PROXY STATEMENT
OF
CITIZENS FINANCIAL SERVICES, INC.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Citizens Financial Services, Inc., (the "Company"), a Pennsylvania corporation headquartered at 15 South Main Street, Mansfield, Pennsylvania 16933, to be used at the Annual Meeting of Shareholders. The Annual Meeting will be held at the Tioga County Fairgrounds Main Building, 2258 Charleston Road, Wellsboro, Pennsylvania, on Tuesday, April 17, 2018 at 12:00 noon, local time. This Proxy Statement and related proxy card will be made available beginning on March 8, 2018 to shareholders of record as of February 26, 2018.

GENERAL INFORMATION ABOUT VOTING

Who Can Vote at the Meeting

You are entitled to vote your shares of the Company's common stock only if the records of the Company show that you held your shares as of the close of business on February 26, 2018. As of the close of business on February 26, 2018, a total of 3,484,305 shares of common stock were outstanding. Each share of common stock has one vote.

Attending the Meeting

If your shares are registered directly in your name, you are the holder of record of these shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to us by mail or by voting via the Internet or to vote in person at the meeting.

If you are the beneficial owner of the Company's common stock held by a broker, bank or other nominee (i.e., in "street name"), you will need proof of your ownership of such stock to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of the Company's common stock held in street name in person at the meeting, you must obtain a written proxy in your name from the broker, bank or other nominee who is the record holder of your shares.

Quorum and Vote Required

Quorum. The Annual Meeting will be held only if there is a quorum. A quorum exists if a majority of the outstanding shares of common stock entitled to vote is represented at the meeting.

Votes Required for Proposals. In voting for the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the Annual Meeting. The term "plurality" means that the four nominees for Class 1 director receiving the largest number of votes cast will be elected as Class 1 directors and the nominee for Class 2 director receiving the largest number of votes cast will be elected as a Class 2 director.

In voting for the ratification of the appointment of S.R. Snodgrass, P.C., Certified Public Accountants ("S.R. Snodgrass, P.C."), as our independent registered public accounting firm, you may vote in favor of the proposal, against the proposal or abstain from voting. This proposal will be decided by the affirmative vote of a majority of the votes cast at the Annual Meeting.

In voting to amend Article Fourth of the Company's Articles of Incorporation (the "Articles") to increase the number of authorized shares of the Company's common stock from 15,000,000 to 25,000,000, you may vote in favor of the proposal, against the proposal or abstain from voting. This proposal will be decided by the affirmative vote of a majority of the votes cast at the Annual Meeting.

In voting on the approval of the compensation of the Company's named executive officers, you may vote in favor of the proposal, against the proposal or abstain from voting. This proposal will be determined by a plurality of the votes cast at the Annual Meeting.

In voting on the frequency of the shareholder vote to approve the compensation of the Company's named executive officers, you may vote for a frequency of one, two or three years, or you may abstain from voting. This proposal will be determined by a plurality of the votes cast at the Annual Meeting.

How We Count Votes. If you return valid proxy instructions, vote via the Internet, or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum.

In the election of directors, votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In counting votes on the proposals to ratify the selection of the independent registered public accounting firm, to amend Article Fourth of the Company's Articles, to approve the compensation of the Company's named executive officers, and to select the frequency of the shareholder vote on the compensation of the Company's named executive officers, abstentions and broker non-votes will have no effect on the outcome of these proposals.

Voting By Proxy

The Company's Board of Directors is making available this Proxy Statement for the purpose of requesting that you allow your shares of the Company's common stock to be represented at the Annual Meeting by the persons named in the proxy card. All shares of common stock represented at the Annual Meeting by properly executed and dated proxy cards will be voted according to the instructions indicated on the proxy card or as indicated when you vote via the Internet. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE:

"FOR" THE ELECTION OF THE FOUR CLASS 1 DIRECTORS TO SERVE FOR THREE-YEAR TERMS AND THE ONE CLASS 2 DIRECTOR TO SERVE FOR A ONE-YEAR TERM, AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED;

"FOR" RATIFICATION OF S.R. SNODGRASS, P.C. AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM;

"FOR" THE APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS;

TO HOLD THE ADVISORY VOTE TO APPROVE THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS EVERY THREE YEARS; AND

"FOR" THE AMENDMENT TO ARTICLE FOURTH OF THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF THE COMPANY'S COMMON STOCK FROM 15,000,000 TO 25,000,000.

If any matter not described in this Proxy Statement is properly presented at the Annual Meeting, the persons named on the proxy card will use their own best judgment to determine how to vote your shares. The Company does not know of any other matters to be presented at the Annual Meeting.

4

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise the Secretary of the Company in writing before your common stock has been voted at the Annual Meeting, deliver a signed later-dated proxy, vote on a later date via the Internet, or attend the meeting and vote your shares in person. Please note all votes cast via the Internet must be cast prior to 11:59 p.m. Eastern Time on April 16, 2018. Attendance at the Annual Meeting will not in itself constitute revocation of your proxy.

If your common stock is held in "street name," you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement.

CORPORATE GOVERNANCE AND BOARD MATTERS

Director Independence

The Company's Board of Directors currently consists of eleven members, all of whom are independent under the listing standards of the Nasdaq Stock Market, except for Mr. Black, who is Chief Executive Officer and President of the Company and First Citizens Community Bank (the "Bank"), and David Z. Richards, Jr., who is an Executive Vice President of the Bank. In determining the independence of its directors, the Board considered transactions, relationships and arrangements between the Company and its directors that are not required to be disclosed in this Proxy Statement under the heading "Transactions with Related Persons," including the fact that Director van der Hiel's daughter is an employee of the Bank, and considering the loans or lines of credit that the Bank has directly or indirectly made to Directors Coolidge, Freeman, van der Hiel, Graham, Kosa, Landy, Chappell, Black, DePaola, and Schadler.

Board Leadership Structure and Board's Role in Risk Oversight

The Board of Directors has determined that the separation of the offices of Chairman of the Board and Chief Executive Officer and President enhances Board independence and oversight. Moreover, the separation of the Chairman of the Board and Chief Executive Officer and President allows the Chief Executive Officer and President to better focus on his responsibilities of running the Company, enhancing shareholder value and expanding and strengthening our franchise while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management. Consistent with this determination, R. Lowell Coolidge serves as Chairman of the Board of Directors.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and risks facing the Company. Senior management attends Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors. The Board periodically meets in executive session without management present. Topics for discussion may include the evaluation of the Chief Executive Officer and President, management succession planning, strategic planning, and such other matters as they may deem appropriate. In 2017, the Board held four executive sessions.

Code of Ethics

The Company and the Bank have adopted a Code of Ethics that is designed to ensure that the Company's and Bank's directors, executive officers and employees meet the highest standards of ethical conduct. The Code of Ethics requires that the Company's and Bank's directors, executive officers and employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in the Company's and Bank's best interest. Under the terms of the Code of Ethics, directors, executive officers and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code. The Code of Ethics is available in the Corporate Governance section of our website (www.firstcitizensbank.com).

Committees of the Board of Directors

The following table identifies the members of our Audit and Examination, Compensation/Human Resource, and Governance and Nominating Committees as of February 26, 2018. All members of each committee are independent in accordance with the listing standards of the Nasdaq Stock Market, except for Mr. Black, the Company's Chief Executive Officer and President, who serves on the Governance and Nominating Committee. Based on the number of independent directors currently serving on the Governance and Nominating Committee, the Company believes that the functions of this committee are sufficiently performed by the current members. The Board's Audit and Examination, Compensation/Human Resource, and Governance and Nominating Committees each operate under a separate written charter that is approved by the Board of Directors. Each committee reviews and reassesses the adequacy of its charter at least annually. The charters of all three committees are available in the Corporate Governance section of our website (www.firstcitizensbank.com).

Audit and Examination Committee. The Audit and Examination Committee oversees the Company's accounting and financial reporting processes. It meets periodically with the independent registered public accounting firm, management and the internal auditors to review accounting, auditing, internal control structure and financial reporting matters. The Audit and Examination Committee does not have an "audit committee financial expert" as defined by the rules of the Securities and Exchange Commission (the "SEC"). However, the Board of Directors believes that each Audit and Examination Committee member has sufficient knowledge in financial and auditing matters to serve on the committee. The committee has the authority to engage legal counsel or other experts or consultants as it deems

appropriate to carry out its responsibilities. The report of the Audit and Examination Committee required by the rules of the SEC is included in this proxy statement. See "Report of the Audit and Examination Committee."

Compensation/Human Resource Committee. The Compensation/Human Resource Committee is appointed by the Board of Directors of the Company to assist the Board in developing compensation philosophy, criteria, goals and policies for the Company's executive officers that reflect the values and strategic objectives of the Company and its affiliates that align their interests with the interests of the stockholders. The Committee administers the Company's compensation plans, including the annual incentive plan, restricted stock plan and tax-qualified defined benefit plan. The Committee reviews and evaluates the terms of employment and change in control agreements for our executive officers.

Consistent with SEC disclosure requirements, the Compensation/Human Resource Committee has assessed the Company's compensation programs and has concluded that our compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company or its affiliates. Our risk assessment process includes: (1) a review of program policies and practices; (2) a program analysis to identify risk; and (3) determinations as to the sufficiency of risk identification, the balance of potential risk to potential reward, risk control and the support of the programs and their risks to Company strategy. Although we review all compensation programs, we focus on the programs with variability of payout, with the ability of a participant to directly affect payout and the controls on participant action and payout.

Based on the foregoing, we believe that our compensation policies and practices do not create inappropriate or unintended significant risk to the Company or our affiliates. We also believe that our incentive compensation arrangements provide incentives that do not encourage risk-taking beyond the organization's ability to effectively identify and manage significant risks, are compatible with effective internal controls and are supported by the oversight and administration of the Compensation/Human Resource Committee with regard to executive compensation programs.

During 2017, the Compensation/Human Resource Committee retained and consulted with Compensation Advisors, an executive compensation and benefits consulting firm of national scope and reputation, to advise it in connection with executive compensation decisions for 2017.

Governance and Nominating Committee. The Governance and Nominating Committee takes a leadership role in shaping governance policies and practices, including recommending to the Board of Directors the corporate governance policies and guidelines that should be adopted by the Company and monitoring compliance with these policies and guidelines. In addition, the Governance and Nominating Committee is responsible for identifying individuals qualified to become Board members, considering the candidates recommended by shareholders for Board membership, and recommending to the Board the director nominees for election at the next Annual Meeting of Shareholders. It manages the Board's annual review of its performance and recommends director candidates for each committee for appointment by the Board. The procedures of the Governance and Nominating Committee required to be disclosed by the rules of the SEC are set forth below.

In order to improve director effectiveness, a yearly self-evaluation is used by the Board to determine each member's effectiveness and identify opportunities for improvement. The performance of individual directors is assessed against a range of criteria, including but not limited to: performance, relevant knowledge, engagement, individual contributions, leadership and group dynamics, and community involvement. The Governance and Nominating Committee annually oversees and reports to the Board an evaluation of the Board's performance. The process includes:

Board members complete a detailed questionnaire which (a) provides for quantitative ratings in key areas, and (b) seeks subjective comment in each of those areas.

Director

Questionnaire: When answering the questions, each Board member ranks all other peer Board members, as well as themselves.

Frequency: Annually.

Completed By: All members of the Board.

7

The third-party consultant provides a written summary report based on the data analysis and feedback from the directors.

Each director is able to see their own score, and the Board median score.

Findings:

If a director receives a score of 7 or below, out of a maximum of 10, on any question by 3 or more peer directors, or if a director's overall score is a 7 or below, the Governance and Nominating Committee will discuss what is needed to improve the score.

Any question that 3 or more directors score 7 or below is determined to be a board weakness and the Governance and Nominating Committee will determine, after consultation with management and/or consultants, what education or resource is needed to improve the score.

Presentation & Recommendations:

The final summary report is reviewed and discussed with the full Board by the Governance and Nominating Committee.

Governance and Nominating Committee Procedures

Minimum Qualifications. The Governance and Nominating Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. A candidate must meet the eligibility requirements set forth in the Company's Articles of Incorporation and Bylaws, and must meet any qualification requirements set forth in any Board or committee governing documents. In particular, to encourage directors to demonstrate confidence and support of the Company, the Board of Directors has adopted a stock ownership requirement whereby each Company director shall beneficially own an amount of Company common stock equal to the greater of (1) three times the previous year's cash retainer, based on the Company's common stock price on the previous December 31st, or (ii) 1,000 unencumbered shares.

The Governance and Nominating Committee considers the following criteria in selecting nominees for initial election or appointment to the Board: financial, regulatory and business experience; familiarity with and participation in the local community; integrity, honesty and reputation; dedication to the Company and its shareholders; independence; and any other factors the Governance and Nominating Committee deems relevant, including age, residence, geographies, size of the Board of Directors and regulatory disclosure obligations. Further, when identifying nominees to serve as director, the Governance and Nominating Committee seeks to create a Board that is strong in its collective knowledge and has a diversity of skills and experience with respect to accounting and finance, management and leadership, vision and strategy, business operations, business judgment, industry knowledge, agri-business experience and knowledge, current or previous SEC filing company board experience, and corporate governance.

In addition, prior to nominating an existing director for re-election to the Board of Directors, the Governance and Nominating Committee considers and reviews an existing director's Board and committee attendance and performance, length of Board service, experience, skills and contributions that the existing director brings to the Board, equity ownership in the Company, and independence.

Process for Identifying and Evaluating Nominees. The process the Governance and Nominating Committee follows when it identifies and evaluates individuals to be nominated for election to the Board of Directors is as follows:

Identification. For purposes of identifying nominees for the Board of Directors, the Governance and Nominating Committee relies on personal contacts of the committee and other members of the Board of Directors as well as its knowledge of members of the Bank's local communities. The Governance and Nominating Committee will also consider director candidates recommended by shareholders in accordance with the policy and procedures set forth

above. The Governance and Nominating Committee has not previously used an independent search firm in identifying nominees.

Evaluation. In evaluating potential nominees, the Governance and Nominating Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. In addition, the Governance and Nominating Committee will conduct a check of the individual's background and interview the candidate.

Consideration of Recommendations by Shareholders. It is the policy of the Governance and Nominating Committee of the Board of Directors of the Company to consider director candidates recommended by shareholders who appear to be qualified to serve on the Company's Board of Directors. The Governance and Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Governance and Nominating Committee does not perceive a need to increase the size of the Board of Directors. In order to avoid the unnecessary use of the Governance and Nominating Committee's resources, the Governance and Nominating Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Shareholders. To submit a recommendation of a director candidate to the Governance and Nominating Committee, a shareholder should submit the following information in writing, addressed to the Secretary of the Company at the main office of the Company:

1. The name and address of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. The written consent of the person being recommended as a director candidate to be named in the Proxy Statement as a nominee and to serve as a director if elected;

As to the person making the recommendation, the name and address, as they appear on the Company's books, of such person, and number of shares of common stock of the Company owned by such person; provided, however,

4. that if the person is not a registered holder of the Company's common stock, the person should submit his or her name and address along with a current written statement from the record holder of the shares that reflects the recommending person's beneficial ownership of the Company's common stock; and

5. A statement disclosing whether the person making the recommendation is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's Annual Meeting of Shareholders, the recommendation must be received by the Governance and Nominating Committee at least 120 calendar days prior to the date the Company's Proxy Statement was released to shareholders in connection with the previous year's Annual Meeting, advanced by one year.

The amounts were calculated based upon the Company's stock price of \$53.47 on the date of grant. For all directors, stock award amounts represent grants of 150 shares of common stock made under the 2016 Equity Incentive Plan and granted in 2017.

⁽²⁾ Consists of a life insurance benefits, and spouse expense at a director retreat.

The foregoing table reflects the following arrangements:

Fees. During 2017, our directors, except for Directors Coolidge, Black, Richards and van der Hiel, received the following fees for service on our Board of Directors: \$500 for attending a board meeting and strategic retreat or training session; \$20,800 annual retainer; \$300 monthly fee for committee meeting attendance; \$160 for participation in a Board conference call; and \$200 for attending an advisory board meeting. Additionally, committee chairpersons for Credit Committee, Audit and Examination Committee, Compensation/Human Resource Committee, and Governance and Nominating Committee receive a \$1,500 annual retainer. Director Coolidge, who serves as the Company's and the Bank's Chairman, and Director van der Hiel, who serves as the Company's and Bank's Vice Chairman, received a fixed annual sum of \$49,491 and \$38,781 respectively, in lieu of all director's fees and committee member fees in 2017. Directors Coolidge and van der Hiel also receive an advisory board fee of \$200 per attended meeting.

Deferred Compensation Plan. The Company maintains the Directors Deferred Compensation Plan as a vehicle for non-employee directors to defer retainers and meeting fees. Participants are eligible for a distribution under the plan upon the earlier of death, disability, or separation from service as a non-employee director of the Company. At the election of each participant, distributions are made in either a lump sum or in a series of five annual installments. In addition, the plan provides for distributions in the event of an unforeseeable emergency as such term is defined under Section 409A of the Internal Revenue Code. Directors Landy and Kosa are currently participating in the plan.

Life Insurance. In addition to these fees, each active director is provided a \$100,000 life insurance benefit. Once a director retires, insurance coverage continues but the benefit declines as the age of the retired director increases. Total premiums paid in 2017 for life insurance on behalf of the current and retired directors was \$2,183.

Stock Awards. Non-employee directors received grants of stock under our 2016 Equity Incentive Plan.

Meetings of the Board of Directors

The Board of Directors oversees all of the Company's business, property and affairs. The Chairman of the Board and the executive officers keep the members of the Board informed of the Company's business through discussions at Board meetings and by providing them reports and other materials. During 2017, the Company's Board of Directors held seven regular meetings. Each of the directors attended at least 75% of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which he/she served.

Meetings of the Advisory Boards / Regional Board

The Board of Directors utilizes advisory boards or a regional board in communities currently served by the Bank. The advisory and regional boards are composed of well respected people from the community, the office manager or market executive, and a member of the Board of Directors (who serves as a non-voting member of the advisory or regional board). The Board member serves as a communication link to share, with the advisory or regional board, the appropriate information occurring at Board of Directors' meetings, as well as communicating to the Board of Directors advisory or regional board issues and suggestions. Advisory or regional boards meet monthly. A fee of \$200 is paid for attendance at the monthly advisory board or regional board meeting.

Attendance at the Annual Meeting

The Company expects its directors to attend annual meetings of shareholders. All directors then serving attended the 2017 Annual Meeting of Shareholders.

AUDIT-RELATED MATTERS

Report of the Audit and Examination Committee

The Audit and Examination Committee met with management periodically during the year to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit and Examination Committee discussed these matters with the Company's independent registered public accounting firm and with appropriate Company financial personnel and internal auditors. The Audit and Examination Committee also discussed with the Company's senior management and independent registered public accounting firm the process used for certifications by the Company's Chief Executive Officer and Chief Financial Officer which are required for certain Company filings with the SEC.

The Audit and Examination Committee meets with the independent registered public accounting firm, the internal auditors, the Chief Financial Officer, the Vice President of Finance, and the Risk/Compliance Officer on a number of occasions, each of whom has unrestricted access to the Audit and Examination Committee.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls.

The independent registered public accounting firm audited the annual financial statements prepared by management, expressed an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with U.S. generally accepted accounting principles and discussed with the Audit and Examination Committee any issues the independent registered public accounting firm believed should be raised with the Audit and Examination Committee.

The Audit and Examination Committee reviewed with management and S.R. Snodgrass, P.C. the Company's audited financial statements, as well as the audit of management's assessment of internal control over financial reporting and

met separately with both management and S.R. Snodgrass, P.C. to discuss and review those financial statements and reports prior to issuance. Management has represented, and S.R. Snodgrass, P.C. has confirmed, to the Audit and Examination Committee, that the financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The Audit and Examination Committee has received the written disclosures and the letter from S.R. Snodgrass, P.C. required by applicable requirements of the Public Company Accounting Oversight Board regarding S.R. Policy on Audit and Examination Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit and Examination Committee is responsible for appointing and overseeing the work of the independent auditing firm. In accordance with its charter, the Audit and Examination Committee approves, in advance, all audit and permissible non-audit services to be performed by the independent auditing firm. Such approval process ensures that the external auditor does not provide any non-audit services to the Company that are prohibited by law or regulation.

In addition, the Audit and Examination Committee has established a policy regarding pre-approval of audit and permissible non-audit services provided by the independent auditing firm. Management's requests that particular services by the independent auditing firm be pre-approved under the auditor services policy must be specific as to the

particular services to be provided.

12

The request may be made with respect to either specific services or a type of service for predictable or recurring services.

During the year ended December 31, 2017, all audit and non-audit services were approved, in advance, by the Audit and Examination Committee in compliance with these procedures.

Item 2 Ratification of Independent Registered Public Accounting Firm

The Audit and Examination Committee of the Board of Directors has recommended the appointment of S.R. Snodgrass, P.C. to be the Company's independent registered public accounting firm for the 2018 fiscal year, subject to ratification by shareholders. A representative of S.R. Snodgrass, P.C. will be present at the Annual Meeting to respond to appropriate questions from shareholders and will have the opportunity to make a statement should he or she desire to do so.

If ratification of the appointment of S.R. Snodgrass, P.C. is not approved by a majority of the votes cast by shareholders at the Annual Meeting, other independent registered public accounting firms will be considered by the Audit and Examination Committee of the Board of Directors.

The Board of Directors unanimously recommends that you vote "FOR" ratification of the appointment of S.R. Snodgrass, P.C. as the Company's independent registered public accounting firm for fiscal year 2018.

Item 3 Advisory Vote on Executive Compensation

The Board of Directors of the Company is committed to excellence in governance. As part of that commitment, and as required by federal securities laws, the Board of Directors is providing the Company's stockholders with an opportunity to provide an advisory vote on the compensation of our named executive officers as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the "Compensation Discussion and Analysis," the compensation tables and the related narrative discussion contained in this proxy statement.

This proposal, commonly known as a "say-on-pay" proposal, gives the Company's shareholders the opportunity to endorse or not endorse the Company's executive compensation program and policies through the following resolution: "Resolved, that the compensation of the named executive officers, as described in the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure in this proxy statement, is hereby approved."

Because the vote is advisory, it will not be binding upon the Company or its Board of Directors. However, the Compensation/Human Resource Committee will review and consider the outcome of the vote when making future executive compensation arrangements.

The Board of Directors unanimously recommends a vote "FOR" approval of the compensation of the named executive officers.

Item 4 Advisory Vote on the Frequency of the Shareholder Vote on Executive Compensation

As part of the Board of Director's commitment to excellence in corporate governance, and as required by federal securities laws to occur at least every six years, the Board of Directors is providing the Company's stockholders with an opportunity to provide an advisory vote on the frequency of the advisory vote on the compensation of the Company's named executive officers. The last frequency vote was held at the 2012 Annual Meeting of Shareholders at which shareholders voted to hold the advisory vote on the compensation of the Company's named executive officers every three years. The proposal gives the Company's shareholders the opportunity to determine whether the frequency of a shareholder vote on the compensation of the named executive officers will be every one, two, or three years. Shareholders may also abstain from voting on the frequency of a shareholder vote on executive compensation.

Because the vote is advisory, it will not be binding upon the Company or its Board of Directors. However, the Compensation/Human Resource Committee will review and consider the outcome of the vote when determining the frequency of a shareholder vote on executive compensation. For the reasons described below, we recommend that our

shareholders select a frequency of every three years:

18

Company performance should be evaluated by shareholders using a long-term approach. Our compensation program emphasizes long-term goals and our Compensation/Human Resource Committee, in considering executive performance, also gives great weight to long-term results, including growth and business trends.

The Board believes that a three-year schedule permits shareholders sufficient time to review and draw conclusions on significant executive compensation issues and trends, reducing the potential for rapid and extreme reactions based on short-term developments and results.

A three-year schedule would provide investors sufficient time to evaluate the effectiveness of both short- and long-term compensation strategies and related business outcomes of the Company.

Shareholders have the opportunity, and have taken the opportunity, to communicate with us throughout the year on their concerns, including concerns regarding executive compensation. We will continue to offer our shareholders that opportunity. The formality of a vote on our compensation practices every year should not be necessary.

The Board of Directors unanimously recommends conducting a vote to approve the compensation of the named executive officers every three years. Note: Shareholders are not voting to approve or disapprove this recommendation.

Item 5 To Amend the Articles of Incorporation to Increase the Number of Authorized Shares

The Company's Board of Directors, at a meeting held on December 19, 2017, unanimously adopted resolutions approving and recommending to the shareholders for their adoption an amendment to the Restated Articles of Incorporation (the "Articles") of the Company. This amendment provides that Article Fourth of the Articles be amended in order to increase the number of authorized shares of common stock from 15,000,000 to 25,000,000, par value \$1.00 per share.

Specifically, sub-part A of the Fourth Article of the Restated Articles of Incorporation, which now reads as follows:

"FOURTH. A. Authorized Amount. The aggregate number of shares of capital stock that the Corporation has authority to issue is 18,000,000, of which 15,000,000 shall be common stock, par value \$1.00 per share ("Common Stock"), and 3,000,000 shall be preferred stock, par value \$1.00 per share."

would be amended and restated to read as follows:

"FOURTH. A. Authorized Amount. The aggregate number of shares of capital stock that the Corporation has authority to issue is 28,000,000, of which 25,000,000 shall be common stock, par value \$1.00 per share ("Common Stock"), and 3,000,000 shall be preferred stock, par value \$1.00 per share."

If the proposed amendment is approved by the shareholders, the additional common stock so authorized could be issued, at the discretion of the Board of Directors, for any proper corporate purpose, without further action by the shareholders other than as may be required by applicable law. Existing shareholders do not have preemptive rights with respect to future issuances of common stock by the Company and their interest in the Company could be diluted by such issuances with respect to any of the following: earnings per share, voting, liquidation rights, and book and market value.

The primary purpose of the proposed amendment to increase our authorized common stock is to provide the Company with flexibility of action to raise additional capital or engage in a range of investment and strategic opportunities

through equity financings. Approval of the proposed amendment will enable the Board of Directors to complete equity financings without the expense and delay incidental to obtaining shareholder approval of an amendment to the Articles increasing the number of authorized shares at the time of such action. In addition, the proposed increase in authorized capital will allow the Company to take advantage of favorable market conditions and possible acquisition opportunities without the delay and expense ordinarily attendant on obtaining further shareholder approval. The Company has no specific current plans, arrangements or understandings for the issuance of our authorized shares common stock, except with respect to issuances pursuant to the Company's existing stock benefit plans.

The proposed amendment will not change the number of shares of common stock currently outstanding or the rights of the holders of common stock. Article Fourth of the Articles currently authorizes the Company to issue up to 15,000,000 shares of common stock, of which 3,484,305 shares were issued and outstanding as of the Record Date. In addition, 150,000 shares of common stock were reserved for issuance under the Company's 2016 Equity Incentive Plan. Thus, as of the Record Date, there were 3,634,305 shares of common stock outstanding or reserved for issuance, leaving only 11,365,695 shares available for other corporate purposes.

The issuance of common stock may have the effect of discouraging or thwarting persons seeking to take control of the Company through a tender offer, proxy fight or otherwise seeking to bring about removal of incumbent management or a corporate transaction such as a merger. For example, the issuance of common stock in a public or private sale, merger or in a similar transaction would increase the number of the Company's outstanding shares, thereby diluting the interest of a party seeking to take over the Company. The proposed amendment has not been made in response to, and is not being presented to deter, any effort to obtain control of the Company and is not being proposed as an anti-takeover measure.

The Board of Directors unanimously recommends that you vote "FOR" the amendment to the Articles to increase the number of authorized shares of common stock from 15,000,000 to 25,000,000.

Compensation/Human Resource Committee Report

The Compensation/Human Resource Committee has reviewed the Compensation Discussion and Analysis that is required by the rules established by the Securities and Exchange Commission. Based on such review and discussion, the Compensation/Human Resource Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement. See "Compensation Discussion and Analysis."

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The following discussion provides a description of our decision-making process and philosophy for compensating our named executive officers in 2017. This discussion also describes the material components of each named executive officer's total compensation package and details the reasoning behind the decisions made in 2017. This discussion should be read together with the compensation tables for our named executive officers located in the "Executive Compensation" section of this proxy statement.

Our 2017 named executive officers are Randall E. Black – Chief Executive Officer/President, Mickey L. Jones – Executive Vice President and Chief Operating Officer/Chief Financial Officer, Terry B. Osborne – Executive Vice President/Chief Credit Officer, Jeffrey L. Wilson – Executive Vice President/Chief Lending Officer and Jeffrey B. Carr – Senior Vice President/Chief Retail Banking Officer.

Executive Summary

It is the intent of the Compensation/Human Resource Committee to provide our named executive officers with a total compensation package that is market competitive, promotes the achievement of our strategic objectives and is aligned with operating and other performance metrics to support long-term shareholder value. In addition, we have structured our executive compensation program to include elements that are intended to create an appropriate balance between risk and reward.

Fiscal Year 2017 Company Performance

2017 represented strong results for Company. Financial results were strong for both earning levels and performance metrics, particularly as compared to peer. Our financial results were especially strong, given the negative impact of an increase in income tax expense. The Tax Cuts and Jobs Act, enacted on December 22, 2017, lowered the federal corporate income tax rate from 34% to 21% effective January 1, 2018. As a result, the carrying value of net deferred tax assets was reduced, which increased income tax expense by \$1.5 million, or \$.44 per share. We continued to emphasize growth, as evidenced by our strong loan and deposit growth during 2017.

2017 highlights include:

Expansion. During 2017, we opened a loan production office in Narvon, Pennsylvania which expanded our footprint in Lancaster County. During the fourth quarter, we were successful in completing the acquisition of a full-service branch in State College, Pennsylvania. This acquisition, along with the expansion in Lancaster County, will continue to provide future growth opportunities.

Earning levels. Net income for 2017 totaled \$13,025,000, or \$3.74 per fully diluted earnings per share. This compares to net income of \$12,638,000, or \$3.60 per share for 2016, adjusted for the 5% stock dividend declared in June, 2017. 2017 earnings were negatively impacted by an increase in income tax expense. Excluding this impact, 2017 net income would have been \$14.6 million.

Solid performance metrics. Return on average equity (ROE) and return on average assets (ROA) remained at high levels, particularly compared to peer. ROE was 10.04% and 10.24% for 2017 and 2016, respectively, while ROA was 1.03% and 1.06%. 2017 performance metrics were impacted by the increase in income tax expense due from the Tax Cuts and Jobs Act.

Growth. At December 31, 2017 total assets were \$1.36 billion compared to \$1.22 billion at December 31, 2016. Available for sale securities of \$254.8 million at December 31, 2017 decreased \$59.2 million from December 31, 2016. The decrease was utilized to fund growth in the loan portfolio, which is part of the balance sheet strategy to shift interest-earning assets into loans. Importantly, net loans as of December 31, 2017 totaled \$989.3 million and have increased \$198.6 million from December 31, 2016. The acquisition of the branch in State College resulted in an increase in loans of \$39.8 million, with the remaining increase attributable to organic growth. Deposits have increased \$99.4 million from December 31, 2016, to \$1.1 billion at December 31, 2017, of which \$37.9 million of the growth is attributable to the State College branch acquisition.

Asset quality. Asset quality remains solid, with an overall decrease in non-performing assets from \$12.9 million as of December 31, 2016 to \$11.8 million as of December 31, 2017. The ratio of non-performing assets to total loans was 1.18% at December 31, 2017 compared to 1.61% last December. Annualized net charge-offs remain low at .03% for 2017.

Shareholder return. Cash dividends per share totaled \$1.67 per share for 2017 compared with \$1.58 per share for 2016, adjusted for stock dividends. Additionally, our total return performance for the seven years ended December 31, 2017 was 245%. This return exceeded the SNL Mid-Atlantic Bank stock index, but was slightly below the S&P

500, SNL Bank \$500M-\$1B and SNL Bank \$1B - \$5B stock indices for that same time period.

Fiscal Year 2017 Compensation Decisions

Against the backdrop of our solid financial performance and shareholder return, the Compensation/Human Resource Committee, along with our Chief Executive Officer/President, took the following actions related to our named executive officers' compensation and benefit arrangements for 2017:

Chief Executive Officer/President. The Board of Directors conducted a performance review of our Chief Executive Officer/President during 2016 for purposes of determining his 2017 compensation. The Board of Directors concluded that our Chief Executive Officer/President continues to exhibit strong business and leadership skills and is moving the Company in a direction that continues to enhance long-term shareholder value. Therefore, the Company allowed the term of our Chief Executive Officer/President's employment agreement to extend through June 2020. In addition, effective January 1, 2017, the Board of Directors increased the annual base salary of our Chief Executive Officer/President by 4.0% to \$390,000.

Other Named Executive Officers. Our Chief Executive Officer/President conducted a performance review for our other named executive officers and determined that the officers continue to contribute greatly to the success of the Company and its affiliates. Therefore, the Company allowed the terms of the change in control agreements with our Executive Vice President and Chief Operating Officer/Chief Financial Officer and Executive Vice President/Chief Credit Officer to extend through January 19, 2021, and the terms of the Executive Vice President/Chief Lending Officer and Senior Vice President/Chief Retail Officer to extend through December 20, 2020. In addition, effective January 1, 2017, the Board of Directors increased the annual base salary for our Executive Vice President and Chief Operating Officer/Chief Financial Officer by 4.3% to \$240,000, and effective January 1, 2017 increased our Executive Vice President/Chief Credit Officer annual base salary by 3.0% to \$222,995.

Additionally, effective January 1, 2017, the Chief Executive Officer/President increased the annual base salary for our Executive Vice President/Chief Lending Officer by 4.8% to \$152,000, and increased the annual base salary for our Senior Vice President/Chief Retail Banking Officer by 3.6% to \$145,000.

Annual Incentives. As a result of our strong financial performance and the successful achievement of individual performance goals, our named executive officers earned awards under our Annual Incentive Plan for 2016 and the awards were distributed in the second calendar quarter of 2017. The awards (if any) under the Annual Incentive Plan for 2017 have not yet been determined, however the Compensation/ Human Resource Committee expects the plan calculations to be made and awards determined (if any) by March 2018. See "Performance-Based Compensation" for additional information on the Annual Incentive Plan for 2017. See also "Grants of Plan-Based Awards During 2017" for information on potential incentive awards under the Annual Incentive Plan for 2017.

Compensation Philosophy

Our compensation and benefits program for our named executive officers is designed to provide a competitive compensation package which includes a performance-based component that is paid in cash and Company stock. Specifically, the program is designed to accomplish the following objectives:

- Align the interests of executives with the interests of shareholders in the creation of long-term shareholder value;
- Reinforce key business objectives and deliver executive benefits in a cost-effective manner;
- Encourage management ownership of our common stock; and
- Attract and retain talented members of senior management.

Management and our Compensation/Human Resource Committee work together to ensure that our named executive officers are held accountable and rewarded for delivering superior performance and enhanced shareholder returns.

Elements of Our Compensation and Benefits Program

To achieve our objectives, we structured a compensation and benefit program that provides our named executive officers with the following:

- Base salary;
- Performance-based cash compensation through our Annual Incentive Plan;
- Long-term equity awards through our Annual Incentive Plan;
- Retirement benefits; and
- Employment and change in control agreements.

The elements of a named executive officer's total compensation package will vary depending upon the executive's job position and responsibilities.

Base Salary

Base salaries are used to reward our executives for performing the core responsibilities of their positions and to provide them with a level of security with respect to a portion of their total compensation. The Compensation/Human Resource Committee considers compensation information sourced by SNL Financial and American Bankers Association Compensation and Benefits Survey Report, as provided by our compensation consultants, when determining base salaries for our named executive officers, along with other factors, such as an executive's qualifications, experience, position responsibilities and performance in relation to established goals. See "Peer Group" for information on the financial institutions that make up our peers for 2017. The Compensation/ Human Resource Committee reviews the base salaries for our named executive officers on an annual basis.

Performance-Based Compensation

Our Annual Incentive Plan is designed to recognize and reward participants for their collective and individual contributions to our success. The objectives of the plan are to: (i) reward results, not effort; (ii) align our strategic plan, budget and shareholder interests with participant performance; (iii) motivate and reward participants for achieving and potentially exceeding performance goals; (iv) align incentive pay with performance; (v) enable us to attract and retain the talent needed to drive our success, and (vi) encourage teamwork across the Company and Bank. The Compensation/Human Resource Committee in consultation with executive management administers the plan. All of our named executive officers participated in the Annual Incentive Plan during 2017. The Annual Incentive Plan awards (if any) will be paid out in cash and grants of restricted stock in accordance with the terms of the plan.

The incentive award opportunities noted below are shown as a percentage of base salary. For purposes of the Annual Incentive Plan, "base salary" is defined as compensation earned by a participant for services rendered, excluding the following items: profit sharing contributions, discretionary incentive compensation, cash payments received for waiving employer-paid health insurance, cell phone allowances and fringe benefits.

Position	2017 Annual Incentive Plan Opportunities		
	Minimum	Target	Maximum
Chief Executive Officer/President	0.0%	25.0%	50.0%
Executive Vice President and Chief Operating Officer/Chief Financial Officer	0.0%	20.0%	40.0%
Executive Vice President/Chief Credit Officer	0.0%	15.0%	30.0%
Executive Vice President/Chief Lending Officer	0.0%	10.0%	25.0%
Senior Vice President/Chief Retail Banking Officer	0.0%	10.0%	25.0%

The performance period under the Annual Incentive Plan is the calendar year. However, the administrative procedures necessary to calculate the awards under the plan have not yet been completed for 2017. The Company expects to receive the peer group data necessary to calculate the Plan incentive awards (if any) by the end of March 2018. If target or maximum performance measures are achieved, plan participants will receive a payout under the Annual Incentive Plan. If our named executive officers receive a payout under the Annual Incentive Plan, the payout will be distributed in cash and Company common stock. The percentage of stock and cash distributed will depend upon the executive's achievement of his or her performance goals and job position. See "Grants of Plan-Based Awards During 2017" for information on potential payouts under the Annual Incentive Plan.

Performance Measures under the Annual Incentive Plan for 2017

There are two (2) categories in which performance is measured under the Annual Incentive Plan: Company/Bank performance and branch/departamental performance. The Company/Bank performance goals focus on core measures of profitability, risk and compliance, credit quality and efficiency of Company and Bank resources.

For 2017, our Company/Bank goals consisted of return on equity compared with a regional peer group (using a three year average for 2017), efficiency ratio (compared to a regional peer group using a three year average for 2017), net interest income growth (compared to a regional peer group using a three year average for 2017), classified assets to capital (compared to a regional peer group using a three year average for 2017), and non-performing loans to total loans (compared to a regional peer group using a three year average for 2017). An overall satisfactory regulatory rating, and individual employee performance review rating of competent are required and are incentive plan qualifiers. Should these measures not be met, no incentive award is granted. Branch goals included various measures, most notably loan and deposit growth, and branch profitability targets. Departmental goals included various projects, strategic initiatives and work performance measurements. The plan's components have varying weights assigned as well as varying award opportunities based upon job function.

The following chart sets forth the 2017 goal weighting for our named executive officers:

Position	Company/Bank	Branch/Departmental
Chief Executive Officer/President	85%	15%
Executive Vice President and Chief Operating Officer/Chief Financial Officer	80%	20%
Executive Vice President/Chief Credit Officer	65%	35%
Executive Vice President/Chief Lending Officer	65%	35%
Senior Vice President/Chief Retail Banking Officer	60%	40%

Long-Term Equity Incentives/Stock Grant Practices

Equity incentives are one of the most important elements of the total compensation package for our named executive officers. The purpose of these awards is to attract and retain superior talent, further align employees and non-employee directors with shareholder interests, closely link employee and non-employee compensation with our performance, and maintain high levels of executive and non-employee director stock ownership. It is our intent to use the grant of restricted stock as the primary vehicle for providing long-term incentive compensation opportunities to

our named executive officers and for aligning their interests with those of our shareholders. In general, vesting of restricted stock awards under the 2016 Equity Incentive Plan is tied to continued service. The grants of restricted stock are largely tied to satisfaction of performance goals set forth under our Annual Incentive Plan. See "Performance-Based Compensation" for information on specific performance goals for our named executive officers. Generally, restricted stock awarded to our named executive officers is subject to a three (3) year vesting schedule. Shares of restricted stock vest ratably over a three-year period commencing on the first anniversary of the date of grant and continuing each anniversary date thereafter. The 2016 Equity Incentive Plan Award Agreements for our named executive officers provide that vesting will accelerate in the event of death, disability, retirement, change in control or involuntary termination without cause.

The Compensation/Human Resource Committee's process with respect to the determination of grant dates is made after carefully considering our timing of earnings releases and/or other material nonpublic information to ensure that there is no manipulation of the market to an executive's benefit. Similarly, we never time the release of material nonpublic information to affect the value of executive compensation. In general, the release of such information reflects established timetables for the disclosure of material nonpublic information such as earnings reports or, with respect to other events reportable under federal securities laws, the applicable requirements of such laws with respect to timing of disclosure.

Retirement Benefits

We provide retirement benefits to our named executive officers through our tax-qualified defined benefit pension plan, our tax-qualified defined contribution plan, and non-qualified supplemental executive retirement plans ("SERPs"). Effective January 1, 2008, we converted our traditional defined benefit pension plan to an account balance-based pension plan, which is also referred to as a cash balance plan. Under our cash balance plan, participants are credited with a percentage of their compensation each year and, upon termination of employment, may receive their benefit in a lump sum or in monthly installments. Our tax-qualified defined contribution plan ("401(k) plan") provides our eligible employees with a vehicle to defer a portion of their compensation and invest their elective deferrals in a variety of investment funds. In addition, the 401(k) plan provides for an employer safe harbor matching contribution to eligible participants equal to 100% of a participant's elective deferrals that are not in excess of 1% of the participant's compensation, plus 50% of the participant's elective deferrals that exceed 1% of compensation. In no event will the employer safe harbor matching contributions exceed 3.5% of a participant's compensation in a plan year. We view our retirement benefits as a means of providing financial security to our employees after they have spent a substantial portion of their careers with us.

In addition to our cash balance plan and 401(k) plan, we also provide our Chief Executive Officer/President, Executive Vice President and Chief Operating Officer/Chief Financial Officer and Executive Vice President/Chief Credit Officer with SERP benefits. The SERPs serve to help us attract and retain executive talent by providing each executive with a supplemental retirement benefit equal to a specific percentage (Chief Executive Officer/President 16.4%, Executive Vice President and Chief Operating Officer/Chief Financial Officer 13.6%, and Executive Vice President/Chief Credit Officer 14.7%) multiplied by the average annual cash compensation earned by each executive during the three (3) completed calendar years preceding the executive's termination of employment. The SERP benefits are intended to provide supplemental retirement benefits to the executives. Under the defined benefit pension plan, tax qualifications are limited by certain IRS provisions. We believe providing SERP benefits to our top management is consistent with the retirement benefits provided to similarly-situated executives in our peer group. See "Executive Compensation—Retirement Benefits".

Employment and Change in Control Agreements

We currently maintain an employment agreement with our Chief Executive Officer/President that we believe is consistent with the agreements provided to senior executive officers in our peer group. The Compensation/Human Resource Committee believes that the employment agreement with our Chief Executive Officer/President serves the interests of our Company and its shareholders by providing stability in management, outlining the terms and conditions of employment and ensuring that if a change in control is ever under consideration, our Chief Executive Officer/President will be able to advise our board of directors about the potential transaction in the best interests of shareholders, without being unduly influenced by personal considerations of losing his job. See "Executive Compensation—Employment Agreement".

In addition to the employment agreement with our Chief Executive Officer/President, we also maintain change in control agreements with our Chief Credit Officer, our Chief Lending Officer, our Chief Operating Officer/Chief Financial Officer, our Chief Retail Banking Officer, and Executive Vice President Richards. These change in control agreements provide the executives with certain protections and benefits in the event of a change in control and help maintain stability in management during a change in control transaction. See "Executive Compensation—Change in Control Agreements".

Role of Compensation/Human Resource Committee

The Compensation/Human Resource Committee reviews and approves all of the elements of compensation for our Chief Executive Officer/President, Executive Vice President and Chief Operating Officer/Chief Financial Officer and Executive Vice President/Chief Credit Officer annually to ensure we are competitive in the market place and that the mix of benefits accurately reflects our compensation philosophy. The Compensation/Human Resource Committee operates under a written charter that establishes its responsibilities. The Compensation/Human Resource Committee reviews the charter annually to ensure that the scope of the charter is consistent with the Compensation/Human Resource Committee's role. Under the charter, the Compensation/Human Resource Committee is also charged with general responsibility for the oversight and administration of the Bank and Company sponsored compensation and benefit plans. The charter also authorizes the Compensation/Human Resource Committee to engage consultants and other professionals without management approval to the extent deemed necessary to discharge its responsibilities. During 2017, the Bank retained the services of Compensation Advisors to assist the Compensation/Human Resource Committee in performing its various duties within industry practice. Compensation Advisors advised the committee on compensation programs for senior management and executives of the Bank.

When making compensation decisions, the Compensation/Human Resource Committee considers salary survey data to understand compensation paid to similarly situated executives in our peer group. See "Peer Group" for a list of the publicly traded financial institutions that make up our peers. In addition to peer data, our Compensation/Human Resource Committee also looks at internal pay equity, individual and company performance and relative shareholder return when making compensation decisions.

Role of Management

Management provides data, analyses, input and recommendations to the Compensation/Human Resource Committee through our Chief Executive Officer/President. The Compensation/Human Resource Committee gives significant weight to our Chief Executive Officer/President's evaluation of each named executive officer's performance and recommendation of appropriate compensation. However, our Chief Executive Officer/President does not participate in any decisions relating to his own compensation. The Senior Vice President, Human Resource Manager provides our Chief Executive Officer/President with salary survey data for purposes of considering base pay adjustments for our Executive Vice President/Chief Lending Officer and our Senior Vice President/Chief Retail Banking Officer. The Chief Executive Officer/President provides the Board of Directors with salary survey data for purposes of considering base pay adjustments for our Executive Vice President and Chief Operating Officer/Chief Financial Officer and Executive Vice President/Chief Credit Officer.

Role of Compensation Consultant

During 2017, the Bank retained the services of Compensation Advisors to assist the Compensation/Human Resource Committee in performing its various duties within industry practice. Compensation Advisors advised the committee on compensation programs for senior management and executives of the Bank. Additionally, the Committee utilized data provided by SNL Financial, American Bankers Association Compensation and Benefits Survey Report, and L.R. Webber Associates, Inc. to evaluate the salary ranges and incentive awards for our named executive officers.

Peer Group

The Compensation/Human Resources Committee considers information about the practices and financial performance of its peers when making compensation decisions. The Compensation/Human Resources Committee reviews our peer group and determines if adjustments are necessary to reflect the business model and demographics of the Company. In 2017, our peer group consisted of the following community banks and thrifts in Pennsylvania and New York with total assets between \$900 million and \$2 billion:

Executive Perquisites

We annually review the perquisites that we make available to our named executive officers. The primary perquisites for our named executive officers are certain club dues.

Stock Ownership Guidelines

We do not maintain stock ownership guidelines for our named executive officers. However, all of our named executive officers participate in our Annual Incentive Plan and we believe they generally maintain a meaningful interest in our Company stock through their participation in the plan and through individual purchases outside the plan. See "Stock Ownership" for information on Company stock owned by our named executive officers.

Tax and Accounting Considerations

In consultation with our advisors, we evaluate the tax and accounting treatment of each of our compensation programs at the time of adoption and on an annual basis to ensure an understanding of the financial impact of the program on the Company and the Bank.

CEO Pay Ratio

The Compensation Committee monitors the relationship between the compensation of our executive officers and of our non-managerial employees. This is the first year we are disclosing the ratio of the pay of our CEO to our median employee (pay ratio). To determine the median employee, we considered all employees, including full-time, part-time and seasonal employees employed as of the last day of our fiscal year, December 31, 2017. We also considered all wages earned for the fiscal year, including:

- Regular pay for salaried and hourly employees.
- Wages for overtime.
- Miscellaneous taxable cash benefits such as cash incentives, cell phone allowance, and referral fee income.

For purposes of determining the pay ratio, the total compensation of our CEO includes all compensation reported in the Summary Compensation Table. The total compensation of the median employee was determined in the same manner as was used for the CEO in the Summary Compensation Table.

Pay Ratio:

Median Annual Compensation of All Employees:	\$34,224
Total Annual Compensation of CEO:	\$580,149
Pay Ratio:	17.0

Employment Agreement

The Company and the Bank are parties to an employment agreement with our Chief Executive Officer/ President. The employment agreement provides for a three-year term, which automatically renews on June 1st of each year to maintain a three-year term, unless either party notifies in writing the other party at least 90 days prior to June 1st of such party's intent not to renew the agreement beyond the existing term, or the agreement is terminated by the Company, the Bank or our Chief Executive Officer/President in accordance with its terms. The current term of the employment agreement expires on June 1, 2020. The employment agreement provides for an annual salary review, however in no event may the base salary be reduced below the base salary in effect at the time of such review. Our Chief Executive Officer/President's current base salary under his employment agreement is \$425,000. In addition to base salary, the employment agreement provides for, among other things, participation in various employee benefit plans as well as furnishing certain fringe benefits available to similarly-situated executive personnel.

The employment agreement contains a restrictive covenant which prohibits our Chief Executive Officer/ President from engaging in employment that would compete with the services provided by the Company and the Bank. In addition, the restrictive covenant contains a non-solicitation clause. The duration of the restrictive covenant varies based on the circumstances of the executive's termination of employment. In the event our Chief Executive Officer/President is terminated by the Company or the Bank for Cause (as defined in the agreement) the term of the restrictive covenant is one (1) year from the executive's termination date. In the event the executive voluntarily resigns with or without Good Reason (as defined in the agreement) or the Company or Bank terminates his employment without Cause, the term of the restrictive covenant will be two (2) years from his termination date. In the event of termination following a Change in Control (as defined in the agreement) which results in the payment of

severance under the employment agreement, the executive will be subject to the restrictive covenant for a period of three (3) years following his termination of employment. The employment agreement provides for an exception to the restrictive covenant in the event the executive's employment is terminated by the Company or the Bank for Cause or he terminates his employment for Good Reason. Under these circumstances, the executive may engage in the practice of public accounting and will not be deemed in violation of the restrictive covenant in his employment agreement. See "Executive Compensation - Potential Post-Termination Benefits" for information on termination benefits provided under the employment agreement.

Change in Control Agreements

The Bank (and the Company as guarantor) are parties to change in control agreements with our Executive Vice President and Chief Operating Officer/Chief Financial Officer and Executive Vice President/Chief Credit Officer. Each agreement provides for a three-year term, which automatically renews on January 19th of each year to maintain a three-year term, unless either party notifies in writing the other party at least 90 days prior to January 19th of such party's intent not to renew the agreement beyond the existing term, or the agreement is terminated by the Bank or Executive for reasons set forth in the agreement. The current terms of the change in control agreements expire on January 19, 2021.

The Bank (and the Company as guarantor) are parties to a change in control agreement with our Executive Vice President/Chief Lending Officer, and Senior Vice President/Chief Retail Banking Officer. This agreement provides for a three-year term, which automatically renews on December 20th of each year to maintain a three-year term, unless either party notifies in writing the other party at least 90 days prior to December 20th of such party's intent not to renew the agreement beyond the existing term, or the agreement is terminated by the Bank or Executive for reasons set forth in the agreement. The current terms of the change in control agreement expires on December 20, 2020.

Additionally, the Bank (and the Company as guarantor) are parties to a change in control agreement with Executive Vice President Richards. This agreement provides for a three-year term, which automatically renews on December 9th of each year to maintain a three-year term, unless either party notifies in writing the other party at least 90 days prior to December 9th of such party's intent not to renew the agreement beyond the existing term, or the agreement is terminated by the Bank or Executive for reasons set forth in the agreement. The current terms of the change in control agreement expires on December 9, 2020.

⁽¹⁾ These columns illustrate the possible payouts for each of our named executive officers under our Annual Incentive Plan for 2017.

A portion of the incentive opportunity under the Annual Incentive Plan is payable in Company common stock and a (2)portion is paid in cash in accordance with the terms of the plan. The actual number of shares of restricted stock will be determined when the award is distributed in 2018.

(3) Represents the date the Company granted restricted stock in connection with awards under the Annual Incentive Plan for performance related to calendar year 2016.

(4) Represents 8 shares granted in recognition of Mr. Carr's years of service, which shares were vested upon grant.

We maintain the Annual Incentive Plan for the purpose of aligning the employee incentive goals with our overall strategic plan. The Annual Incentive Plan requires participants to satisfy two components: corporate goals; and departmental/branch performance goals. For 2017, our Company/Bank goals consisted of return on equity compared with a regional peer group (using a three year average for 2017), efficiency ratio (compared to a regional peer group using a three year average for 2017), net interest income growth (compared to a regional peer group using a three year average for 2017), classified assets to capital (compared to a regional peer group using a three year average for 2017), and non-performing loans to total loans (compared to a regional peer group using a three year average for 2017). An overall CAMELS regulatory rating minimum of 2, and individual employee performance review rating of competent are required and are incentive plan qualifiers. Should these measures not be met, no incentive award is granted. Branch goals included various measures, most notably loan and deposit growth, and branch profitability targets. Departmental goals included various projects, strategic initiatives and work performance measurements.

The plan's components have varying weights assigned, as well as varying award opportunities based upon job function. The performance period for the Annual Incentive Plan for 2017 began on January 1, 2017 and ended on December 31, 2017. However, the Company is unable as of the date of this proxy statement to certify as to the satisfaction of the performance goals for 2017. For 2017, the weighting for Mr. Black's incentive award was 85% corporate goals and 15% branch/departmental goals, with a maximum payout of 50% of eligible compensation. For 2017, the weighting for Mr. Jones' incentive award was 80% corporate goals and 20% branch/departmental goals, with a maximum payout of 40% of eligible compensation. For 2017, the weighting for Mr. Osborne's incentive award was 65% corporate goals and 35% branch/departmental goals, with a maximum payout of 30% of eligible compensation. For 2017, the weighting for Mr. Wilson's incentive award was 65% corporate goals and 35% branch/departmental goals, with a maximum payout of 25% of eligible compensation. For 2017, the weighting for Mr. Carr's incentive award was 60% corporate goals and 40% branch/departmental goals, with a maximum payout of 25% of eligible compensation.

For named executive officers, incentive payments are made in cash and in the form of restricted stock. The grants of restricted stock vest ratably over a three-year period commencing on the first anniversary of the date of grant and continuing each anniversary date. For Mr. Black in 2017, the first 30% of eligible compensation will be distributed 70% in cash and 30% in restricted stock and any amount over 30% will be split equally between cash and restricted stock. For Mr. Jones in 2017, the first 25% of eligible compensation will be distributed 70% in cash and the remaining 30% in restricted stock and any amount over 25% will be split equally between cash and restricted stock. For Mr. Osborne in 2017, the first 20% of eligible compensation will be distributed 70% in cash and the remaining 30% in restricted stock and any amount over 20% will be split equally between cash and restricted stock. For the other named executives in 2017, the first 15% of eligible compensation will be distributed 70% cash and the remaining 30% restricted stock, any amount over 15% will be split equally between cash and restricted stock. Once issued, the awards of restricted stock granted in connection with the Annual Incentive Plan are subject to the terms and conditions of the underlying equity incentive plan.

2016 Equity Incentive Plan. The 2016 Equity Incentive Plan (the "2016 Plan") permits the Company, under the supervision of the Compensation/ Human Resource Committee, and subject to the approval of the Board of Directors, to make equity-based awards to employees and non-employee directors. The 2016 Plan provides for awards of both restricted stock and awards of stock without restrictions or other conditions. The purpose of these stock awards is to attract and retain competitively superior people, further align employees and non-employee directors with shareholder

interest, closely link employee and non-employee compensation with the Company's performance, and maintain high levels of executive and non-employee stock ownership. The 2016 Plan also provides a component of the total compensation package offered to employees and reflects the importance placed on motivating and rewarding superior results with long-term incentives.

Retirement Benefits

Account Balance Pension Plan. Effective January 1, 2008, the Bank converted its traditional noncontributory tax-qualified defined benefit pension plan into a tax-qualified account balance pension plan, which is referred to as a cash balance plan. Participants in the former pension plan who were eligible employees (as defined in the plan) automatically became participants in the cash balance plan. Under the cash balance plan, a participant's account is the sum of the participant's opening balance (which is his or her benefit under the former defined benefit plan) and annual allocations and interest credits. The Bank credits each participant with an annual allocation if the participant has at least 1,000 hours of service with the Bank during the plan year. Each annual allocation is determined based on a percentage of the participant's "compensation" (as defined in the plan) and varies based on a participant's age. Annual cash balance plan allocations range between 3% and 8% of participant compensation.

Supplemental Executive Retirement Agreement. The Bank maintains non-tax-qualified supplemental executive retirement agreements ("SERPs") with its President/Chief Executive Officer, Chief Operating Officer/ Chief Financial Officer and its Chief Credit Officer (collectively the "executives"). The SERPs provide each executive with an annual retirement benefit for a period of 15 years following separation from service (other than for cause) on or after attaining age 62. This retirement benefit equals a benefit percentage (16.4%, 14.7% and 13.6% for our President/Chief Executive Officer, Chief Credit Officer and Chief Operating Officer/Chief Financial Officer, respectively) multiplied by the average annual cash compensation during the three completed calendar years preceding the termination of employment. Subject to the terms of the SERP, the executive may elect to receive the retirement benefit in an actuarially equivalent lump sum payment. All of our named executive officers are 100% vested in their accrued SERP benefit.

Pension Benefits at December 31, 2017

The following table sets forth the actuarial present value of each named executive officer's accumulated benefit under our tax-qualified and non-tax-qualified defined benefit plans, along with the number of years of credited service under the respective plans. No distributions were made under the plans in 2017. All of our named executive officers participate in our Account Balance Pension Plan and Mr. Black, Mr. Osborne and Mr. Jones participate in SERPs.

Potential Post-Termination Benefits

Payments Made Upon Termination by the Company for Cause. Under the terms of the employment and change in control agreements, our contracted named executive officers will receive no severance payments in the event of termination for cause. In addition, a termination for cause will also result in the forfeiture of all unvested restricted stock awards. Further, participants in the Annual Incentive Plan forfeit all rights to incentive opportunities as a result of termination for cause. SERP participants will not receive any benefit upon termination for cause.

Payments Made Upon Termination by the Company Without Cause or by the Executive for Good Reason. In the event that the Company or the Bank chooses to terminate Mr. Black's employment for reasons other than for cause or, in the event of Mr. Black's resignation from the Company or the Bank for good reason, the Company shall pay Mr. Black a lump sum amount equal to two (2) times Mr. Black's base salary, minus applicable taxes and withholdings. In addition, for a period of one (1) year from the date of termination, Mr. Black shall receive continued health, life and disability insurance coverage under the same terms in effect during the one year prior to his termination. Except as provided below, Mr. Jones, Mr. Osborne, Mr. Wilson, and Mr. Carr receive no benefit under their change in control agreements in the event the Company terminates them without cause or the executives terminate employment for good reason prior to a change in control. All outstanding restricted stock awards will vest if the executive is terminated by the Company or the Bank without cause. Participants in the Annual Incentive Plan must be employed by the Bank on the date the benefits are paid. Therefore, if a participant terminates employment without cause or for good reason prior to payment under the Annual Incentive Plan, all rights to plan benefits are forfeited, unless otherwise determined by the Committee administering the plan. SERP participants will receive their vested accrued early termination benefit upon termination by the Company without cause or by the executive for good reason if they separate from service before age 62 and their normal retirement benefit if they separate from service on or after attaining age 62.

Payments Made Upon Disability. Under the terms of Mr. Black's employment agreement, if his employment is terminated due to a disability, Mr. Black will be entitled to the same benefit as provided by the Company's long-term disability plan. Mr. Jones, Mr. Osborne, Mr. Wilson, and Mr. Carr receive no benefit under their change in control agreements in the event the executives are terminated due to a disability; however, the executives will receive a benefit under the Company's long-term disability plan if they meet the requirements of the plan upon termination. All unvested restricted stock awards vest upon termination of employment due to disability. If a participant in the Annual

Incentive Plan terminates his or her service with the Bank due to a disability prior to distribution of the award, the executive's award will be prorated based on the period of active employment with the Bank. SERP participants become fully vested and will receive their accrued early termination benefit upon termination due to disability if they separate from service before age 62 and their normal retirement benefit if they separate from service on or after attaining age 62.

Payments Made Upon Death. Under the employment agreement, Mr. Black's estate is entitled to receive any compensation accrued, but unpaid, as of the date of the executive's death. Mr. Jones, Mr. Osborne, Mr. Wilson, and Mr. Carr receive no death benefit under their change in control agreements. All unvested restricted stock awards vest upon death of an award recipient. In addition, if a participant in the Annual Incentive Plan dies prior to distribution of an award, the executive's award will be prorated based on the period of active employment with the Bank. If a SERP participant dies prior to a separation from service, the SERP participant's beneficiary will receive the normal retirement benefit the participant would have received if he were deemed to have attained his normal retirement age (age 62) immediately prior to his death. If he dies after a separation from service, his beneficiary will receive the remaining benefits that would have been made to the participant.

Payments Made Upon a Change in Control. In the event of a termination of employment in connection with a change in control, Mr. Black's employment agreement provides him with a lump sum amount equal to 2.99 times his base salary. In addition, for a period of 18 months from the date of termination or until Mr. Black secures substantially similar benefits through other employment, whichever shall occur first, Mr. Black is entitled to continued health, life and disability insurance coverage under the same terms in effect during the one year prior to his termination.

Under the change in control agreement, if, within one year following a change in control, Mr. Jones, Mr. Osborne, Mr. Wilson or Mr. Carr is involuntarily terminated, the executive's title, responsibilities, or salary are reduced, or for reductions or changes in the executive's duties, location of employment or benefits as set forth in the agreement, the executive shall be entitled to receive a lump sum amount equal to one time the executive's base salary. In addition, for a period of 18 months from the date of termination or until the executive secures substantially similar benefits through other employment, whichever shall occur first, the executive shall receive a continuation of health care, life and disability insurance in effect prior to his termination.

Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times an individual's base amount are deemed to be "excess parachute payments" if they are contingent upon a change in control (the "Section 280G Limitation"). An individual's base amount is equal to an average of the individual's Box 1, Form W-2 compensation for the five years preceding the year a change in control occurs (or such lesser number of years if the individual has not been employed for five years). Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of the base amount, and the employer may not deduct such amount for federal tax purposes. The employment and change in control agreements limit payments made to the executives in connection with a change in control to amounts that will not exceed the limits imposed by Section 280G.

In addition, all outstanding restricted stock awards will vest upon a change in control. SERP participants who have not separated from service and have not attained their normal retirement age (age 62) prior to a change in control will receive their normal retirement benefit (determined without regard to their age or years of service at the time of the change in control) paid in an actuarial equivalent lump sum within ten days of the change of control. Participants that have attained their normal retirement age will receive their normal retirement benefit after their separation from service.

Payments Upon Retirement. In addition to the tax-qualified retirement benefits and non-qualified retirement benefits set forth in "Pension Benefits" above, participants in the Annual Incentive Plan who retire from the Bank will receive a prorated payout based on the period of the participant's active employment only.

Potential Post-Termination Benefits Table. The amount of compensation payable to each named executive officer upon the occurrence of certain events is noted in the table below. The amounts shown assume that such termination was effective as of December 31, 2017, and thus include amounts earned through such time and are estimates of the amounts that would be paid to the executives upon their termination. The amounts shown relating to unvested stock awards are based on \$63.00 per share, which was the fair market value of Company common stock on December 31, 2017. The actual amounts to be paid can only be determined at the time of such executive's separation from the Company. The tables do not include the executives' account balances in the Bank's tax-qualified retirement plan to which each executive has a non-forfeitable interest.

(1) Represents the executive's normal retirement benefit under the arrangement, regardless of his age at the time of separation from service or death.

(2) Represents the value of the executive's early retirement benefit which fully vests upon his termination due to disability.

Messrs. Black and Jones had not attained age 62, therefore their benefit represents their vested early retirement benefit based on the extent to which their normal retirement benefit should be accrued by the Bank under generally accepted accounting principles as of the date of his termination of employment. Mr. Osborne has reached age 62, therefore, his benefit represents his normal retirement benefit.

(3) Amount includes base compensation and the value of continued health, life and disability coverage for the period of time specified in the agreement.

(4) The amount shown does not reflect adjustments that could be made to the executive's total change in control severance payment to ensure the executive's severance payment would not be deemed an "excess parachute payment" under Section 280G of the Internal Revenue Code.

OTHER INFORMATION RELATING TO DIRECTORS AND EXECUTIVE OFFICERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than 10% of the Company's common stock, to file reports of ownership and changes of ownership with the Securities and Exchange Commission. Executive officers, directors and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on the Company's review of the copies of the reports it has received and written representations provided to it from the individuals required to file the reports, the Company believes that each of its executive officers and directors has complied with applicable reporting requirements for transactions in the Company's common stock during the year ended December 31, 2017.

Policies and Procedures for Approval of Related Persons Transactions

The Company maintains a Policy and Procedures Governing Related Persons Transactions, which is a written policy and set of procedures for the review and approval or ratification of transactions involving related persons. Under the

policy, related persons consist of directors, director nominees, executive officers, persons or entities known to us to be the beneficial owner of more than five percent of any outstanding class of voting securities of the Company, or immediate family members or certain affiliated entities of any of the foregoing persons.

Transactions covered by the policy consist of any financial transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, in which:

- the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year;
- the Company is, will or may be expected to be a participant; and
- any related person has or will have a direct or indirect material interest.

The policy excludes certain transactions, including:

• any compensation paid to an executive officer of the Company if the Compensation/Human Resource Committee of the Board of Directors approved (or recommended that the Board approve) such compensation;

• any compensation paid to a director of the Company if the Board or an authorized committee of the Board approved such compensation; and

• any transaction with a related person involving consumer and investor financial products and services provided in the ordinary course of the Company's business and on substantially the same terms as those prevailing at the time for comparable services provided to unrelated third parties or to the Company's employees on a broad basis (and, in the case of loans, in compliance with the Sarbanes-Oxley Act of 2002).

Related person transactions will be approved or ratified by the Audit and Examination Committee. In determining whether to approve or ratify a related person transaction, the Audit and Examination Committee will consider all relevant factors, including:

• whether the terms of the proposed transaction are at least as favorable to the Company as those that might be achieved with an unaffiliated third party;

• the size of the transaction and the amount of consideration payable to the related person;

• the nature of the interest of the related person;

• whether the transaction may involve a conflict of interest; and

- whether the transaction involves the provision of goods and services to the Company that are available from unaffiliated third parties.

A member of the Audit and Examination Committee who has an interest in the transaction will abstain from voting on the approval of the transaction, but, if so requested by the Chair of the Committee, may participate in some or all of the discussion relating to the transaction.

Transactions with Related Persons

Loans and Extensions of Credit. The Bank makes loans to persons affiliated with the Company and the Bank in the normal course of its business. During 2017, all Bank loans to related persons (as defined under Securities and Exchange Commission rules) were made in the ordinary course of business, made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with other persons not related to the Bank and did not involve more than the normal risk of collectability or present other unfavorable features.

The Company's policies require that any loan to a director that would cause his/her aggregate loan relationship to exceed \$300,000 be approved in advance by a majority of the disinterested members of the Board of Directors. Any loan to an executive officer in the aggregate greater than \$100,000 must be approved in advance by a majority vote of the Board of Directors.

SUBMISSION OF BUSINESS PROPOSALS AND SHAREHOLDER NOMINATIONS

The Company must receive proposals that shareholders seek to include in the Proxy Statement for the Company's next Annual Meeting no later than November 8, 2018. If next year's Annual Meeting is held on date more than 30 calendar days from April 16, 2019, a shareholder proposal must be received by a reasonable time before the Company begins to print and mail its proxy solicitation for such Annual Meeting. Any shareholder proposals will be subject to the requirements of the proxy rules adopted by the Securities and Exchange Commission.

The Company's Bylaws provide that for a shareholder to make nominations for the election of directors or proposals for business to be brought before a meeting of shareholders, a shareholder must deliver written notice of such nominations and/or proposals to the Corporate Secretary not less than 90 days and not more than 120 days before the date of the meeting; provided that if less than 100 days notice or prior public disclosure of the meeting is given or made to shareholders, such notice must be delivered not later than the close of the tenth day following the day on which notice of the meeting was mailed to shareholders or such public disclosure was made.

MISCELLANEOUS

The Company will pay the cost of this proxy solicitation. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of the Company common stock. A COPY OF THE COMPANY'S ANNUAL REPORT ON FORM 10-K, WITHOUT EXHIBITS, FOR THE YEAR ENDED DECEMBER 31, 2017, AS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION, WILL BE FURNISHED WITHOUT CHARGE TO PERSONS WHO WERE SHAREHOLDERS AS OF THE CLOSE OF BUSINESS ON FEBRUARY 26, 2018 UPON WRITTEN REQUEST TO MICKEY L. JONES, TREASURER, CITIZENS FINANCIAL SERVICES, INC., 15 SOUTH MAIN STREET, MANSFIELD, PENNSYLVANIA 16933-1590.

If you and others who share your address own shares in street name, your broker or other holder of record may be sending only one Annual Report on Form 10-K and Proxy Statement to your address. This practice, known as "householding," is designed to reduce our printing and postage costs. However, if a shareholder residing at such an address wishes to receive a separate Annual Report on Form 10-K or Proxy Statement in the future, he or she should contact the broker or other holder of record. If you own your shares in street name and are receiving multiple copies of our Annual Report on Form 10-K and Proxy Statement, you can request householding by contacting your broker or other holder of record.
