Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Each performance right represents a contingent right to receive one share of the Company's common stock; the number indicated represents the maximum number of performance rights that can be earned by the reporting person.
The performance-vesting requirement is tied to the total shareholder return to the Company's shareholders for the 2-year performance period beginning January 1, 2012 and ending on December 31, 2013 in relation to the total shareholder return realized for that same period by the companies comprising the S&P SmallCap 600 Index. The actual number of shares of the Company's common stock into which the performance shares will convert is calculated by multiplying the target number of performance shares (160,000 shares) by a percentage ranging from 0% to 200% based on the actual level at which the performance goal is attained.
- (2) Fifty percent of the performance shares earned on the basis of the Company's performance will vest based on the reporting person's continued service with the Company through the completion of the 2-year performance period, and the remainder of those performance shares will vest based on the reporting person's continued service with the Company through December 31, 2014.
- (3) continued service with the Company through the completion of the 2-year performance period, and the remainder of those performance shares will vest based on the reporting person's continued service with the Company through December 31, 2014.
