ITEM 4. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT.

As of July 15, 2003, the Registrant selected Stonefield Josephson, Inc., Certified Public Accountants, an accountancy corporation, to be its auditor. The Company's previous auditor was notified on July 9, 2003 that the change would be effective as of July 15, 2003. There has been no disagreement in accounting principles or in the report of financial statements and notes published by the Company's previous auditor. A letter from the previous auditor confirming this 8-K report is attached herewith.

## Edgar Filing: GPN NETWORK INC - Form 8-K

The audit report of Singer Lewak Greenbaum & Goldstein LLP on the financial statements of the Company for the year ended December 31, 2002 contained the following qualification:

"The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the financial statements, during the year ended December 31, 2002, the Company incurred a net loss of \$222,384, and it had negative cash flows from operations of \$153,402. In addition, the Company had an accumulated deficit of \$4,165,224 as of December 31, 2002. These factors, among others, as discussed in Note 2 to the financial statements, raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty."

Other than the foregoing, said audit report did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to audit scope or accounting principles. The decision to change accountants was approved by the board of directors of the Registrant. During the Registrant's two most recent fiscal years and any subsequent interim period preceding the change, there were no disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of the former accountant, would have caused it to make reference to the subject matter of the disagreements in connection with its report.
