proposed economic terms described above and the fact that the Company had just engaged Canaccord, as its financial advisor, to assist the Company in its exploration of strategic opportunities.

On October 25, 2017, Mr. Reidy met with Mr. Bish and Mr. Doyle of the Ultimate Parent to discuss the possible synergies of a combined company.

On October 27, 2017, the Board convened a telephonic meeting to discuss Canaccord's efforts to attract other potential acquirors. A representative of Canaccord advised the Company that it had reached out to twelve other potential acquirors in the past ten days and advised the Board that three parties were interested in learning more about the potential strategic transaction, and Canaccord, on behalf of the Company, executed non-disclosure agreements with those parties. At the board meeting, Greenberg Traurig ("GT") and the Company's Israeli counsel discussed the fiduciary duties and standards of care applicable to board members when considering a potential sale transaction under both Israeli and United States law. GT also presented a communications protocol to the Board for its members to follow in respect of a potential strategic transaction.

With respect to the three other parties that initially executed confidentiality agreements with Canaccord, on behalf of the Company, Mr. Reidy and the Company's then-acting Chief Financial Officer, Ms. Patti Barton, had conference calls with such other parties during the period between November 7, 2017 and November 9, 2017. The three parties declined to proceed past the initial stage of due diligence citing the amount of revenue the Company derived from professional services versus license sales and the overall size of the Company being smaller than desired and, in the case of one of the parties, the amount of international work performed by the Company.

On November 12, 2017, the Board met in person in New York, NY at the offices of GT. Mr. Reidy reviewed with the Board the Company's year to date financial performance, the Company's stock performance and its current and upcoming capital needs. A representative of Canaccord reviewed the state of discussions with potential interested

parties. While the Ultimate Parent had expressed the most interest of any potential interested party to date, the Board advised Canaccord to continue to pursue and further discussions with any other potential interested parties while, at the same time, continuing its dialogue and discussions with the Ultimate Parent.

Mr. Reidy and Mr. Doyle and their teams had been having working session level discussions and each had been updating their respective supervisors, Mr. Dixon and Mr. Bish, respectively. Mr. Doyle suggested that the work had progressed far enough that it was time to get Mr. Dixon and Mr. Bish together for a face to face meeting for a status report and to agree on next steps. On November 17, 2017, Mr. Dixon and Mr. Reidy met with Mr. Bish and Mr. Doyle of the Ultimate Parent at the offices of Canaccord in New York City.

On November 20, 2017, the Board convened a telephonic meeting to update the Board on the status of discussions with the Ultimate Parent and other potential interested partners. A representative of Canaccord and Mr. Reidy informed the Board that, per its discussions with the Ultimate Parent, the Company expected to receive an updated non-binding preliminary indication of interest from the Ultimate Parent in the next few days with a price range of \$2.15 to \$2.35 per share. The Board authorized Mr. Reidy to enter into a non-binding preliminary indication of interest with the Ultimate Parent on that basis.

On November 25, 2017, the Ultimate Parent and the Company entered into a non-binding letter of intent for the Ultimate Parent's acquisition of all of the outstanding ordinary shares of the Company at a range of \$2.15 to \$2.35 per share. The non-binding letter of intent was subject to a number of assumptions and conditions, including the Ultimate Parent's satisfactory completion of its business and legal due diligence, the Company's achievement of its fiscal year 2017 revenue target, the Company having a certain liquid cash balance and no bank debt.

On December 7, 2017, Mr. Reidy provided the Board with a telephonic update on status of discussions with the Ultimate Parent.

On December 11, 2017, Mr. Reidy met with Mr. Doyle and other members of the Ultimate Parent at their offices in Irvine, California where the Ultimate Parent expressed significant concerns around certain litigation the Company was involved in, especially a lawsuit involving third party intellectual property, the concentration of our professional services business and the legal structure of certain subsidiaries.

On December 17, 2017, counsel for the Ultimate Parent delivered an initial draft of the merger agreement to GT for its review and comment.

On December 18, 2017, Mr. Reidy provided the Board with a telephonic update on the status of discussions with the Ultimate Parent.

On December 21, 2017, a representative from Canaccord and Mr. Reidy had a discussion with Reynolds C. Bish, the CEO of the Ultimate Parent, and Karl Doyle, the Senior Vice President of Corporate Development of the Ultimate Parent, where they expressed that, due to a number of diligence issues raised with the Company at their December 11, 2017 meeting, they were only willing to move forward at a reduced price range of \$1.65 to \$1.75 per share and subject to satisfactory resolution of such diligence issues. The Ultimate Parent advised the Company that the perceived risk associated with these diligence issues was significantly greater than initially thought by the Ultimate Parent and that Thoma Bravo, the private equity owner of the Ultimate Parent, was raising significant questions about the Company's business.

On December 26, 2017, the Board convened a telephonic meeting of the Board to update the members of the Board as to the Ultimate Parent's willingness to proceed with the transaction only at a significantly reduced per share price and subject to resolution of the diligence issues raised by the Ultimate Parent. Also participating in the board meeting were representatives from Canaccord, GT and the Company's Israeli counsel. The Board determined that the diligence issues raised by the Ultimate Parent would have to be addressed, whether as part of a sale to the Ultimate Parent or any third party. The Board further determined that Mr. Reidy and Canaccord should engage in further discussions with, and solicit further information from, the Ultimate Parent so the board could determine a proper course of action.

On January 8, 2018, at the Company's request, Mr. Dixon and Mr. Reidy met at the Ultimate Parent's offices with Mr. Bish and Mr. Doyle of the Ultimate Parent. The parties discussed the diligence issues raised by the Ultimate Parent. The Ultimate Parent advised Mr. Dixon and Mr. Reidy that the main diligence issue related to a potential litigation matter. Both parties agreed that the transaction would not move forward until such issue had been resolved.

On January 10, 2018, the Board convened a telephonic meeting of the Board where Mr. Dixon updated the Board on the January 8, 2018 meeting with the Ultimate Parent. Mr. Reidy advised the Board as to the Company's fourth quarter results, its current cash position and the Company's upcoming needs for additional capital.

Over the next several months, the Company sought to address the various diligence issues raised by the Ultimate Parent. Mr. Reidy and Mr. Doyle agreed to have a monthly call for a mutual business update, focusing on the resolution of the items the Ultimate Parent had raised from their due diligence, and Mr. Doyle promised to provide Mr. Bish with the updates. During the discussions between Mr. Reidy and Mr. Doyle, the Ultimate Parent expressed positive comments about the speed at which the diligence items were getting resolved. However, the Ultimate Parent

indicated they were working on other larger transactions but remained interested in the Company.

On August 27, 2018, Mr. Reidy had a conference call with Karl Doyle and summarized the significant progress the Company had made in satisfying the concerns that had been previously raised.

On August 29, 2018, the Company had a Board meeting at the offices of Hale Capital in New York City. Mr. Reidy expressed optimism that the Ultimate Parent was preparing to move forward and re-engage with the Company.

On September 8, 2018, the Company executed a non-disclosure agreement with a third party (hereinafter referred to as “Party A”) who had indicated, in its initial discussions with Mr. Reidy, a potential interest in acquiring a business division of the Company. Party A was a subsidiary of one of the parties that had initially executed a confidentiality agreement with the Company.

On September 24, 2018 and September 25, 2018, Mr. Reidy spoke with Mr. Doyle and provided additional updates on the progress the Company was making.

On September 28, 2018, Mr. Dixon spoke with Mr. Bish to discuss the progress that had been discussed by Mr. Doyle and Mr. Reidy and both parties expressed that they were interested in re-engaging in discussions.

On October 2, 2018, the Company signed a confidentiality agreement with a party (hereinafter referred to as “Party B”) that expressed an interest in making a potential investment in the Company and opened up the data room for their analysis of the Company. Mr. Nakar had a relationship with Party B and led the discussions with Party B in light of such relationship.

On October 5, 2018, Mr. Reidy and Arvid Sharma, the Company’s Senior Vice President of Engineering, had discussions with Greg Witter, Brad Hamilton and Jim Nicol from the Ultimate Parent to discuss improvements in the Company’s product quality.

On October 8, 2018 Mr. Reidy had a conference call with Party B to answer questions they had raised from their review of the materials in the data room. The discussions focused around recurring revenue. This meeting was initiated by Party B. Through the end of October, we responded to questions raised by Parent B regarding their due diligence investigation of the Company.

On October 10, 2018, Mr. Reidy had a conference call with Greg Witter from the Ultimate Parent. Mr. Witter informed Mr. Reidy that he would be the Company’s primary conduct while Mr. Doyle was out of the office.

On October 12, 2018, Mr. Reidy had a conference call with Party A and its financial advisor to discuss Party A’s potential acquisition of the former eGistics business component of the Company. Party A had been one of the initial companies that was approached by Canaccord. They rejected pursuing the Company on the basis that we had too much international exposure and their primary market was North America. As Party A acquired the Company’s largest customer, Mr. Reidy reach out to Party A to inquire if they would be interested in acquiring the Company’s domestic business.

On October 15, 2018, the Ultimate Parent delivered a non-binding letter of intent for the acquisition of all of the outstanding ordinary shares of the Company based on a \$40 million enterprise valuation of the Company (assuming the Company had approximately \$1,000,000 of cash and \$6,000,000 of debt as of June 30, 2018) and subject to numerous conditions and assumptions, including, among other things, a level of working capital sufficient to operate the business at closing that is consistent with past practices and satisfactory completion of its financial, legal and business due diligence.

On October 22, 2018, the Board convened a telephonic meeting of the Board to discuss the new non-binding letter of intent from the Ultimate Parent. At the invitation of the Board, representatives from Canaccord were present, as were representatives of GT and Schwell Wimpfheimer & Associates (“SWA”), Israeli counsel to the Company. Representatives of Canaccord reviewed a preliminary financial analysis with respect to the potential transaction with the Ultimate Parent and the terms set forth in the new letter of intent. Mr. Reidy updated the Board on the status of discussions with Party A who indicated, in discussions with Mr. Reidy, a potential interest in acquiring a business division of the Company and the manner in which it would value such business division. Based on that manner of valuing the business division, Mr. Dixon noted that it was unlikely that such third party would place a higher value of the business division than that implied by the Ultimate Parent letter of intent. Izhak Nakar, a member of the Board,

also updated the board on the status of discussions with Party B who indicated an interest in potentially making a minority equity investment in the Company, which proposed minority equity investment was at a very early stage and subject to certain conditions that were likely not achievable (including the requirement that HCP-FVE, LLC agree to convert its outstanding convertible debt into ordinary shares at its current conversion price, which was well above the then-existing trading price of the ordinary shares). The Board determined that Mr. Reidy should continue to reach out to, and pursue discussions with, the other potential interested parties for purposes of reporting back at the next board meeting where the Board would consider the Ultimate Parent's letter of intent.

On October 30, 2018, the Board convened a telephonic meeting of the Board. The Board received an updated report from Mr. Reidy based on discussions with Party A, including as to the value placed on the business division by Party A and where Party A was in the diligence process. The Board also received an updated status report as to discussions with Party B. Representatives from Canaccord provided a preliminary financial analysis comparing the transaction with Ultimate Parent to the potential minority equity investment from Party B. The Board unanimously determined that it was in the Company's best interests to enter into the letter of intent with the Ultimate Parent. The Board rejected the (i) oral indication of an interest by Party A in acquiring a business division of the Company due to, among other reasons, the value that Party A indicated it would place on such business division and its extended time line to potentially move forward with a transaction and (ii) proposed minority equity investment from Party B due to, among other things, the size of the potential investment, conditions to the consummation of the minority investment that were unlikely to be satisfied and the analysis prepared by Canaccord comparing such minority investment (if consummated) to the proposed sale transaction with the Ultimate Parent.

On December 6, 2018, Mr. Reidy, Mr. London (the Company's Interim Chief Financial Officer), Mr. Sharma and Mr. McCaffrey (the Company's Vice President and head of sales) visited with their counterparts at the Ultimate Parent to answer detailed questions about various aspects of the business.

On December 11, 2018, Mr. Reidy provided a telephonic update to the Board on the status of discussions with the Ultimate Parent.

On December 11, 2018, GT delivered a revised draft of the merger agreement to Kirkland & Ellis ("K&E") and Meitar Liguornik Geva Leshem Tal ("Meitar"), outside legal counsel for the Ultimate Parent.

On December 18, 2018, Mr. Bish of the Ultimate Parent informed Mr. Dixon that it was terminating its discussions surrounding the potential acquisition of the Company primarily due to business concerns regarding certain of the Company's customer contracts.

On December 20, 2018, the Board convened a telephonic meeting of the Board. Mr. Dixon noted the issues raised by the Ultimate Parent that led it to terminate its discussions with the Company. Mr. Reidy and John London, the Company's Interim Chief Financial Officer, advised the members of the Board as to the Company's cash position and its immediate need to obtain additional financing. The members of the Board also discussed reaching back out to the Ultimate Parent and re-engaging with (i) Party A and authorized Mr. Reidy to do so and (ii) Party B and authorized Mr. Nakar, based on his relationship with Party B, to do so.

Over the next few days, Mr. Reidy engaged in a series of discussions with Mr. Doyle of the Ultimate Parent, which led to the Ultimate Parent submitting a revised non-binding letter of intent which provided for a price of \$1.00 per ordinary share less transaction costs and was subject to a certain level of working capital. On December 30, 2018, the Board convened a telephonic meeting of the Board to discuss the revised letter of intent, as well as an updated, unsigned term sheet from Party B regarding a potential minority equity investment in the Company, which unsigned term sheet provided for Party B to (i) purchase up to Ten Million Dollars of ordinary shares at a per share price of \$0.60, which would represent approximately 48% of the outstanding ordinary shares and (ii) designate a majority of the Board. Representatives of GT and SWA participated in the board meeting. The Board unanimously approved the revised Ultimate Parent letter of intent and to proceeding forward with the negotiation of the merger agreement.

On December 30, 2018, the Board convened a telephonic meeting of the Board to discuss various financial and funding issues facing the Company.

On January 7, 2019, K&E delivered a revised draft of the merger agreement to GT and SWA. Between January 7, 2019 and January 26, 2019, counsel for the Company and the Ultimate Parent engaged in negotiations surrounding, and exchanged several drafts of, the merger agreement. In parallel, during that period there were various conversations between Mr. Reidy on behalf of the Company and Mr. Doyle on behalf of the Ultimate Parent, in which they discussed the terms and conditions of the proposed transaction between the parties, including with respect to price and break-up fees.

On January 11, 2019, Mr. Reidy had a discussion with Mr. Doyle that was focused on certain items on the Company's balance sheet, with a particular emphasis on cash and debt. The Ultimate Parent questioned if the Company could operate much longer with its limited cash reserves. Mr. Reidy informed Mr. Doyle that the Company was exploring additional debt from either a commercial bank or Hale Capital Partners, LP.

On January 14, 2019, the Board convened a telephonic meeting of the Board. Representatives of Canaccord, GT and SWA were present at the meeting. Mr. Reidy updated the Board as to the status of the Ultimate Parent's due diligence. GT provided an update to the Board as to the status of the transaction and merger documentation with the Ultimate Parent. The Board agreed to extend the letter of intent with the Ultimate Parent, which expired on January 14, 2019, to January 18, 2019.

On January 17, 2019, the Board convened a telephonic meeting of the Board. Representatives of Canaccord, GT and SWA were present at the meeting. GT provided an update as to the status of the transaction and merger documentation with the Ultimate Parent. During the meeting, representatives of GT discussed with the Board the key terms and conditions of the merger agreement.

To address the Company's limited cash reserves, on January 18, 2019, the Company and its subsidiaries entered into that certain Note Purchase Agreement, dated as of January 18, 2019 (the "Note Purchase Agreement"), with HCP-FVE, LLC, an affiliate of Hale Capital Partners, LP, pursuant to which HCP-FVE, LLC made terms loans to the Company in the aggregate principal amount of \$2,350,000.

On February 1, 2019, following a series of discussions between Mr. Bish of the Ultimate Parent and each of Mr. Dixon and Izhak Nakar, a member of the Board, the Ultimate Parent agreed to a price per share of \$0.86, which price takes into account the Company's working capital, the Company's outstanding indebtedness to HCP-FVE, LLC that would be paid at closing by Parent and the transaction expenses of the Company that would ultimately be borne by the surviving company owned by the Ultimate Parent.

On February 2, 2019, the Board convened a telephonic meeting of the Board to evaluate the proposed merger, including the Voting Agreements to be executed by certain interested shareholders. Mr. Reidy and Mr. London also participated in the meeting. During the meeting, representatives of GT and SWA discussed with the Board the key terms and conditions of the merger agreement and the voting agreements to be executed by certain interested parties, and provided an overview to the Board of their fiduciary duties in connection with their consideration of the transaction. Also at the February 2, 2019 board meeting, representatives of Canaccord reviewed with the Board Canaccord's financial analysis of the merger consideration, and rendered to the Board an oral opinion, which was subsequently confirmed by delivery of a written opinion dated as of such date that, as of such date and based upon and subject to various assumptions made, procedures followed, matters considered and qualifications and limitations upon the review undertaken in preparing its opinion, the merger consideration to be paid to the holders of ordinary shares pursuant to the merger agreement was fair, from a financial point of view, to such holders. For a detailed discussion of Canaccord's opinion, please see below under the caption "Opinion of Top Image's Financial Advisor". After further discussions with its financial and legal advisors and members of Company's management, the Board (i) unanimously determined that the merger agreement and the transactions contemplated thereby, including the merger, are fair to, and in the best interests of, the Company and its shareholders and that, considering the financial position of the merging companies, no reasonable concern exists that the surviving company will be unable to fulfill the obligations of the Company to its creditors, (ii) approved the merger agreement and the transactions contemplated thereby, including the merger and (iii) determined to recommend that the shareholders of the Company approve the merger agreement and the transactions contemplated thereby, including the merger.

On February 3, 2019, each of the Company, Kofax, Inc., Kofax Holdings International Ltd. and Tornely Ltd. executed and delivered the Merger Agreement. Kofax Holdings International Ltd. entered into a Voting Agreement on February 3, 2019 with each of Mr. Reidy, Mr. Nakar and his affiliated entity and certain entities affiliated with Mr. Dixon. HCP-FVE, LLC, an affiliate of Martin Hale, Jr., a director of the Company, entered into a certain Noteholder Consent and Waiver on February 3, 2019 with the Company whereby it consented to the transaction.

On February 3, 2018, the Note Purchase Agreement was amended to extend the maturity date of the term loans under that credit facility from March 31, 2019 to May 31, 2019.

On February 4, 2019, each of the parties issued separate press releases announcing the execution of the definitive Merger Agreement.

Reasons for Approval of the Merger; Recommendation of the Board of Directors

Recommendation of the Board

The Board unanimously recommends that you vote FOR the proposal to approve the Merger Proposal including the Merger Agreement, the Merger, the Merger Consideration, and all other transactions and arrangements contemplated under the Merger Agreement, including, without limitation, the purchase of the Company of run-off directors' and officers' liability insurance for a period of six (6) years following the effective time of the Merger, as permitted by the Merger Agreement.

Reasons for the Merger

In its evaluation of the Merger Agreement and the Merger, the Board consulted with members of its senior management team, Canaccord, its financial advisor, and GT and SWA, its outside legal counsel, and assessed various matters relevant to its decision. In reaching its decision to approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, and to recommend that the Company's shareholders approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, the Board considered a variety of factors, including those described below.

Premium to Market Price. In evaluating the Merger Consideration of \$0.86 per share, payable in cash, the Board considered the relationship of the Merger Consideration to the current and historical market prices of the Company's ordinary shares, including the fact that the Merger Consideration represents a premium of approximately 65% over the volume weighted average price of the ordinary shares traded on the Nasdaq Capital Market over the 30 trading days immediately prior to the announcement of the transaction on February 4, 2019.

Merger Consideration Payable in Cash. The Board considered that the Merger Consideration to be received by the Company's shareholders will consist entirely of cash, which provides liquidity and certainty of value to shareholders. The Board believed that this certainty of value was compelling compared to the long-term value creation potential of the Company's business taking into account the risks of associated with remaining independent and pursuing the Company's current business and financial plans. The Board, with the assistance of Canaccord, also assessed the financial strength of Parent and its available cash resources and believed that, together with the absence of a financing condition and the guarantee provided by the Ultimate Parent, Parent would be able to complete the Merger.

Process Conducted. The Board considered the process it had conducted to assess the interest of potential bidders in acquiring the Company, the fact that Canaccord, on behalf of the Company, contacted twelve potential parties and that Parent's offer was the only offer made to acquire the Company and that the offered price represented a significant premium to the Company's historical trading prices.

The Prospects of the Company; Risks Relating to Remaining a Stand-Alone Company. The Board assessed the Company's prospects and risks if the Company were to remain an independent company. The Board considered the substantial additional funding (and potential for incremental shareholder dilution) that would be needed by the Company to fund its operations, and the uncertain nature of the financial markets and the potential that equity or debt funding may not be available to the Company on attractive terms, or at all, at various times in the future.

Value. The Board believed that the Merger Consideration of \$0.86 per ordinary share represents full and fair value for the ordinary shares, taking into account the Board familiarity with the Company's business strategy, assets and prospects, and the certainty of the Merger Consideration, payable in cash, as compared to projected financial results and associated risks, as well as the results of the financial analyses conducted by Canaccord as described below under "Opinion of the Company's Financial Advisor."

Terms of the Merger Agreement. The Board considered several important terms of the Merger Agreement when determining that the Merger Agreement is fair to, and in the best interests of, the Company and its shareholders.

Conditions to Consummation of the Merger; Likelihood of Closing: The Board considered that the Merger would likely be consummated as a result of (i) the significant premium over the market price of the ordinary shares and certainty of value to the Company's shareholders offered by Parent, (ii) the financial ability and willingness of Parent to consummate the Merger, as backed by the Ultimate Parent guarantee, (iii) the Merger not being subject to any financing conditions, (iv) the Merger not being subject to approval by the shareholders of Parent and (v) the reasonable and customary nature of the other conditions to the Merger.

Ability to Respond to Certain Unsolicited Acquisition Proposals: The Merger Agreement permits the Board to participate in discussions or negotiations with any third party that has made an unsolicited acquisition proposal if the Board determines, in good faith after consultation with its financial advisor and outside counsel, that such proposal is a Superior Proposal (as defined below) or is reasonably likely to lead to a Superior Proposal, and that the failure to engage in such discussions or negotiations would be reasonably likely to be inconsistent with its fiduciary duties under Israeli law, subject to certain additional requirements.

Change of Recommendation: The Board has the ability, under certain circumstances (relating to the receipt of a Superior Proposal), to withdraw or change its recommendation in favor of the Merger, if the failure to do so would be reasonably likely to be inconsistent with its fiduciary duties under Israeli law, subject to certain additional requirements.

Termination Right: Prior to the effective time of the Merger, the Board may terminate the Merger Agreement to accept a Superior Proposal if, among other requirements, (i) the Board has received an unsolicited Superior Proposal, (ii) the Board approves and concurrently enters into an agreement with respect to the Superior Proposal and (iii) simultaneously with the termination of the Merger Agreement, pays to Parent a termination fee of \$560,986, which represents approximately 3.5% of the aggregate equity value of the transaction and which the Board believed was reasonable and not likely to deter competing bids.

Negotiations with Parent. The Board believed that the Merger Consideration of \$0.86 per ordinary share represented the highest value reasonably obtainable for the ordinary shares, based on the progress and outcome of its negotiations with Parent and the lack of interest by other third parties in acquiring the Company.

Opinion of the Company's Financial Advisor. The Board considered Canaccord's oral opinion, rendered to the Board on February 2, 2019, which was subsequently confirmed by delivery of a written opinion dated that date and based upon and subject to the assumptions made, procedures followed, matters considered, and qualifications and limitations upon the review undertaken by Canaccord in preparing its opinion, that the Merger Consideration to be paid to the holders of ordinary shares (other than the ordinary shares owned by Parent, Ultimate Parent, Merger Sub and their affiliates) pursuant to the Merger Agreement was fair, from a financial point of view, to such holders, as more fully described below under "The Merger—Opinion of TIS's Financial Advisor."

The Board also considered a variety of uncertainties, risks and other potentially negative factors in its deliberations concerning the Merger and the transactions contemplated by the Merger Agreement, including those described below.

No shareholder Participation in Future Growth or Earnings. The nature of the Merger as a cash transaction means that the Company's shareholders will not participate in the future earnings or growth of the Company and will not benefit from any appreciation in value of the combined company or any potential future benefit from the Company's research and products in development. There is a possibility that, without the Merger, the price of the ordinary shares might increase in the future to a price in excess of the \$0.86 per ordinary share Merger Consideration.

Risk Associated with Failure to Complete the Merger. The Board considered the possibility that the Merger might not be consummated and the fact that, if the Merger is not consummated, (i) the Company's directors, senior management and other employees will have expended extensive time and effort and will have experienced significant distractions from their work during the pendency of the transaction, (ii) the Company will have incurred significant transaction costs, (iii) the Company's continuing business relationships with business partners and employees may be adversely affected, (iv) the trading price of the ordinary shares could be adversely affected and (v) the market's perceptions of the Company's prospects could be adversely affected.

Interim Restrictions on Business Pending the Completion of the Merger. The Board considered the restrictions on the conduct of the Company's business due to pre-closing covenants in the Merger Agreement, whereby the Company agreed that it will carry on its business in the ordinary course consistent with past practice in all material respects and will not take a number of actions related to the conduct of its business without the prior written consent of Parent (in each case subject to specified exceptions), which may have an adverse effect on the Company's ability to respond to changing market and business conditions in a timely manner or at all and to execute its strategic plans.

No Solicitation and Termination Fee. Subject to certain exceptions, the Merger Agreement precludes the Company from soliciting alternative Acquisition Proposals (as defined below) and requires the Company to pay to Parent a termination fee of \$560,986 if the Merger Agreement is terminated under certain circumstances, including a termination of the Merger Agreement by the Company to accept a Superior Proposal. These factors might have the effect of discouraging other parties from proposing an alternative transaction that might be more advantageous to our shareholders than the Merger.

Potential Differing Interests. The Board recognized that certain of the Company's officers and directors may have interests in the transactions contemplated by the Merger Agreement that may be perceived as different from, or in addition to, those of the Company's other shareholders. See "—Interests of Certain of TIS's Executive Officers and Directors in the Merger."

The foregoing discussion of the information and factors considered by the Board is intended to be illustrative and not exhaustive, but includes the material reasons and factors considered by the Board in reaching its conclusions and recommendation in relation to the Merger and the Merger Agreement and the transactions proposed thereby. In view of the wide variety of reasons and factors considered and the complexity of these matters, the Boards did not find it practical to, and did not, quantify or otherwise assign relative weights to the specified factors considered in reaching its determinations or the reasons for such determinations. Individual directors may have given differing weights to different factors or may have had different reasons for their ultimate determination. In addition, the Board did not reach any specific conclusion with respect to any of the factors or reasons considered. Instead, the Board conducted an overall analysis of the factors and reasons described above and unanimously determined in its business judgment that, in the aggregate, the potential benefits of the Merger to the shareholders of the Company outweighed the risks or potential negative consequences.

Opinion of TIS's Financial Advisor

Summary of Financial Analysis

Canaccord is acting as financial advisor to the Company in connection with the Merger. At a meeting of the Board held on February 2, 2019 to evaluate the Merger, Canaccord delivered to the Board an oral opinion, which opinion was confirmed by delivery of a written opinion, dated February 2, 2019, to the effect that, as of that date and based upon and subject to certain assumptions, factors and qualifications set forth in the written opinion, the Merger Consideration of \$0.86 per ordinary share in cash, to be paid to the holders of ordinary shares (other than Parent, Ultimate Parent, Merger Sub and their respective affiliates) pursuant to the Merger Agreement was fair, from a financial point of view, to such holders.

The full text of Canaccord's opinion is attached to this Proxy Statement as Annex B and is incorporated into this Proxy Statement by reference. The description of Canaccord's opinion set forth in this Proxy Statement is qualified in its entirety by reference to the full text of such opinion. Holders of ordinary shares are encouraged to read Canaccord's opinion carefully and in its entirety for a description of the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Canaccord in connection with its opinion. Canaccord's opinion was addressed to the Board, was only one of many factors considered by the Board in its evaluation of the Merger and only addresses the fairness, from a financial point of view and as of the date of the opinion, of the consideration to be paid to the holders of ordinary shares (other than Parent, Ultimate Parent, Merger Sub and their respective affiliates) pursuant to the Merger Agreement. Canaccord's opinion does not address the relative merits of the Merger as compared to other business strategies or transactions that might be available to the Company, nor does it address the underlying business decision of the Company to proceed with the Merger. Canaccord's opinion is not intended to, and does not, constitute advice or a recommendation to any stockholder as to how such stockholder should otherwise act on any other matter with respect to the Merger. Canaccord's opinion was necessarily based on securities, economic, monetary, market and other conditions as in effect on, and the information made available to Canaccord as of, February 2, 2019, the date of its opinion. Subsequent developments may affect the conclusions expressed in Canaccord's opinion if such opinion were rendered as of a later date. Canaccord assumes no responsibility for updating, revising or reaffirming its opinion based on circumstances or events occurring after the date of the opinion.

In connection with rendering the opinion described above and performing its related financial analyses, Canaccord, among other things:

- compared the projected results of operations of the Company with those of certain publicly traded companies Canaccord deemed to be relevant and comparable to the Company;
- compared the financial terms of the Merger with the financial terms of certain other acquisitions Canaccord deemed to be relevant and comparable to the Merger;
- reviewed the terms of the Merger Agreement and the exhibits thereto furnished to Canaccord by the Company; and reviewed such other financial studies and analyses, performed such other investigations, and took into account such other matters as Canaccord deemed necessary, including an assessment of general economic, market and monetary conditions.

In connection with its review and arriving at its opinion, Canaccord has not independently verified any of the foregoing information, has relied on such information, has assumed that all such information is complete and accurate in all material respects, and has relied on assurances of the management of the Company that they are not aware of any facts that would make such information misleading. With respect to the internal financial forecasts and other forward-looking financial information provided to Canaccord by senior management of the Company, Canaccord has assumed, with the Company’s consent, that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of Company management. In particular, Canaccord has also assumed, with the Company’s consent, that the Company has or will have sufficient funds to meet its financial forecasts. Canaccord has also assumed that the Merger will be consummated upon the terms set forth in the Merger Agreement, without waiver, modification or amendment of any material term, condition or agreement therein which would be in any way meaningful to Canaccord’s analysis. Canaccord has also assumed that, in the course of obtaining necessary regulatory and third party approvals and consents for the Merger, no modification, delay, limitation, restriction or conditions will be imposed that will have an adverse effect on the Company, Parent, Ultimate Parent or the contemplated benefits of the Merger in any way meaningful to Canaccord’s analysis.

Canaccord’s opinion has been approved by a fairness committee of Canaccord in accordance with FINRA Rule 5150. Canaccord’s opinion is rendered on the basis of securities, economic and market conditions prevailing as of the date of the opinion and on the prospects, financial and otherwise, of the Company, known to Canaccord as of the date thereof. Subsequent developments may affect the conclusions expressed in the opinion if the opinion were rendered as of a later date, and Canaccord disclaims any obligation to advise any person of any change in any manner affecting the opinion that may come to Canaccord’s attention after the date of the opinion. Canaccord has not undertaken to reaffirm or revise the opinion or otherwise comment upon any events occurring after the date thereof and does not have any obligation to update, revise or reaffirm the opinion. Canaccord has not been requested to conduct and has not conducted, nor has Canaccord relied upon, any independent valuation or appraisal of any of the assets of the Company. Canaccord also has not evaluated the solvency of any party to the Merger Agreement under any state or federal laws, rules or regulations relating to bankruptcy, insolvency or similar matters. In addition, Canaccord has assumed, with the Company’s consent, that any material liabilities (contingent or otherwise, known or unknown) of the Company are as set forth in the financial statements of the Company provided to Canaccord.

Canaccord’s opinion is limited to the fairness, from a financial point of view, to the holders of ordinary shares (other than Parent, Ultimate Parent, Merger Sub and their respective affiliates) of the Merger Consideration, and Canaccord expresses no opinion as to the fairness of the Merger to the holders of any other class of securities, creditors or other

constituencies of the Company. Canaccord's opinion does not address the relative merits of the Merger as compared to other business strategies or transactions that might be available to the Company, nor does it address the underlying business decision of the Company to proceed with the Merger or any view on any other term or aspect of the Merger Agreement. Canaccord is not a legal, accounting, regulatory or tax expert and has relied on the assessments made by the Company and its advisors with respect to such matters. Canaccord has not considered, and expressed no opinion as to, the fairness of the amount or nature of the compensation to be paid to any of the Company's officers, directors or employees, or class of such persons, relative to the Merger Consideration to be paid to the stockholders of the Company in the Merger.

The following is a summary of the material financial analyses performed by Canaccord in connection with rendering its opinion dated February 2, 2019 described above. The following summary, however, does not purport to be a complete description of the factors considered or financial analyses performed by Canaccord, nor does the order of analyses described represent relative importance or weight given to those analyses by Canaccord. Some of these summaries of the financial analyses include information presented in tabular format. The tables must be read together with the full text of each summary and are alone not a complete description of Canaccord's financial analyses.

Selected Public Companies Analysis

Canaccord performed an analysis using a selected group, which attempts to imply the value of a company by comparing it to identified companies that are publicly traded. For purposes of this analysis, Canaccord identified the following group of eight publicly traded software and services companies that share similar business characteristics to the Company based on operational and/or financial metrics, which are referred to as the "selected public companies." The selected public companies consisted of:

Public Company	Enterprise Value / LTM Revenue	Enterprise Value / CY2018E Revenue	Enterprise Value / CY2019E Revenue
Axway Software S.A.	1.01x	1.02x	1.01x
Computer Task Group, Incorporated	0.16x	0.15x	0.14x
Esker S.A.	4.76x	4.43x	3.82x
Issuer Direct Corporation	2.24x	2.24x	2.04x
Itesoft S.A.	0.64x	0.68x	0.69x
PFSweb, Inc.	0.44x	0.45x	0.44x
Sapiens International Corporation N.V.	2.23x	2.22x	2.11x
ServiceSource International, Inc.	0.33x	0.33x	0.34x

Based on its review of the relevant metrics for each of the selected public companies, Canaccord calculated multiples of enterprise value to last twelve months ("LTM") revenue, estimated calendar year 2018 (CY2018E) revenue and estimated calendar year 2019 (CY2019E) revenue. For purposes of this analysis, Canaccord utilized revenue for the LTM period ended September 30, 2018. For purposes of this analysis, Canaccord utilized information regarding the selected public companies obtained from filings with the SEC, the Capital IQ database, other public sources, and market data as of February 1, 2019. Based on this information, Canaccord calculated multiples for the selected public companies as follows:

Enterprise Value as a Multiple of:	Selected Public Companies Analysis	
	Range (1 st to 3 rd Quartile)	Median
LTM Revenue	0.41x-2.23x	0.83x
CY2018E Revenue	0.42x-2.23x	0.85x
CY2019E Revenue	0.41x-2.05x	0.85x

Based on the analyses and review of the multiples and ratios of the selected public companies, Canaccord selected representative ranges of enterprise value to LTM revenue, estimated calendar year 2018 (CY2018E) revenue and estimated calendar year 2019 (CY2019E) revenue multiples derived from the data points for the selected public companies set forth in the table above based upon the application of its professional judgment. Canaccord then applied these multiples to the Company's revenue for the relevant period and calculated the implied enterprise value of the Company. Canaccord then subtracted the Company's net debt at February 1, 2019 of \$7.3 million to such implied enterprise values to calculate the Company's implied equity value, and then calculated a range for the implied per share

equity value of the Company's common stock based on the number of fully-diluted shares of common stock outstanding as of February 1, 2019 of 18.6 million (calculated using the treasury stock method).

The following summarizes the results of this analysis:

Financial Statistic	Implied Per Share Equity		Merger Consideration
	Value	Median	Per Share
LTM Revenue	\$0.26 – \$3.10	\$ 0.90	\$ 0.86
CY2018E Revenue	\$0.25 – \$3.04	\$ 0.92	\$ 0.86
CY2019E Revenue	\$0.26 – \$2.84	\$ 0.95	\$ 0.86

Selected Precedent Transactions Analysis

Canaccord performed a precedent transactions analysis, which attempts to imply the value of a company based on publicly available financial terms of selected transactions. Canaccord selected the precedent transactions based on the similarity of products offered and markets served by the target company as compared to the Company based upon its professional judgment, as well as the financial position and other relevant financial metrics of the target companies. Each of these transactions was publicly announced on or after November 30, 2016.

Based on its review of the relevant metrics for each of the precedent transactions, Canaccord calculated the multiples of implied enterprise value to LTM revenue and LTM earnings before interest, taxes, depreciation and amortization (“EBITDA”) for each of the target companies in the precedent transactions for which public information was available. For purposes of this analysis, Canaccord utilized information regarding the precedent transactions obtained from filings with the SEC and other public sources. The selected precedent transactions were:

(1)“NM” denotes EBITDA multiples that are negative.

Canaccord calculated multiples for the selected precedent transactions as follows:

Enterprise Value as a Multiple of:	Selected Precedent Transactions Analysis	
	Range (1 st to 3 rd Quartile)	Low Median
LTM Revenue	1.05x-1.97x	0.78x 1.50x

Canaccord selected representative ranges of multiples derived from the data points for the precedent transactions based upon the application of its professional judgment. Canaccord then applied these multiples to the Company's estimated CY2018E revenue and calculated the implied enterprise value of the Company. Canaccord then subtracted the Company's net debt of \$7.3 million at February 1, 2019 to such implied enterprise values to calculate the Company's implied equity value and then calculated a range for the implied per share equity value of the Company's common stock based on the number of fully-diluted shares of common stock outstanding as of February 1, 2019 of 18.6 million (calculated using the treasury stock method).

The following summarizes the results of this analysis:

	Low	Median	Low	Median
LTM Revenue	\$1.25	\$2.69	\$0.83	\$ 1.95

Discounted Cash Flow Analysis

Canaccord performed an indicative discounted cash flow analysis of the Company to derive an implied per share equity value range for shares of the Company's ordinary shares based on the Company as a stand-alone entity. For purposes of this analysis, Canaccord utilized financial forecasts of the Company for calendar years 2019 through 2023 provided by the Company's management. For purposes of this discounted cash flow analysis, Canaccord calculated free cash flow by tax-effecting operating income, adding depreciation and amortization, subtracting changes in non-cash net working capital, and subtracting capital expenditures. The range of implied per share equity values for the Company was determined using the present value of the Company's projected free cash flows from 2019 through 2023 and EBITDA terminal multiples of 6.0x – 8.0x, which Canaccord applied based on the application of Canaccord's professional judgment and experience. The free cash flows were discounted to present values at a discount rate range of 17.0% – 19.0%, which was selected, upon the application of Canaccord's professional judgment and experience, to reflect the Company's estimated range of weighted average cost of capital. Canaccord then subtracted the Company's net debt of \$7.3 million at February 1, 2019 to calculate the Company's implied equity value and then calculated a range for the implied per share equity value of the Company's common stock based on the number of fully-diluted shares of common stock outstanding as of February 1, 2019 of 18.6 million (calculated using the treasury stock method).

The following summarizes the results of this analysis:

Implied Per Share Equity Value	Merger Consideration Per Share
\$0.34-\$0.65	\$ 0.86

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth above, without considering the

analyses as a whole, could create an incomplete view of the processes underlying Canaccord's opinion. In arriving at its fairness determination, Canaccord considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered by it. Rather, Canaccord made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses. No company or transaction used in the above analyses as a comparison is directly comparable to the Company or the Merger.

Canaccord prepared these analyses for purposes of providing its opinion to the Board as to the fairness, from a financial point of view and as of the date of the opinion, of the Merger Consideration to be paid to the holders of Shares (other than Parent, Ultimate Parent, Merger Sub and their respective affiliates) pursuant to the Merger Agreement. These analyses do not purport to be appraisals, nor do they necessarily reflect the prices at which businesses or securities actually may be sold. Analyses based upon forecasts of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by these analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors, none of the Company, Parent, Ultimate Parent, Canaccord or any other person assumes responsibility if future results are materially different from those forecast.

The Merger Consideration was determined through negotiations between the Company, Parent and Ultimate Parent and was approved by the Board. Canaccord provided advice to the Board during these negotiations. Canaccord, however, did not recommend any specific amount of consideration to the Company or the Board or that any specific amount of consideration constituted the only appropriate consideration for the Merger.

Canaccord and its affiliates are engaged in investment banking and financial advisory services, commercial banking, securities trading, investment management, brokerage activities and other financial and non-financial activities and services for various persons and entities. In the ordinary course of these activities and services, Canaccord and its affiliates may acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of the Company, Parent, Ultimate Parent, certain of their respective affiliates and any other company that may be involved in the Merger, as well as provide investment banking and other financial services to such companies.

In the prior two (2) years, Canaccord has not received compensation for investment banking or financial advisory services from either the Company (except as otherwise described in this proxy statement), Parent or Ultimate Parent. Canaccord may provide investment banking services to the Company, Parent, Ultimate Parent or their respective affiliates in the future for which Canaccord may receive compensation.

The Board selected Canaccord as its financial advisor because it is a nationally recognized investment banking firm that has substantial experience in transactions similar to the Merger. Pursuant to a letter agreement, dated as of October 17, 2017, the Company engaged Canaccord to act as its financial advisor in connection with the Merger, including the delivery of a fairness opinion as described above. Pursuant to the terms of the engagement letter, the Company agreed to pay Canaccord a fee of \$300,000 for its services, plus a fee equal to 2% of the aggregate transaction consideration which is contingent upon consummation of the Merger (and against which the \$300,000 fee is credited). It is estimated that Canaccord will receive an aggregate fee of approximately \$800,000 in connection with the Merger. In addition, the Company has agreed to reimburse Canaccord for certain expenses and to indemnify Canaccord and related persons against various liabilities, including certain liabilities under the federal securities laws.

Interests of Certain of TIS Executive Officers and Directors in the Merger

When considering the recommendation of our Board, you should be aware that members of our Board and our executive officers have interests in the Merger other than their interests as TIS's shareholders generally, pursuant to agreements between such directors and executive officers and us including:

- the Cash-Out of vested Company RSUs;
 - the accelerated vesting of non-vested Company RSUs;
 - transaction bonus payable to John London, TIS's interim financial officer, in the amount of \$50,000;
 - severance payments payable to Brendan Reidy, TIS's chief executive officer, if he is terminated by the surviving company after the consummation of the Merger;
 - the continued indemnification and directors' and officers' liability insurance to be provided by the surviving company; and
- the payment, at the closing of the Merger of all indebtedness and other amounts due and owing as of the closing of the Merger to HCP-FVE, LLC, of which one of the directors, Martin Hale, Jr. is principal, including the success fee in the amount of \$313,255 for the closing of its term loan facility with the Company (which payment HCP-FVE, LLC agreed to defer until the closing of the Merger) and a fee of \$5,513.81 per day for each day from April 1, 2019 through May 31, 2019 that the indebtedness remains outstanding in consideration for HCP-FVE, LLC's extension of the maturity date of its term loan notes from March 31, 2019 to May 31, 2019.

These interests may be perceived as different from, or in conflict with, your interests as TIS' shareholders.

Unvested Equity Awards

As a result of the Merger, 93,948 unvested RSU's held by Brendan Reidy, TIS's chief executive officer, as of March 11, 2019 will vest and have a value of \$80,795 (the value is calculated based on \$0.86 per ordinary share as provided in the Merger Agreement for accelerated restricted stock units to be cancelled and converted into the right to receive cash.

Bonuses

In connection with the consummation of the Merger, John London will receive a cash bonus in the amount of \$50,000.

Severance

Pursuant to the terms of Brendan Reidy's current employment agreement, Mr. Reidy is entitled to severance in the event he is terminated without cause or resigns for good reason (as such terms are defined in the employment agreement). The severance amount is equal to his then current base salary and a pro-rata amount of his then target bonus based on the number of days he was employed during the year in which the termination occurred.

Payments to HCP-FVE, LLC

We issued term loan notes, in the aggregate principal amount of \$2,350,000 and a convertible note in the initial aggregate principal amount of \$5,861,657.47 to HCP-FVE, LLC, of which one of the directors, Martin Hale, Jr. is a principal, on January 18, 2019. At the closing of the Merger, we must pay all outstanding amounts due under the term loans and the convertible note as of the closing of the Merger to HCP-FVE, LLC. In connection with the issuance of the terms loans, HCP-FVE, LLC and the Company entered into a fee letter pursuant to which the Company agreed to pay HCP-FVE, LLC a success fee in an amount equal to 13.33% of the principal amount of the term loan notes (for an aggregate success fee of \$313,255). The success fee is payable upon the earlier of the consummation of the Merger or the maturity date of the term loan notes, which is May 31, 2019. In connection with HCP-FVE, LLC's agreement to extend the maturity date of the term loan notes from March 31, 2019 to May 31, 2019, the Company agreed to pay HCP-FVE, LLC a fee of \$5,513.81 per day for each day from April 1, 2019 through May 31, 2019 (or an aggregate of \$336,342.41 if the Merger closes on May 31, 2019) that any of the indebtedness due to HCP-FVE, LLC by the Company remains outstanding.

The members of our Board were aware of these interests, and considered them, when they approved the Merger Agreement.

No Appraisal Rights

Under Israeli law, holders of ordinary shares are not entitled to statutory appraisal rights in connection with the Merger.

Effects of the Merger on Our Ordinary Shares

At the Effective Time, each outstanding ordinary share (other than ordinary shares owned by Parent or the Company, or by any direct or indirect wholly owned subsidiary of Parent or the Company) will be converted into the right to receive the \$0.86 in cash, without interest and less any applicable withholding taxes.

Effects of the Merger on Outstanding Equity Awards

As a result of the Merger, the treatment of Company Options and RSUs that are outstanding immediately prior to the Effective Time will be as follows:

Options

To the extent not exercised prior to the Effective Time, each vested and unvested Company Option will be cancelled and converted into the right to receive an amount in cash (without interest and subject to deduction for any required withholding tax) equal to the product of the excess, if any, of the Merger Consideration (i.e. \$0.86 per share) over the exercise price per share of each such Company Option (the "Option Consideration") less any applicable withholding taxes.

Since the Merger Consideration is lower than the lowest exercise price of any of the Company Options, all vested and unvested Company Options will be cancelled without consideration upon the Effective Time and no Option Consideration will be paid.

Restricted Stock Units

Each vested and unvested RSU will be cancelled and converted into the right to receive an amount in cash (without interest and subject to deduction for any required withholding tax) equal to the product of (1) the Merger

Consideration (i.e. \$0.86 per share) and (2) the number of ordinary shares subject to such RSU.

Delisting and Deregistration of TIS's Ordinary Shares

If the Merger is completed, our ordinary shares will be delisted from and will no longer be traded on the Nasdaq Capital Market and will be deregistered under the Exchange Act. As such, we would no longer be required to file periodic reports with the SEC.

Procedures for Receiving the Merger Consideration

After the completion of the Merger, the paying agent will provide instructions to each holder of record of ordinary shares of TIS that will explain how to surrender share certificates. Each shareholder will receive cash for his, her or its shares from American Stock Transfer & Trust Company, LLC (the “paying agent”) after complying with these instructions. If your ordinary shares are held in “street name” by your bank, broker or other nominee, you will receive instructions from your bank, broker or other nominee as to how to effect the surrender of the “street name” shares and receive cash for those shares. **YOU SHOULD NOT FORWARD YOUR SHARE CERTIFICATES TO THE PAYING AGENT WITHOUT A LETTER OF TRANSMITTAL, AND YOU SHOULD NOT RETURN YOUR SHARE CERTIFICATES WITH THE ENCLOSED PROXY.**

For further information, see “—The Merger Agreement—Exchange and Payment Procedures” beginning on page 46 of this Proxy Statement.

Material U.S. Federal and Israeli Income Tax Consequences

Tax matters are very complicated, and the tax consequences of the Merger Consideration being made in connection with the Merger to you will depend on your particular situation. You are encouraged to consult your own tax advisor regarding the specific tax consequences of the Merger Consideration and the Merger to you, including tax return reporting requirements, the applicability of federal, state, local and non-U.S. tax laws and the effect of any proposed changes in the tax laws. This discussion is not intended to be a complete analysis or description of all potential tax consequences of the Merger Consideration and the Merger.

Material U.S. Federal Income Tax Consequences

General

The following is a general discussion of the material U.S. federal income tax considerations of the Merger to U.S. Holders (as defined below) of ordinary shares who receive cash in exchange for their ordinary shares in the Merger. The following discussion does not purport to consider all aspects of U.S. federal income taxation that might be relevant to a U.S. Holder.

This discussion is based on current provisions of the Internal Revenue Code of 1986, as amended (the “Code”), final, temporary and proposed U.S. Treasury Regulations, judicial opinions, and published positions of the IRS, all as in effect on the date hereof and all of which are subject to differing interpretations or change, possibly with retroactive effect. This discussion does not purport to be a complete analysis or listing of all potential U.S. federal income tax considerations that may apply to a U.S. Holder as a result of the Merger or as a result of the ownership and disposition of ordinary shares. In addition, this discussion does not address all aspects of U.S. federal income taxation that may be relevant to particular U.S. Holders nor does it take into account the individual facts and circumstances of any particular U.S. Holder that may affect the U.S. federal income tax consequences to such U.S. Holder, and accordingly, is not intended to be, and should not be construed as, tax advice. This discussion does not address the U.S. federal 3.8% Medicare tax imposed on certain net investment income or any aspects of U.S. federal taxation other than those pertaining to the income tax, nor does it address any tax consequences arising under any U.S. state or local tax laws. U.S. Holders should consult their own tax advisors regarding such tax consequences in light of their particular circumstances.

We have not sought, and will not seek, any ruling from the IRS or any opinion of counsel with respect to the tax consequences discussed herein, and there can be no assurance that the IRS will not take a position contrary to the tax consequences discussed herein or that any position taken by the IRS would not be sustained.

The following discussion applies to you only if you are a U.S. Holder and you hold your ordinary shares as capital assets for U.S. federal income tax purposes. This section does not apply to you if you are a member of a class of holders subject to special rules under the U.S. federal income tax laws, including, without limitation:

- a non-U.S. Holder;
- a dealer in securities or currencies;
- a trader in securities that elects to use a mark-to-market method of accounting;
- a bank or other financial institution;
- an underwriter or insurance company;
- a regulated investment company;
- a real estate investment trust;
- a controlled foreign corporation;
- persons who acquire shares as compensation for services;
- partnerships or other pass-through entities, and investors in such entities;
- a tax-exempt organization;

- a U.S. holder whose functional currency for tax purposes is not the U.S. dollar;
- a person who owns or is deemed to own 10% or more of our voting stock; or
- a U.S. expatriate.

If a partnership or other pass-through entity is a beneficial owner of ordinary shares, the U.S. federal income tax treatment of a partner in the partnership or pass-through entity generally will depend upon the status of the partner and the activities of the partnership or pass-through entity. Partnerships or other pass-through entities that are beneficial owners of ordinary shares, and partners in such partnerships or pass-through entities, are urged to consult their tax advisors regarding the U.S. federal, state, local and foreign tax consequences of the Merger.

As used herein, the term “U.S. Holder” means a beneficial owner of ordinary shares that does not own directly, constructively or by attribution 10% or more of ordinary shares and is, for U.S. federal income tax purposes:

- a citizen or resident individual of the U.S.;
- a domestic corporation;
- an estate the income of which is subject to U.S. federal income tax regardless of its source; or
- a trust (a) if a U.S. court can exercise primary supervision over the trust’s administration and one or more U.S. persons are authorized to control all substantial decisions of the trust or (b) that has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. person.

This section does not consider the specific facts and circumstances that may be relevant to a particular U.S. Holder, nor the income tax treatment to a U.S. Holder under the laws of any state, local or non-U.S. (other than as described below in “Material Israeli Tax Consequences”) jurisdictions.

Please consult your own tax advisor concerning the consequences of the receipt of cash for your ordinary shares in the Merger based upon your particular circumstances, as well as any tax consequences that may arise under the laws of any state, local or certain foreign taxing jurisdictions.

The Merger

Subject to the discussion in the following paragraph, a U.S. Holder generally will recognize gain or loss on the exchange of ordinary shares for cash pursuant to the Merger in an amount equal to the difference between the cash received in the Merger and such U.S. Holder’s adjusted tax basis in such shares. Any gain or loss recognized by a U.S. Holder on a taxable disposition of ordinary shares generally will be capital gain or loss and will be long-term capital gain or loss if the U.S. Holder’s holding period in such shares exceeds one (1) year at the time of the Merger. Preferential tax rates may apply to long-term capital gains of non-corporate U.S. Holders (including individuals). The deductibility of capital losses is subject to limitations.

TIS believes that it is not and never has been a passive foreign investment company (“PFIC”) for U.S. federal income tax purposes, but this conclusion is a factual determination with which the IRS may not agree. With certain exceptions, ordinary shares would be treated as stock in a PFIC with respect to a U.S. Holder if TIS were a PFIC at any time during the U.S. Holder’s holding period in ordinary shares. If a U.S. Holder were to be treated as having disposed of stock in a PFIC, the gain realized by the U.S. Holder in the Merger would in general not be treated as capital gain. Instead, such gain will generally be treated as ordinary income and the U.S. Holder would be treated as if it had realized such gain ratably over the U.S. Holder’s holding period for ordinary shares and would generally be taxed at the highest tax rate in effect for each such year to which the gain was allocated, together with an interest charge in respect of the tax deemed attributable to each such year. U.S. Holders should consult their own tax advisors regarding the application of the PFIC rules to their investment in ordinary shares and the Merger.

Information Reporting and Backup Withholding

In general, information reporting requirements will apply to the proceeds received pursuant to the Merger, other than with respect to U.S. Holders that are exempt recipients (such as corporations). Backup withholding (currently at a rate of 24%) may apply to such amounts if the U.S. Holder fails to provide an accurate taxpayer identification number (generally on an IRS Form W-9 provided to the paying agent or the U.S. Holder's broker) or is otherwise subject to backup withholding.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules may be allowed as a refund or credit against a U.S. Holder's U.S. federal income tax liability, if any, provided the required information is timely furnished to the IRS.

Material Israeli Tax Consequences

Certain Israeli Tax Considerations

The following is a summary discussion of certain Israeli income tax considerations in connection with the Merger. The following summary is included for general information purposes only, is based upon current Israeli tax law and should not be conceived as tax advice to any particular holder of Ordinary Shares. No assurance can be given that the analysis made and the views contained in this summary as well as the classification of the transaction for Israeli tax purposes as set forth below will be upheld by the tax authorities, nor that new or future legislation, regulations or interpretations will not significantly change the tax considerations described below, and any such change may apply retroactively. This summary does not discuss all material aspects of Israeli tax consequences that may apply to particular holders of Ordinary Shares in light of their particular circumstances, such as investors subject to special tax rules or other investors referred to below.

HOLDERS OF ORDINARY SHARES SHOULD CONSULT THEIR OWN TAX ADVISORS AS TO THE PARTICULAR ISRAELI TAX CONSEQUENCES OF THE MERGER APPLICABLE TO THEM.

Sale of Ordinary Shares

In general, under the Israeli Income Tax Ordinance (New Version), 5721-1961 and the rules and regulations promulgated thereunder, which we also refer to as the Tax Ordinance, the disposition of shares of an Israeli resident company is deemed to be a sale of capital assets, unless such shares are held for the purpose of trading. The Tax Ordinance generally imposes a capital gains tax on the sale of capital assets by an Israeli resident, and on the sale of such assets by a non-Israel resident if those assets are either (i) located in Israel, (ii) are shares or a right to a share in an Israeli resident corporation, or (iii) represent, directly or indirectly, rights to assets located in Israel, unless a specific exemption is available under Israeli law or unless a double taxation prevention treaty between Israel and the seller's country of residence provides otherwise (subject to the receipt in advance of a valid certificate from the Israel Tax Authority allowing for an exemption).

Under the Tax Ordinance, the tax rate applicable to capital gains derived after January 1, 2012 from the disposition of Ordinary Shares in the Merger is generally 25% for individuals, unless such an individual shareholder claims a deduction for financing expenses in connection with such shares, in which case the gain will generally be taxed at a rate of 30% (capital gains which derived before January 1, 2003 is subject to marginal tax rate. Capital gains derived from January 1, 2003 until January 1, 2012 is subject to a 20% tax rate (for shareholders which are not Significant Shareholders) or 25% tax rate (for Significant Shareholders)). Additionally, if such shareholder is considered a "Significant Shareholder" at any time during the 12-month period preceding such disposition, i.e., such shareholder holds directly or indirectly, alone or together with another person who collaborates with such person on a permanent basis, at least 10% of any means of control in our company, the tax rate will be 30%. However, the foregoing tax rates will not apply to: (a) individual shareholder dealing in securities or to individual shareholder to whom such income is otherwise taxable as ordinary business income (such individual shareholders are taxed at their marginal tax rates applicable to business income); or (b) shareholders who acquired their shares prior to January 1, 2003.

Individuals who are subject to tax in Israel (whether any such individual is an Israeli resident or non-Israeli resident) are also subject to an additional tax at the rate of 3% on annual taxable income exceeding NIS 641,880 in 2018 which amount is linked to the annual change in the Israeli consumer price index, including, but not limited to, dividends, interest and capital gain.

Companies are subject to the ordinary corporate tax rate (23% for the 2019 tax year) on capital gains derived from the disposition of Ordinary Shares.

According to the Tax Ordinance, upon a sale of an asset the seller (Israeli resident or non-Israeli resident) needs to file a capital gain report to the Israel Tax Authorities within 30 days.

Notwithstanding the foregoing, according to Section 97(b3) of the Tax Ordinance, a non-Israel resident (whether an individual or a corporation), for tax purposes, is generally exempt from Israeli capital gains tax on the sale of securities of an Israeli resident company, or on the sale of a right in a foreign resident company which most of the assets of which are rights related directly or indirectly to assets located in Israel, provided, among others, that (i) such shares were purchased after January 1, 2009, (ii) such gain was not derived in connection with a permanent establishment of such shareholders maintained in Israel, (iii) the shares are not listed in Israel at the time of the sale, (iv) the shares were not acquired from a relative and were not subject to provisions of Part E-2 of the Tax Ordinance or provisions of Section 70 of the Real Estate Taxation Law, and (v) the principal value of the assets (at the date of the sale and during two years preceding such date) of the company, the shares of which are sold, are not rights in or for real estate or natural resource located in Israel. If the shares were purchased in the period between July 1, 2005 and December 31, 2008, the following conditions should be met: (i) The capital gain is not derived in a permanent establishment of the foreign resident maintained in Israel; (ii) The foreign resident was a resident of a Treaty country in the ten years preceding the acquisition date of the shares, continuously, and regarding such Treaty country resident constituting a corporate entity – at least 75% of any kind of means of control are held, directly or indirectly, by individuals that were Treaty country residents in the ten years preceding the acquisition date of the shares, continuously; in this regard, a holder of rights that is not a Significant Shareholder in a Treaty country corporate entity whose shares are listed for trading on a stock exchange outside of Israel will be deemed a Treaty country resident, unless ascertained otherwise; (iii) The shares were not acquired from a relative and were not subject to provisions of Part E-2 of the Tax Ordinance or provisions of Section 70 of the Real Estate Taxation Law; (iv) Within 30 days from the acquisition date of the shares, details of the acquisition were transmitted to the tax assessing office, on the appropriate form determined by the authorities; and (v) The foreign resident submitted a report on the sale to the tax authorities in the foreign resident's country of residency. These provisions dealing with capital gain are not applicable to a person whose gains from selling or otherwise disposing of the shares are deemed to be business income.

If the shares are listed in a stock-exchange outside of Israel, a non-Israeli resident might also be exempt from tax pursuant to the Israeli Income Tax Regulation (Exemption from Tax for Foreign Resident on Capital Gain in Sale of Securities), 5763-2003 provided, among others, that such gains are not attributable to a permanent establishment of such shareholders in maintained Israel and that the shares were purchased after listed for trade in the stock exchange outside of Israel. Non-Israeli corporations will not be entitled to the foregoing exemptions if Israeli residents (i) have a controlling interest of more than 25% in such non-Israeli corporation or (ii) are the beneficiaries of or are entitled to 25% or more of the revenues or profits of such non-Israeli corporation, whether directly or indirectly.

In addition, under the United States-Israel Income Tax Treaty (the “US-Israel Tax Treaty”), the sale, exchange or disposition of our shares by a shareholder who is a United States resident (for purposes of the US-Israel Tax Treaty) holding the shares as a capital asset is generally exempt from Israeli capital gains tax unless either (i) the shareholder holds, directly or indirectly, shares representing 10% or more of our voting capital during any part of the 12-month period preceding such sale, exchange or disposition, subject to specified conditions, (ii) the capital gains arising from such sale may be attributable to a permanent establishment of such shareholder located in Israel, (iii) the seller, being an individual, is present in Israel for a period or periods aggregating to 183 days or more during the taxable year, (iv) the capital gains arising from such sale, exchange or disposition is attributed to real estate located in Israel, or (v) the capital gains arising from such sale, exchange or disposition is attributed to royalties. In either case, the sale, exchange or disposition of the shares would be subject to Israeli tax, to the extent applicable; however, under the US-Israel Tax Treaty, the US resident would be permitted to claim a credit for the tax against the U.S. federal income tax imposed with respect to the sale, exchange or disposition, subject to the limitations in U.S. laws applicable to foreign tax credits. Holders should be aware that even in cases where the US-Israel Tax Treaty does not provide for an exemption, the Tax Ordinance may provide an exemption as per Section 97(b3) of the Tax Ordinance or the tax regulations as detailed above.

Generally, the payment for the Ordinary Shares is subject to Israeli withholding tax at a rate of 25% or 30%. A reduced rate of, or an exemption from, Israeli withholding tax is available to shareholders that provide a valid withholding certificate issued by the Israel Tax Authority evidencing such reduced withholding rate or withholding exemption.

As described in greater detail below, the Company is planning to request a tax pre-ruling from the Israel Tax Authority regarding withholding of Israeli tax with respect to the payment of the Merger consideration and in connection with that ruling, or otherwise at the time of sale, shareholders may be required to demonstrate (by declaration) that they are exempt from tax on their capital gains in order to avoid withholding tax at the time of the disposition of their Company Ordinary Shares. In the absence of such a tax pre-ruling, each shareholder might be required to approach the Israel Tax Authority individually in order to avoid withholding.

Israeli Tax Ruling

The Merger Agreement generally requires that the Company, prior to closing, request a tax pre-ruling from the Israel Tax Authority (the “ITA”) with respect to, among other things, the Company, Parent, and the paying agent and their respective paying agents’ withholding obligations relating to the consideration to be paid to non-Israeli residents (including U.S. Holders) and to Israeli residents for the Company’s Ordinary Shares. The pre-ruling application requests that, among other things, the ITA rule that either (1) the Company, Parent and paying agent, and their respective agents, are exempt from any obligation to withhold Israeli taxes from any consideration payable or otherwise deliverable to such holders pursuant to the Merger Agreement or clarifies that no such obligation exists, or (2) clearly instructs the Company, Parent paying agent, and their respective agents, on how such withholding is to be executed, and in particular, with respect to the classes or categories of holders of the Company Ordinary Shares from which tax is to be withheld (if any), the rate or rates of withholding to be applied and how to identify any non-Israeli residents for the purposes of the withholding obligations under the pre-ruling. There is no assurance that such pre-ruling will be obtained, and if obtained, what will be its terms and conditions. The application was filed by the Company on February 26, 2019.

Shares Issued as Compensation for Employment or Service

Shareholders who received or acquired their Ordinary Shares under one or more of our incentive plans, or otherwise as compensation for employment or services provided to our company or any of its affiliates, may be subject to different tax rates. BECAUSE INDIVIDUAL CIRCUMSTANCES MAY DIFFER, ANY SUCH HOLDERS OF ORDINARY SHARES SHOULD CONSULT THEIR OWN TAX ADVISORS AS TO THE ISRAELI TAX CONSEQUENCES APPLICABLE TO THEM.

Tax Considerations in Other Jurisdictions

Depending on the country in which a Company shareholder is resident, the Merger may be a taxable event to such shareholder under such country's tax laws. We encourage all shareholders to consult their tax advisors regarding the applicable tax considerations of the Merger.

Regulatory Matters

Israeli Companies Registrar

Under the ICL, we and Merger Sub may not complete the Merger without first making the following filings and notifications to the Israeli Companies Registrar:

Merger Proposal. We and Merger Sub are required each to file with the Israeli Companies Registrar a "merger proposal" setting forth specified details with respect to the Merger, within three days of calling the respective shareholders' meeting to approve the Merger. Merger Sub filed the required merger proposals with the Israeli Companies Registrar on February 4, 2019. We filed the required merger proposals with the Israeli Companies Registrar on February 17, 2019. Under the ICL, at least 50 days must pass from the date of the filing of the merger proposal by both merging companies with the Israeli Companies Registrar before the Merger can become effective.

Notice to Creditors. In addition, each of us and Merger Sub is required to notify its creditors of the proposed Merger. Pursuant to the ICL, a copy of the merger proposal must be sent to the secured creditors of each company within three days after the merger proposal is filed with the Israeli Companies Registrar, and, within four business days of such filing, known substantial creditors must be informed individually by registered mail of such filing and where the merger proposal can be reviewed. Non-secured creditors must be informed of the merger proposal by publication in two daily Hebrew newspapers circulated in Israel on the day that the merger proposal is filed with the Israeli Companies Registrar and, and by making the merger proposal available for review. Each of us and Merger Sub has notified our respective creditors of the Merger in accordance with these requirements, to the extent applicable and, because our shares are traded on the NASDAQ, we have also published an announcement of the Merger in the U.S. Each of us and Merger Sub has notified the Israeli Companies Registrar of the notices to our respective creditors. In addition, pursuant to the ICL, because we employ more than 50 employees, we must provide to the workers' union a copy of the publication placed in the newspapers or post a copy of the publication placed in the newspapers in a prominent location in the workplace within three business days after the merger proposal was filed with the Israeli Companies Registrar. We have satisfied such requirement by posting a copy of the publication in a prominent location in our office.

Shareholder Approval Notice. After the meeting, and assuming the approval of the Merger thereat by the Company's shareholders, the Company must file a notice with the Israeli Companies Registrar regarding the vote of the shareholders. The sole shareholder of Merger Sub approved the Merger on February 3, 2019 and Merger Sub filed a notice with the Israeli Companies Registrar on February 4, 2019 regarding the vote of the shareholder of Merger Sub. At least 30 days must pass from the date of the meeting before the Merger can become effective.

No later than the closing date of the Merger (assuming that the shareholders of the Company approved the Merger Agreement and the Merger and that all of the other conditions set forth in the Merger Agreement have been satisfied or waived (if permissible under applicable law)), each of us and Merger Sub will notify the Israeli Companies Registrar that all of the conditions to the closing have been met and request that the Israeli Companies Registrar issue a certificate evidencing the completion of the Merger in accordance with Section 323(5) of the ICL. Assuming all statutory procedures and requirements have been complied with, the Merger will then become effective and the Israeli Companies Registrar will be required to register the Merger in the surviving company's register and to issue the surviving company a certificate regarding the Merger.

Israel Innovation Authority

The change in the composition of the Company's shareholders in connection with the Merger and the transfer of control therein require the submission of notice to the National Authority for Technological Innovation of the Ministry of Economy and Industry of the State of Israel, formerly known as the Office of the Chief Scientist of the Ministry of Economy and Industry of the State of Israel.

Israeli Tax Rulings

We have agreed to request certain rulings from the Israel Tax Authority. See “— Material Israeli Tax Consequences.”

Other Regulatory Approvals

Other than the filings described above, the Company is not aware of any material regulatory filings or approvals issued by the United States government, the State of Israel, or any foreign, state or local government, required to be obtained, or waiting periods required to expire, to complete the Merger. If Parent or the Company discover that other such material approvals or waiting periods are necessary, Parent, Merger Sub and/or the Company (as applicable) will seek to obtain or comply with them in accordance with the Merger Agreement.

The shareholders of the Company are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties, covenants and agreements or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, Ultimate Parent, Parent or Merger Sub or any of their respective affiliates or businesses. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement. In addition, you should not rely on the covenants in the Merger Agreement as actual limitations on the respective businesses of the Company, Ultimate Parent, Parent and Merger Sub, because the parties may take certain actions that are either expressly permitted in a certain confidential disclosure letter provided to Parent and Merger Sub in connection with the Merger Agreement or as otherwise consented to by the appropriate party, which consent may be given without prior notice to the public. The Merger Agreement is described below, and included as Annex A, only to provide you with information regarding its terms and conditions, and not to provide any other factual information regarding the Company, Ultimate Parent, Parent, Merger Sub or their respective businesses. Accordingly, the representations, warranties, covenants and other agreements in the Merger Agreement should not be read alone, and you should read the information provided elsewhere in this document and in our filings with the SEC regarding the Company and our business.

Effects of the Merger; Directors and Officers; Company Memorandum and Company Articles of Association

The Merger Agreement provides that, subject to the terms and conditions of the Merger Agreement, and in accordance with the ICL, at the Effective Time, (1) Merger Sub will be merged with and into the Company, with the Company, as the surviving company, becoming a wholly owned subsidiary of Parent; and (2) the separate corporate existence of Merger Sub will cease. From and after the Effective Time, the surviving company will possess all properties, rights, privileges, powers and franchises of the Company and Merger Sub, and all of the debts, liabilities and duties of the Company and Merger Sub will become the debts, liabilities and duties of the surviving company.

The parties will take all necessary action to ensure that, effective as of, and immediately following, the Effective Time, the Board of the surviving company will consist of the directors of Merger Sub at the Effective Time, to hold

office in accordance with the articles of association of the surviving company until their successors are duly elected or appointed and qualified. From and after the Effective Time, the officers of the Company at the Effective Time will be the officers of the surviving company, until their successors are duly appointed. At the Effective Time, the articles of association of Merger Sub, as in effect immediately prior to the Effective Time, shall become the articles of association of the surviving company and, unless otherwise determined by Parent prior to the Effective Time, the memorandum of association of the Company, as in effect prior to the Effective Time shall become the memorandum of association of the surviving company, until thereafter amended.

Closing and Effective Time

The closing of the Merger will take place on the second (2nd) business day following the satisfaction or waiver of all conditions to closing of the Merger (described below under the caption “The Merger Agreement — Conditions to the Closing of the Merger”) (other than those conditions to be satisfied at the closing of the Merger, but subject to the satisfaction or waiver of such conditions at the closing) or such other time agreed to in writing by Ultimate Parent, Parent, Merger Sub and the Company. The Merger will become effective upon the issuance by the Israeli Companies’ Registrar of the certificate of merger in accordance with Section 323(5) of the ICL.

Merger Consideration

Ordinary Shares

At the Effective Time, each outstanding ordinary share (other than ordinary shares owned by Parent or the Company, or by any direct or indirect wholly owned subsidiary of Parent or the Company) will be converted into the right to receive \$0.86 in cash (the “Merger Consideration”), without interest and less any applicable withholding taxes.

Outstanding Equity Awards

As a result of the Merger, the treatment of Company Options and RSUs that are outstanding immediately prior to the Effective Time will be as follows:

Options

To the extent not exercised prior to the Effective Time, each vested and unvested Company Option will be cancelled and converted into the right to receive an amount in cash (without interest and subject to deduction for any required withholding tax) equal to the product of the excess, if any, of the Merger Consideration (i.e. \$0.86 per share) over the exercise price per share of each such Company Option (the “Option Consideration”) less any applicable withholding taxes.

Since the Merger Consideration is lower than the lowest exercise price of any of the Company Options, all vested and unvested Company Options will be cancelled without consideration upon the Effective Time and no Option Consideration will be paid.

Restricted Stock Units

Each vested and unvested RSU will be cancelled and converted into the right to receive an amount in cash (without interest and subject to deduction for any required withholding tax) equal to the product of (1) the Merger Consideration (i.e. \$0.86 per share) and (2) the number of ordinary shares subject to such RSU.

Exchange and Payment Procedures

Prior to the closing of the Merger, Parent will designate a bank or trust company reasonably acceptable to the Company, which we refer to as the “payment agent,” to make payments of the Merger Consideration to the shareholders of the Company. At or prior to the Effective Time, Parent will deposit or cause to be deposited with the payment agent cash sufficient to pay the aggregate Merger Consideration to the shareholders of the Company.

Promptly following the Effective Time, the payment agent will send to all holders of record of ordinary shares a letter of transmittal and instructions advising such shareholders how to surrender share certificates and book-entry shares in exchange for their portion of the aggregate Merger Consideration. Upon receipt of (1) surrendered certificates (or affidavits of loss in lieu thereof) or book-entry shares representing the ordinary shares; and (2) a signed letter of transmittal and such other documents as may be required pursuant to such instructions, the holders of such ordinary shares will be entitled to receive their portion of the aggregate Merger Consideration in exchange therefor. The amount of any Merger Consideration paid to the shareholders of the Company may be reduced by any applicable withholding taxes.

If any cash deposited with the payment agent is not claimed within one year following the Effective Time, such cash will be returned to Parent upon demand, and any holders of ordinary shares who have not complied with the exchange procedures in the Merger Agreement will thereafter look only to Parent as general creditors for payment of the Merger Consideration.

The letter of transmittal will include instructions if a shareholder of the Company has lost a share certificate or if such certificate has been stolen or destroyed. In the event any certificates have been lost, stolen or destroyed, then before such shareholder will be entitled to receive the Merger Consideration, such shareholder will have to make an affidavit of the loss, theft or destruction and agree to indemnify and hold Parent harmless against any claim that may be made against it with respect to such certificate, all as further provided in the letter of transmittal.

Representations and Warranties

The Merger Agreement contains representations and warranties of the Company, Parent and Merger Sub.

Some of the representations and warranties in the Merger Agreement made by the Company are qualified as to “materiality” or “Company Material Adverse Effect.” For purposes of the Merger Agreement, “Company Material Adverse Effect” means, with respect to the Company, any effect, change, event, occurrence, circumstance or development that is or would reasonably be expected to become materially adverse to the business, financial condition or results of operations of the Company and its subsidiaries, taken as a whole; provided, however, that in no event shall any of the following, either alone or in combination be taken into account when determining whether a Company Material Adverse Effect shall have occurred:

Alternative Acquisition Proposals

From the date of the Merger Agreement until the earlier to occur of the termination of the Merger Agreement and the Effective Time, the Company has agreed not to, and to cause its subsidiaries and its and their respective representatives not to:

- initiate, solicit, propose, knowingly encourage (including by providing information) or take any action to knowingly facilitate any inquiries or the making of any proposal or offer that constitutes, or would reasonably be expected to lead to an Acquisition Proposal (as defined below);
- engage in, continue or otherwise participate in any discussions or negotiations regarding, or provide any information or data concerning the Company or any of its subsidiaries to any person relating to, any Acquisition Proposal or any proposal or offer that would reasonably be expected to lead to an Acquisition Proposal;
- grant any waiver, amendment or release under any standstill or confidentiality agreement or any rights agreement; or approve, endorse, recommend or execute or enter into any letter of intent, agreement in principle, merger agreement, acquisition agreement or other similar agreement (other than a confidentiality agreement) relating to an Acquisition Proposal or any proposal or offer that would reasonably be expected to lead to an Acquisition Proposal, or that contradicts the Merger Agreement or requires the Company to abandon the Merger Agreement.

Notwithstanding the restrictions described above, prior to, but not after, the adoption of the Merger Agreement by the shareholders of the Company, the Company may provide information to, and engage or participate in negotiations or substantive discussions with, a person that has submitted an unsolicited bona fide written Acquisition Proposal if the Board determines in good faith after consultation with its financial advisor and its outside legal counsel that such unsolicited Acquisition Proposal is a Superior Proposal or is reasonably likely to lead to a Superior Proposal; provided that (1) the Board has determined in good faith (after consultation with its outside legal counsel) that the failure to take such action would reasonably be expected to be inconsistent with its fiduciary duties, (2) the Company already has entered into, or enters into, an acceptable confidentiality agreement with such third party, (3) the Company notifies Parent of the identity of such person and provides Parent all terms and conditions of such Acquisition Proposal (and if in written form, a copy thereof), and (4) if the Company furnishes non-public information to the third party which Parent has not yet received, it will promptly furnish such information to Parent.

For purposes of this Proxy Statement and the Merger Agreement:

“Acquisition Proposal” means any inquiry, proposal or offer relating to:

(i) the acquisition of 20% or more of any class of equity securities of the Company (by vote or by value) by any third party (i.e., any person or entity other than the Company, Parent, Merger Sub or their respective affiliates),

(ii) any merger, consolidation, business combination, reorganization, share exchange, sale of assets, recapitalization, equity investment, joint venture, liquidation, dissolution or other transaction that would result in any third party acquiring assets (including share capital of or interest in any subsidiary or affiliate of the Company) representing, directly or indirectly, 20% or more of the net revenues, net income or assets of the Company and its subsidiaries, taken as a whole,

(iii) the acquisition (whether by merger, consolidation, equity investment, share exchange, joint venture or otherwise) by any third party, directly or indirectly, of any class of equity securities in any entity that holds assets representing, directly or indirectly, 20% or more of the net revenues, net income or assets of the Company and its subsidiaries, taken as a whole,

(iv) any tender offer or exchange offer, as such terms are defined under the Exchange Act, that, if consummated, would result in any third party beneficially owning 20% or more of the outstanding ordinary shares of the Company and any other voting securities of the Company (or instruments convertible to or exchangeable for 20% or more of such outstanding ordinary shares or securities), or

(v) any combination of the foregoing.

“Superior Proposal” means a bona fide written Acquisition Proposal (with all of the percentages included in the definition of “Acquisition Proposal” increased to 50%) that the Board determines in good faith, after consultation with its independent financial advisor and outside legal counsel, and taking into consideration, among other things, all of the terms, conditions, impact and all legal, financial, regulatory and other aspects of such Acquisition Proposal and the Merger Agreement (in each case taking into account any revisions to the Merger Agreement made or proposed in writing by Parent prior to the time of determination), including financing, regulatory approvals, shareholder litigation, identity of the person or group making the Acquisition Proposal and its or their financial means, breakup fee and expense reimbursement provisions and other events or circumstances beyond the control of the Company, (a) is reasonably likely to be consummated in accordance with its terms and (b) would result in a transaction more favorable to the shareholders of the Company from a financial point of view than the transactions provided for in the Merger Agreement (after taking into account the expected timing and risk and likelihood of consummation).

The Board Recommendation; Company Adverse Recommendation Change

As described above, and subject to the provisions described below, the Board has made the recommendation that the shareholders of the Company vote “FOR” the Merger Proposal. The Merger Agreement provides that the Board will not effect a company adverse recommendation change except as described below.

Prior to the adoption of the Merger Agreement by the shareholders of the Company, the Board may not (with any action described in the following being referred to as a “company adverse recommendation change”):

- withhold, withdraw, modify or qualify the recommendation of the Board in a manner that is adverse to Parent or Merger Sub, or publicly propose to do so;
- adopt, approve, or recommend, or propose to adopt, approve, or recommend, an Acquisition Proposal;
- fail to publicly reaffirm the recommendation of the Board within four (4) business days after Parent so requests in writing (it being understood that the Board shall have no obligation to so reaffirm its recommendation on more than three occasions);
- fail to include the recommendation of the Board in this Proxy Statement; or
- fail to recommend against any Acquisition Proposal subject to Regulation 14D under the Exchange Act in a Solicitation/Recommendation Statement on Schedule 14D-9 within ten (10) business days after the commencement of such Acquisition Proposal.

The Board may only effect a company adverse recommendation change in response to a bona fide Acquisition Proposal that the Board has concluded in good faith (after consultation with its financial advisor and outside legal counsel) is a Superior Proposal if:

- the bona fide written Acquisition Proposal was not solicited in violation of the Company’s non-solicitation obligations under the Merger Agreement;
- the Board has determined in good faith (after consultation with its financial advisor and outside legal counsel) that such Acquisition Proposal is a Superior Proposal;
- the Company shall have provided prior written notice to Parent at least two (2) business days in advance to the effect that the Board has received a bona fide written Acquisition Proposal that is not withdrawn and that the Board concludes in good faith constitutes a Superior Proposal and, absent any revision to the terms and conditions of the Merger Agreement, the Board has resolved to effect a company adverse recommendation change or to terminate the

Merger Agreement, which notice shall specify the basis for such company adverse recommendation change or termination;

prior to effecting such company adverse recommendation change or termination, the Company and its representatives, during the two (2) business day notice period describe above, has negotiated with Parent and its representatives in good faith (to the extent that Parent desires to so negotiate) to make such adjustments to the terms and conditions of the Merger Agreement so that such Acquisition Proposal would cease to constitute a Superior Proposal; and

the Board determined (after consultation with its outside legal counsel and after considering any counter-offer or proposal made by Parent) that, in light of such Superior Proposal, the failure to effect a company adverse recommendation change would reasonably be expected to be inconsistent with its fiduciary duties.

Efforts to Close the Merger

Under the Merger Agreement, Parent, Merger Sub and the Company agreed to use reasonable best efforts to take (or cause to be taken) all actions, and to do (or cause to be done), all things necessary, proper, or advisable to consummate and make effective the Merger and the other transactions contemplated thereunder, including using their reasonable best efforts to comply with all regulatory notification requirements and obtain all regulatory approvals required to consummate the Merger and the other transactions contemplated by the Merger Agreement. Additionally, under the Merger Agreement, Parent, Merger Sub, and the Company agreed that, if and to the extent necessary to obtain clearance under any antitrust laws applicable to the Merger, to cooperate in promptly making any such filings, furnishing information required in connection therewith and seeking to obtain timely any such consents, permits, authorizations, approvals or waivers.

However, neither Parent, Merger Sub, nor the Company is required to sell, divest, license or otherwise dispose of any capital stock or other equity or voting interest, assets (whether tangible or intangible), rights, products or businesses of Parent or Merger Sub (or their respective affiliates), on the one hand, and the Company and its subsidiaries, on the other hand.

Indemnification and Insurance

The Merger Agreement provides that a period of six (6) years from the Effective Time, the surviving company and its subsidiaries will (and Parent will cause the surviving company and its subsidiaries to) (1) honor and fulfill in all respects the obligations of the Company and its subsidiaries under any and all indemnification agreements between the Company or any of its subsidiaries, on the one hand, and the current or former directors or officers of the Company or its subsidiaries, on the other hand (including any person that becomes a director or officer of the Company or its subsidiaries prior to the Effective Time), and (2) include in the articles of association of the surviving company provisions with respect to indemnification, exculpation and the advancement of expenses that are at least as favorable as those set forth in the Company's current articles of association and memorandum of association, for a period of six (6) years from the Effective Time.

In addition, the Merger Agreement provides that, during the six (6) year period commencing at the Effective Time, the surviving company will (and Parent must cause the surviving company to) indemnify, advance expenses to, and hold harmless all the current or former directors or officers of the Company or its subsidiaries to the same extent and in the same manner such persons are indemnified as of the date of the Merger Agreement by the Company pursuant to any indemnification agreements between such persons and the Company, the ICL, the Company articles of association and the Company memorandum of association for acts or omissions occurring at or prior to the Effective Time; provided, however, in the case of advancement of expenses, any person to whom expenses are advanced provides an undertaking, to the extent required by the ICL, to repay such advance if it is ultimately determined that such person is not entitled to indemnification.

In addition, without limiting the foregoing, the Merger Agreement requires Parent to cause the surviving company to maintain or substitute (including through a "tail" insurance policy), on terms no less advantageous to the indemnified parties, Company's directors' and officers' insurance policies for a period of at least six (6) years commencing at the Effective Time. Neither Parent nor the surviving company will be required to pay premiums for such policy to the extent such premiums exceed, on an annual basis, 250% of the aggregate annual premiums currently paid by the Company, and if the premium for such insurance coverage would exceed such amount Parent shall be obligated to cause the surviving company to obtain the greatest coverage available for a cost equal to such amount.

The application was filed by the Company on February 26, 2019.

Financing

Parent may seek to obtain debt financing for the transaction. The Company agreed to use its commercially reasonable efforts to provide to Parent, at Parent's expense, on a timely basis, such cooperation that is customary and reasonably requested by Parent in connection with the arrangement and consummation of any debt financing. However, the Company shall not be deemed to be in default in or breach of these cooperation obligations unless the Company knowingly and intentionally breaches such obligations and such knowing and intentional material breach is the primary reason for failure to obtain such financing.

Termination of the Merger Agreement

The Merger Agreement may be terminated at any time prior to the Effective Time, whether before or after the adoption of the Merger Agreement by the shareholders of the Company, in the following ways:

· by mutual written agreement of the Company and Parent;

· by either the Company or Parent if:

the Effective Time shall not have occurred on or before June 3, 2019, which we refer to as the “outside date” (except that the right to terminate the Merger Agreement as a result of the occurrence of the outside date will not be available to any party if the failure of such party to perform or comply with its obligations under the Merger Agreement has been the principal cause or resulted in the failure of the closing of the Merger to have occurred on or before such date);

the shareholders of the Company fail to adopt the Merger Agreement at the shareholder meeting or any adjournment or postponement thereof; or

any governmental authority of competent jurisdiction shall have issued and order or taken any other action, in either case permanently enjoining, restraining or otherwise prohibiting the Merger, and such order or other action shall have become final and nonappealable; provided that the party seeking to terminate the Merger Agreement as described in this bullet point shall not have failed to use such efforts as required by the Merger Agreement to prevent and oppose such order or other action;

· by the Company if:

Parent or Merger Sub has breached or failed to perform any of its respective representations, warranties, covenants or other agreements set forth in the Merger Agreement such that certain corresponding conditions set forth in the Merger Agreement are not satisfied, and such breach is (i) not capable of being cured, or (ii) is not cured, before the earlier of the outside date or the date that is thirty (30) days following the Company’s delivery of written notice of such breach; provided that the Company may terminate the Merger Agreement at the end of such 30-day period only if Parent and Merger Sub cease or fail to exercise and continue commercially reasonable efforts to cure such breach; and provided further that the Company may not terminate the Merger Agreement as described in this bullet point if the Company is in material breach of any representation, warranty, covenant or agreement contained in the Merger Agreement;

· in the event that all of the conditions to closing have been satisfied (other than those conditions that by their terms are to be satisfied at the closing, each of which is capable of being satisfied at the closing), but Parent and Merger Sub have failed to consummate the Merger, and the Company has irrevocably notified Parent in writing that all of the conditions to closing have been satisfied and continue to be satisfied (other than those conditions that by their terms are to be satisfied at the closing, each of which is capable of being satisfied at the closing) or that it is willing to

waive any unsatisfied conditions, and Parent and Merger Sub fail to consummate the Merger on the later of (1) the expiration of three (3) business days after the receipt of such notice or (2) a date set forth in such notice; or

so long as the Company is not then in breach of its obligations related to Acquisition Proposals and Superior Proposals (other than (1) any materially cured breaches thereof or (2) any immaterial or inadvertent breaches thereof not intended to result in an Acquisition Proposal), in order to enter into a definitive agreement with respect to a Superior Proposal in accordance with the terms of the Merger Agreement, subject to the Company paying to Parent a termination fee of \$560,986 (described below under the caption “The Merger Agreement – Termination Fee and Expense Reimbursement Payable by the Company”); and

by Parent if:

the Company has breached or failed to perform any of its representations, warranties, covenants or other agreements set forth in the Merger Agreement such that certain corresponding conditions set forth in the Merger Agreement are not satisfied, and such breach is (i) not capable of being cured, or (ii) is not cured, before the earlier of the outside date or the date that is thirty (30) days following the Parent’s delivery of written notice of such breach; provided that Parent may terminate the Merger Agreement at the end of such 30-day period only if the Company ceases or fails to exercise and continue commercially reasonable efforts to cure such breach; and provided further that Parent may not terminate the Merger Agreement as described in this bullet point if Parent or Merger Sub is then in material breach of any representation, warranty, covenant or agreement contained in the Merger Agreement;

the Board effects a company adverse recommendation change; or

the Company has breached its obligations related to calling a shareholder meeting or to Acquisition Proposals and Superior Proposals (other than (1) any materially cured breaches thereof or (2) any immaterial or inadvertent breaches thereof not intended to result in an Acquisition Proposal); provided, that Parent may not terminate the Merger Agreement as described in this bullet point if Parent or Merger Sub is then in material breach of any representation, warranty, covenant or agreement contained in the Merger Agreement.

In the event that the Merger Agreement is terminated pursuant to the termination rights above, the Merger Agreement will be of no further force or effect without liability of any party to the other parties, as applicable, except certain sections of the Merger Agreement will survive the termination of the Merger Agreement in accordance with their respective terms, including terms relating to termination fee, reimbursement of expenses and monetary damages. Notwithstanding the foregoing, nothing in the Merger Agreement will relieve any party from any liability for any fraud in connection with the Merger Agreement. In addition, no termination of the Merger Agreement will affect the rights or obligations of any party pursuant to the confidentiality agreement among the Company, Kofax, Inc., Trident Capital and Thomas Bravo, LLC or Kofax, Inc.’s obligation, as guarantor under the Merger Agreement which rights, obligations and agreements will survive the termination of the Merger Agreement in accordance with their respective terms.

Termination Fee and Expense Reimbursement Payable by the Company

If the Merger Agreement is terminated in specified circumstances, the Company has agreed to pay Parent a termination fee of \$560,986.

Parent will be entitled to receive the termination fee from the Company if the Merger Agreement is terminated:

by the Company or Parent (1) because the shareholders of the Company fail to adopt the Merger Agreement, (2) prior to the time at which a vote is taken on the adoption of the Merger Agreement (or an adjournment or postponement thereof) an offer or proposal for a competing acquisition transaction is publicly announced or will become publicly known and not withdrawn and (3) within one (1) year following the termination of the Merger Agreement, the foregoing competing acquisition transaction is consummated or the Company enters into a definitive contract to consummate such competing acquisition transaction and such competing acquisition transaction is subsequently consummated; the termination fee will be reduced by any expenses already paid to Parent (see the last paragraph of this section);

by the Company in order to enter into a definitive agreement to consummate a Superior Proposal that was not solicited in violation of the terms of the Merger Agreement and the Company gave Parent the proper notice and ability to negotiate revisions of the terms of the Merger Agreement in order to cause the proposal to cease to be a

Superior Proposal; or
·by Parent in the event that the Board shall have effected a company adverse recommendation change.

If the Merger Agreement is terminated due to the failure of the shareholders of the Company to adopt the Merger Agreement but the Parent is not entitled to the termination fee, as long as Parent and Merger Sub are not in material breach of their representations, warranties, covenants or agreements under the Merger Agreement then the Company shall pay Parent up to \$750,000 of its reasonable and documented out-of-pocket expenses (including legal fees and expenses) incurred in connection with the transactions contemplated by the Merger Agreement. The Parent shall also be entitled to such reimbursement of expenses if the Merger Agreement is terminated for willful breach or failure by the Company to perform any of its representations, warranties, covenants or other agreements set forth in the Merger Agreement such that certain corresponding conditions set forth in the Merger Agreement are not satisfied (described above under the caption “The Merger Agreement - Termination of Merger Agreement”).

56

Specific Performance and Monetary Damages

In the event of a breach or threatened breach of any covenant or obligation in the Merger Agreement, subject to the immediately following paragraph, the non-breaching party will be entitled to an injunction, specific performance or other equitable relief to enforce specifically the terms and provisions of the Merger Agreement. Such right includes the Company's right to specifically enforce Parent's and Merger Sub's obligation to consummate the Merger.

In the event that that the Merger Agreement is terminated by Parent, Parent or any of its former, current or future directors, officers, employees, agents, general or limited partners, managers, members, shareholders, affiliates or assignees of the foregoing persons, shall have the right to seek and obtain money damages from the Company; provided, however, that, other than in the case of fraud, if the Company pays the termination fee, then such payment shall be considered liquidated damages and no further monetary damages shall be payable to any such person.

If the Merger Agreement is terminated by the Company for breach of any representation, warranty or covenants of Parent or Merger Sub or for failure by Parent or Merger Sub to consummate the Merger Agreement, in each case in circumstances giving the Company the right to terminate the Merger Agreement, where such breaches are material, intentional and willful, then the Company, its subsidiaries or any of their respective former, current or future directors, officers, employees, agents, general or limited partners, managers, members, shareholders, affiliates or assignees of the foregoing persons, shall have the right to seek and obtain money damages from Parent or Merger Sub; provided, however, that, other than in the case of fraud, under no circumstances will the collective monetary damages payable by Parent, Merger Sub or any of their affiliates for such breaches exceed an amount equal to \$2,404,228.

Fees and Expenses

Except in specified circumstances, whether or not the Merger is completed, the Company, on the one hand, and Parent and Merger Sub, on the other hand, are each responsible for all of their respective costs and expenses incurred in connection with the Merger and the other transactions contemplated by the Merger Agreement. Parent will pay, or cause the Company to pay, the Company's out-of-pocket costs and expenses incurred in connection with the Merger Agreement against delivery of invoices.

Parent Guaranty

Kofax, Inc. has agreed to irrevocably and unconditionally guarantee the due and punctual payment of all amounts due and payable by Parent and Merger Sub pursuant the Merger Agreement as and when due and payable.

Amendment

The Merger Agreement may be amended in writing at any time before or after adoption of the Merger Agreement by the shareholders of the Company. However, after adoption of the Merger Agreement by the shareholders of the Company, no amendment that requires further approval by the shareholders of the Company pursuant to applicable law may be made without such approval.

Governing Law

The Merger Agreement is governed by Israeli law.

THE VOTING AGREEMENTS

This section describes the material terms of the Voting Agreements. The description in this section and elsewhere in this Proxy Statement is qualified in its entirety by reference to the complete text of the Voting Agreements, the form of which is attached as Annex C and is incorporated by reference into this Proxy Statement. This summary does not purport to be complete and may not contain all of the information about the Voting Agreements that is important to you. You are encouraged to read the form of Voting Agreement carefully and in its entirety before you decide how to vote.

Izhak Nakar and his affiliated entity Nir 4 You Technologies Ltd, Brendan Reidy, and entities affiliated with Trident Capital Management-V, L.L.C. (of which Donald Dixon, the Chairman of the Board of Directors of the Company is a principal), who collectively hold approximately 24.6% of the outstanding ordinary shares of the Company on the date of the Merger Agreement, have agreed to vote the subject ordinary shares (and any hereafter acquired ordinary shares) at any meeting of the Company's shareholders however called (or in any action by written consent in lieu of a meeting):

- in favor of the adoption of the Merger Agreement and the approval of the Merger and the other transactions contemplated by the Merger Agreement;
- against any Acquisition Proposal and any agreement pertaining to an Acquisition Proposal (other than the Merger Agreement); and
- against any action, proposal, agreement or transaction that would reasonably be expected to materially impede, interfere with, frustrate, delay, postpone or adversely affect the consummation of the Merger.

Each of the above-named shareholders has agreed that they will not:

- sell, transfer, exchange or otherwise dispose of any of the securities of the Company such shareholder holds or beneficially owns or has any interest therein, except as otherwise provided in the Voting Agreement and, in the case of any such permitted transfers, the transferee has agreed to be bound by the terms of the Voting Agreement and has executed a joinder to the Voting Agreement memorializing such agreement; or
- grant any proxy or power of attorney with respect to any of the securities of the Company such shareholder holds or beneficially owns, or deposit any of the securities of the Company such shareholder holds or beneficially owns into a voting trust, or enter into a voting agreement or arrangement with respect to any such securities, other than as required to comply with such shareholder's obligations under the Voting Agreement.

In the Voting Agreements, each shareholder party thereto made customary representations and warranties to the Parent with respect to, among other things, such shareholder's ownership of the ordinary shares, authority to enter into the Voting Agreement and enforceability of the Voting Agreement against such shareholder.

The obligations of each of the above-named shareholders under their respective Voting Agreement will terminate on the earliest to occur of (i) the termination of the Merger Agreement in accordance with its terms and (ii) the outside terminate date set forth in the Merger Agreement (i.e. June 3, 2019).

The foregoing restrictions should not be construed to prevent or otherwise affect any action taken by any such shareholder in his capacity as a director and/or officer of the Company or from fulfilling his obligations as a director or officer of the Company, including the performance of obligations required by the fiduciary duties of such individual acting solely in his capacity as an officer or director of the Company.

NON-BINDING, ADVISORY VOTE ON TRANSACTION-RELATED COMPENSATION FOR TIS'S EXECUTIVE OFFICERS

Golden Parachute Compensation

This section sets forth the information required by Item 402(t) of the SEC's Regulation S-K regarding certain compensation that may be paid or become payable to TIS's named executive officers in connection with the Merger, including assuming that their employment is terminated under certain circumstances, and the agreements and understandings pursuant to which such compensation may be paid or become payable, which we refer to as the transaction-related executive compensation. These potential payments consist of:

Payments in connection with TIS equity compensation awards, the treatment of which is described in more detail in the section entitled "The Merger — Interests of Certain of TIS Executive Officers and Directors in the Merger" beginning on page 38 of this Proxy Statement.

Severance payment that Brendan Reidy would be entitled to receive in connection with a termination of employment without cause or resignation with good reason (a covered termination) pursuant to the terms of Mr. Reidy's employment agreement with TIS America, Inc. dated as of March 9, 2017, which defines the terms cause and good reason as used herein) (the "Reidy Employment Agreement").

Further details on these potential payments and benefits, including applicable vesting terms and conditions, are provided in the footnotes to the table below and in the section entitled "The Merger — Interests of Certain of TIS's Directors and Executive Officers in the Merger" beginning on page 38 of this Proxy Statement.

For purposes of quantifying these potential payments and benefits for the table below, the following assumptions were used:

the closing of the Merger will occur on May 31, 2019;

the value of the ordinary shares in the Merger will be \$0.86; and

immediately following the closing of the Merger, Brendan Reidy will experience a covered termination (i.e., the employment of Mr. Reidy will be terminated without cause or due to resignation with good reason).

The amounts shown are estimates based on multiple assumptions and do not reflect compensation actions that could occur after the date of this Proxy Statement and before the closing of the Merger. As a result, the actual amounts received by a executive officer may differ materially from the amounts shown in the following table.

For purposes of this discussion, "single-trigger" benefits are those that arise solely as a result of the closing of the merger, while "double-trigger" benefits require the occurrence of two events: both the closing of the merger, and a covered termination (i.e., a termination without cause or resignation with good reason).

- (3) The cash amount reflects cash severance payments pursuant to the Reidy Employment Agreement.

Vote Required; TIS Board Recommendation

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Rule 14a-21(c) under the Exchange Act require that TIS seek a non-binding, advisory vote from its shareholders to approve the transaction-related executive compensation, as disclosed in this section entitled "Non-Binding, Advisory Vote on Transaction-Related Compensation for TIS's Executive Officers" beginning on page 59 of this Proxy Statement. Pursuant to these rules, the approval, on a non-binding, advisory basis, of the transaction-related executive compensation requires the affirmative vote of a majority of votes cast thereon. Votes to abstain are counted toward a quorum, but are not counted for any purpose in determining whether this matter has been approved. Accordingly, TIS is asking its shareholders to vote in favor of the adoption of the following resolution on a non-binding, advisory basis:

"RESOLVED, that the compensation that may be paid or become payable to TIS's executive officers in connection with the Merger and the agreements or understandings pursuant to which such compensation may be paid or become payable, in each case as disclosed pursuant to Item 402(t) of Regulation S-K in 'Non-Binding, Advisory Vote on Transaction-Related Compensation for TIS's Executive Officers,' are hereby APPROVED."

The TIS board recommends that TIS's shareholders approve, on a non-binding, advisory basis, the transaction-related executive compensation described in this proxy statement/prospectus by voting "FOR" the above proposal.

Approval of this proposal is not a condition to consummation of the transaction, and the vote with respect to this proposal is advisory only and will not be binding on TIS, Merger Sub or Kofax. If the Merger is completed, the transaction-related executive compensation may be paid to TIS's executive officers to the extent payable in accordance with the terms of the compensation arrangements even if TIS shareholders fail to approve, on a non-binding, advisory basis, the transaction-related executive compensation.

OTHER MATTERS

Our Board does not intend to bring any matters before the shareholder meeting other than those specifically set forth as proposals in this Proxy Statement, and knows of no matters to be brought before the shareholder meeting by others. If any other matters properly come before the shareholder meeting, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with the judgment and recommendation of the proxy holder.

Ultimate Parent is made a party to this Agreement solely for purposes of Section 8.9 hereof. Certain capitalized terms used in this Agreement are defined in Article IX, and Article IX includes an index of all capitalized terms used in this Agreement.

RECITALS

WHEREAS, the parties hereto intend to enter into a transaction whereby Merger Sub will merge with and into the Company (the "Merger") on the terms and subject to the conditions set forth in this Agreement and in accordance with the provisions of Sections 314-327 of the Companies Law 5759-1999 of the State of Israel (together with the rules and regulations promulgated thereunder, the "ICL"), pursuant to which each outstanding ordinary share, nominal value NIS 0.04 per share, of the Company (the "Company Ordinary Shares"), shall be converted into the right to receive cash, as set forth herein, and following which Merger Sub will cease to exist and the Company will become a wholly owned subsidiary of Parent, all upon the terms and subject to the conditions of this Agreement;

WHEREAS, the board of directors of the Company (the "Company Board of Directors") has unanimously: (i) determined that this Agreement, the Merger and the other transactions contemplated by this Agreement, taken together, are fair to, and in the best interests of, the Company and its shareholders (the "Company Ordinary Shareholders") and that, considering the financial condition of the merging companies, no reasonable concern exists that, as a result of the Merger, the Surviving Company will be unable to fulfill the obligations of the Company to its creditors; (ii) approved this Agreement, the Merger and the other transactions contemplated hereby; and (iii) determined to recommend that the Company Ordinary Shareholders approve this Agreement, the Merger and the other transactions contemplated hereby;

WHEREAS, the boards of directors of Parent and Merger Sub have each unanimously approved this Agreement, the Merger and the other transactions contemplated hereby, and the board of directors of Merger Sub has: (i) determined that this Agreement, the Merger and the other transactions contemplated by this Agreement, taken together, are fair to, and in the best interests of, Merger Sub and its sole shareholder and that, considering the financial position of the merging companies, no reasonable concern exists that the Surviving Company will be unable to fulfill the obligations of Merger Sub to its creditors; and (ii) determined to recommend that the sole shareholder of Merger Sub approve this Agreement, the Merger and the other transactions contemplated hereby;

WHEREAS, simultaneously with the execution and delivery of this Agreement, the sole shareholder of Merger Sub has approved this Agreement, the Merger and the other transactions contemplated by this Agreement; and

WHEREAS, simultaneously with the execution and delivery of this Agreement, as a condition to Parent's entering into this Agreement and as an inducement thereto, certain Company Ordinary Shareholders have entered into voting agreements in the form attached hereto as Exhibit A (the "Voting Agreements"), dated as of the date hereof, with Parent, pursuant to which, among others, such Company Ordinary Shareholders have agreed to vote such Company Ordinary Shareholders' Company Ordinary Shares in favor of the approval of the Merger and adoption of this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the foregoing premises and the representations, warranties, covenants and agreements contained in this Agreement, as well as other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and accepted, and intending to be legally bound hereby, the parties hereby agree as follows:

ARTICLE I

THE MERGER

Section 1.1 The Merger.

Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the ICL, at the Effective Time, Merger Sub (as the target company (Chevrat Ha'Ya'ad) in the Merger) shall be merged with and into the Company (as the absorbing company (HaChevra Ha'Koletet) in the Merger). As a result of the Merger, the separate corporate existence of Merger Sub shall cease and the Company shall continue as the Surviving Company and shall (a) become a wholly owned direct Subsidiary of Parent, (b) continue to be governed by the Laws of the State of Israel, (c) maintain a registered office in the State of Israel, and (d) succeed to and assume all of the rights, properties and obligations of Merger Sub and the Company in accordance with the ICL.

Section 1.2 Closing.

Unless this Agreement shall have been terminated in accordance with Article VII, the Closing will occur at the offices of Meitar Liquornik Geva Leshem Tal, 16 Abba Hillel Rd., Ramat Gan 52506, Israel, at 10:00 a.m. (local time), on the second (2nd) Business Day following the date on which each of the conditions set forth in Article VI is satisfied or, to the extent permitted by Law, waived by the party entitled to waive such condition (except for any conditions that by their nature can only be satisfied on the Closing Date, but subject to the satisfaction of such conditions or waiver by the party entitled to waive such conditions), or another time, date or place as is agreed to in writing by the parties. The date on which the Closing occurs is referred to herein as the "Closing Date".

Section 1.3 Effective Time.

As soon as practicable after the determination of the date on which the Closing is to take place, each of the Company and Merger Sub shall (and Parent shall cause Merger Sub to), in coordination with each other, deliver to the Registrar of Companies of the State of Israel (the "Companies Registrar") a notice (the "Merger Notice") of the contemplated Merger and the proposed date of the Closing on which the Companies Registrar is requested to issue a certificate evidencing the Merger in accordance with Section 323(5) of the ICL (the "Certificate of Merger") after notice that the Closing has occurred is served to the Companies Registrar, which the parties shall deliver on the Closing Date. The Merger shall become effective upon the issuance by the Companies Registrar of the Certificate of Merger in accordance with Section 323(5) of the ICL. For the avoidance of doubt, and notwithstanding any provision of this Agreement to the contrary, it is the intention of the parties hereto that the Merger shall be declared effective and that the issuance by the Companies Registrar of the Certificate of Merger in accordance with Section 323(5) of the ICL shall both occur on the Closing Date, as a condition to Closing. The time at which the Merger becomes effective is referred to herein as the "Effective Time".

Section 1.4 Effect of the Merger.

The Merger shall have the effects set forth in the ICL and this Agreement. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, by virtue of, and simultaneously with, the Merger and without any further action on the part of Parent, Merger Sub, the Company or any shareholder of the Company, (i) Merger Sub shall be merged with and into the Company, the separate corporate existence of Merger Sub shall cease and the Company shall continue as the Surviving Company, (ii) all the properties, rights, privileges, powers and franchises of the Company and Merger Sub shall vest in the Surviving Company, (iii) all debts, liabilities and duties of the Company and Merger Sub shall become the debts, liabilities and duties of the Surviving Company, and (iv) all the rights, privileges, immunities, powers and franchises of the Company (as the Surviving Company) shall continue unaffected by the Merger in accordance with the ICL.

Section 1.5 Memorandum and Articles of Association.

(a) At the Effective Time, the Articles of Association of Merger Sub, as in effect immediately prior to the Effective Time, shall be the Articles of Association of the Surviving Company.

(b) Unless otherwise determined by Parent prior to the Effective Time, the Memorandum of Association of the Company, as in effect immediately prior to the Effective Time, shall be the Memorandum of Association of the Surviving Company until thereafter amended as provided therein or by applicable Law.

Section 1.6 Directors and Officers of the Surviving Company.

(a) Directors. The parties shall take all actions necessary so that the directors of Merger Sub at the Effective Time shall, from and after the Effective Time, be appointed and serve as the directors of the Surviving Company until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be, in accordance with the Surviving Company's articles of association.

(b) Officers. At the Effective Time, the officers of the Company immediately before the Effective Time shall be the officers of the Surviving Company, until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be.

Section 1.7 Effects on Share Capital.

(a) Share Capital. Upon the terms and subject to the conditions set forth in this Agreement, at the Effective Time, by virtue of the Merger and without any action on the part of Parent, Merger Sub, the Company, or the holders of any of the following securities, the following shall occur:

(i) Conversion of Company Ordinary Shares. Each Company Ordinary Share, issued and outstanding immediately prior to the Effective Time, other than Company Ordinary Shares canceled pursuant to Section 1.7(a)(ii), shall automatically be converted into and represent the right to receive \$0.86 (0 U.S. Dollars and 86 cents) in cash (the "Merger Consideration"), without interest and less applicable Taxes required to be withheld, payable upon the surrender of the certificate representing such Company Ordinary Share (or receipt of an "agent's message" or other acceptable evidence of transfer if such Company Ordinary Share is uncertificated) in the manner provided in Article II (or in the case of a lost, stolen or destroyed certificate, upon delivery of an affidavit in the manner provided in Article II). The amount of cash each Effective Time Holder is entitled to receive shall be rounded to the nearest cent, and computed after aggregating all cash amounts for all Company Ordinary Shares held by such Effective Time Holder.

(ii) Parent-Owned Shares and Shares Held in Treasury. Each Company Ordinary Share held in the treasury of the Company or owned by Parent or any direct or indirect wholly-owned Subsidiary of the Company or of Parent immediately prior to the Effective Time, if any, shall be canceled and retired without any conversion or consideration paid in respect thereof and shall cease to exist.

(iii) Share Capital of Merger Sub. Each Ordinary Share, with no par value, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be automatically and without further action converted into one validly issued, fully paid and nonassessable Ordinary Share, par value four Israeli Agorot (NIS 0.04) per share, of the Surviving Company and such Ordinary Shares shall constitute the only outstanding share capital of the Surviving Company. Each certificate evidencing ownership of such shares of Merger Sub immediately prior to the Effective Time shall, as of the Effective Time, evidence ownership of such shares of the Surviving Company.

(b) Adjustment to the Merger Consideration. The Merger Consideration shall be adjusted appropriately to reflect the effect of any share split, reverse share split, share dividend (including any dividend or any non-cash distribution of securities convertible into Company Ordinary Shares), reclassification, combination, exchange of shares or other like change with respect to Company Ordinary Shares occurring, or with a record date, on or after the date hereof and prior to the Effective Time, and such adjustment to the Merger Consideration shall provide to the holders of Company Ordinary Shares the same economic effect as contemplated by this Agreement prior to such action.

(c) Company Options.

(i) Subject to clause (ii) below, at the Effective Time, each Company Option whether vested or unvested, shall be canceled in exchange for the right to receive a lump sum cash payment (without interest) equal to the product of (i) the excess, if any, of (A) the Merger Consideration over (B) the exercise price per Company Ordinary Share for such Company Option and (ii) the total number of shares underlying such Company Option (the "Option Consideration"), less applicable Taxes required to be withheld with respect to such payment pursuant to Section 2.6. From and after the Effective Date, all Company Options shall no longer be outstanding and shall automatically be cancelled, retired and cease to exist, and each holder of Company Options shall cease to have any rights with respect thereto or arising therefrom, except the right to receive the Option Consideration payable hereunder. If the exercise price per Company Ordinary Share for any Company Option is equal to or greater than the Merger Consideration (an "Underwater Option"), such Underwater Option shall be canceled without payment of consideration.

(ii) Prior to the Effective Time, the Company shall take all action that may be reasonably necessary (under the Company Equity Incentive Plans and otherwise, including providing Company Optionholders with notice of their rights with respect to any such Company Options as provided herein and/or obtaining such Company Optionholders' consents, to the extent required, and including providing the holders of Underwater Options notice of their right to exercise their Underwater Options in accordance with the Company Equity Incentive Plans) to effectuate the provisions of this Section 1.7(c) and to ensure that, from and after the Effective Time, Company Optionholders have no rights with respect thereto other than those specifically provided in this Section 1.7(c).

(iii) The amount of cash each Company Optionholder is entitled to receive for the Company Options held by such holder shall be rounded to the nearest cent and computed after aggregating cash amounts for all Company Options held by such holder.

(iv) As of the Effective Time, the Company Equity Incentive Plans shall terminate and all rights under any provision of any other plan, program or arrangement providing for the issuance or grant of any other interest in respect of the share capital of the Company or any of its Subsidiaries shall be cancelled.

(d) Company RSUs.

(i) At the Effective Time, each Company RSU whether vested or unvested, shall be canceled in exchange for the right to receive a lump sum cash payment (without interest) (to the extent such payment does not trigger Taxes under Code Section 409A) equal to the product of (i) the Merger Consideration and (ii) the number of Company Ordinary Shares subject to such Company RSUs (the "RSUs Consideration"), less applicable Taxes required to be withheld with respect to such payment, and paid in accordance with the applicable terms and conditions of such Company RSU and Code Section 409A. From and after the Effective Date all Company RSUs shall no longer be outstanding and shall automatically be cancelled, retired and cease to exist, and each holder of a Company RSU shall cease to have any rights with respect thereto or arising therefrom, except the right to receive the RSUs Consideration payable hereunder.

(ii) Prior to the Effective Time, the Company shall take all action that may be reasonably necessary (under the Company Equity Incentive Plans and otherwise, including providing Company RSUs Holders with notice of their rights with respect to any such Company RSUs as provided herein and/or obtaining such Company RSUs Holders' consents, to the extent required) to effectuate the provisions of this Section 1.7(d) and to ensure that, from and after the Effective Time, Company RSUs have no rights with respect thereto other than those specifically provided in this Section 1.7(d).

(iii) The amount of cash each Company RSUs Holder is entitled to receive for the Company RSUs held by such holder shall be rounded to the nearest cent and computed after aggregating cash amounts for all Company RSUs held by such holder.

ARTICLE II

EXCHANGE OF CERTIFICATES

Section 2.1 Paying Agent.

Prior to the Effective Time (but in no event later than three (3) Business Days prior to the Closing Date), Parent (i) shall select a bank or trust company reasonably acceptable to the Company to act as the paying agent for the Merger (the "Paying Agent") and, in connection therewith, shall enter into an agreement with the Paying Agent in form satisfactory to Parent and reasonably acceptable to the Company; and (ii) may select an information agent reasonably acceptable to the Company (the "Information Agent") to assist in obtaining any requisite residency certificate and/or other declaration for Israeli Tax withholding purposes and, in connection therewith, shall enter into an agreement with the Information Agent in a form satisfactory to Parent and reasonably acceptable to the Company.

Section 2.2 Exchange Fund.

At the Closing, Parent shall deposit (or cause to be deposited) with the Paying Agent, for payment to the holders of Company Ordinary Shares (including Company Ordinary Shares issued upon exercise of Company 102 Options and Company 102 RSUs that are held by the 102 Trustee ("Company 102 Shares")) pursuant to the provisions of Article I, an amount of cash equal to the aggregate consideration to which such holders of Company Ordinary Shares become entitled under Article I (such cash amount being referred to herein as the "Exchange Fund"). The Exchange Fund shall be invested by the Paying Agent, as directed by Parent or the Surviving Company; provided that such investments shall be in obligations of or guaranteed by the United States of America or of any agency thereof and backed by the full faith and credit of the United States of America, in commercial paper obligations rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Corporation, respectively, or in deposit accounts, certificates of deposit or banker's acceptances of, repurchase or reverse repurchase agreements with, or Eurodollar time deposits purchased from, commercial banks with capital, surplus and undivided profits aggregating in excess of \$500 million (based on the most recent financial statements of such bank which are then publicly available at the SEC or otherwise). Any interest and other income resulting from such investments shall be paid to Parent. To the extent that there are any losses with respect to any investments of the Exchange Fund, or the Exchange Fund diminishes for any reason below the level required for the Paying Agent to promptly pay the cash amounts contemplated by Section 1.7(a)(i), Parent shall, or shall cause the Surviving Company to, promptly replace or restore the cash in the Exchange Fund so as to ensure that the Exchange Fund is at all times maintained at a level sufficient for the Paying Agent to make such payments contemplated by Section 1.7(a)(i). The receipt of the Exchange Fund by the Paying Agent shall be sufficient to discharge the Parent's obligation to pay the amount of cash in question, and the Parent shall have no responsibility or liability, under any circumstances, for the allocation thereof among the Company Ordinary Shareholders. The Exchange Fund shall not be used for any other purpose.

A - 7

Section 2.3 Payment Procedures with respect to Company Ordinary Shares.

Promptly following the Effective Time, Parent and the Surviving Company shall cause the Paying Agent to mail to each holder of record (as of immediately prior to the Effective Time) of (i) a certificate or certificates (the "Certificates") which immediately prior to the Effective Time represented outstanding Company Ordinary Shares and (ii) uncertificated Company Ordinary Shares (the "Uncertificated Shares"), in each case, whose shares were converted into the right to receive the Merger Consideration pursuant to Section 1.7(a)(i) (A) a letter of transmittal in customary form (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Paying Agent) (the "Letter of Transmittal"), (B) a declaration and/or a valid withholding certificate in which the beneficial owner of Company Ordinary Shares (other than Company 102 Shares) provides certain information necessary for Parent to determine whether any amounts need to be withheld from the Merger Consideration payable to such beneficial owner pursuant to the terms of the Ordinance (in each case, subject to the terms of the Withholding Tax Ruling, if obtained), the Code, or any provision of state, local, Israeli or other non-U.S. Law, and/or (C) instructions (including instructions from the Paying Agent) for use in effecting the surrender of the Certificates and Uncertificated Shares in exchange for the Merger Consideration payable in respect thereof pursuant to the provisions of this Article II. Upon surrender of Certificates (or affidavit of loss in lieu thereof) for cancellation to the Paying Agent or to such other agent or agents as may be appointed by Parent, together with the Letter of Transmittal and the declaration for Tax withholding purposes and/or a valid withholding certificate (and such other documents as may reasonably be required by the Paying Agent), duly completed and validly executed in accordance with the instructions thereto, the holders of such Certificates shall be entitled to receive in exchange therefor an amount in cash equal to the Merger Consideration to which the holder thereof is entitled pursuant to Section 1.7(a)(i) (less any applicable withholding Taxes payable in respect thereof), and the Certificates so surrendered shall forthwith be canceled. Upon receipt of an "agent's message" by the Paying Agent (or such other evidence, if any, of transfer as the Paying Agent may reasonably request) in the case of a book-entry transfer of Uncertificated Shares, together with the Letter of Transmittal and the declaration for Tax withholding purposes and/or a valid withholding certificate, as applicable (and such other documents as may reasonably be required by the Paying Agent or Parent), duly completed and validly executed in accordance with the instructions thereto, the holders of such Uncertificated Shares shall be entitled to receive in exchange therefor an amount in cash equal to the Merger Consideration to which the holder thereof is entitled pursuant to Section 1.7(a)(i) (less any applicable withholding Taxes payable in respect thereof), and the transferred Uncertificated Shares so surrendered shall forthwith be canceled. The Paying Agent shall accept such Certificates and transferred Uncertificated Shares upon compliance with such reasonable terms and conditions as the Paying Agent may impose to effect an orderly exchange thereof in accordance with normal exchange practices. No interest shall be paid or accrued for the benefit of holders of the Certificates and Uncertificated Shares on the Merger Consideration payable upon the surrender of such Certificates and Uncertificated Shares pursuant to this Article II. Until so surrendered, outstanding Certificates and Uncertificated Shares shall be deemed from and after the Effective Time, to evidence only the right to receive the Merger Consideration, without interest thereon, payable in respect thereof pursuant to the provisions of this Article II. No Effective Time Holder shall be entitled to receive any amount held by the Paying Agent, unless such holder surrenders its Certificate (or affidavits of loss in lieu thereof) or Uncertificated Share and an executed Letter of Transmittal for payment in accordance with this Section 2.3. Payments and deliveries to be made under this Agreement shall be made in US dollars by check or wire transfer of immediately available funds to such address or bank accounts as shall be set forth in the Letter of Transmittal. Notwithstanding anything to the contrary in this Section 2.3, any Merger Consideration payable in respect of Company 102 Shares shall be transferred by the Paying Agent, in accordance with the terms of this Section 2.3 (including the requirement to surrender the Certificates and Letter of Transmittal by the 102 Trustee with respect to such Company 102 Shares), to the 102 Trustee, for the benefit of the beneficial owners thereof, and be released by the 102 Trustee to the beneficial holders of such Company 102 Shares, in accordance with the requirements of Section 102 of the Ordinance and the Option Tax Ruling, if obtained.

Section 2.4 Payment Procedures With Respect to Company Options and Company RSUs.

(i) At or as soon as practicable following the Effective Time on the Closing Date, Parent shall transfer (i) the aggregate Option Consideration with respect to Company Options subject to Section 102 of the Ordinance (the "Company 102 Options"), and (ii) the aggregate RSUs Consideration with respect to RSUs granted under Section 102 of the Ordinance (the "Company 102 RSUs" and, together with the Company 102 Options, the "Company 102 Securities"), to the 102 Trustee, on behalf of holders of Company 102 Options and Company 102 RSUs, as the case may be, in accordance with Section 102 of the Ordinance and the Options Tax Ruling, if obtained (the "102 Amounts"). The 102 Amounts shall be held in trust by the 102 Trustee pursuant to the applicable provisions of Section 102 of the Ordinance and the Options Tax Ruling, if obtained, and shall be released by the 102 Trustee, together with any interest earned thereon by virtue of the investment of such amounts by the 102 Trustee, in accordance with the terms and conditions of Section 102 of the Ordinance and the Options Tax Ruling, if obtained.

(ii) At or as soon as practicable following the Effective Time on the Closing Date, Parent shall promptly deposit the aggregate amount of funds payable in respect of Company Options and Company RSUs (other than Company 102 Securities) pursuant to Article I with the Company or the applicable employing Subsidiary of the holder thereof, at one or more accounts designated by the Company prior to Closing for the benefit of the holders of such Company Options and Company RSUs (other than Company 102 Securities).

Section 2.5 Transfers of Ownership.

In the event that a transfer of ownership of Company Ordinary Shares is not registered in the share transfer books or ledger of the Company, or if the Merger Consideration is to be paid in a name other than that in which the Certificates or Uncertificated Shares surrendered in exchange therefor are registered in the share transfer books or ledger of the Company, the Merger Consideration may be paid to a Person other than the Person in whose name the Certificate or Uncertificated Share so surrendered is registered in the share transfer books or ledger of the Company only if such Certificate or Uncertificated Shares are properly endorsed and otherwise in proper form for surrender and transfer and the Person requesting such payment has paid to Parent (or any agent designated by Parent) any transfer Taxes required by reason of the payment of the Merger Consideration to a Person other than the registered holder of such Certificate or Uncertificated Shares, or established to the satisfaction of Parent (or any agent designated by Parent) that such transfer Taxes have been paid or are otherwise not payable.

Section 2.6 Required Withholding.

All amounts that the Company and each Company Subsidiary are legally or contractually required either (x) to deduct from their Israeli Employees' salaries or to transfer to such Israeli Employees' pension or provident, life insurance, incapacity insurance, continuing education fund or other similar funds or (y) to withhold from their Israeli Employees' salaries and benefits and to pay to any Governmental Entity as required by the Ordinance and Israeli National Insurance Law or otherwise have, in each case, been duly deducted, transferred, withheld and paid (other

The necessary registration, maintenance and renewal fees in connection with the Registered Company Intellectual Property have been paid and the necessary documents and certificates in connection with the Registered Company Intellectual Property have been filed with the relevant patent, copyright, trademark or other authorities in Israel, the United States or other foreign jurisdictions, as the case may be, for the purposes of perfecting, prosecuting, and maintaining the foregoing. There are no actions that are required to be taken by Company within 90 days of the date of this Agreement with respect to any of the foregoing, except as set out in Section 3.16(a) of the Company Disclosure Letter.

(b) The Company is the owner of all right, title and interest in and to the Registered Company Intellectual Property free and clear of all Encumbrances (other than Permitted Encumbrances) and, has sole and exclusive rights to the use thereof or the material covered thereby in connection with the services or products in respect of which such Registered Company Intellectual Property is being used by the Company or any of its Subsidiaries, subject to any license agreements to which the Company or any of its Subsidiaries is a party and pursuant to which the Company or any of its Subsidiaries licenses others to use any such Registered Company Intellectual Property. The Company or one of its Subsidiaries owns, or is licensed under, or otherwise possesses sufficient rights to, the Intellectual Property or Software used in or necessary for the conduct of the business of the Company or its Subsidiaries as currently conducted.

(c) To the Knowledge of the Company, there is no unauthorized use, disclosure, infringement or misappropriation of any Company Intellectual Property rights by any Third Party, including any employee or former employee of the Company or any of its Subsidiaries. Neither the Company nor any of its Subsidiaries has brought or is bringing or has threatened any action, suit or proceeding for infringement or misappropriation of the Company Intellectual Property or breach of any license or agreement involving Company Intellectual Property against any Third Party.

(d) Neither the Company nor any of its Subsidiaries is a party to any pending Action that involves a claim of infringement or misappropriation by the Company or any of its Subsidiaries of any Intellectual Property of any Third Party nor has any such Action been threatened in writing against the Company or any of its Subsidiaries nor has Company or any of its Subsidiaries received any demands that the Company or any of its Subsidiaries license any Intellectual Property from any Third Party. To the Knowledge of the Company, neither the conduct of the business of the Company and each of its Subsidiaries, nor the development, manufacture, sale, licensing or use of any of the Company Products used in or necessary to the course of Company's and each of its Subsidiaries' conduct of its respective business has infringed or misappropriated or is infringing or misappropriating (i) any Intellectual Property (other than patent rights) of any Third Party or (ii) any patent rights of any Third Party. No Third Party has notified the Company in writing that it is challenging the ownership or use by the Company or any of its Subsidiaries, or the validity or enforceability of, any of the Company Intellectual Property.

(e) The Company or its Subsidiaries have taken commercially reasonable steps to protect and preserve the confidentiality of all material trade secrets and material confidential information of the Company or its Subsidiaries. Without limiting the foregoing, each of the Company and its Subsidiaries have instituted policies requiring each employee, consultant and independent contractor to execute proprietary information and confidentiality agreements substantially in the Company's standard forms, which forms have been made available to Parent.

(f) The Company Intellectual Property was: (i) developed by employees of the Company or its Subsidiaries within the scope of their employment; (ii) developed by independent contractors who have assigned their rights (including Intellectual Property rights) to the Company or its Subsidiaries pursuant to written agreements; or (iii) otherwise acquired by the Company or its Subsidiaries from a Third Party pursuant to written agreements that include representations, warranties or indemnities from such Third Party relating to title to such Intellectual Property; and no current or former employees of the Company or its Subsidiaries have any claim, right (whether or not currently exercisable) or interest to or in any Company Intellectual Property and each such employee who is or was involved in the creation or development of any Company Intellectual Property has signed a valid, enforceable agreement containing a present assignment of Intellectual Property rights to the Company or its Subsidiaries without further payment being owed to any parties (including, with respect to Israeli employees, under Section 134 of the Israeli Patent Law-1967 (the "IPL")) and without any restrictions or obligations on the Company or its Subsidiaries' ownership thereof. No Third Party that has licensed Intellectual Property to the Company or any of its Subsidiaries has ownership rights or license rights to improvements or derivative works made by the Company or any of its Subsidiaries in such Intellectual Property (other than those aspects of such improvements or derivative works that are protected by such licensed Intellectual Property).

(g) Neither the Company nor any of its Subsidiaries have used Open Source Software in a manner that would create obligations for Company or its Subsidiaries with respect to, or grant, or purport to grant, to any Third Party, any rights or immunities, to any Company Intellectual Property or any other license requiring the Company or any of its Subsidiaries to disclose source code to any of the Company Products or grant any rights not specifically granted in the Company's or any of its Subsidiary's license agreement with such Third Party.

(h) The Company and its Subsidiaries use commercially reasonable efforts to protect the Company Products and Software used internally by the Company or its Subsidiaries from becoming infected by viruses, worms, Trojan horses or similar disabling codes or programs. To the Knowledge of the Company, (i) there are no defects in any of the Company Products that would prevent the same from performing materially in accordance with its user specifications, to the extent applicable, and (ii) the Company has not introduced viruses, worms, Trojan horses or similar disabling codes or programs in any of the Company Products.

(i) Neither the Company nor any of its Subsidiaries has disclosed or delivered to any Third Party, agreed to disclose or deliver to any Third Party, or permitted the disclosure or delivery to any escrow agent of, any source code that is Company Intellectual Property and the confidentiality of which is material to the Company. To the Knowledge of the Company, no event has occurred, and no circumstance or condition exists, that (with or without notice or lapse of time, or both) will, or would reasonably be expected to, result in a requirement that any such source code be disclosed or delivered to any Third Party by the Company, any of its Subsidiaries or any person acting on their behalf. To the Knowledge of the Company, there has been no unauthorized theft or disclosure of any source code of a Company Product.

(j) Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, the Company has not received any unresolved, written claims from Third Parties, and to its Knowledge is not aware of any unwritten claims from Third Parties, that any installation services, programming services, integration services, repair services, maintenance services, support services, training services, upgrade services or other services that have been performed by the Company or any Subsidiary for such Third Parties were in any material respect performed improperly or not in conformity with the terms and requirements of all applicable warranties and other Contracts and with all applicable Laws, in each case excluding bug reports or immaterial customer support issues arising in the ordinary course of business.

(k) To the Knowledge of the Company, the Information Systems are adequate for the operation of its business as currently conducted, and the Company and its Subsidiaries have purchased sufficient license rights for all Software used by the Company and its Subsidiaries in such operations.

(l) With respect to the Information Systems: (i) the Company and its Subsidiaries have a commercially reasonable disaster recovery plan in place and have tested such disaster recovery plan for effectiveness, (ii) to the Knowledge of the Company, there have been no successful unauthorized intrusions or breaches of the security of the Information Systems which remain unresolved or have caused or would reasonably be expected to cause any liability to be incurred by the Company, (iii) there have not been any (A) material malfunctions that have not been remedied or replaced in all material respects, or (B) any unplanned downtime or service interruption which remains unresolved and (iv) the Company and its Subsidiaries have implemented or are in the process of implementing (or in the exercise of reasonable business judgment have determined that implementation is not yet in the best interest of the Company and its Subsidiaries) in a timely manner any and all security patches or security upgrades that are generally available for the Company's and its Subsidiaries' Information Systems.

(m) Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, (i) the Company and its Subsidiaries maintain and comply with a global data policy which to the Company's Knowledge reasonably ensures that the Company and its Subsidiaries are in compliance with all applicable Laws and legal requirements pertaining to data privacy and data security; and (ii) to the Knowledge of the Company, there has been no unauthorized access to or use of data, or loss, theft, unintended or improper disclosure of, or security breaches relating to data (including personally identifiable information) used in the businesses of the Company and its Subsidiaries which remain unresolved or have caused or would reasonably be expected to cause any liability to be incurred by the Company.

(n) There are no Contracts or arrangements to which the Company or any of its Subsidiaries is a party under which any Governmental Entity acquires rights with respect to any owned or exclusively licensed Company Products or owned or exclusively licensed Company Intellectual Property, nor, to the Knowledge of the Company, has any Governmental Entity acquired any rights as the result of providing any funding relating to the development of any Company Intellectual Property, including any government rights and prerogatives as defined under the IPL including rights under Section 55, Chapter 6 and Chapter 8 thereof.

(o) No university, military, educational institution, research center, Governmental Entity, entity owned or controlled by any Governmental Entity, hospitals, medical centers or other institutions or organization (each, an "R&D Sponsor") has sponsored or provided funding for research and development conducted in connection with the business of the Company and the Company's Subsidiaries, or has any claim of right to, ownership of or other Lien on any owned or exclusively licensed Company Intellectual. Neither the Company nor any of its Subsidiaries has participated in any standards-setting activities or joined any standards setting or similar organization that would affect the proprietary nature of any Company Intellectual Property or restrict the ability of the Company or any of the Company's Subsidiaries to enforce, license or exclude others from using any Company Intellectual Property. To the Company's Knowledge, no Person (including any current and former employee, consultant or independent contractor of the Company or any of its Subsidiaries) who is or was involved in, or who has or will have contributed to, the creation or development of any of the owned Company Intellectual Property has performed services for, was an employee of, or was otherwise engaged (including as a graduate student) by any R&D Sponsor, during the time period in which such Person was engaged by the Company or any of its Subsidiaries or during the period such Person would be deemed under applicable Law to have contributed to the creation or development of Company Intellectual Property. None of the Company Products or any products or Intellectual Property under development by Company or any of its Subsidiaries, directly or indirectly, is based upon, derived from, uses or incorporates any Intellectual Property that was developed using funding provided by the IIA, nor does the IIA or any Governmental Entity have any ownership interest in or right to restrict the sale, licensing, distribution or transfer of any Company Intellectual Property or Company Products. Without limiting the foregoing, each item of Company Intellectual Property is freely transferable, conveyable and/or assignable by the Company and/or the Surviving Company to any entity located in any jurisdiction in the world without any restriction, constraint, control, supervision or limitation that could be imposed by the IIA or any other Governmental Entity. Section 3.16(o) of the Company Disclosure Letter sets forth the amount of each Government Grant received by the Company or any of its Subsidiaries from the IIA and the aggregate amount of each such Government Grant. Neither the Company nor any of its Subsidiaries has any outstanding royalty or similar obligations to the IIA under any such Government Grant.

Section 3.17 Insurance Policies.

Section 3.17 of the Company Disclosure Letter sets forth a list of all material insurance policies maintained by the Company or any of its Subsidiaries. Except as would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, as of the date hereof, (a) all current, material insurance policies of the Company and the Subsidiaries are in full force and effect and are valid and enforceable and cover against the risks as are customary in all material respects for companies of similar size in the same or similar lines of business and (b) all premiums due thereunder have been paid. Neither the Company nor any of the Subsidiaries has received notice of cancellation or termination with respect to any material third party insurance policies (other than in connection with normal renewals of any such insurance policies) where such cancellation or termination would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

The Company Financial Advisor has delivered to the Company Board of Directors its opinion to the effect that, as of the date of such opinion, subject to the assumptions, limitations, qualifications and other matters set forth therein, the Merger Consideration to be received by the holders (other than Parent and its Affiliates) of Company Ordinary Shares pursuant to this Agreement is fair, from a financial point of view, to such holders. A copy of such opinion has been provided to Parent or, if a written opinion is not available as of the date hereof, will be provided to Parent as soon as practicable after the date hereof.

Section 3.20 Anti-Takeover Provisions.

Section 4.8 Merger Sub.

Merger Sub was formed solely for the purpose of engaging in the transactions contemplated by this Agreement, and, prior to the Effective Time, Merger Sub will have engaged in no business and have no Liabilities or obligations other than in connection with the transactions contemplated by this Agreement.

Section 4.9 Solvency.

As of the Effective Time and immediately after giving effect to all of the transactions contemplated by this Agreement, including the Merger and all payments contemplated by this Agreement in connection with the Merger (including payment of all amounts payable under Article I of this Agreement in connection with or as a result of the Merger) and payment of all related fees and expenses of Parent, Merger Sub, the Company and their respective Subsidiaries in connection therewith, and assuming the accuracy as of the Effective Time in all material respects of those representations and warranties of the Company set forth in Article III that relate to the subject matter of clauses (i) through (iii) of this Section 4.9 (including Section 3.8): (i) the amount of the "fair saleable value" of the assets of each of the Surviving Company and its Subsidiaries will exceed (A) the value of all liabilities of the Surviving Company and such Subsidiaries, including contingent and other liabilities, and (B) the amount that will be required to pay the probable liabilities of the Surviving Company and such Subsidiaries on their existing debts as such debts become absolute and matured, (ii) each of the Surviving Company and its Subsidiaries will not have an unreasonably small amount of capital for the operation of the businesses in which it is engaged or proposed to be engaged, and (iii) each of the Surviving Company and its Subsidiaries will be able to pay its liabilities, including contingent and other liabilities, as they mature. For purposes of the foregoing, "not have an unreasonably small amount of capital for the operation of the businesses in which it is engaged or proposed to be engaged" and "able to pay its liabilities, including contingent and other liabilities, as they mature" means that such Person will be able to generate enough cash from operations, asset dispositions or refinancing, or a combination thereof, to meet its obligations as they become due.

Section 4.10 Information Supplied.

Neither the written information supplied, or to be supplied, by or on behalf of Parent or Merger Sub for inclusion in the Proxy Statement or any other documents to be filed by Parent, Merger Sub or the Company with the SEC or any other Governmental Entity in connection with the Merger and the other transactions contemplated hereby, will, on the date of its filing or, in the case of the Proxy Statement, at the date it is mailed to Company Ordinary Shareholders and at the time of the Shareholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. If at any time prior to the Effective Time any event with respect to Parent or Merger Sub shall occur which is required to be described in the Proxy Statement, Parent shall promptly disclose such event to the Company. Notwithstanding the foregoing, Parent makes no representation or warranty with respect to any information supplied by the Company that is contained in any of the foregoing documents.

Section 4.11 Shareholder, Labor and Employee Matters.

As of the date hereof, neither Parent nor Merger Sub has: (a) entered into any employment agreement with any of the Company's shareholders, directors, officers or employees, (b) offered employment to any of the Company's shareholders, directors, officers or employees, (c) had discussions with any of the Company's shareholders, directors, officers or employees regarding the future terms of their employment after the Closing or (d) sold, or offered to sell, any direct or indirect equity interest in the Company to any of the Company's shareholders, directors, officers or employees.

Section 4.12 Share Ownership.

Parent is not an "interest holder" of the Company as defined in the ICL. Neither Parent nor any subsidiary of the Parent directly or indirectly owns, beneficially or otherwise, any Company Ordinary Shares.

Section 4.13 Independent Investigation: No Other Representation.

Parent and Merger Sub hereby acknowledge (each for itself and on behalf of its Affiliates and Representatives) that, as of the date hereof, Parent, Merger Sub and their respective Affiliates and Representatives (a) have received access to (i) such books and records, facilities, equipment, contracts and other assets of the Company that Parent and Merger Sub and their respective Affiliates and Representatives, as of the date hereof, have requested to review and (ii) the electronic data room hosted by the Company in connection with the transactions contemplated by this Agreement, and (b) have had an opportunity to meet with the management of the Company and to discuss the business and assets of the Company. Parent and Merger Sub hereby acknowledge and agree (each for itself and on behalf of its respective Affiliates and Representatives) that, except for the representations and warranties of the Company expressly set forth in Article III, (I) none of the Company nor any of its Subsidiaries (or any other Person) makes, or has made, any representation or warranty (whether express or implied) relating to the Company, its Subsidiaries or any of their respective businesses, operations, properties, assets, liabilities or otherwise in connection with this Agreement and the transactions contemplated by this Agreement, including as to the accuracy or completeness of any such information, and none of Parent, Merger Sub or any of their respective Affiliates or Representatives is relying on any representation or warranty except for those representations and warranties of the Company expressly set forth in Article III, (II) no Person has been authorized by the Company or any of its Subsidiaries to make any representation or warranty relating to the Company, its Subsidiaries or any of their respective businesses, operations, properties, assets, liabilities or otherwise in connection with this Agreement or the transactions contemplated hereby, except for those representations and warranties of the Company expressly set forth in Article III, and if made, such representation or warranty has not been and may not be relied upon by Parent, Merger Sub or any of their respective Affiliates or Representatives as having been authorized by the Company or any of its Subsidiaries (or any other Person), and (III) any estimate, projection, prediction, data, financial information, memorandum, presentation or any other materials or information provided or addressed to Parent, Merger Sub or any of their respective Affiliates or Representatives, including any materials or information made available in the electronic data room hosted by the Company in connection with the transactions contemplated by this Agreement or in connection with presentations by the Company's management, are not and shall not be deemed to be or include representations or warranties unless and to the extent any such materials or information is expressly the subject of any express representation or warranty of the Company set forth in Article III. Parent and Merger Sub hereby acknowledge (each for itself and on behalf of its Affiliates and Representatives) that it has conducted, to its satisfaction, its own independent investigation of the business, operations and financial condition of the Company and its Subsidiaries and, in making its determination to proceed with the transactions contemplated by this Agreement, each of Parent, Merger Sub and their respective Affiliates and Representatives have relied on the results of their own independent investigation. Notwithstanding the foregoing, nothing in this Section 4.13 serves to modify the representations and warranties of the Company contained in Article III (as modified by the Company Disclosure Letter) or the right of Parent and Merger Sub to rely thereupon.

Prior to the Effective Time, each of Parent and Company shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

Section 5.2 Access to Information and Employees.

(a) From the date hereof to the Effective Time, the Company shall, and shall cause its Subsidiaries and the Representatives of the Company to, afford the Representatives of Parent and Merger Sub reasonable access during normal business hours to the officers, employees, agents (including outside accountants), properties, offices and other facilities, books and records, Contracts, commitments, work papers and other documents and information relating to the Company and its Subsidiaries as reasonably requested in advance by Parent and, during such period, the Company shall, and shall cause each of its Subsidiaries to, furnish or otherwise make available (including via EDGAR, if applicable) to Parent (i) a full and accurate copy of each report, schedule, form, statement and other document proposed to be filed or submitted by the Company pursuant to the requirements of domestic or foreign, federal or state, securities Laws not less than two (2) Business Days prior to such filing and a copy of any communication (including "comment letters") received by the Company from the SEC concerning compliance with the Exchange Act or from FINRA concerning the Company's compliance with the listing rules of Nasdaq, or any other securities' regulatory entity, and (ii) to the extent available, for the period beginning after the date of this Agreement and ending at the Effective Time, as soon as practicable after the end of each month, and in any event within forty five (45) days thereafter, a copy of the monthly consolidated financial statements of the Company, including statements of financial condition, results of operations and statements of cash flow. Nothing in this Section 5.2(a) will require the Company to permit any inspection, or to disclose any information, that in the reasonable judgment of the Company would: (A) violate any of its or its Affiliates' respective obligations with respect to confidentiality; (B) result in a violation of applicable Law; or (C) result in loss of legal protection, including the attorney-client privilege and work product doctrine; provided that the Company shall (i) (if permitted by Law) provide notice to Parent that such information is being withheld pursuant to such law or privilege if such notice can, in the good faith discretion of the Company, be provided in a manner that would not result in such loss or violation and (ii) use commercially reasonable efforts to disclose such documents and information in a manner that would not result in such loss or violation.

(b) No investigation pursuant to this Section 5.2 shall affect any representation or warranty in this Agreement of any party hereto or any condition to the obligations of the parties hereto.

(c) With respect to any information that is disclosed pursuant to this Section 5.2, each of the parties hereto shall comply with, and shall cause each of its Representatives to comply with, all of its obligations under the Confidentiality Agreement and the parties agree that the provisions of the Confidentiality Agreement shall (i) apply to information disclosed pursuant to this Section 5.2; and (ii) survive termination of this Agreement in accordance with the terms of the Confidentiality Agreement.

Section 5.3 Reasonable Efforts; Notification.

(a) Upon the terms and subject to the conditions set forth in this Agreement, each of Parent, Merger Sub and the Company agrees to use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, and to assist and cooperate with the other parties hereto in doing, all things necessary, proper or advisable to fulfill all conditions to the obligations of the other parties hereto set forth in Article VI and to consummate and make effective, in the most expeditious manner practicable, the Merger and the other transactions contemplated by the Transaction Documents, including (i) using commercially reasonable efforts to take all acts necessary to cause such conditions to be satisfied and not to take acts that would reasonably be expected to result in such conditions not being so satisfied, (ii) obtaining all necessary actions or non-actions, waivers, consents, qualifications and approvals from Governmental Entities and making all necessary registrations, filings and notices and taking all reasonable steps as may be necessary to obtain any required approval, waiver or exemption from any Governmental Entity, (iii) obtaining all necessary consents, qualifications, approvals, waivers or exemptions from the non-governmental Third Parties set forth on Section 5.3(a) of the Company Disclosure Letter and (iv) converting any short-term investments (as classified in the consolidated financial statements of the Company and its Subsidiaries) into cash as of the Closing at the reasonable discretion of Parent and executing and delivering any additional documents or instruments, in each case to the extent necessary, proper or advisable to consummate the transactions contemplated by, and to fully carry out the purposes of, the Transaction Documents.

(b) Without limiting the foregoing, (i) each of the Company, Parent and Merger Sub shall use its reasonable best efforts to make promptly (and in any event no later than ten (10) Business Days following the date hereof) any required submissions under the Israeli Restrictive Trade Practices Law 1988 in connection with the Merger with the Israeli Anti Trust Authority ("IAA") and any other Antitrust Laws which the Company and Parent determines should be made, in each case with respect to the Merger and the transactions contemplated hereby and (ii) Parent, Merger Sub and the Company shall cooperate with one another (A) in promptly determining whether any filings are required to be or should be made or consents, approvals, permits or authorizations are required to be or should be obtained under any foreign Law or regulation or whether any consents, approvals or waivers are required to be or should be obtained from other parties to Contracts material to the Company's business in connection with the consummation of the transactions contemplated by this Agreement and (B) in promptly making any such filings, furnishing information required in connection therewith and seeking to obtain timely any such consents, permits, authorizations, approvals or waivers. Each of the Company and Parent shall (1) give the other party prompt notice of the commencement or threat of commencement of any Action by or before any Governmental Entity with respect to the Merger or any of the other transactions contemplated by this Agreement, (2) keep the other party informed as to the status of any such Action or threat, (3) to the extent applicable, promptly inform the other party of any material communication concerning the IAA or other Antitrust Laws to or from any Governmental Entity regarding the Merger and (4) to the extent applicable, furnish to the other party such information and assistance as the other may reasonably request in connection with any filing or other act undertaken in compliance with the IAA and any other Antitrust Laws. Except as may be prohibited by any Governmental Entity, the Company and Parent will consult and cooperate with one another, and will consider in good faith the views of one another, in connection with any analysis, appearance, presentation, memorandum, brief, argument, opinion or proposal made or submitted in connection with any suit, claim, action, investigation or proceeding under or relating to the IAA or any other Antitrust Law, in each case, to the extent applicable. Each of the Company and Parent will permit authorized Representatives of the other party to be present at each meeting or conference relating to any such legal proceeding and to have access to and be consulted in connection with any document, opinion or proposal made or submitted to any Governmental Entity in connection with any such legal proceeding. Notwithstanding anything herein to the contrary, neither Parent nor any of its Affiliates shall be required to, nor shall the Company (without the consent of Parent, which may be withheld in Parent's sole discretion), negotiate, commit to or effect by Order or otherwise, the sale, divestiture or disposition of any assets, properties or businesses or of the assets, properties or businesses to be acquired by it pursuant hereto or enter into any Order, accept any undertaking or condition or otherwise take or commit to take actions that would limit Parent's, the Company's or their respective Affiliates' freedom of action with respect to, or ability to retain, any of their businesses, product lines or assets, or otherwise limit Parent's or its Affiliates' ability to receive the full benefits of this Agreement. In no event shall Parent or Merger Sub be required to pay any fee, penalty or other consideration to any third party for any consent or approval required for the consummation of the transaction contemplated by this Agreement under any Contract. In addition, Parent and/or its controlled Affiliates shall execute and deliver an undertaking in customary form in favor of the IIA to comply with applicable Law (if and when required to do so). All costs associated with any filings pertaining to any Antitrust Laws, if any, shall be borne by Parent and the Company shall be entitled to reimbursement for any expenses incurred by the Company in connection therewith.

(c) Each of the Company, on the one hand, and Parent and Merger Sub, on the other, shall promptly (and in any event within five (5) Business Days) notify the other party in writing if it believes that such party has breached any representation, warranty, covenant or agreement contained in this Agreement that would, individually or in the aggregate, reasonably be likely to result in a failure of a condition set forth in Section 6.2 or Section 6.3 if continuing on the Closing Date.

(d) If any Antitakeover Laws are or may become applicable to the Merger or any of the other transactions contemplated by this Agreement, the Company and the Company Board of Directors shall promptly grant such approvals and use commercially reasonable efforts to take such other lawful actions as are necessary so that such transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement or the Merger, as the case may be, and otherwise take such other commercially reasonable and lawful actions to eliminate or minimize the effects of such statute, and any regulations promulgated thereunder, on such transactions.

Section 5.4 Shareholders Meeting; Proxy.

(a) As soon as reasonably practicable following the date of this Agreement, but in no event later than the fifth (5th) Business Day after the date hereof, the Company shall (i) establish a record date for, duly call, give notice of, and, following the applicable notice period, convene and hold a special meeting of its shareholders (the "Company Shareholders Meeting") for the purpose of obtaining the Company Required Vote, (ii) publish the notice of the Company Shareholders Meeting and (iii) otherwise comply with the notice requirements applicable to the Company pursuant to the ICL and the regulations promulgated thereunder, the Company Articles of Association and Company Memorandum or any other applicable Law. As soon as reasonably practicable following the date of this Agreement, but in no event later than the fifteenth (15th) Business Day after the date hereof, the Company shall prepare and furnish to the SEC under cover of Form 6-K a proxy statement for the Company Shareholders Meeting (the "Proxy Statement"). Unless this Agreement is terminated pursuant to Section 7.1 or as Parent and the Company may otherwise agree, the Company Shareholders Meeting shall be held no later than 45 days after publication of the notice of the Company Shareholders Meeting. Subject to Section 5.6, the Company shall include the Company Board Recommendation in the Proxy Statement.

(b) If the Company determines that it is required to file any document other than the Proxy Statement with the SEC in connection with the Merger pursuant to applicable Law (such document, as amended or supplemented, an "Other Required Company Filing"), then the Company shall promptly prepare and file such Other Required Company Filing with the SEC. The Company shall cause the Proxy Statement and any Other Required Company Filing to comply as to form and substance in all material respects with the applicable requirements of the Exchange Act and the rules of the SEC and FINRA. The Company may not file the Proxy Statement or any Other Required Company Filing with the SEC without providing Parent and its counsel a reasonable opportunity to review and comment thereon, which comments shall be considered by the Company in good faith. On the date of filing, the date of mailing to the shareholders of the Company (if applicable) and at the time of the Company Shareholders Meeting, neither the Proxy Statement nor any Other Required Company Filing will contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not false or misleading. Notwithstanding the foregoing, no covenant is made by the Company with respect to any information supplied by Parent, Merger Sub or any of their Affiliates for inclusion or incorporation by reference in the Proxy Statement or any Other Required Company Filing. The information supplied by the Company or its Affiliates for inclusion or incorporation by reference in any Other Required Parent Filings will not, at the time that such Other Required Parent Filing is filed with the SEC, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

(c) If Parent, Merger Sub or any of their respective Affiliates is required to file any document with the SEC in connection with the Merger or the Company Shareholders Meeting pursuant to applicable Law (an "Other Required Parent Filing"), then Parent and Merger Sub shall, and shall cause their respective Affiliates to, promptly prepare and file such Other Required Parent Filing with the SEC. Parent and Merger Sub shall cause, and shall cause their respective Affiliates to cause, any Other Required Parent Filing to comply as to form and substance in all material respects with the applicable requirements of the Exchange Act and the rules of the SEC and FINRA. Neither Parent or Merger Sub nor any of their respective Affiliates may file any Other Required Parent Filing (or any amendment thereto) with the SEC without providing the Company and its counsel a reasonable opportunity to review and comment thereon, which comments shall be considered by Parent, Merger Sub or their respective Affiliates in good faith. On the date of filing, the date of mailing to the Company Ordinary Shareholders (if applicable) and at the time of the Company Shareholders Meeting, no Other Required Parent Filing will knowingly contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not false or misleading. Notwithstanding the foregoing, no covenant is made by Parent or Merger Sub with respect to any information supplied by the Company or its Affiliates for inclusion or incorporation by reference in any Other Required Parent Filing. The information supplied by Parent, Merger Sub and their respective Affiliates for inclusion or incorporation by reference in the Proxy Statement or any Other Required Company Filing will not, at the time that the Proxy Statement or such Other Required Company Filing is filed with the SEC, knowingly contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

(d) Each of the Company, on the one hand, and Parent and Merger Sub, on the other hand, shall furnish all information concerning it and its Affiliates, if applicable, as the other party may reasonably request in connection with the preparation and filing with the SEC of the Proxy Statement and any Other Required Company Filing or any Other Required Parent Filing. If at any time prior to the Company Shareholders Meeting any information relating to the Company, Parent, Merger Sub or any of their respective Affiliates should be discovered by the Company, on the one hand, or Parent or Merger Sub, on the other hand, that should be set forth in an amendment or supplement to the Proxy Statement, any Other Required Company Filing or any Other Required Parent Filing, as the case may be, so that such filing would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, then the party that discovers such information will promptly notify the other, and an appropriate amendment or supplement to such filing describing such information will be promptly prepared and filed with the SEC by the appropriate party and, to the extent required by applicable Law or the SEC or its staff, disseminated to the stockholders of the Company.

(e) The Company and its Affiliates, on the one hand, and Parent, Merger Sub and their respective Affiliates, on the other hand, may not communicate in writing with the SEC or its staff with respect to the Proxy Statement, any Other Required Company Filing or any Other Required Parent Filing, as the case may be, without providing the other a reasonable opportunity to review and comment on such written communication, which comments shall be considered by the filing party in good faith.

(f) The Company, on the one hand, and Parent and Merger Sub, on the other hand, will advise the other, promptly after it receives notice thereof, of any receipt of a request by the SEC or its staff for (A) any amendment or revisions to the Proxy Statement, any Other Required Company Filing or any Other Required Parent Filing, as the case may be, (B) any receipt of comments from the SEC or its staff on the Proxy Statement, any Other Required Company Filing or any Other Required Parent Filing, as the case may be, or (C) any receipt of a request by the SEC or its staff for additional information in connection therewith.

(g) In the event that Parent or any Person listed in Section 320(c) of the ICL casts any votes in respect of the Merger, Parent shall disclose to the Company its interest in the Company Ordinary Shares so voted. At the Company Shareholders Meeting, Parent and Merger Sub shall cause any Company Ordinary Shares owned by them and their Affiliates (if any) to be voted in favor of the approval of this Agreement, the Merger and the other transactions contemplated by this Agreement.

(h) Once the Company has established a record date, the Company shall not change such record date or establish a different record date for the Company Shareholders Meeting without the prior written consent of Parent. In the event that the date of the Company Shareholders Meeting as originally called is for any reason adjourned or postponed or otherwise delayed, the Company agrees that unless Parent shall have otherwise approved in writing, it shall implement such adjournment or postponement or other delay in such a way that the Company does not establish a new record date for the Shareholders Meeting, as so adjourned, postponed or delayed.

(i) The Company may not adjourn or postpone the Company Shareholders Meeting; provided, however, nothing herein shall prevent the Company from postponing or adjourning the Company Shareholders Meeting if (x) there are holders of an insufficient number of Company Ordinary Shares present or represented by a proxy at the Company Shareholders Meeting to constitute a quorum at the Company Shareholders Meeting or (y) the Company is required to postpone or adjourn the Company Shareholders Meeting by court order or a request from the SEC or its staff.

(j) Subject to Section 5.6, at the Shareholders Meeting, the Company shall, through the Company Board of Directors, make the Company Recommendation and, unless there has been a Company Adverse Recommendation Change, the Company shall (x) take all reasonable lawful action to solicit the Company Required Vote, and (y) publicly reaffirm the Company Recommendation within two (2) Business Days after any request by Parent. The Company shall, upon the reasonable request of Parent, advise Parent at least on a daily basis on each of the last ten (10) Business Days prior to the date of the Shareholders Meeting, as to the aggregate tally of the proxies received by the Company with respect to the Company Required Vote. Without the prior written consent of Parent, the adoption of this Agreement and the transactions contemplated hereby (including the Merger) shall be the only matter (other than procedural matters) which the Company shall propose to be acted on by the Company Ordinary Shareholders at the Shareholders Meeting.

For the avoidance of doubt, and notwithstanding any provision of this Agreement to the contrary, it is the intention of the parties that the Merger shall be declared effective and the Certificate of Merger shall be issued on the Closing Date, as a condition to the Closing taking place. For purposes of this Section 5.5(a), "business day" shall have the meaning set forth in the Merger Regulations 5760-2000 promulgated under the ICL.

No later than three days after the date of such approval, Merger Sub shall (in accordance with Section 317(b) of the ICL and the regulations thereunder) inform the Companies Registrar of such approval.

From the date hereof until the earlier of the Effective Time or the termination of this Agreement, the Company will not and will not authorize or permit any Subsidiary, or Representative to, directly or indirectly:

(i) initiate, solicit, propose, knowingly encourage (including by providing information) or take any action to knowingly facilitate any inquiries or the making of any proposal or offer that constitutes, or would reasonably be expected to lead to, an Acquisition Proposal;

(ii) engage in, continue or otherwise participate in any discussions (other than to refer to this Agreement) or negotiations regarding, or provide any information or data concerning the Company or any of its Subsidiaries to any Person relating to, any Acquisition Proposal or any proposal or offer that would reasonably be expected to lead to an Acquisition Proposal;

(iii) grant any waiver, amendment or release under any standstill or confidentiality agreement or any rights agreement or Takeover Statutes (provided that the Company shall not be required to enforce, and shall be permitted to waive, any provision that prohibits or purports to prohibit a confidential proposal being made to the Company Board of Directors (directly or indirectly through the Company's Representatives) or would restrict the Company's rights under this Agreement); or

(iv) approve, endorse, recommend or execute or enter into any letter of intent, agreement in principle, merger agreement, acquisition agreement or other similar agreement (which, for the avoidance of doubt, excludes any Acceptable Confidentiality Agreement) relating to an Acquisition Proposal or any proposal or offer that would reasonably be expected to lead to an Acquisition Proposal, or that contradicts this Agreement or requires the Company to abandon this Agreement.

(b) Notwithstanding anything to the contrary contained in Section 5.6(a), at any time prior to, but not after, obtaining the Company Required Vote, the Company may:

(i) provide information in response to a request therefor to a Third Party who has made an unsolicited bona fide written Acquisition Proposal after the date of this Agreement if and only if, prior to providing such information, the Company has received from such Third Party so requesting such information an executed Acceptable Confidentiality Agreement; provided that the Company shall promptly (and in any event within twenty-four (24) hours) make available to Parent any material information concerning the Company and its Subsidiaries that is provided to such Third Party making such Acquisition Proposal that is given such access and that was not previously made available to Parent or the Parent Representatives; or

(ii) engage or participate in any discussions or negotiations with a Third Party who has made such an unsolicited bona fide written Acquisition Proposal;

provided that, prior to taking any action described in Section 5.6(b)(i) or Section 5.6(b)(ii), (A) the Company Board of Directors shall have determined in good faith, after consultation with outside legal counsel, that failure to take such action would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law, and (B) the Company Board of Directors shall have determined in good faith, after consultation with its independent financial advisor and outside legal counsel, that such Acquisition Proposal either constitutes a Superior Proposal or would reasonably be expected to result in a Superior Proposal; provided, further, that the Company and its Representatives may contact such Third Party to clarify the terms and conditions of such Acquisition Proposal prior to making any such determinations. The Company shall require any Third Party submitting an unsolicited Acquisition Proposal to provide a definitive agreement that marks any proposed changes to the terms of this Agreement.

(c) Except as expressly provided by Section 5.6(d) or Section 5.6(e), at any time after the date hereof, neither the Company Board of Directors nor any committee thereof nor any of the directors, whether acting in their individual capacity or as a director, shall:

(i) (A) withhold, withdraw, qualify or modify (or publicly propose or resolve to withhold, withdraw, qualify or modify), in a manner adverse to Parent or the Merger Sub, the Company Recommendation with respect to the Merger, (B) adopt, approve or recommend to the Company Ordinary Shareholders or propose to adopt, approve or recommend to the Company Ordinary Shareholders an Acquisition Proposal, (C) fail to make a Required Reaffirmation within four (4) Business Days after Parent so requests in writing (it being understood that the Company Board of Directors shall have no obligation to so reaffirm the Company Recommendation on more than three occasions), (D) fail to recommend against any Acquisition Proposal subject to Regulation 14D under the Exchange Act in a Solicitation/Recommendation Statement on Schedule 14D-9 within ten (10) Business Days after the commencement of such Acquisition Proposal or (E) fail to include the Company Recommendation in the Proxy Statement (any action described in clauses (A) through (E), a "Company Adverse Recommendation Change"); or

(ii) cause or permit the Company or any of its Subsidiaries to enter into any Alternative Acquisition Agreement relating to any Acquisition Proposal.

(d) Notwithstanding anything to the contrary set forth in this Agreement, at any time prior to obtaining the Company Required Vote, if the Company has received a bona fide written Acquisition Proposal from any Person that is not withdrawn and that the Company Board of Directors concludes in good faith constitutes a Superior Proposal, then (x) the Company Board of Directors may effect a Company Adverse Recommendation Change with respect to such Superior Proposal, or (y) the Company Board of Directors may authorize the Company to terminate this Agreement to enter into an Alternative Acquisition Agreement with respect to such Superior Proposal, if and only if:

(i) the Company Board of Directors determines in good faith, after consultation with its independent financial advisor and outside legal counsel, that failure to do so would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law;

(ii) the Company shall have complied in all material respects with its obligations under this Section 5.6 with respect to such Acquisition Proposal;

(iii) the Company shall have provided prior written notice to Parent at least two (2) Business Days in advance (the "Notice Period"), to the effect that the Company Board of Directors has received a bona fide written Acquisition Proposal that is not withdrawn and that the Company Board of Directors concludes in good faith constitutes a Superior Proposal and, absent any revision to the terms and conditions of this Agreement, the Company Board of Directors has resolved to effect a Company Adverse Recommendation Change and/or to terminate this Agreement pursuant to Section 7.1(d), which notice shall specify the basis for such Company Adverse Recommendation Change and/or termination, including the identity of the party making the Superior Proposal and the material terms thereof; and

(A) prior to effecting such Company Adverse Recommendation Change or termination, the Company shall, and shall cause their financial and legal advisors to, during the Notice Period, negotiate with Parent and the Parent Representatives in good faith (to the extent Parent desires to negotiate) to make such adjustments in the terms and conditions of this Agreement, so that such Acquisition Proposal would cease to constitute a Superior Proposal; provided that in the event of any material revisions to the Acquisition Proposal that the Company Board of Directors has determined to be a Superior Proposal, the Company shall be required to deliver a new written notice to Parent and to comply with the requirements of this Section 5.6 (including this Section 5.6(d)) with respect to such new written notice; and

(B) any such termination shall be in accordance with Section 7.1(e), including the payment of the Company Termination Fee in accordance with Section 7.2(b).

(e) Nothing contained in this Section 5.6 shall be deemed to prohibit the Company or the Company Board of Directors from (i) complying with its disclosure obligations under U.S. federal or state Law with regard to an Acquisition Proposal or this Agreement, including taking and disclosing to its shareholders a position contemplated by Rule 14d-9 or Rule 14e-2(a) under the Exchange Act (or any similar communication to Company Ordinary Shareholders) or (ii) making any "stop-look-and-listen" communication or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act and any such disclosures or communications shall not be considered a Company Adverse Recommendation Change unless explicitly provided to the contrary.

(f) The Company agrees that it will promptly (and, in any event, within twenty-four (24) hours) notify Parent if any proposals or offers with respect to an Acquisition Proposal are received by, or any non-public information is requested from, or any discussions or negotiations are sought to be initiated or continued with, the Company or any of its Representatives from or by, respectively, any Third Party indicating, in connection with such notice, the identity of the Person or group of Persons making such offer or proposal, and the material terms and conditions of any proposals or offers (including, if applicable, copies of any written requests, proposals or offers, including proposed agreements) and thereafter shall keep Parent reasonably informed, on a prompt basis, of the status and terms of any such proposals or offers (including any amendments thereto) and any material change in the status of any such discussions or negotiations.

(g) The Company agrees that in the event any of its Representatives takes any action that, if taken by the Company, would constitute a breach of this Section 5.6, then the Company shall be deemed to be in breach of this Section 5.6.

(h) Solely for purposes of this Section 5.6, it is understood and agreed that, in the absence of compelling legal authority to the contrary, the Company, the Company Board of Directors and the Company's outside legal counsel shall be entitled to rely on and deem applicable to the Company and the Company Board of Directors the Law applicable to corporations incorporated in Delaware for purposes of making the conclusions contemplated by this Section 5.6 (and providing advice with respect thereto) relating to the fiduciary obligations of such Person for purposes of this Agreement, and that references to the "fiduciary duties" of the Company Board of Directors and other terms of similar import shall, for purposes of this Agreement, include reference to such Delaware law, and shall assume that Israeli law follows Delaware law with respect thereto. The immediately preceding sentence is intended only to govern the contractual rights of the parties to this Agreement; it being understood and agreed that nothing in this Agreement is intended to modify any fiduciary duties of the Company Board of Directors under applicable Law or give rise to any breach or violation of this Agreement on the part of the Company by reason of the fact that the Company Board of Directors has complied with the Law of the State of Israel, rather than the Delaware Law, governing the duties owed by a director of a company formed under the Laws of the State of Israel to such company, its shareholders or any other Person.

Section 5.7 Public Announcements.

Except as permitted under Section 5.4, Section 5.5 and Section 5.6, the Company and Parent shall consult with each other before issuing any press release or otherwise making any public statements with respect to this Agreement or any of the transactions contemplated by the Transaction Documents and shall not issue any such press release or make any such public statement without the prior consent of the other parties hereto, which consent shall not be unreasonably withheld or delayed; provided that a party hereto may, without the prior consent of the other parties hereto, issue such press release or make such public statement as may be required by Law or Order or the applicable rules of Nasdaq if it has used its commercially reasonable efforts to consult with the other parties hereto and to obtain such party's consent but has been unable to do so prior to the time such press release or public statement is so required to be issued or made.

Section 5.8 Litigation.

Without limiting the obligations of the parties hereto in Section 5.3, prior to the Effective Time, the Company shall promptly notify Parent of all lawsuits or other legal proceedings, whether judicial or administrative, challenging, or seeking damages or other relief as a result of, the Merger, this Agreement or the transactions contemplated by the Transaction Documents ("Merger Litigation") including by providing copies of all pleadings with respect thereto) and thereafter keep Parent reasonably informed with respect to the status thereof. The Company shall give Parent the opportunity to review and comment on all material filings or responses to be made by the Company in the defense, settlement or prosecution of any Merger Litigation; and consult on the settlement with respect to such Merger Litigation, and the Company will in good faith take such comments into account, and, no such settlement shall be agreed to without Parent's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed).

Section 5.9 Directors' and Officers' Indemnification and Insurance.

(a) For a period of six years from and after the Effective Time, the Surviving Company and its Subsidiaries shall (and Parent shall cause the Surviving Company and its Subsidiaries to) (i) honor and fulfill in all respects the obligations of the Company and its Subsidiaries under any and all indemnification agreements in the forms referenced on Section 5.9(a) of the Company Disclosure Letter between the Company or any of its Subsidiaries and any past and present officers and directors of the Company ("Indemnified Persons"); and (ii) indemnify, advance expenses to, and hold harmless all Indemnified Persons to the same extent and in the same manner such persons are indemnified as of the date of this Agreement by the Company pursuant to any indemnification agreements between such Indemnified Persons and the Company, the ICL, the Company Articles of Association and Company Memorandum for acts or omissions occurring at or prior to the Effective Time; provided, however, in the case of advancement of expenses, any person to whom expenses are advanced provides an undertaking, to the extent required by the ICL, to repay such advance if it is ultimately determined that such person is not entitled to indemnification. The Articles of Association of the Surviving Company will contain provisions with respect to exculpation, advancement and indemnification that are at least as favorable to the Indemnified Persons as those contained in the Company Articles of Association and the Company Memorandum as in effect on the date hereof, which provisions will not be amended, repealed or otherwise modified for a period of not less than six years from the Effective Time in any manner that would adversely affect the rights thereunder of individuals who, immediately prior to the Effective Time, were directors, officers, employees or agents of the Company, unless such a modification is required by Law.

(b) From the Effective Time until the sixth anniversary of the Effective Time, Parent and the Surviving Company shall maintain in effect, for the benefit of the Indemnified Persons with respect to their acts and omissions as directors, officers, employees or agents of the Company occurring prior to the Effective Time, the existing policy of directors' and officers' liability insurance maintained by the Company as of the date of this Agreement in the form delivered by the Company to Parent prior to the date of this Agreement (the "Existing D&O Policy"), to the extent that directors' and officers' liability insurance coverage is commercially available; provided, however, that: (i) Parent and the Surviving Company may substitute for the Existing D&O Policy a policy or policies of comparable coverage, including a "tail" insurance policy; and (ii) the Surviving Company shall not be required to pay annual premiums for the Existing D&O Policy (or for any substitute or "tail" policies) in excess of \$375,250 (the "Maximum Premium") which amount, the Company hereby represents to be equal to two hundred fifty percent (250%) of the amount paid by the Company for coverage for its last full fiscal year. In the event any future annual premiums for the Existing D&O Policy (or any substitute policies) exceed the Maximum Premium, the Surviving Company shall be entitled to reduce the amount of coverage of the Existing D&O Policy (or any substitute or "tail" policies) to the amount of coverage that can be obtained for a premium equal to the Maximum Premium so as to provide for a policy with the greatest coverage available for a cost not exceeding the Maximum Premium.

(c) The rights set forth in this Section 5.9 are in addition to, and not in limitation of, and Parent shall, and shall cause the Surviving Company to, enforce and honor, to the fullest extent permitted by Law for a period of six (6) years from the Effective Time, the rights otherwise available to the current officers and directors of the Company and its Subsidiaries by Law, charter, bylaw or Contract, and shall operate for the benefit of, and shall be enforceable by, each of the Indemnified Persons and their Representatives and nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors' and officers' insurance claims under any policy that is or has been in existence with respect to the Company or any of its Subsidiaries for any of their respective directors, officers or other employees, it being understood and agreed that the indemnification provided for in this Section 5.9 is not prior to or in substitution for any such claims under such policies.

(d) In the event Parent, the Surviving Company or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity in such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in either such case, proper provision shall be made so that the successors and assigns of Parent or the Surviving Company, as the case may be, shall assume the obligations set forth in this Section 5.9.

A - 60

(e) The obligations set forth in this Section 5.9 shall not be terminated, amended or otherwise modified in any manner that adversely affects any Indemnified Person (or any other person who is a beneficiary under the D&O Insurance or the "tail" policy referred to in Section 5.9(b) (and their heirs and representatives)) without the prior written consent of such affected Indemnified Person or other person who is a beneficiary under the D&O Insurance or the "tail" policy referred to in Section 5.9(b) (and their heirs and representatives). Each of the Indemnified Persons or other persons who are beneficiaries under the D&O Insurance or the "tail" policy referred to in Section 5.9(b) (and their heirs and representatives) are intended to be third party beneficiaries of this Section 5.9, with full rights of enforcement as if a party thereto. The rights of the Indemnified Persons (and other persons who are beneficiaries under the D&O Insurance or the "tail" policy referred to in Section 5.9(b) (and their heirs and representatives)) under this Section 5.9 shall be in addition to, and not in substitution for, any other rights that such persons may have under the Company Memorandum, the Company Articles of Association the equivalent organizational documents of any Subsidiaries, any and all indemnification agreements of or entered into by the Company or any of its Subsidiaries, or applicable Law (whether at law or in equity).

(f) The obligations and liability of the Surviving Company, Parent and their respective Subsidiaries under this Section 5.9 shall be joint and several.

(a) Following the date of this Agreement, and no later than fifteen (15) days after the date hereof (unless the Company and Parent mutually agree otherwise), the Company shall instruct its Israeli counsel, advisors and/or accountants to prepare and file with the ITA an application for a ruling (which shall be confirmed by Parent prior to its submission) confirming that (i) the conversion of the Company 102 Options in accordance with Section 1.7(c) and the Company 102 RSUs in accordance with Section 1.7(d) shall not be regarded as a violation of the "requisite holding period" (as such term is defined in Section 102 of the Ordinance) so long as the respective Option Consideration, RSUs Consideration and the Merger Consideration are deposited with the 102 Trustee until the end of the respective holding period and (ii) the deposit of the respective Option Consideration, RSUs Consideration and Merger Consideration with the Paying Agent and the 102 Trustee shall not be subject to any withholding obligation (which ruling may be subject to customary conditions regularly associated with such a ruling) (the "Options Tax Ruling"). The Company shall include in the request for the Options Tax Ruling a request to exempt Parent, the Surviving Company, the Paying Agent and their respective agents from any withholding obligation with respect to the transfer of the 102 Amounts and the Merger Consideration payable in respect of Company 102 Securities to the 102 Trustee. If the Options Tax Ruling is not granted prior to the Closing or in accordance with the instructions of the ITA, the Company shall seek to obtain prior to the Closing an interim Tax ruling confirming, among other things, that Parent and any Person acting on its behalf (including the Paying Agent) shall be exempt from Israeli withholding Tax in relation to any payments made with respect to any Company Options or Company Ordinary Shares (whether or not subject to Section 102 of the Ordinance) to the, Paying Agent, the 102 Trustee or the Company in connection with the Merger (the "Interim Options Tax Ruling"). To the extent that prior to the Closing an Interim Options Tax Ruling shall have been obtained, then all references herein to the Options Tax Ruling shall be deemed to refer to such Interim Options Tax Ruling, until such time that a final definitive Options Tax Ruling is obtained.

(b) As soon as practicable following the date of this Agreement but in no event later than ten (10) Business Days after the date hereof, the Company shall instruct its Israeli counsel, advisors and accountants to prepare and file with the ITA an application for a ruling (which shall be confirmed by Parent prior to its submission) that (i) with respect to holders of Company Ordinary Shares, Company RSUs and Company Options that are non-Israeli residents (as defined in the Ordinance or as will be determined by the ITA), (A) exempting Parent, the Paying Agent, the Surviving Company and their respective agents from any obligation to withhold Israeli Tax at the source from any consideration payable or otherwise deliverable pursuant to this Agreement, including the Merger Consideration, or clarifying that no such obligation exists, or (B) clearly instructing Parent, the Paying Agent, the Surviving Company and their respective agents on how such withholding at the source is to be executed, and in particular, with respect to the classes or categories of holders of the Company Ordinary Shares from which Tax is to be withheld (if any), the rate or rates of withholding to be applied and how to identify any such non-Israeli residents; and (ii) with respect to holders of Company Ordinary Shares that are Israeli residents (as defined in the Ordinance or as will be determined by the ITA) (other than Company 102 Shares) (x) exempting Parent, the Paying Agent, the Surviving Company and their respective agents from any obligation to withhold Israeli Tax at the source from any consideration payable or otherwise deliverable pursuant to this Agreement, including the Merger Consideration, or clarifying that no such obligation exists, or (y) clearly instructing Parent, the Paying Agent, the Surviving Company and their respective agents on how such withholding at the source is to be executed, and in particular, with respect to the classes or categories of holders of the Company Ordinary Shares from which Tax is to be withheld (if any), the rate or rates of withholding to be applied (the "Withholding Tax Ruling").

(c) Without limiting the generality of the foregoing, each of the Company and Parent shall cause their respective Israeli counsel, advisors and accountants to coordinate all activities, and to cooperate with each other, with respect to the preparation and filing of such application and in the preparation of any written or oral submissions that may be necessary, proper or advisable to obtain the Options Tax Ruling (including the Interim Options Tax Ruling) and the Withholding Tax Ruling. The final text of the Interim Option Tax Ruling, the Option Tax Ruling and the Withholding Tax Ruling shall be subject to the prior written confirmation of Parent or its counsel, such confirmation not to be unreasonably withheld, conditioned or delayed. The Company and its Representatives shall not make any application to, or conduct any negotiation with, the ITA with respect to any matter relating to the subject matter of the Options Tax Ruling and the Withholding Tax Ruling without prior coordination with Parent or its Representatives, and will enable Parent's Representatives, at the expense of Parent, to participate in all discussions and meetings relating thereto. To the extent that the Parent's representatives elect not to participate in any meeting or discussion, the Company's Representatives shall provide a prompt and full report of the discussions held. Subject to the terms and conditions hereof, the Company shall use commercially reasonable efforts to promptly take, or cause to be taken, all action and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws to obtain the Options Tax Ruling and the Withholding Tax Ruling, as promptly as practicable, however, if such ruling is not obtained for any reason whatsoever by the Closing Date, the Closing shall not be delayed or postponed.

(d) The parties hereto understand and acknowledge that the Options Tax Ruling and the Withholding Tax Ruling may not be obtained or may contain such provisions, terms and conditions as the ITA may prescribe, which may be different from those detailed in this Section 5.10. The parties further understand and acknowledge that the benefits to Company Ordinary Shareholders, Company Optionholders and Company RSUs Holders contemplated in this Section 5.10 may not be granted, or may not be granted in full. If any of the Withholding Tax Ruling or the Options Tax Ruling is not obtained prior to the Closing Date, the Company shall instruct its Israeli counsel, advisors and accountants to apply to the ITA prior to the Closing Date for an extension of time with respect to the obligation to deduct or withhold Israeli Tax from the applicable consideration payable pursuant to this Agreement and if such extension is not granted to Parent's satisfaction prior to the date such payments become due and payable, Parent, Paying Agent, the 102 Trustee and/or the Surviving Company may make such payments and withhold any applicable Israeli Taxes in accordance with applicable Law.

Section 5.12 Delisting.

Each of the parties agrees to cooperate with each other in taking, or causing to be taken, all actions necessary to delist the Company Ordinary Shares from Nasdaq and terminate registration under the Exchange Act, provided that such delisting and termination shall not be effective until or after the Effective Time.

Section 5.13 Financing.

(a) From the date hereof until the earlier of the Closing or the earlier termination of this Agreement in accordance with Article VII, the Company shall use its commercially reasonable efforts to provide to Parent, and shall use its commercially reasonable efforts to cause its Representatives (in each case with appropriate seniority and expertise, including in its or their accounting firms) to provide or cause to be provided to Parent, on a timely basis, such cooperation that is customary and reasonably requested by Parent in connection with the arrangement and consummation of any debt financing to be obtained by Parent or its Affiliates in connection with the transactions contemplated hereby (the "Debt Financing"), including using commercially reasonable efforts to (i) deliver to Parent and the Lender Parties such financial and other pertinent information regarding the Company and its Subsidiaries, in each case that is in the possession of the Company, as is customarily provided to lenders in syndicated senior secured credit facility financings and which is reasonably requested by Parent, including information related to the Company and its Subsidiaries required by regulatory authorities including under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act, and information reasonably necessary to complete disclosure schedules required by the Lender Parties; (ii) execute and deliver customary definitive financing documentation, including pledge and security documents, guarantees, certificates (including a solvency certificate), instruments and other matters ancillary to the Debt Financing, and otherwise facilitating the pledging of collateral (including providing reasonable and customary information required in connection with the pledging and identification of bank accounts, insurance, real property (both owned and leased) and intellectual property, and delivering stock or other certificates for certificated securities (with transfer powers executed in blank)), and facilitating the delivery of legal opinions, as may be reasonably requested by Parent; (iii) take all corporate or similar administrative or organizational actions reasonably necessary to permit the consummation of the Debt Financing, such as by having the Company Board of Directors and officers provide any resolutions, consents or approvals on behalf of the Company as may be required by the Lender Parties reasonably necessary for consummation of the Debt Financing; and (iv) obtain customary payoff letters and collateral releases.

A - 63

(b) Notwithstanding the provisions of this Section 5.13, nothing in this Agreement will require the Company or any of its Subsidiaries to (i) waive or amend any terms of this Agreement or agree to pay any commitment or other fees or bear or reimburse any expenses or make any payment to obtain consent or to incur any liability with respect to or cause or permit any Encumbrance to be placed on any of its assets prior to the Closing in each case for which it has not received or otherwise become entitled to reimbursement or is not otherwise indemnified by or on behalf of Parent, in each case in connection with the Debt Financing, (ii) enter into any definitive agreement that is not contingent upon Closing or that would be effective prior to the Closing Date, (iii) give any indemnities, or otherwise incur any liability, the effectiveness of which is not conditioned on the occurrence of the Closing, (iv) take any action that will conflict with or violate its organizational documents or any applicable Law, (v) cooperate with Parent in connection with the Debt Financing to the extent it would interfere unreasonably with the business or operations of the Company or any of its Subsidiaries, (vi) take any action, or disclose any information, that would conflict with or violate any agreement to which the Company or any of its Subsidiaries is a party, (vii) provide access to or disclose any information to the extent such disclosure would reasonably be expected to result in the waiver of the attorney-client privilege, attorney work product protections or similar protections, (viii) prepare or deliver any financial statements or financial information or any other information or materials of any type to the extent such financial statements, financial information or other information or materials is not otherwise specifically required to be delivered by the Company to Parent pursuant to Section 5.2(a), or (ix) take any action that would authorize any formal corporate action that is not subject to the occurrence of the Closing. Notwithstanding any other provision set forth herein, nothing herein shall require any director, manager or officer of the Company or any Subsidiary who will not continue to hold such position following the Closing to execute any resolution(s) or written consent(s), or any certification, instrument or agreement, in connection with the Debt Financing or any agreements or instruments entered into in connection therewith.

(c) Parent shall, promptly upon request by the Company, reimburse the Company for all reasonable out-of-pocket costs incurred by the Company or its Subsidiaries in connection with the cooperation of the Company and its Subsidiaries with the arrangement of the Debt Financing. Parent shall indemnify and hold harmless the Company, its Subsidiaries and its Representatives from and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments and penalties suffered or incurred by any of them in connection with the arrangement of the Debt Financing and the performance of their respective obligations under this Section 5.13 and any information utilized in connection therewith (other than those arising out of or resulting from the Company's or any of its Subsidiaries' gross negligence or willful misconduct).

(d) Notwithstanding anything to the contrary set forth herein, the Company shall not be deemed in default of, or otherwise in breach of its obligations under, this Section 5.13, and the conditions set forth in Section 6.2(b) as it relates to this Section 5.13 shall be deemed satisfied, unless (i) the Company knowingly and intentionally materially breaches its obligations under this Section 5.13, and (ii) the Debt Financing has not been obtained primarily as a result of the Company's knowing and intentional material breach of its obligations under this Section 5.13.

Section 5.14 Payment of Indebtedness.

As of the Closing the Parent shall pay or cause to be paid the Hale Note and the Bridge Debt in full in accordance with payoff letters to be delivered pursuant to Section 6.2(f) herein.

Section 5.15 Termination of 401(k) Plan.

At the written request of Parent provided no later than ten (10) days prior to the Closing Date, the Company shall or shall cause the applicable Subsidiary to adopt written resolutions (or take other necessary and appropriate action(s)) to terminate any Company Benefit Plan that is intended to qualify under Section 401(a) of the Code with a cash or deferred arrangement described in Section 401(k) of the Code (the "401(k) Plan") in accordance with its terms and the requirements of applicable Law, cease all contributions to, and fully vest all participants under the 401(k) Plan, such termination, cessation of contributions and vesting to be effective no later than the Business Day preceding the Closing Date. The Company shall provide Parent with an advance copy of such proposed resolutions (and any related documents) and a reasonable opportunity to comment thereon prior to adoption or execution.

ARTICLE VII
TERMINATION, AMENDMENT AND WAIVER

Section 7.1 Termination.

This Agreement may be terminated and the Merger (and the other transactions contemplated by the Transaction Documents) may be abandoned at any time prior to the Effective Time (notwithstanding if the Company Required Vote has been obtained or Parent has adopted this Agreement as the sole shareholder of Merger Sub) only as follows:

- (a) by the mutual written consent of the Company and Parent;
- (b) by the Company or Parent, if any Governmental Entity of competent jurisdiction shall have issued an Order or taken any other action, in either case permanently enjoining, restraining or otherwise prohibiting the Merger, and such Order or other action shall have become final and nonappealable; provided that the party seeking to terminate this Agreement pursuant to this clause (b) shall not have failed to use such efforts as required by Section 5.3 to prevent and oppose such Order or other action;
- (c) by either Parent or the Company, if at the Shareholders Meeting (giving effect to any adjournment or postponement thereof), the Company Required Vote shall not have been obtained;
- (d) by the Company in order to enter into an Alternative Acquisition Agreement for a Superior Proposal; provided that this Agreement may not be so terminated unless (i) the Company Board of Directors shall have complied with the applicable procedures set forth in Section 5.6 (other than (x) any materially cured breaches thereof or (y) any immaterial or inadvertent breaches thereof not intended to result in an Acquisition Proposal) and (ii) the payment as required by Section 7.2(b) has been made in full to Parent;

(e) by Parent if the Company Board of Directors shall have made a Company Adverse Recommendation Change;

(f) by either Parent or the Company, if the Merger shall not have been consummated prior to the date that is 120 days from the date of this Agreement (the "Outside Termination Date"); provided, further, that the right to terminate this Agreement under this Section 7.1(f) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the principal cause of, or results in, the failure of the Merger to occur on or before such date;

(g) by Parent, if (i) there has been a breach by the Company of any representation, warranty, covenant or agreement contained in this Agreement that would, individually or in the aggregate, result in a failure of a condition set forth in Section 6.2(a) or Section 6.2(b) if continuing on the Closing Date and (ii) such breach (A) shall not have been cured before the Outside Termination Date, (B) is not capable of being cured before the Outside Termination Date or (C) the Company does not within thirty (30) days after receipt of written notice thereof initiate and sustain commercially reasonable efforts to cure such breach (it being understood that Parent may not terminate this Agreement pursuant to this Section 7.1(g) if such breach by the Company is so cured); provided that Parent may not terminate this Agreement pursuant to this Section 7.1(g) if Parent or Merger Sub is then in material breach of any of its representations, warranties, agreements or covenants contained in this Agreement;

(h) by the Company, if (i) there has been a breach by Parent or Merger Sub of any representation, warranty, covenant or agreement contained in this Agreement that would, individually or in the aggregate, result in a failure of a condition set forth in Section 6.3(a) or Section 6.3(b) if continuing on the Closing Date and (ii) such breach (A) shall not have been cured before the Outside Termination Date, (B) is not capable of being cured before the Outside Termination Date or (C) Parent or Merger Sub does not within thirty (30) days after receipt of written notice thereof initiate and sustain commercially reasonable efforts to cure such breach (it being understood that the Company may not terminate this Agreement pursuant to this Section 7.1(h) if such breach by Parent or Merger Sub is so cured); provided that the Company may not terminate this Agreement pursuant to this Section 7.1(h) if the Company is then in material breach of any of its representations, warranties, agreements or covenants contained in this Agreement;

(i) by the Company, if (i) all of the conditions set forth in Section 6.1 and Section 6.2 have been satisfied (other than those conditions that by their nature are to be satisfied by actions taken at the Closing), (ii) the Parent and Merger Sub fail to complete the Closing on the date the Closing should have occurred pursuant to Section 1.2, (iii) the Company has irrevocably notified Parent in writing that (A) the Company is ready, willing and able to consummate the Closing, and (B) all conditions set forth in Section 6.1 and Section 6.3 have been and continue to be satisfied (other than those conditions that by their terms are to be satisfied at the Closing, each of which is capable of being satisfied at the Closing) or that it is willing to waive any unsatisfied conditions set forth in Section 6.1 and Section 6.3, (iv) the Company has given Parent written notice at least three (3) Business Days prior to such termination stating the Company's intention to terminate this Agreement pursuant to this Section 7.1(i) if Parent and Merger Sub fail to consummate the Closing, and (v) Parent and Merger Sub fail to consummate the Closing on the later of the expiration of such three (3) Business Day period and the date set forth in the foregoing notice; or

(j) by Parent (if Parent and Merger Sub are not in material breach of their representations, warranties, covenants or agreements under this Agreement), if the Company shall have breached any of its obligations under Section 5.4 (Shareholders Meeting; Proxy) or Section 5.6 (No Solicitation of Transactions) (other than (x) any materially cured breaches thereof or (y) any immaterial or inadvertent breaches thereof not intended to result in an Acquisition Proposal).

The party desiring to terminate this Agreement pursuant to subsection (b), (c), (d), (e), (f), (g), (h), (i) or (j) of this Section 7.1 shall give written notice of such termination to the other party in accordance with Section 8.2, specifying the provision or provisions hereof pursuant to which such termination is effected. The right of any party hereto to terminate this Agreement pursuant to this Section 7.1 shall remain operative and in full force and effect regardless of any investigation made by or on behalf of any party hereto, or any of their respective Affiliates or Representatives, whether prior to or after the execution of this Agreement.

Section 7.2 Expenses.

(a) Expense Allocation. Except as otherwise specified in this Section 7.2 or elsewhere in this Agreement or agreed in writing by the parties, all out-of-pocket costs and expenses incurred in connection with the Transaction Documents, the Merger and the other transactions contemplated hereby shall be paid by the party incurring such cost or expense. Parent will pay, or will cause the Company to pay, the Company's out-of-pocket costs and expenses incurred in connection with the Transaction Documents, the Merger and the other transactions contemplated hereby against delivery of invoices.

(b) Company Termination Fee. If this Agreement is (i) terminated (A) by the Company pursuant to Section 7.1(d) (Superior Proposal), or (B) by Parent pursuant to Section 7.1(e) (Adverse Recommendation), or (ii) (A) by Parent or the Company pursuant to Section 7.1(c) (No Vote), (B) following the execution of this Agreement and prior to the time at which a vote is taken on the adoption of this Agreement at the Shareholders Meeting (or an adjournment or postponement thereof) an Acquisition Proposal is publicly announced or shall become publicly known and not withdrawn (a "Competing Acquisition Proposal"), and (C) within twelve (12) months following the termination of this Agreement pursuant to Section 7.1(c), the foregoing Competing Acquisition Proposal is consummated or the Company enters into a definitive Contract to consummate the foregoing Competing Acquisition Proposal and such Competing Acquisition Transaction is subsequently consummated, the Company shall promptly, and in any event within five (5) Business Days after the date of such termination (except as provided in the proviso below), pay Parent the Company Termination Fee (less the amount of Parent Expenses previously paid to Parent pursuant to Section 7.2(c), if any) by wire transfer of immediately available funds (it being understood and agreed that Parent shall provide the Company with the applicable account information promptly upon request therefor); provided that, in the case of a termination pursuant to clause (ii), such payment shall be made substantially concurrently with the consummation of such Competing Acquisition Proposal; provided, further, that, for the purpose of clause (ii), each reference to 20% in the definition of Acquisition Proposal shall be replaced with 50%. For the avoidance of doubt, in no event shall the Company be obligated to pay, or cause to be paid, the Company Termination Fee on more than one occasion, whether or not the Company Termination Fee may be payable under more than one provision of this Agreement at the same or at different times and the occurrence of different events. If the Company becomes obligated to pay the Company Termination Fee pursuant to this Section 7.2(b), Parent and Merger Sub agree that Parent's right to receive the Company Termination Fee from the Company shall be Parent's and Merger Sub's sole and exclusive remedy against the Company and the Company Group and, upon payment of the Company Termination Fee, neither the Company nor any member of the Company Group shall have any liability or obligation to Parent or Merger Sub relating to or arising out of this Agreement or the transactions contemplated hereby.

(c) Expense Reimbursement. In the event this Agreement is terminated (i) pursuant to Section 7.1(c) (No Vote) under circumstances in which the Company Termination Fee is not then payable pursuant to Section 7.2(b) and prior to the time of such termination by Parent, Parent and Merger Sub were not in breach of their representations, warranties, covenants or agreements under this Agreement or (ii) under Section 7.1(g) (Company Breach) and due to a willful breach by the Company, then the Company shall, following receipt of an invoice therefor, promptly (in any event within two (2) Business Days) pay up to \$750,000 of Parent's reasonable and documented out-of-pocket fees and expenses (including legal fees and expenses) incurred by Parent and its Affiliates on or prior to the termination of this Agreement in connection with the transactions contemplated by this Agreement (the "Parent Expenses"), by wire transfer of same day funds to one or more accounts designated by Parent; provided, that the existence of circumstances which could require the Company Termination Fee to become subsequently payable by the Company pursuant to Section 7.2(b) shall not relieve the Company of its obligations to pay the Parent Expenses pursuant to this Section 7.2(c); provided, further, that the payment by the Company of Parent Expenses pursuant to this Section 7.2(c) shall not relieve the Company of any subsequent obligation to pay the Company Termination Fee pursuant to Section 7.2(b) except to the extent indicated in Section 7.2(b).

(d) Acknowledgment. The parties acknowledge that (i) the agreements contained in this Section 7.2 are an integral part of the transactions contemplated in this Agreement, (ii) the damages resulting from termination of this Agreement under circumstances where a Company Termination Fee is payable are uncertain and incapable of accurate calculation and therefore, the amounts payable pursuant to Section 7.2(b) are not a penalty but rather constitute liquidated damages in a reasonable amount that will compensate Parent for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, and (iii) without the agreements contained in this Section 7.2, Parent would not have entered into this Agreement.

Section 7.3 Effect of Termination.

In the event of termination of this Agreement by either the Company or Parent as provided in Section 7.1, this Agreement shall forthwith become void and have no effect, without any liability or obligation on the part of Parent Group or the Company Group, except that (a) the provisions of Section 5.2(c), Section 7.1, Section 7.2, this Section 7.3 and Article VIII (and the defined terms referenced therein) shall survive such termination; and (b) nothing herein shall relieve any party or parties hereto, as applicable, from Liability for any fraud committed in connection with this Agreement or any of the transactions contemplated hereby. In addition to the foregoing, no termination of this Agreement shall affect the obligations of the parties hereto set forth in the Confidentiality Agreement which shall survive termination of this Agreement in accordance with their respective terms and remain fully enforceable in accordance with its respective terms.

Section 7.4 Amendment.

This Agreement may be amended by the parties in writing by action of their respective boards of directors at any time before or after the Company Required Vote has been obtained and prior to the issuance of the Certificate of Merger by the Companies Registrar; provided, however, that, after the Company Required Vote shall have been obtained, no such amendment, modification or supplement shall be made which by Law requires the further approval of the Company Ordinary Shareholders without such further approval. This Agreement may not be amended, changed or supplemented or otherwise modified except by an instrument in writing signed on behalf of all of the parties.

Section 7.5 Extension; Waiver.

At any time prior to the Effective Time, each of the Company, Parent and Merger Sub may (a) extend the time for the performance of any of the obligations or other acts of the other party, (b) waive any inaccuracies in the representations and warranties of the other party contained in this Agreement or in any document delivered pursuant to this Agreement, or (c) subject to the provisions of Section 7.4, waive compliance with any of the agreements or conditions of the other parties contained in this Agreement. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party hereto against whom the waiver is to be effective. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights.

ARTICLE VIII

GENERAL PROVISIONS

None of the representations and warranties in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Effective Time. This Section 8.1 shall not limit any covenant or agreement of the parties in this Agreement that by its terms contemplates performance after the Effective Time.

The table of contents, headings and index of defined terms contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the word "include," "includes" or "including" is used in this Agreement, it shall be deemed to be followed by the words "without limitation." Unless the context of this Agreement otherwise requires, (i) the words "hereof," "herein" and "hereby" refer to this Agreement, (ii) words using the singular or plural form also include the plural or singular form, respectively and (iii) words of any gender include each other gender. The Company Disclosure Letter, as well as any schedules thereto and any exhibits hereto, shall be deemed part of this Agreement and included in any reference to this Agreement. The word "extent" in the phrase "to the extent" means the degree to which a subject or other thing extends and such phrase shall not mean simply "if." References to a Person are also to its permitted successors and assigns. All references to "days" shall be to calendar days unless otherwise indicated as a "Business Day." The phrases "provided to," "furnished to," "made available" and phrases of similar import when used herein, unless the context otherwise requires, means that a copy of the information or material referred to has been provided to the party to which such information or material is to be provided in the virtual dataroom set up by the Company in connection with this Agreement prior to the date hereof.

Section 8.4 Counterparts.

This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

A - 74

Section 8.5 Entire Agreement: No Third-Party Beneficiaries.

This Agreement (including the documents and instruments referred to herein, including the Confidentiality Agreement) (a) constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the parties, or any of them, with respect to the subject matter of this Agreement and (b) is not intended to and does not confer upon any Person other than the parties hereto any rights or remedies hereunder, other than the Indemnified Persons intended to benefit from the provisions of Section 5.9, who shall have the right to enforce such provisions directly.

Section 8.6 GOVERNING LAW.

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF ISRAEL, WITHOUT REGARD TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF.

Section 8.7 Assignment.

Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties (whether by operation of Law or otherwise) without the prior written consent of the other parties hereto; provided that prior to the Closing, Parent and Merger Sub may assign this Agreement (in whole but not in part) to Parent or any of its Affiliates and/or to any parties providing the Debt Financing pursuant to the terms thereof (including for purposes of creating a security interest herein or otherwise assign as collateral in respect of such Debt Financing). No assignment by any party shall relieve such party of any of its obligations hereunder. Subject to the foregoing, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns.

Section 8.8 Remedies .

(a) Remedies of Parent and Merger Sub.

(i) Specific Performance. Prior to the valid termination of this Agreement pursuant to Section 7.1, Parent and Merger Sub shall be entitled to seek and obtain an injunction, specific performance and other equitable relief to prevent breaches of this Agreement by the Company in the courts described in Section 8.11 and to enforce specifically the terms and provisions hereof, including the Company's obligation to consummate the Merger.

(ii) Termination Fee. Parent shall be entitled to payment of the Company Termination Fee if and when payable pursuant to Section 7.2(b).

(iii) Expense Reimbursement. Parent shall be entitled to reimbursement of Parent Expenses if and when payable pursuant to Section 7.2(c).

- (iv) Termination. Parent and Merger Sub shall be entitled to terminate this Agreement in accordance with Section 7.1.
- (v) Monetary Damages. Upon termination of the Agreement and solely to the extent this Agreement is terminated, the Parent Group shall have the right to seek or obtain money damages from the Company under this Agreement for breach by the Company of any representations, warranties and covenants contained herein; provided, however, that, other than in the case of fraud, if the Company Termination Fee payable under Section 7.2(b) is paid, such payment shall be considered liquidated damages and no further monetary damages shall be payable to Parent Group under this Agreement or any of the Transaction Documents.
- (b) Remedies of the Company.
- (i) Specific Performance. Prior to the valid termination of this Agreement pursuant to Section 7.1, the Company shall be entitled to seek and obtain an injunction, specific performance and other equitable relief to prevent breaches of this Agreement by Parent or Merger Sub in the courts described in Section 8.11 and to enforce specifically the terms and provisions hereof, including the Parent's and Merger Sub's obligation to consummate the Merger. For the avoidance of doubt, in no event shall the Company be entitled to a remedy of specific performance or other equitable remedies against any Lender Party, except to the extent that such Lender Party is an Affiliate of Parent.
- (ii) Termination. The Company shall be entitled to terminate this Agreement in accordance with Section 7.1.
- (iii) Monetary Damages. Upon termination of the Agreement pursuant to Section 7.1(h) or Section 7.1(i), in each case in connection with an intentional and willful material breach by Parent or Merger Sub of any representation, warranty, covenant or agreement contained in this Agreement (but subject to the proviso below), the Company Group shall have the right to seek money damages from Parent or Merger Sub under this Agreement; provided, however, that the Company shall have the right to seek both specific performance and monetary damages simultaneously, so long as it may only obtain either specific performance or monetary damages and if monetary damages are so awarded, then the Agreement shall be deemed to have been validly terminated, pursuant to Section 7.1(h) or Section 7.1(i), as applicable. Under no circumstances will the collective monetary damages payable by Parent, Merger Sub or any of their Affiliates for such breaches exceed an amount equal to \$2,404,228 in the aggregate for all such breaches (the "Parent Damages Cap"). In no event shall any member of the Company Group have the right to seek or obtain money damages or expense reimbursement (whether at law or in equity, in contract, in tort or otherwise) from Parent, Merger Sub or any other member of the Parent Group in an amount, in the aggregate, in excess of the Parent Damages Cap. Other than the obligations of Parent and Merger Sub to the extent expressly provided in this Agreement, in no event will any member of the Parent Group or any other Person other than Parent and Merger Sub have any liability for monetary damages or expense reimbursement (whether at law or in equity, in contract, in tort or otherwise) to the Company or any other Person relating to or arising out of this Agreement, the Merger or the other transactions contemplated hereby. Each party agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that the other parties hereto have an adequate remedy at law or an award of specific performance is not an appropriate remedy for any reason at law or in equity to the extent that the right of specific performance is explicitly applicable under the terms of this Section 8.8. The parties hereto acknowledge and agree that any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement (to the extent that the right of specific performance is explicitly applicable under the terms of this Section 8.8) shall not be required to provide any bond or other security in connection with any such order or injunction.

The parties acknowledge and agree that the remedies provided for in this Section 8.8 shall be the parties' sole and exclusive remedies for any breaches of this Agreement or any claims relating to the transactions contemplated hereby. In furtherance of the foregoing, each party hereby waives, to the fullest extent permitted by applicable Law, any and all other rights, claims and causes of action, known or unknown, foreseen or unforeseen, which exist or may arise in the future, that such party may have against the other party, the Parent Group or the Company Group, as the case may be, arising under or based upon any Law (including any securities Law, common law or otherwise) for any breach of the representations and warranties or covenants contained in this Agreement; provided that nothing in this Section 8.8 shall relieve any party from any liability for fraud.

You have requested our opinion (the “Fairness Opinion”) as to the fairness, from a financial point of view, to the holders (other than Parent, Ultimate Parent, Merger Sub (each as defined below) and their respective affiliates) of ordinary shares (the “Ordinary Shares”) of Top Image Systems Ltd., a company organized under the laws of the State of Israel (the “Company”), of the Merger Consideration (as defined below) to be paid to such holders pursuant to the Agreement and Plan of Merger, dated as of the date hereof, (the “Agreement”), by and among Rollpik Ltd., a company organized under the laws of the State of Israel (“Parent”), Kofax, Inc., a company organized under the laws of the State of Delaware (“Ultimate Parent”), Tornely Ltd., a company organized under the laws of the State of Israel and wholly owned direct subsidiary of Parent (“Merger Sub”), and the Company.

We may in the future provide investment banking and other services to the Parent or the Ultimate Parent. We have been engaged to serve as financial advisor to the Company solely in connection with the Transaction, and will receive a fee for our services, upon delivery of this Fairness Opinion and a fee contingent upon the successful completion of the Transaction.

In connection with our review of the proposed Transaction and developing our Fairness Opinion, we have, among other things:

In connection with our review and arriving at our Fairness Opinion, we have not independently verified any of the foregoing information, have relied on such information, have assumed that all such information is complete and accurate in all material respects, and have relied on assurances of the management of the Company that they are not aware of any facts that would make such information misleading. With respect to the internal financial forecasts and other forward-looking financial information provided to us by senior management of the Company, we have assumed, with your consent, that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of Company management. In particular, we have assumed, with your consent, that the Company has or will have sufficient funds to meet its financial forecasts. We have also assumed that, in the course of obtaining necessary regulatory and third party approvals and consents for the Transaction, no modification, delay, limitation, restriction or conditions will be imposed that will have an adverse effect on the Company, Parent, Ultimate Parent or the contemplated benefits of the Transaction in any way meaningful to our analysis.

This Fairness Opinion has been approved by a fairness committee of Canaccord Genuity in accordance with FINRA Rule 5150. Our Fairness Opinion is rendered on the basis of securities, economic and market conditions prevailing as of the date hereof and on the prospects, financial and otherwise, of the Company, known to us as of the date hereof. February 2, 2019

This Fairness Opinion is limited to the fairness, from a financial point of view, to the holders of Ordinary Shares of the Company (other than Parent, Ultimate Parent, Merger Sub and their respective affiliates) of the Merger Consideration, and we express no opinion as to the fairness of the Transaction to the holders of any other class of securities, creditors or other constituencies of the Company. Our Fairness Opinion does not address the relative merits of the Transaction as compared to other business strategies or transactions that might be available to the Company, nor does it address the underlying business decision of the Company to proceed with the Transaction or any view on any other term or aspect of the Agreement. We also note that we are not legal, accounting, regulatory or tax experts and have relied on the assessments made by the Company and its advisors with respect to such matters. We have not considered, and we express no opinion as to, the fairness of the amount or nature of the compensation to be paid to any of the Company's officers, directors or employees, or class of such persons, relative to the Merger Consideration to be paid to the stockholders of the Company in the Transaction.

This Fairness Opinion, as set forth in this letter form, is directed to and for the information of the Board of Directors of the Company (in its capacity as such) in connection with its evaluation of the Transaction and does not constitute advice or a recommendation to any stockholder as to how such stockholder should vote with respect to the Merger or any other aspect of the Transaction. It is understood that this letter may not be disclosed or otherwise referred to without our prior written consent.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration to be paid to the holders of Ordinary Shares of the Company (other than Parent, Ultimate Parent, Merger Sub and their respective affiliates) pursuant to the Agreement is fair, from a financial point of view, to such holders.

Sincerely,

(g) No Ownership Interest. Nothing contained in this Agreement shall be deemed to vest in Parent or any of its Affiliates any direct or indirect ownership or incidence of ownership of or with respect to any Shares or New Shares. All rights, ownership and economic benefit of and relating to the Shares and any New Shares shall remain vested in and belong to the Shareholder, and Parent shall have no authority to manage, direct, superintend, restrict, regulate, govern or administer any of the policies or operations of the Company or exercise any power or authority with respect to the Shareholder in the voting of any Shares or New Shares, except as specifically provided herein and in the Merger Agreement.

(h) Specific Performance. Each of the parties hereto recognizes and acknowledges that a breach of any covenants or agreements contained in this Agreement will cause Parent and Merger Sub to sustain damages for which they would not have an adequate remedy at law for money damages, and therefore each of the parties hereto agrees that in the event of any such breach Parent shall be entitled to the remedy of specific performance of such covenants and agreements and injunctive and other equitable relief in addition to any other remedy to which they may be entitled, at law or in equity.

(i) No Agreement Until Executed. Irrespective of negotiations among the parties or the exchanging of drafts of this Agreement, this Agreement shall not constitute or be deemed to evidence a contract, agreement, arrangement or understanding between or among any of the parties hereto unless and until (i) the Merger Agreement is executed by all parties thereto and (ii) this Agreement is executed by all parties hereto.
