Dear Shareholder:

You are invited to attend the Annual Meeting of Shareholders (the "Meeting") of Brown & Brown, Inc. (the "Company"), which will be held in the Atlantic Room of The Shores Resort & Spa, 2637 South Atlantic Avenue, Daytona Beach, Florida 32118, on Wednesday, April 28, 2010 at 9:00 a.m. (ET).

This year, we are pleased to take advantage of the Securities and Exchange Commission rule allowing companies to furnish proxy materials to their shareholders over the Internet. We believe that this e-proxy process expedites shareholders' receipt of proxy materials, while lowering the costs and reducing the environmental impact of our annual meeting. On March 19, 2010, we mailed to our beneficial shareholders a Notice containing instructions on how to access our Proxy Statement and Annual Report and how to vote online. All other shareholders will continue to receive a paper copy of the Proxy Statement, Proxy Card and Annual Report by mail. The Proxy Statement contains instructions on how you can (i) receive a paper copy of the Proxy Statement, Proxy Card and Annual Report if you only received a Notice by mail or (ii) elect to receive your Proxy Statement and Annual Report over the Internet if you received them by mail this year.

The notice of meeting and Proxy Statement on the following pages cover the formal business of the Meeting. Whether or not you expect to attend the Meeting, please sign and return your proxy card promptly in the enclosed envelope to assure that your stock will be represented at the Meeting. If you decide to attend the Meeting and vote in person, you will, of course, have that opportunity.

Your continuing interest in the business of the Company is gratefully acknowledged. We hope many shareholders will attend the Meeting.

Sincerely,

J. Powell Brown

BROWN & BROWN, INC.

PROXY STATEMENT

ANNUAL MEETING AND PROXY SOLICITATION INFORMATION

On March 19, 2010, we mailed to our beneficial shareholders of record as of the close of business on February 19, 2010 a Notice containing instructions on how to access this Proxy Statement and our Annual Report online and how to vote online, and thereafter, we began mailing these proxy materials to all other shareholders. These proxy materials are made available to shareholders in connection with the solicitation of proxies by the Board of Directors of Brown & Brown, Inc. to be voted at the Annual Meeting of Shareholders to be held in the Atlantic Room of The Shores Resort & Spa, 2637 South Atlantic Avenue, Daytona Beach, Florida 32118 at 9:00 a.m. (ET) on Wednesday, April 28, 2010, and at any postponement or adjournment thereof (the "Meeting"). The close of business on February 19, 2010 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting. At the close of business on the record date, we had outstanding 142,129,787 shares of \$.10 par value common stock, entitled to one vote per share.

As permitted by SEC rules, Brown & Brown, Inc. is making this Proxy Statement and its Annual Report available to its shareholders electronically via the Internet. On March 19, 2010, we mailed to our beneficial shareholders a Notice containing instructions on how to access this Proxy Statement and our Annual Report online and how to vote online. If you received a Notice by mail, you will not receive a printed copy of the proxy materials in the mail (unless you request them, as described below and explained in the Notice). Instead, the Notice instructs you on how to access and review all of the important information contained in the Proxy Statement and Annual Report. The Notice also instructs you on how you may vote online. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials contained in the Notice.

Shares represented by duly executed proxies in the accompanying form that we receive prior to the Meeting will be voted at the Meeting. If you specify in the proxy a choice with respect to any matter to be acted upon, the shares represented by such proxy will be voted as specified. If your proxy card is signed and returned without specifying a vote or an abstention, the shares represented by such proxy will be voted according to the recommendation of the Board of Directors. The Board of Directors recommends a vote FOR the election of ten (10) nominees as directors; a vote FOR approval of the 2010 Stock Incentive Plan; and a vote FOR the ratification of the appointment of Deloitte & Touche LLP as Brown & Brown, Inc.'s independent registered public accountants for the fiscal year ending December 31, 2010. The Board of Directors knows of no other matters that may be brought before the Meeting. However, if any other matters are properly presented for action, it is the intention of the named proxies to vote on them according to their best judgment.

If your shares are held in a stock brokerage account, or by a bank or other nominee, you have the right to provide instructions on voting as requested by your broker, bank or nominee. Under the rules of the New York Stock Exchange (the "NYSE"), your broker, bank or nominee is permitted to vote your shares on the third proposal concerning the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accountants for the fiscal year ending December 31, 2010 even if your broker, bank or nominee has not been given specific voting instructions as to this matter. Your broker, bank or nominee is not permitted to vote your shares on the first and second proposals.

After you have returned a proxy, you may revoke it at any time before it is voted by taking one of the following actions: (i) giving written notice of the revocation to our Secretary; (ii) executing and delivering a proxy with a later date; or (iii) voting in person at the Meeting. Votes cast by proxy or in person at the Meeting will be tabulated by our transfer agent, American Stock Transfer & Trust Company, LLC, and by one or more inspectors of election appointed

at the Meeting, who will also determine whether a quorum is present for the transaction of business. A quorum is present when a majority in interest of all the common stock and outstanding is represented by shareholders present in person or by proxy.

If a broker, bank, custodian, nominee or other record holder of Brown & Brown common stock indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular matter, the shares held by that record holder (referred to as "broker non-votes") will be counted as present and considered part of a quorum. If, however, a shareholder is not present in person or represented by proxy at the Annual Meeting (referred to as "no-shows"), including by reason of a proxy not having been properly completed, the shares held by that shareholder will not be counted as present and will not be considered part of the quorum.

If a quorum is present, the ten (10) nominees for election as directors who receive the highest number of "FOR" votes will be elected as directors. This number may be a plurality. More specifically, in determining whether Proposal 1 passes: a FOR vote will count in both the numerator and the denominator; a WITHHELD vote will count in the denominator but not in the numerator; broker non-votes will not count in either the numerator or the denominator; and no-shows will not count in either the numerator or the denominator.

If a quorum is present, for approval of (a) the adoption of the 2010 Stock Incentive Plan and (b) the ratification of the appointment of Deloitte & Touche LLP as Brown & Brown, Inc.'s independent registered public accountants for the fiscal year ending December 31, 2010, the following rules apply: (1) the approval must receive the "FOR" vote of a majority of all votes cast on such proposal (which applies to both (a) and (b)) and (2) the total number of votes cast on the proposal must represent more than fifty percent (50%) of all shares entitled to vote on the proposal (which only applies to (a)). More specifically, for purposes of the first part of this assessment, a FOR vote will count in both the numerator and the denominator; an AGAINST vote will count in the denominator but not in the numerator; an ABSTAIN vote will count in the denominator but not in the numerator; broker non-votes will not count in either the numerator or the denominator; and no-shows will not count in either the numerator or the denominator. For purposes of the second part of this assessment, a FOR vote will count in both the numerator and the denominator; an AGAINST vote will count in both the numerator and the denominator; an ABSTAIN vote will count in both the numerator and the denominator; broker non-votes will count in the denominator but not in the numerator; and no-shows will count in the denominator but not in the numerator.

Proxies may be solicited by our officers, directors, and regular supervisory and executive employees, none of whom will receive any additional compensation for their services. Also, The Altman Group, Inc. may solicit proxies on our behalf at an approximate cost of \$6,000, plus reasonable expenses. Such solicitations may be made personally or by mail, facsimile, telephone, messenger, or via the Internet. We will pay persons holding shares of common stock in their names or in the names of nominees, but not owning such shares beneficially, such as brokerage houses, banks, and other fiduciaries, for the expense of forwarding solicitation materials to their principals. We will pay all of the costs of solicitation of proxies.

Our executive offices are located at 220 South Ridgewood Avenue, Daytona Beach, Florida 32114 (telephone number (386) 252-9601) and 3101 West Martin Luther King Jr. Boulevard, Suite 400, Tampa, Florida 33607 (telephone number (813) 222-4100).

Board and Board Committee Matters

During 2009, our Board of Directors held four regular meetings and one telephonic special meeting. Each incumbent director serving during 2009 attended at least 75% of the total number of Board meetings, and at least 75% of the total number of meetings of committees of which such director is a member. The Board expects, but does not require, all directors and director nominees to attend the Annual Shareholders' Meeting. All members of the Board attended the 2009 Annual Shareholders' Meeting. The Board conducts executive sessions of non-management directors in connection with each regularly scheduled meeting of the Board. The executive sessions are presided over by the Chairman of the Nominating/Corporate Governance Committee, and Lead Director, Bradley Currey, Jr. All of the members of the Board attended an accredited director education program in October 2008.

The NYSE has adopted listing standards relating to director independence. In addition to requiring that directors satisfy certain "bright line" criteria to be deemed "independent," as that term is defined in the NYSE listing standards, the NYSE listing standards permit the Board to adopt categorical standards to assist it in affirmatively determining that the Company's directors have no material relationship with the Company that would impair such directors' independence. The Board has adopted such categorical standards to assist it in determining director independence, and the standards adopted conform to, or are more exacting than, the independence requirements contained in the NYSE listing standards. The Board has applied these standards in affirmatively determining that certain of the Company's directors have no material relationship with the Company that would impair such directors' independence, as explained more fully below. As required by the NYSE listing standards, the Board of Directors considers all material relevant facts and circumstances known to it in making an independence determination, both from the standpoint of the director and from that of persons or organizations with which the director has an affiliation.

A director will not be independent if the director falls within one of the following categories as determined by the Board of Directors or a committee thereof, based on facts known to it in light of the meanings ascribed to those categories under applicable NYSE guidance and the Company's Corporate Governance Principles, where applicable, and otherwise by the Board of Directors or a committee thereof within its discretion:

The director is or has been, within the past three years, employed by the Company, or an immediate family member is an executive officer of the Company;

The director receives more than \$100,000 per year in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

An immediate family member of the director is employed by the Company and receives more than \$100,000 per year in direct compensation from the Company;

The director is or has been, within the past three years, affiliated with or employed by the Company's independent auditor, or an immediate family member is or has been, within the past three years, affiliated with or employed in a professional capacity by the Company's independent auditor;

A Company executive is or has been, within the past three years, on the compensation committee of the Board of Directors of a company which employs a Company director, or an immediate family member of that Company director, as an executive officer;

The director is an executive officer or employee, or an immediate family member is an executive officer, of another company that does business with the Company, and the sales by that company to the Company or purchases by that company from the Company, in any single fiscal year, are more than the greater of two percent (2%) of the annual revenues of that company or \$1 million;

The director is an executive officer or employee, or an immediate family member is an executive officer, of another company which is indebted to the Company for borrowed money, or to which the Company is indebted for borrowed money, and the total amount of either of such companies' indebtedness to the other at the end of the last completed fiscal year is more than two percent (2%) of the other company's total

consolidated assets; or

The director serves as an officer, director or trustee of a charitable organization, and the Company's discretionary charitable contributions to the organization are more than two percent (2%) of that organization's total annual charitable receipts during its last completed fiscal year.

The Board has applied the foregoing standards and considerations to each current member of the Board and to such Board members' immediate family members, and has affirmatively determined that the following seven of the eleven current directors have no material relationship with us other than service as a director, and are therefore independent: Samuel P. Bell, III; Hugh M. Brown; Bradley Currey, Jr.; Theodore J. Hoepner; Toni Jennings; Wendell S. Reilly; and Chilton D. Varner. Additionally, the Board has determined that Jan E. Smith, who served as a director until his resignation from the Board of Directors in August 2009, had no material relationship with us other than service as a director. In each case, the Board also considered the fact that from time to time, in the ordinary course of business and on usual commercial terms, we and our subsidiaries may provide services in our capacities as insurance intermediaries to various directors of the Company, and to entities in which various directors of the Company have direct or indirect interests.

Our Board of Directors has an Audit Committee, Compensation Committee, and Nominating/Corporate Governance Committee. The charters of each of these Board committees are available in the "Corporate Governance" section, under "Key Documents" on our website (www.bbinsurance.com) and are also available in print to any shareholder who requests a copy from the Secretary. The current members of the Audit Committee are Hugh M. Brown (Chair), Bradley Currey, Jr., Toni Jennings and Wendell S. Reilly, each of whom is independent as defined within the NYSE listing standards. The duties of the Audit Committee are to recommend to the Board of Directors the selection of independent certified public accountants, to meet with our independent certified public accountants to review and discuss the scope and results of the annual audit, and to consider various accounting and auditing matters related to the Company, including our system of internal controls and financial management practices. The Audit Committee held four regular meetings and one special telephonic meeting during 2009, and includes at least one audit committee financial expert, Bradley Currey, Jr., among its members.

The Compensation Committee currently consists of Chilton D. Varner (Chair), Theodore J. Hoepner and Toni Jennings, each of whom is independent as defined in the listing standards for the NYSE. Until his resignation from the Board in August 2009, Jan E. Smith also served on this committee. The Compensation Committee sets the base salary levels and bonuses for our Chief Executive Officer, and determines the salary levels and bonuses for our other executive officers, including the Named Executive Officers. See "Executive Compensation - Board Compensation Committee Report on Executive Compensation" and "Compensation Discussion and Analysis." The Compensation Committee also reviews and makes recommendations with respect to our existing and proposed compensation plans, and is responsible for administering our 1990 Employee Stock Purchase Plan, our PSP, and our ISO Plan, which expired December 31, 2008. The Compensation Committee is authorized by its charter to form and delegate authority to subcommittees when appropriate. The Compensation Committee held four regular meetings and two special telephonic meetings in 2009.

The Nominating/Corporate Governance Committee currently consists of Bradley Currey, Jr. (Chair), Hugh M. Brown, Wendell S. Reilly and Chilton D. Varner, each of whom is independent as defined in the listing standards for the NYSE. This Committee's duties include duties associated with corporate governance, as well as the nomination of persons to stand for election to the Board at our Annual Shareholders' Meeting and recommendation of nominees to the Board of Directors to fill vacancies on, or as additions to, the Board. The Nominating/Corporate Governance Committee held four regular meetings in 2009.

The Nominating/Corporate Governance Committee will consider nominations of persons for election as directors that are submitted in writing by shareholders in accordance with our procedures for shareholder proposals. See "Proposals of Shareholders." Such proposals must contain all information with respect to such proposed candidate as required by the SEC's proxy rules, must address the manner in which the proposed candidate meets the criteria described below, and must be accompanied by the consent of such proposed candidate to serve as a director, if elected. The Nominating/Corporate Governance Committee has not established "minimum qualifications" for director nominees, because it is the view of the Committee that the establishment of rigid "minimum qualifications" might preclude the consideration of otherwise desirable candidates for election to the Board. The Nominating/Corporate Governance Committee will consider proposed candidates identified by non-management directors, the Chief Executive Officer and other executive officers, and shareholders, and will evaluate such candidates based on a number of factors, including: (a) the need or desirability of maintaining or expanding the size of the Board; (b) independence; (c) credentials, including, without limitation, business experience, experience within the insurance industry, educational background, professional training, designations and certifications; (d) interest in, and willingness to serve on, the Board; (e) ability to contribute by way of participation as a member of Board committees; (f) financial expertise and sophistication; (g) basic understanding of the Company's principal operational and financial objectives, plans and strategies, results of operations and financial condition, and relative standing in relation to the Company's competitors; and (h) willingness to commit requisite time and attention to Board service, including preparation for and attendance at regular quarterly meetings, special meetings, committee meetings and periodic Board "retreats" and director education programs. With respect to diversity, while no formal policy has been proposed or adopted, heterogeneity of points of view, background, experience, credentials, gender and ethnicity is considered desirable, and characterizes the current composition of our Board.

The Nominating/Corporate Governance Committee and the Board consider a variety of sources when identifying individuals as potential Board members, including other enterprises with which Board members are or have previously been involved and through which they have become acquainted with qualified candidates. The Company does not pay any third party a fee to assist in the identification or evaluation of candidates.

The Nominating/Corporate Governance Committee has nominated those persons named in "Proposal 1 - Election of Directors" below to stand for election to the Board of Directors at the 2010 Annual Shareholders' Meeting.

Board Leadership

Our Board has the flexibility to determine whether the roles of Chairman of the Board and Chief Executive Officer should be separated or combined. The Board makes this decision based on its evaluation of the circumstances and the specific needs of the Company. Effective July 1, 2009, upon the retirement of J. Hyatt Brown from the position of Chief Executive Officer, the roles of Chairman and Chief Executive Officer were separated. Thus, J. Hyatt Brown continues to serve as Chairman of the Board, while J. Powell Brown serves as Chief Executive Officer. Prior to July 1, 2009, the positions of Chairman and Chief Executive Officer were held jointly by J. Hyatt Brown.

We believe that this leadership structure is desirable under present circumstances because it allows Mr. J. Powell Brown to focus his efforts on running our business and managing the Company in the best interests of our shareholders, while we are able to benefit from Mr. J. Hyatt Brown's extensive business and industry experience, knowledge of our company, service on boards of other publicly-traded companies and proven leadership ability.

Risk Oversight

An element of our business involves assisting our clients with issues related to risk, and we believe that this insight helps us to more effectively manage our risks. Our leadership is aware that risks are associated with all enterprises, and that varying degrees of risk are acceptable, and indeed desirable, in different endeavors.

The Board has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board and its Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee receive regular reports from members of senior management on areas of material risk to the Company, including operational, financial, strategic, competitive, reputational, legal and regulatory risks. The Board believes that risk oversight is a responsibility of the entire Board, and it does not look to any individual director or committee to lead it in discharging this responsibility.

At the committee level, our Audit Committee regularly reviews our financial statements, financial and other internal controls, and remediation of material weaknesses in internal controls. Our Compensation Committee regularly reviews our executive compensation policies and practices, and employee benefits, and the risks associated with each. Our Nominating/Corporate Governance Committee considers issues associated with the independence of our Board, corporate governance and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

Further, we have several departments that meet regularly to discuss risks and potential risks as they arise or may arise from day to day in their various functional areas, and regularly report to the appropriate Board committees and the entire Board. Our Financial Operations Review Team, which is responsible for the internal audit function, and our Insurance Operations Review Team, which is responsible for the day-to-day monitoring of our internal controls, regularly assess risks and potential risks associated with our operations. These departments report to our Audit Committee on a quarterly basis, unless more frequent reports are necessary.

Additionally, our independent outside auditors regularly identify and discuss with our Audit Committee risks and related mitigation measures that may arise during their regular reviews of the Company's financial statements, audit work and executive compensation policies and practices, as applicable.

Also, for the past several years, the Chief Executive Officer has annually made a presentation to our Board of Directors about risks associated with our business. This presentation includes discussion and categorization of such risks with respect to likelihood of occurrence, severity and frequency, and discussion of mitigating factors that contribute to lessening the potential adverse consequences associated with such risks (which can never, in any business, be fully eliminated). The presentation is prepared with input from the Company's officers, including those officers with regional operational responsibilities.

We believe that our compensation policies and principles in conjunction with our internal oversight of those policies and principles reduce the possibility of imprudent risk taking. We further believe that the Board's approach to risk oversight, as described above, optimizes its ability to assess the various risks, make informed decisions, and approach emerging risks in a proactive manner for the Company. We do not believe that our compensation policies and principles are reasonably likely to have a material adverse effect on the Company.

Corporate Governance Principles; Code of Business Conduct and Ethics; Code of Ethics for Chief Executive Officer and Senior Financial Officers

The Board of Directors has adopted Corporate Governance Principles, a Code of Business Conduct and Ethics, and a Code of Ethics for Chief Executive Officer and Senior Financial Officers, the full text of each of which can be found in the "Corporate Governance" section, under "Key Documents" on our website (www.bbinsurance.com), and each of which is available in print to any shareholder who requests a copy by writing our Secretary at 3101 West Martin Luther King, Jr. Boulevard, Suite 400, Tampa, Florida 33607.

Communication with Directors

Interested parties, including shareholders, may communicate with our Board of Directors, with specified members or committees of our Board, or with non-management directors as a group or with the Lead Director of the non-management directors, Bradley Currey, Jr., by sending correspondence to our Secretary at 3101 West Martin Luther King, Jr. Boulevard, Suite 400, Tampa, Florida 33607, and specifying in such correspondence that the message is for our Board or for one or more of its members or committees. Communications will be relayed to Directors no later than the next regularly scheduled quarterly meeting of the Board and Board Committees.

Compensation of Directors

During 2009, directors who are not employees of ours were paid \$12,000 for attendance at each regular quarterly Board meeting attended in person, \$2,000 for attendance at the annual Board "retreat," \$1,500 for attendance at each special Board meeting and \$1,500 for each committee meeting attended if such meeting occurred other than in conjunction with regularly scheduled quarterly Board meetings. In addition, the Chairman of the Audit Committee is paid \$4,000 in January of each year for services associated with that office. Each director who is not an employee of ours also receives in January of each year \$32,000 worth of shares of our common stock, valued as of the close of business on the last business day before the regular January meeting of the Compensation Committee, as additional compensation for such director's services.

All directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with meetings of the Board. No director who is an employee of ours receives separate compensation for services rendered as a director.

The following table sets forth cash and other compensation earned by directors who are not Named Executive Officers during 2009:

Related Party Transactions Policy

Our Board of Directors has adopted a written policy governing the approval of related party transactions. "Related Party Transactions" are transactions in which the Company is a participant, the amount involved exceeds \$120,000 when all such transactions are aggregated with respect to an individual, and a "related party" had, has or will have a direct or indirect material interest. "Related parties" are our directors (including any nominees for election as directors), our executive officers, any shareholder who beneficially owns more than five percent (5%) of our

outstanding common stock, and any firm, corporation, charitable organization or other entity in which any of the persons listed above is an officer, general partner or principal or in a similar position or in which the person has a beneficial ownership interest of ten percent (10%) or more. Under the Related Party Transactions Policy (the "Policy"), our Chief Corporate Counsel (or our Chief Executive Officer if the related party is the Chief Corporate Counsel or an immediate family member of the Chief Corporate Counsel) will review potential Related Party Transactions to determine if they are subject to the Policy. If so, the transaction will be referred to the Nominating/Corporate Governance Committee for approval or ratification. If, however, the Chief Corporate Counsel determines that it is not practical to wait until the next meeting of the Nominating/Corporate Governance Committee, the Chair of the Nominating/Corporate Governance Committee shall have the authority to act on behalf of the Nominating/Corporate Governance Committee on whether to approve or ratify a Related Party Transaction (unless the Chair of the Nominating/Corporate Governance Committee is a Related Party in the Related Party Transaction). In determining whether to approve a Related Party Transaction, the Nominating/Corporate Governance Committee (or, as applicable, the Chair of the Nominating/Corporate Governance Committee) will consider, among other things, the benefits of the transaction to the Company, the potential effect of entering into the transaction on a director's independence, the availability of other sources for the products or services, the terms of the transaction and the terms available to unrelated third parties generally. The Nominating/Corporate Governance Committee has authority to administer the Policy and to amend it as appropriate from time to time.

The Policy was established following our 2007 fiscal year, and therefore, the transactions discussed below that were effective prior to establishment of the Policy were not subject to review, approval or ratification under the Policy.

Certain Relationships and Related Transactions

John R. Riedman, one of our directors, is Chairman of, and holds an equity interest of greater than ten percent (10%) in, Riedman Corporation, the landlord under a lease agreement with one of our subsidiaries, as tenant, with respect to office space in Rochester, New York. The lease provides for payment of annual rent of \$255,000 for the first three years of a five-year lease term that commenced January 1, 2006, and three percent (3.0%) of the annual gross revenues of the Rochester office for the remaining two years of the term.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, officers, and persons who own more than ten percent (10%) of our outstanding shares of common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Directors, officers and 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of the copies of such reports furnished to us and written representations from certain reporting persons that no SEC Form 5s were required to be filed by those persons, we believe that during 2009, our directors, officers and 10% beneficial owners timely complied with all applicable filing requirements, with the exception of Michael Paschke, who resigned as an officer in February 2009, and who, due to an oversight, was two days late in reporting a transaction that occurred in February 2009, and Samuel R. Boone, Jr., an officer who, due to an oversight, failed to report transactions engaged in by him and by his spouse with respect to Company stock held in the Company's 401(k) Plan in December 2009 until February 2010.

COMPENSATION DISCUSSION AND ANALYSIS

Our overall compensation philosophy is as follows:

- Attract and retain high-quality people, which is crucial to both the short-term and long-term success of the Company;
- Reinforce strategic performance objectives through the use of incentive compensation programs; and
- Create a mutuality of interest between the executive officers and shareholders through compensation structures that promote the sharing of the rewards and risks of strategic decision-making.

Our compensation system is designed to drive results and has traditionally been tied to increases in net income, pre-tax earnings, and our stock price. We seek to provide an executive compensation package that is driven by our overall financial performance, the increase in shareholder value, the success of the business units directly impacted by the executive's performance, and the performance of the individual executive.

We provide a combination of pay elements with the goal of aligning executive incentives with shareholder value. Our executive compensation program includes both short and long-term compensation, with an emphasis on compensation that is tied to corporate and stock price performance. In the case of both our PSP and our ISO Plan (which expired at the end of 2008), stock price appreciation is fundamental to the realization of a compensation benefit. By emphasizing longer performance measurement periods by using long-term incentives, we align our executives' interests with our shareholders' interests and create an effective retention measure.

In this section, we discuss certain aspects of our compensation program as it pertains to our former principal executive officer (Mr. Hyatt Brown, who retired from the position of Chief Executive Officer in July 2009), Mr. Powell Brown (who replaced Mr. Hyatt Brown), our principal financial officer, and our three other most highly-compensated executive officers in 2009 (collectively, the "Named Executive Officers"). Our discussion focuses on compensation and practices relating to our most recently completed fiscal year.

Base Compensation. Base salaries are designed to provide competitive levels of compensation to our executives, based on scope of responsibility and duties. We pay base salaries because they provide a basic level of compensation and are necessary to recruit and retain executives. Base salaries remained unchanged for the Named Executive Officers in 2009 in recognition of the adverse economic and insurance market conditions reflected in the Company's results for 2008, with two exceptions: effective July 1, upon Mr. Powell Brown's accession to the office of Chief Executive Officer and Mr. Hyatt Brown's retirement from that office, Mr. Powell Brown's salary was increased and Mr. Hyatt Brown's salary was reduced, as described more fully below. In past years, if an officer had no change in duties, the percentage of annual salary increases for such officer was generally expected to be approximately 3-5% of the officer's base salary, with larger increases merited by exceptional performance or an increase in the officer's responsibilities. In 2009, however, the Compensation Committee, after consideration and review, accepted without modification the recommendation of Mr. Hyatt Brown and Mr. Powell Brown and, in the case of Mr. Powell Brown, the recommendation of the Vice Chairman and Chief Operating Officer, that there be no annual salary increases for the Named Executive Officers. The Compensation Committee additionally determined that there would be no annual salary increase for the Chief Executive Officer, Mr. Hyatt Brown, and approved a reduction in his salary effective upon his retirement from the position of Chief Executive Officer effective July 1, 2009, together with an increase, also effective July 1, 2009, in the salary paid to Mr. Powell Brown, who succeeded Mr. Hyatt Brown as Chief Executive Officer on that date. For additional information concerning compensation determinations for the two Chief Executive Officers who served during 2009, please refer to the paragraph captioned "CEO Compensation," below.

Annual Non-Equity Incentives and Bonuses. In connection with the appointment of a new Chief Executive Officer during 2009, certain features of the structure of the short-term compensation component for 2009 were somewhat different than in prior years. In addition to a bonus element, short-term compensation for Named Executive Officers included a non-equity annual incentive compensation element. With respect to bonuses and non-equity incentives for 2009 for the Named Executive Officers other than the two persons who served as Chief Executive Officer in 2009, the Compensation Committee, after consideration, discussion and review, accepted without modification the recommendations of the Chief Executive Officer, which recommendations were the expected result of the application of the compensation system and formulas established and reviewed with the Compensation Committee and with these officers during 2009. The non-equity incentive and bonus for Mr. Hyatt Brown and Mr. Powell Brown, each of whom served as Chief Executive Officer for six months in 2009, was determined by the Compensation Committee. For additional information concerning compensation determinations for the two Chief Executive Officers who served during 2009, please refer to the paragraph captioned "CEO Compensation," below.

The bonuses for Mr. Powell Brown, Mr. Henderson and Mr. Walker were established as a minimum amount of short-term cash compensation equal to 85% of a specified base bonus amount. The base bonus amounts for purposes of this calculation were equal to bonus amounts paid in past years to the Chief Executive Officer, Mr. Henderson and Mr. Walker, respectively, which were: for Mr. Powell Brown, \$1,137,610; for Mr. Henderson, \$1,010,087; and for Mr. Walker, \$325,000. Thus, the minimum bonus amounts, representing 85% of these base bonus amounts were: for Mr. Powell Brown, \$966,969; for Mr. Henderson, \$858,574; and for Mr. Walker, \$276,250. The bonuses for Mr. Kirk and Mr. Riley, as for the other officers of the Company with responsibilities for oversight of operations within a region, were established as a minimum amount of short-term cash compensation equal to 37.5% of a specified base bonus amount. The base bonus amounts for purposes of this calculation were equal to bonus amounts paid in past years to these officers, which were: for Mr. Kirk, \$756,000, and for Mr. Riley, \$929,847. Thus, the minimum bonus amounts, representing 85% of the base bonus amounts were: for Mr. Kirk, \$283,500, and for Mr. Riley, \$348,692.

In addition to the minimum bonus amounts described above, each of the Named Executive Officers was eligible to receive an additional discretionary bonus upon such terms and conditions as might be determined by the Chief Executive Officer or, in the case of the Chief Executive Officer, by the Compensation Committee. No additional bonuses were paid to any of the Named Executive Officers for 2009.

In addition to the bonuses described above, each Named Executive Officer had an opportunity to earn a non-equity incentive compensation amount for 2009 based on objective performance criteria such as the earnings performance of the Company as a whole and, in the case of those executive officers with regional operational responsibilities such as Mr. Kirk and Mr. Riley, the performance of the region for which such executive officer was responsible. In the case of Mr. Powell Brown, Mr. Henderson and Mr. Walker, who have responsibilities that are not tied to a particular region, but rather encompass the Company as a whole, the non-equity incentive amount was determined by the change in earnings per share in 2009 from 2008. Our earnings per share in 2009 equaled \$1.08, which represented a 7.6923% decrease from 2008. Thus, the non-equity incentive amount for Mr. Powell Brown, Mr. Henderson and Mr. Walker was calculated based on the following formula: [base bonus] times [100% minus 7.6923%] minus [minimum bonus]. The non-equity incentive amounts were: for Mr. Powell Brown, \$83,133; for Mr. Henderson, \$73,814; and for Mr. Walker, \$23,750.1

In the case of Mr. Kirk and Mr. Riley, as for our other executive officers with regional operational responsibilities, the non-equity incentive amount consisted of three components:

The first component, which affected 50% of the base bonus amount, corresponded to the earnings performance of the Company and was calculated based on the following formula: [base bonus times 50%] times [100% minus 7.6923%]. In the case of Mr. Kirk, this component equaled \$348,923, and in the case of Mr. Riley, \$429,160. There was no portion of the minimum bonus amount, and no maximum amount, attributable to this component.

The second component affected 37.5% of the base bonus amount and turned on the change in pretax growth of individual regions. In 2009, Mr. Kirk's region experienced a decrease of 19.6582%, and Mr. Riley's region experienced a decrease of 15.2740% in pretax growth (after adjustment for gains or losses on sales of books of business and sales of fixed assets, and for certain regional expenses). The second component was calculated based on the following formula: [base bonus times 37.5%] times [100% minus (percentage change in pre-tax growth for the regions for which each of Mr. Kirk and Mr. Riley were responsible in 2009 from 2008)] minus [75% times minimum bonus]. In the case of Mr. Kirk, the second component equaled \$15,144, and for Mr. Riley, \$33,914.2

The third component affected 12.5% of the base bonus amount and was tied to actual versus budgeted core operating profit growth within the region for which the officer was responsible in 2009. In 2009, core operating profit growth (excluding cost of capital charges) was 13.1366% below the budgeted amount in Mr. Kirk's region, and 8.0177% below the budgeted amount in Mr. Riley's region. This component was calculated based on the following formula: [base bonus times 12.5%] times [100% minus (percentage by which actual 2009 regional core operating profit growth differed from the budgeted operating profit growth for the regions for which each of Mr. Kirk and Mr. Riley was responsible in 2009)] minus [25% times minimum bonus]. In the case of Mr. Kirk, the third component equaled \$11,211, while for Mr. Riley, it equaled \$19,739.3

After application of these formulas, the total non-equity incentive amounts representing the sum of the three components described above were: for Mr. Kirk, \$375,278, and for Mr. Riley, \$482,813.4

1 In addition, the combined non-equity incentive and bonus amounts for each of Mr. Powell Brown, Mr. Henderson and Mr. Walker could not exceed 115% of the base bonus amount, a consideration which did not affect the non-equity incentive amounts paid for 2009.

2 This second component was subject to a maximum of 125% of 37.5% of the base bonus amount, which did not affect the calculation for either Mr. Kirk or Mr. Riley for 2009.

3 This third component was subject to a maximum of 125% of 12.5% of the base bonus amount, which did not affect the calculation for either Mr. Kirk or Mr. Riley for 2009.

4 In addition, the combined non-equity incentive and bonus amounts for Mr. Riley could not exceed the combined non-equity incentive and bonus amounts for either the Chief Executive Officer or the Chief Operating Officer, a factor that did not affect the calculation for Mr. Riley for 2009.

The annual bonus and non-equity incentive payouts for 2009 are also shown in the Summary Compensation Table on page 27 under the "Bonus" and "Non-Equity Incentive Plan Compensation" columns, as applicable.

Long-Term Compensation: Performance Stock Plan and 2000 Incentive Stock Option Plan. We emphasize long-term variable compensation at the senior executive levels because of our desire to reward effective long-term management decision-making and our desire to retain executive officers who have the potential to impact both our short-term and long-term profitability. Long-term incentives are designed to focus attention on long-range objectives and future returns to shareholders, and are presently delivered to the Named Executive Officers other than the former Chief Executive Officer through the PSP and, until its expiration at the end of 2008, through the ISO Plan. The Compensation Committee administers both our PSP and our ISO Plan, and may grant shares of performance stock under the PSP to key employees based upon salary levels, sales production levels and performance evaluations. Grants of stock pursuant to the PSP and grants of options pursuant to the ISO Plan have in past years been made to each of the Named Executive Officers other than J. Hyatt Brown, our Chairman and, until July 1, 2009, the Chief Executive Officer of the Company, who is not a participant in either the PSP or the ISO Plan.

The Company is seeking shareholder approval for the 2010 Stock Incentive Plan (the "Incentive Plan"), which was adopted by the Board upon the recommendation of the Compensation Committee, subject to shareholder approval. If approved by our shareholders, as explained more fully below in the section titled "Proposal 2 – 2010 Stock Incentive Plan," this will be the only plan under which equity incentive awards will be made following the Annual Shareholders' Meeting. Earlier in 2010, the Compensation Committee engaged Mercer (US) Inc. ("Mercer") to assist in analyzing features of the Incentive Plan and to assess the Company's need for such a plan. Mercer supports the proposed Incentive Plan because it will enable us to maintain our historic approach to granting stock-based incentives while providing our Compensation Committee the flexibility to grant a variety of different awards in the future. A description of the Incentive Plan is included in the section titled "Proposal 2 – 2010 Stock Incentive Plan," below, and a copy of the Incentive Plan is attached as an exhibit to this proxy statement.

As described below, we made a grant in July 2009 to Mr. Powell Brown, the new Chief Executive Officer, under the PSP.

On July 1, 2009, as expected based upon the Company's announced succession plan, the Company underwent a change in the office of Chief Executive Officer upon the retirement of J. Hyatt Brown, Chairman, from that position. In connection with this change, the Compensation Committee was faced with the issue of the long-term compensation to be offered to the new Chief Executive Officer, J. Powell Brown, who previously served as the Company's President. Accordingly, in early 2009, the Compensation Committee requested a proposal from the Chief Executive Officer, Chief Operating Officer and Chief Financial Officer concerning long-term incentive compensation for Mr. Powell Brown. After that proposal was made in early July 2009, the Compensation Committee held two special meetings to consider and refine an appropriate long-term incentive for Mr. Powell Brown. Summary information concerning the 2008 long-term incentive compensation given to Chief Executive Officers of 20 companies comparable to the Company was considered by the Committee in reaching its determination, along with information concerning the cost of a grant under the Company's PSP. The 20 companies selected for comparison included the four publicly-held insurance brokers (Aon Corporation, Arthur J. Gallagher & Co., Marsh & McLennan Companies and Willis Group Holdings Limited), nine companies selected from a national group of companies of similar market capitalization and net income margin percentage (Cincinnati Financial Corp., Copart, Inc., Cullen/Frost Bankers, Inc., Eaton Vance Corporation, Harley-Davidson, Inc., HCC Insurance Holdings, Inc., Rayonier, Inc., Torchmark Corp. and Total System Services, Inc.) and seven publicly-held companies based in Florida with revenues between \$800 million and \$1.6 billion and reasonable net income margins (Citrix Systems, Inc., International Speedway Corp., Lincare Holdings, Inc., Mednax, Inc. f/k/a Pediatrix Medical Group, Inc., Rayonier, Inc., Seacor Holdings, Inc., Walter Energy, Inc. f/k/a Walter Industries, Inc.). Ultimately, at its regular quarterly meeting on July 21, 2009, the Compensation Committee voted unanimously in favor of granting to Mr. Powell Brown

performance-based restricted stock pursuant to the Company's PSP that he would have to hold for 20 years while remaining employed by the Company with value of \$4,000,000 based on the price at the close of the market on the day before the Committee's meeting (as is customary with such grants). Also, the Compensation Committee unanimously approved a recommendation to the Board of Directors that the PSP be amended to permit the Compensation Committee to make the grant. Such amendment included changing the PSP's second condition of vesting, that a grant recipient remain continuously employed by the Company for a period of 15 years from the date of grant, to provide that a period of more than 15 years could be required. Such amendment permitted the Compensation Committee to include in the terms of the grant to the new Chief Executive Officer a requirement that he remain continuously employed by the Company for 20, rather than 15, years from the date of grant in order for the second condition of vesting to be satisfied. The Board subsequently approved the amendment of the PSP. Additionally, the Compensation Committee exercised its existing authority under the PSP to correspondingly increase the period in which the first condition of vesting for the new Chief Executive Officer's grant (the required increase in the price of the Company's stock) must occur to seven years instead of the five-year period typically used for this condition. In reaching its decision, the Compensation Committee considered the importance of incentivizing the new Chief Executive Officer with a grant for which the vesting of shares is based on shareholder return in the next seven years and on the Chief Executive Officer's continued service to the Company in the coming two decades. The Compensation Committee considered this grant, and its terms, to represent a one-time divergence from the standard vesting requirements associated with PSP grants, which call for the stock price to increase at least 20% (and thereafter, in increments of 20%) within five years after the date of grant in order for the first condition of vesting to be met with respect to a corresponding percentage of the shares of performance stock granted, and which call for the completion of 15 years of continuous employment with the Company following the date of grant in order for the second condition of vesting to be met. In reaching its decision, the Committee took into account the fact that the 20-year "cliff vesting" period associated with this grant exceeds by a substantial margin the vesting periods of the plans in the group of 20 comparable companies, none of which had vesting periods in excess of five years.

In the first quarter of 2010, the Compensation Committee became aware that the number of shares granted to Mr. Powell Brown in 2009 inadvertently exceeded the maximum number of shares that could be granted under the terms of the PSP in a single calendar year, pursuant to a provision of the PSP added by amendment in 2005. The Board could have modified this provision of the PSP without shareholder approval at the same time it modified the PSP to permit Mr. Powell Brown's grant to require the extended 20 year service of vesting, although without a shareholder vote the Company could not maximize the deductibility of the award pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)"), should the award vest in 20 years. The Committee has reviewed the issue and discussed it with counsel and with Mr. Powell Brown. The Committee has concluded that it will likely address the issue at the regular quarterly meeting of the Committee scheduled in April 2010. It is the current desire of the Committee to take whatever actions are necessary to assure the validity of a grant of stock to Mr. Powell Brown on the initial terms described above. Thus, the Committee expects to replace the 2009 grant, to the extent that it included shares in excess of the maximum number set forth in the PSP, with a new grant with vesting conditions identical to those provided for in connection with the 2009 grant. Such grant would be issued under the 2010 Stock Incentive Plan that is proposed for shareholder approval at the 2010 Annual Shareholders' Meeting or, in the event that the 2010 Stock Incentive Plan is not approved by shareholders, it would be issued under the PSP, subject to approval by the Board of Directors of the amendment of the PSP to increase the allowable cap on shares that can be granted in a calendar year for purposes of the new grant to Mr. Powell Brown. Under either scenario, the vesting conditions imposed upon the 2009 grant would remain unchanged. Thus, the target stock prices that would have to be met in order for the first condition of vesting to occur with respect to each 20% increment of the granted shares would remain the same, and the seven-year and 20-year periods associated with satisfaction of the first and second conditions of vesting, respectively, would end on July 20, 2016 and on July 20, 2029, seven and 20 years, respectively, from the date of the 2009 grant.

Grants of stock under our PSP are intended to provide an incentive for key employees to achieve our long-range performance goals by providing incentives to remain with us for a long period after the grant date and by tying the vesting of the grant to appreciation of our stock price. All of the Named Executive Officers other than the former Chief Executive Officer (who does not participate in the PSP) have received PSP grants that include two conditions of vesting: first, the grants "tranche" in increments of twenty percent (20%) each time that the 20-day trading average of our stock price increases by 20% in the five years following the date of the grant. Thus, in the event that the stock price doubles, or increases by 100%, within five years following the date of grant, the first condition of vesting is met with respect to the entire amount of the grant. Alternatively, if the stock price does not increase by twenty percent (20%) within five (5) years following the date of grant, the first condition of vesting would not be met with respect to any portion of the grant. Once the first condition of vesting is met with respect to any portion of shares granted under the PSP, the grantee is entitled to receive dividends and to vote that portion of the shares. The Named Executive Officers other than the former Chief Executive Officer initially received grants under the PSP in 1996, and thereafter in 1998, 2001, 2003 and 2008, in each instance after the first condition of vesting had been met or forfeiture had occurred, with respect to all previous grants under the PSP. Grant amounts were determined based upon the nature and extent of job duties. Additionally, Mr. Walker received PSP grants in 1997 and 2000, respectively, based upon expansions of his job responsibilities. The second condition of vesting for all of the Named Executive Officers who have received PSP grants is continued employment with us for a period of fifteen (15) years following the date of grant (or, in the case of the 2009 grant to Mr. Powell Brown, twenty (20) years following the date of grant) or, if earlier, until the attainment of age 64, or disability or death. None of the grants made to the Named Executive Officers has met the second condition of vesting. If and when such condition is met, the vested shares will be delivered, and the market value of such shares as of the vesting date will be taxed as ordinary income to the recipients.

In February 2008, grants were made to the Named Executive Officers other than Mr. Hyatt Brown, the former Chief Executive Officer, under the PSP. In the first quarter of 2010, the Compensation Committee became aware that the number of PSP shares granted to the Named Executive Officers in 2008 inadvertently exceeded the maximum number of shares permitted under the terms of a provision of the PSP added by amendment in 2005 to maximize the Company's ability to claim tax deductions under Section 162(m). The Board could have modified this provision of the PSP without shareholder approval, although without a shareholder vote the Company could not maximize the deductibility of the awards pursuant to Section 162(m) should they vest in 15 years or upon death, disability or attainment of age 64. In order to assure the validity of the grants and the deductibility of associated expense upon vesting pursuant to Section 162(m), the Committee currently expects to replace the 2008 PSP grants to each of these grantees, to the extent that each of those grants exceeded the maximum number of shares provided for in the PSP, with new grants with vesting requirements identical to those associated with the 2008 grants. Thus, there will be no change to the stock price performance condition established with respect to the 2008 grants, or to the time periods associated with the satisfaction of the first and second conditions of vesting, which will end on February 26, 2013 (five years from the date of the 2008 grants) and on February 26, 2023 (15 years from the date of the 2008 grants), respectively. The Board has approved an amendment to the PSP for purposes of the contemplated corrective grants, so that vesting will occur 15 years from the date of the 2008 grants that they are replacing rather than 15 years from the date of the replacement grants. These grants will be conditioned upon each grantee's entry into an agreement that confirms that the new grant replaces the 2008 grant to the extent of the number of shares granted.

CEO Compensation. With respect to the salary and non-equity incentive and bonus of Mr. Hyatt Brown, who served as Chief Executive Officer until his retirement from that position effective July 1, 2009, and the salary and non-equity incentive and bonus of Mr. Powell Brown, who succeeded Mr. Hyatt Brown as Chief Executive Officer as of July 1, 2009, the Compensation Committee considered issues associated with the transition to a new Chief Executive Officer mid-year as well as the performance of the Chief Executive Officer and the general operating performance of the Company. The performance criteria examined by the Committee in each case included the annual Board evaluations of the performance of the Chief Executive Officer, which were completed with respect to both Mr. Hyatt Brown and Mr. Powell Brown for 2009, the performance of the Company as reflected in the change in earnings per share in 2009 from 2008, and the salary levels and other compensation of chief executive officers in companies competitive with the Company. For 2009, the Committee also considered publicly available information concerning the compensation of chief executive officers of four other publicly-held insurance brokers, Aon Corporation, Arthur J. Gallagher & Co., Marsh & McLennan Companies and Willis Group Holdings Limited, taking into account the differences in size of the peer companies as compared with the Company.

As in the case of the other Named Executive Officers, the 2009 salary approved by the Compensation Committee for the Chief Executive Officer, Mr. Hyatt Brown, was not increased in 2008. Effective July 1, 2009, it was reduced to an annualized rate of \$180,000 in view of his retirement from the position of Chief Executive Officer on that date. With respect to the 2009 bonus for Mr. Hyatt Brown, the Compensation Committee determined that he should receive fifty percent (50%) of the total of bonus and non-equity incentive compensation earned for 2009 by Mr. Powell Brown, who succeeded Mr. Hyatt Brown as Chief Executive Officer. Mr. Hyatt Brown was paid \$525,051 in accordance with this determination. Mr. Hyatt Brown does not participate in the PSP or the ISO Plan.

Mr. Powell Brown's salary also remained unchanged until July 1, 2009, when he commenced service as Chief Executive Officer while continuing to serve as President of the Company. The Compensation Committee approved a salary increase effective July 1, 2009 from \$400,000 to \$565,000 on an annualized basis in recognition of his promotion. Additionally, the Compensation Committee approved an increased base bonus amount for Mr. Powell Brown. The non-equity incentive and bonus approved for Mr. Powell Brown for 2009, which totaled \$1,050,102, were calculated as described in the section labeled Annual Non-Equity Incentives and Bonuses, above.

The Committee reported the salary amounts approved for Mr. Hyatt Brown and Mr. Powell Brown to the full Board of Directors (excluding Mr. Hyatt Brown and Mr. Powell Brown) in January 2009, and the non-equity incentive and bonus amounts in January 2010.

Other Compensation. As appropriate, and in the reasonable discretion of the Chief Executive Officer, certain golf or social club membership dues of the Named Executive Officers who have responsibility for the entertainment of clients, prospective clients and principals of acquisition prospects are reimbursed by the Company. Additionally, the Company reimburses the costs of annual physical examinations that are not otherwise covered by insurance for each of the Named Executive Officers. Along with all other full-time employees, each of the Named Executive Officers is eligible: (a) to receive matching and profit-sharing contributions made by the Company to the 401(k) accounts of participants in the qualified 401(k) Plan sponsored by the Company; (b) to participate in the Company's Employee Stock Purchase Plan; (c) to participate in group medical, dental and other benefit plans subscribed to by the Company and its subsidiaries; and (d) to the extent permitted by applicable law, for reimbursement of any amounts earned by the Company on personal lines insurance such as homeowners and flood insurance purchased by such employees.

We offer a qualified 401(k) Plan to provide a tax-advantaged savings vehicle. We make matching contributions of two and one-half percent (2.5%) of contributions made by each participant to the 401(k) Plan to encourage employees to save money for their retirement. Additionally, in January of each year, the Board considers a discretionary profit-sharing distribution to 401(k) Plan participants and in January 2009, as in each year for at least the preceding sixteen (16) years, such a distribution, in an amount equaling one and one-half percent (1.5%) of compensation as reflected on each participant's Wage and Tax Statement on Form W-2, was approved. These plans, and our contributions to them, enhance the range of benefits we offer to executives and enhance our ability to attract and retain key employees.

In addition, we entered into an Aircraft Time-Sharing Agreement with Mr. Hyatt Brown on June 18, 2008, pursuant to which he is authorized to utilize Company aircraft, subject to availability, for personal use in exchange for reimbursement calculated based on a multiple of the cost of fuel plus certain incremental costs associated with a trip. We had no incremental cost associated with such agreement in 2009 because Mr. Hyatt Brown did not use an aircraft under this Aircraft Time-Sharing Agreement. Thus, no amount related to this Aircraft Time-Sharing Agreement is included for Mr. Hyatt Brown in the "All Other Compensation" column of the Summary Compensation Table that appears below.

Policy on Tax Deductibility. The Committee considers the anticipated tax treatment to the Company in its review and establishment of compensation programs and payments, including the potential impact of Section 162(m). Section 162(m) disallows a tax deduction for any publicly held corporation for individual compensation exceeding one million dollars in any taxable year for any of the Named Executive Officers, other than compensation that is performance-based under a plan that is approved by the shareholders and that meets certain other technical requirements. The deductibility of compensation payments can depend upon numerous factors, including the nature of the payment and the time that income is recognized under various awards. Interpretations of, and changes in, applicable tax laws and regulations as well as other factors beyond the control of the Committee also can affect deductibility of compensation. Our general policy is to deliver equity-based compensation to employees in as tax-efficient a manner as possible, taking into consideration the overall cost to the Company, for which the Company accounts in accordance with Statement of Financial Accounting Standards ("SFAS") 123R, "Share-Based Payment," issued by the Financial Accounting Standards Board ("FASB"). The Committee will continue to monitor developments and assess alternatives for preserving the deductibility of compensation payments and benefits to the extent reasonably practicable, consistent with its compensation policies and as determined to be in the best interests of the Company and its shareholders.

Payments in the Event of Change in Control. In 2009, the only Named Executive Officer whose employment agreement included change in control provisions was J. Hyatt Brown. Effective July 1, 2009, the date that he retired from the position of Chief Executive Officer, we entered into a new employment agreement with Mr. Hyatt Brown that did not contain such provisions.

The PSP and the ISO Plan include change in control provisions. The PSP provides that all granted PSP stock shall become fully vested and nonforfeitable in the event of: (i) the Company's entry into any agreement to sell all or substantially all of its assets or to enter into any merger, consolidation, reorganization, division or other corporate transaction in which Company stock is converted into another security or into the right to receive securities or property, where such agreement does not provide for the assumption or substitution of PSP stock; (ii) any tender or exchange offer for the Company's stock accepted by a majority of the shareholders of the Company; or (iii) the death of J. Hyatt Brown and the subsequent sale by his estate, his wife, his parents, his lineal descendants, any trust created for his benefit during his lifetime, or any combination of the foregoing, of the Company stock owned by J. Hyatt Brown prior to his death. The PSP further provides that if any shares of PSP stock become fully vested and nonforfeitable because of the occurrence of these events, the Company shall pay to the holders of such shares, within 60 days of the occurrence of such event, the full amount of any federal and state income tax liability incurred by such holder as a result of such vesting, including, without limitation, any excise tax with respect to such vesting (e.g., under Internal Revenue Code Section 4999 and any successor provision) as well as the amount of any tax liability with respect to such "gross-up" payment. Additionally, the PSP provides that in the event of any "Change in Control" (as defined in the PSP, and excluding the triggering events described above), the Board thereafter shall have the right to take such action with respect to any shares of PSP stock that are forfeitable, or all such shares of PSP stock, as the Board in its sole and absolute discretion deems appropriate under the circumstances to protect the interests of the Company in maintaining the integrity of the awards under the PSP. The PSP further states that the Board shall have the right to take different action with respect to different "Key Employees" (as defined in the PSP) or different groups of "Key Employees," as the Board in its sole and absolute discretion deems appropriate under the circumstances. For information concerning the value of the vested PSP stock that each of the Named Executive Officers would have in the event that one of the triggering events described above occurred on the last business day of 2009, please see the table titled "Potential Payments Upon Termination or Change in Control - 2009" below.

The ISO Plan (which expired in 2008) provides that all participants, which includes all of the Named Executive Officers other than Mr. Hyatt Brown, the former Chief Executive Officer, shall be deemed to have vested one hundred percent (100%) in all options granted under that plan in the event of such participant's involuntary or constructive termination of service with us (other than for specified causes, as set forth in the ISO Plan) within twelve (12) months

after a "Transfer of Control" as defined in the ISO Plan. For information concerning the value of the vested options that each of the Named Executive Officers would have under the ISO Plan in the event that termination of employment after "Transfer of Control" had occurred on the last business day of 2009, please see the table titled "Potential Payments Upon Termination or Change in Control - 2009" below.

- (1) All figures shown for the value of stock granted under the PSP and the ISO Plan that would vest upon death, disability or following a change in control are calculated based on the assumption that the triggering event(s) for such vesting took place on December 31, 2009, the last business day of the Company's last completed fiscal year, and that the price per share of our common stock is \$17.97, the closing market price as of that date. For more detailed information concerning the change in control provisions of the PSP and the ISO Plan, please see the section titled "Compensation Discussion and Analysis - Payments in the Event of Change in Control" above.
- (2) The figures shown in this column represent amounts that would be paid pursuant to the terms of the PSP in the event of a change in control as defined in the PSP.

- (1) There was no change in base salary for these officers in 2009. The total salary paid was higher in 2009 than in 2008 because there were 27 pay periods in 2009 and only 26 pay periods in 2008.
- (2) Amounts shown under the "Stock Awards" column reflect the aggregate grant date fair value of awards computed in accordance with Financial Accounting Standards Board ASC Topic 718 (formerly "SFAS 123(R)") with respect to stock granted under the PSP to our Named Executive Officers rather than the dollar amount recognized during the fiscal year for financial statement purposes. The assumptions used for the valuations are set forth in Note 11 to our audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009. See the "Grants of Plan-Based Awards in Fiscal 2009 Table" and the "Compensation Discussion and Analysis" for information with respect to stock granted under the PSP in 2008 and 2009 and the "Outstanding Equity Awards at 2009 Fiscal Year-End" table with respect to stock granted under the PSP prior to 2009.
- (3) Amounts shown under the "Option Awards" column reflect the aggregate grant date fair value of awards computed in accordance with Financial Accounting Standards Board ASC Topic 718 (formerly "SFAS 123(R)") for 2008 with respect to options granted under the ISO Plan to our Named Executive Officers rather than the dollar amount recognized during the fiscal year for financial statement purposes. The assumptions used for the valuations are set forth in Note 11 to our audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009. See the "Grants of Plan-Based Awards in Fiscal 2009 Table" and the "Compensation Discussion and Analysis" for information with respect to options granted under the ISO Plan in 2008 and the "Outstanding Equity Awards at 2009 Fiscal Year-End" table for information with respect to options granted under the ISO Plan prior to 2008.
- (4) Amounts shown under the "Non-Equity Incentive Plan Compensation" column represent annual incentive award amounts for services performed in 2009. Amounts shown under the "Bonus" column represent guaranteed minimum bonuses and additional discretionary bonus amounts for services performed in 2009. For additional information about our annual incentive and bonus compensation and these payouts see the "Compensation Discussion and Analysis" and the "Grants of Plan-Based Awards in Fiscal 2009 Table" on pages 28 and 29, respectively.
- (5) These dollar amounts include the items identified in the table titled "All Other Compensation Table - 2009" below.
- (6) This amount includes the annual premium of approximately \$98,496 paid for a life insurance policy with limits of \$20 million on the lives of Mr. Hyatt Brown and his spouse pursuant to which proceeds would have been paid to the Company upon the later of the death of Mr. Hyatt Brown or his spouse. Pursuant to an agreement between the Company and Mr. and Mrs. Hyatt Brown, at the option of the estate of the second to die (the "Estate"), we had agreed to purchase stock of the Company owned by the Estate in an amount not to exceed the proceeds of the referenced insurance policy. The policy was redeemed by the Company in exchange for cash value in June 2009.

GRANTS OF PLAN-BASED AWARDS IN FISCAL 2009

The following table provides information about equity incentive compensation awarded to our Named Executive Officers in fiscal 2009, including: (1) the grant date of the PSP grant; (2) the range of possible annual incentive cash payouts in respect of 2009 performance; (3) the range of stock shares that may be earned in respect of the PSP grant; and (4) the grant date fair value of the PSP grant computed in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718.

- (1) The "Estimated Future Payouts Under Non-Equity Incentive Plan Awards" column shows the range of possible annual incentive cash payouts in respect of 2009 performance. If performance was below threshold then no amounts will be paid. For additional information related to the annual cash incentive awards including performance targets and measures, see the "Compensation Discussion and Analysis" section of this proxy statement.
- (2) The "Estimated Future Payouts Under Equity Incentive Plan Awards" column shows the range of shares that may be earned in respect of the the stock granted under the PSP to our Named Executive Officers. See the "Potential Payments Upon Termination or Change in Control – 2009" table in this proxy statement for a description of the treatment of options granted under the ISO Plan and stock granted under the PSP upon a change in control.
- (3) The Compensation Committee did not establish or estimate a target. The numbers shown use a representative amount based on the previous fiscal year's performance, as required by applicable rules and guidance of the Securities and Exchange Commission.
- (4) The "Grant Date Fair Value of Stock and Option Awards" column shows the aggregate grant date fair value of the stock granted under the PSP to our Named Executive Officers in 2009, computed in accordance with FASB ASC Topic 718 (formerly SFAS 123(R)). The assumptions used for determining values are set forth in Note 11 to our audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009.

- (5) The Compensation Committee did not establish or estimate a target. In the case of Mr. Kirk and Mr. Riley, calculations based on the previous fiscal year's performance of the regions for which they were responsible are not meaningful because the composition of the regions was different in the previous fiscal year.
- (6) The possible annual incentive cash payouts for Mr. Kirk and Mr. Riley do not have an established maximum with respect to the component that is calculated by multiplying fifty percent (50%) of their respective base bonus amounts by the percentage of growth or decrease in earnings per share over the prior year. For this reason, no maximum number is indicated. For additional information related to the annual cash incentive awards including performance targets and measures, see the "Compensation Discussion and Analysis" section of this proxy statement.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The closing market price of our stock underlying the stock options granted under the ISO Plan was \$17.97 per share as of December 31, 2009. The resulting difference between the year-end market price and the adjusted exercise price per share of \$4.84 for options granted in 2000 is \$13.13 per share, and the adjusted exercise price per share of \$15.78 for options granted in 2003 is \$2.19 per share and the exercise price of \$18.48 for options granted in 2008 is -\$0.51 per share (per share exercise prices are adjusted to reflect the two-for-one common stock splits that become effective November 28, 2005, November 21, 2001 and August 9, 2000, respectively). Therefore, the values at fiscal year-end of unexercised "in-the-money" options granted to the Named Executed Officers are as set forth in the table below:

- Generally, these options vest three months prior to their expiration dates. This vesting may accelerate, however, in increments of 20% based upon each 20% increase in the stock price above the stock price on the grant date, based on a 20-trading-day average.
- The market value shown was determined by multiplying the number of shares of stock that have not vested by \$17.97, the closing market price of our common stock on December 31, 2009.
- The market value shown was determined by multiplying the number of unearned stock shares (at target) by \$17.97, the closing market price of our common stock on December 31, 2009.

Employment and Deferred Compensation Agreements

Effective July 1, 2009, in connection with his retirement from the position of Chief Executive Officer, J. Hyatt Brown entered into an employment agreement that superseded Mr. Brown's prior agreement with us. The agreement provides that upon termination of employment, Mr. Brown will not directly or indirectly solicit any of our clients or employees for a period of three years. The agreement does not include any change in control provisions.

J. Powell Brown, Jim W. Henderson, Kenneth D. Kirk, Thomas E. Riley, Linda S. Downs, Sam R. Boone, Jr., C. Roy Bridges, Colin E. Lowe, Charles H. Lydecker, Kenneth R. Masters, J. Scott Penny, Michael J. Riordan, Anthony Strianese, Cory T. Walker, Robert W. Lloyd, Laurel L. Grammig, Thomas M. Donegan, Jr. and Richard A. Freebourn, Sr. have each entered into standard employment agreements with us or, in the case of Mr. Kirk, with one of our subsidiaries. These agreements may be terminated by either party (in the case of Ms. Downs and Messrs. Henderson and Kirk, upon 30 days' advance written notice). Compensation under these agreements is at amounts agreed upon between us and the employee from time to time. Additionally, for a period of two years following the termination of employment (three years in the case of Ms. Downs and Messrs. Henderson, Powell Brown, Kirk and Riley), these agreements prohibit the employee from directly or indirectly soliciting or servicing our clients, or soliciting our employees to leave their employment with us.

Compensation Committee Interlocks and Insider Participation

Since August 2009 the members of our Compensation Committee have been Chilton D. Varner (Chair), Theodore J. Hoepner and Toni Jennings.

Toni Jennings is a director of SunTrust Bank/Central Florida. We have a \$50 million revolving credit facility with SunTrust (subject to potential increases up to \$100 million) and SunTrust also acts as escrow agent with respect to accounts related to certain acquisitions we have made. We expect to continue to use SunTrust during 2010 for a substantial portion of our cash management requirements. Two of our subsidiaries provide insurance-related services to subsidiaries of SunTrust and a number of our offices provide services with respect to premium financing to another such subsidiary of SunTrust. Payments made to, and received from, SunTrust in 2009 totaled less than one percent (1.0%) of our or SunTrust's total consolidated revenues.

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based on this review and those discussions, has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

PROPOSAL 1 - ELECTION OF DIRECTORS

The ten (10) nominees for election as directors at the Meeting are J. Hyatt Brown, Samuel P. Bell, III, Hugh M. Brown, J. Powell Brown, Bradley Currey, Jr., Theodore J. Hoepner, Toni Jennings, Wendell S. Reilly, John R. Riedman and Chilton D. Varner. Information concerning each of the nominees is set forth under the caption "Management - Directors and Executive Officers." All nominees are now members of the Board of Directors. Nomination of all nominees is for a one (1)-year term until the next Annual Meeting of Shareholders.

Should any nominee become unable or unwilling to accept nomination or election for any reason, it is expected that the resulting vacancy will not immediately be filled. All nominees have consented to being named in the Proxy Statement and have agreed to serve if elected. If any nominee for election as a director shall become unable to serve as a director, then proxies will be voted for such substitute nominee as the Nominating/Corporate Governance Committee of the Board of Directors may nominate.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THESE NOMINEES.

PROPOSAL 2 – 2010 STOCK INCENTIVE PLAN

The Compensation Committee has recommended, and the Board of Directors (the "Board") has adopted, subject to shareholder approval, the 2010 Stock Incentive Plan (the "Incentive Plan"). As discussed in the Compensation Discussion and Analysis, equity incentive grants are an important part of our compensation program, providing a basis for long-term incentive compensation and helping to align the interests of our shareholders and our officers and employees. Currently, the only equity incentive plan under which grants may be made is the Company's Performance Stock Plan ("PSP"); due to the expiration of the Company's 2000 Incentive Stock Option Plan (the "ISO Plan") in 2008, there is currently no mechanism whereby stock options may be granted. The Board believes that the Compensation Committee should have flexibility to structure our executive compensation programs using a variety of incentives and performance-based arrangements to ensure that we can continue to attract and retain key personnel and motivate them to achieve superior performance. The Incentive Plan would enable the Compensation Committee to make grants of options and stock appreciation rights as well as performance-based and time-based restricted stock, including grants with vesting conditions identical to those associated with past PSP grants (described more fully below), thereby assuring such flexibility. In addition, in order to simplify and make consistent the administration of our stock award plans, we desire for the Incentive Plan to become our only plan for providing equity-based incentive compensation to our eligible employees. Accordingly, the Board has adopted the Incentive Plan, including a sub-plan currently applicable only to Decus Insurance Brokers Limited, our only foreign subsidiary, and in accordance with the rules of the New York Stock Exchange and the requirements of the Internal Revenue Code, the Company is seeking shareholder approval for the adoption of the Incentive Plan.

Approval of the Incentive Plan will not result in any increase in the number of shares issuable under our equity plans. Rather, the shares available for issuance under the Incentive Plan would equal the remaining number of shares that shareholders have already previously approved for future issuance under the PSP, plus any granted PSP shares that are forfeited in the future. The PSP would be suspended and no additional grants would be made under the PSP (prior grants under the PSP would remain outstanding for the duration of their terms). If the Incentive Plan is not approved by our shareholders, the PSP would not be suspended, and stock grants would continue to be made under the PSP.

In connection with the proposed approval of the Incentive Plan, the Company evaluated a variety of considerations, including the criteria of certain proxy advisory firms that utilize quantitative models that disfavor share "overhang" above certain levels. Given our long vesting periods for equity awards, as described more fully below, we have a

substantial percentage of equity grants still outstanding. As a result, our share “overhang” causes our results to exceed the levels deemed acceptable pursuant to such models, which may trigger a recommendation to vote against the proposed Incentive Plan.

In the case of this proposal, we believe that such quantitative analyses fail to take into consideration several key factors, including the following:

The distinctive manner in which our PSP has operated: all grants under the PSP are subject to both a performance-based vesting condition and an extended time-based "all or nothing" vesting condition. Since the inception of the PSP in 1996, the performance target that has been established as the first condition of vesting has been the increase in the price of the Company's stock, based on a 20-trading-day average price per share (the "Average Closing Price Per Share"). Thus, for example, the most recent grants of Performance Stock, which were made in January 2010, at a time when the price of our stock was \$17.77 per share, can only satisfy the first condition of vesting if the following performance targets are met:

Average Closing Price Per Share	Percentage of Grant Meeting the Performance Condition
\$21.32	20%
\$24.88	40%
\$28.43	60%
\$31.99	80%
\$35.54	100%

The stock price increase must occur during the five-year period following the grant date in order to satisfy the performance condition. To the extent that the performance condition is not satisfied, the granted shares are forfeited. To the extent that the performance condition is satisfied, the corresponding portion of the grant becomes effective, but such shares will not become vested and non-forfeitable unless the employee also satisfies a 15-year service requirement. In other words, unless the employee completes 15 years of service from the grant date, the shares that are treated as "Awarded" due to satisfaction of the stock price performance condition generally will be forfeited.⁵

As a result of the requirement that employees' PSP awards must be held for 15 years in addition to satisfying a performance-based requirement in the first five years, most of our historical PSP awards remain unvested and therefore count against "allowable caps" established by share "overhang" quantitative models. Had we instead granted employees awards that vest based on the passage of a briefer period of time, for instance three, four or five years, a majority of the awards would have vested, would be saleable, and would therefore not count against such caps. Thus, certain share "overhang" models tend to penalize companies that have lengthier vesting periods, even though such longer periods are more closely aligned with shareholder interests.

As of December 31, 2009, a total of 8,446,457 shares had been granted under the PSP since its inception in 1996. Of those, 4,423,436 of the shares that are outstanding have been "Awarded", that is, have satisfied the first condition of vesting due to an increase in the stock price of the Company. Only 686,728 of the shares granted and "Awarded" since inception have vested. Absent the lengthy time-based vesting requirement, the "Awarded" shares would be fully vested and 3,335,111 shares, rather than 7,758,547 shares, would have been outstanding under the PSP at the end of 2009.

⁵ The only exceptions are for death or disability (in which case all shares that have satisfied the performance condition become vested), attainment of age 64 (in which case, for grants made after January 2008, the "Awarded" shares become vested on a pro rata basis in the year that age 64 is attained, and in each succeeding year that the employee

remains employed with us until the 15th year from the date of grant; "Awarded" shares granted prior to January 2008 vest in their entirety upon attainment of age 64) and an award made to our Chief Executive Officer when he was appointed last year to that role that requires him to satisfy a 20-year service requirement (as opposed to only a 15-year service requirement) and measure the required stock increase period over seven years (as opposed to five years) .

The following table shows, of the total number of PSP shares initially authorized for issuance, the percentage of: (i) shares that have vested; (ii) shares that remain available for grant; (iii) shares that have been granted but remain un-Awarded; (iv) Awarded shares that have been outstanding fewer than three years; (v) Awarded shares that have been outstanding more than three years and fewer than five years; and (vi) Awarded shares that have been outstanding more than five years.

PSP grants are typically made to high performers and other key employees, in addition to executives. Of the 4,423,436 PSP shares that have been Awarded and remain outstanding and unvested, the table below shows how many shares have been outstanding for various time periods, as well as the percentage of those shares held by executives and non-executives:

Years PSP grants outstanding	< 5 years	5 - 6	6 - 7	7 - 8	8 - 9	9 - 10	>10
Number of Awarded shares outstanding	105,630	80,326	607,452	134,850	891,120	160,860	2,443,198
Percentage held by non-executives	96.7%	100.0%	68.9%	85.1%	59.2%	74.4%	41.6%
Percentage held by Named Executive Officers (NEOs)	0.0%	0.0%	14.5%	0.0%	18.6%	7.3%	29.7%
Percentage held by all executive officers (including NEOs)	3.3%	0.0%	31.1%	14.9%	40.8%	25.6%	58.4%

When companies fail share "overhang" quantitative analyses, typically it is due to a high annual run rate and resulting shares outstanding within a standard vesting period. Additionally, companies which have a significant number of "underwater" options may run into a problem due to the number of unexercised options. Our situation is different. We believe our results should be perceived more favorably by shareholders because the factors that contribute to our relatively high measure of cost and dilution are the lengthy vesting periods under our PSP and our expired ISO Plan, which actually help align the interests of executives and the hundreds of other PSP participants with those of long-term shareholders. We believe the share "overhang" quantitative models are generally designed with standard plan designs in mind, and may not have contemplated a situation such as ours, where the "overhang" from a relatively large number of outstanding shares from prior awards is due to long vesting periods rather than large annual grants.

Earlier in 2010, the Compensation Committee engaged Mercer (US) Inc. ("Mercer") to assist in analyzing features of the Incentive Plan and to assess the Company's need for such a plan. Mercer supports the proposed Incentive Plan because it will enable us to maintain our historic approach to granting stock-based incentives while providing our Compensation Committee the flexibility to grant a variety of different awards in the future. In connection with Mercer's analysis, the Compensation Committee identified the following as the most important reasons the Company's historical approach to granting stock has been shareholder-friendly:

PSP awards at Brown & Brown are entirely performance-contingent, unlike the plans of most other companies where only a portion of the total grant is truly performance-contingent. The long-term emphasis of the program requires participants to sustain good performance over an extended period;

The required service periods under past PSP and ISO Plan grants provide alignment with the interests of long-term shareholders and mitigate the risk that management will earn a significant reward for unsustainable short-term results. In terms of vesting requirements, a 15-year vesting period on performance shares and 10-year vesting on stock options are extremely rare. Typical vesting periods range from three to five years. Additionally, it is not common for companies to require lengthy service after completion of a performance period;

The share usage and potential dilution to shareholders resulting from the Company's recent grant practices seem very reasonable, if not low, relative to competitive practices. Annually, equity grants have averaged .85% of total shares outstanding during the last 10 years. This is a relatively low run rate. Share overhang is 11.10% of our total shares outstanding, which again seems reasonable; and

Participation in the PSP extends beyond just the executive ranks. PSP grants to corporate officers represent only about 33.6% of total grants outstanding, and PSP grants to NEOs represent only about 17% of such grants. Thus, awards have not been skewed to top executives.

The recruitment and retention of quality personnel, both through direct hire and by way of acquisition of other insurance intermediaries, is an integral part of our corporate culture and is, we believe, essential to our continued success. Our Compensation Committee and our Board believe that it is important to maintain our current PSP grant criteria, while adding the capability to make other types of equity awards as and when appropriate, all in the context of a single omnibus plan and consistent with our compensation philosophy. The Incentive Plan is, in our view, critical to the accomplishment of these objectives.

Description of the Incentive Plan

A description of the provisions of the Incentive Plan is set forth below. This summary is qualified in its entirety by the detailed provisions in the Incentive Plan, which is attached as an appendix to this proxy statement together with the proposed sub-plan applicable to Decus Insurance Brokers, Limited, our only foreign subsidiary.

Overview. The purpose of the Incentive Plan is to attract, incentivize and retain our key employees by offering those persons an opportunity to acquire or increase a direct proprietary interest in our operations and future success.

Eligibility. All employees of the Company and its subsidiaries, and all members of the Board, are eligible to participate in the Incentive Plan. The Incentive Plan includes a sub-plan as an appendix which is applicable to Decus Insurance Brokers, Limited, our only foreign subsidiary. The Board could adopt additional sub-plans applicable to other foreign subsidiaries we might have in the future. The rules of such sub-plans may take precedence over other provisions of the Incentive Plan.

Shares Reserved for Issuance under the Incentive Plan. The shares of common stock reserved for issuance under the Incentive Plan are any shares that are authorized to be issued under the PSP that are not already subject to awards granted under the PSP, and that are outstanding as of the date of suspension of the PSP. If the PSP were suspended as of December 31, 2009, this number of shares would be 5,953,543. In addition, PSP shares and Incentive Plan shares that are forfeited in the future will be available for issuance under the Incentive Plan. The Company cannot now determine the number of awards to be granted in the future under the Incentive Plan to all current employees who are executive officers either individually or as a group.

Administration. The Compensation Committee of the Board of Directors (the "Committee") has authority to grant awards to employees under the Incentive Plan and is responsible for the general administration and interpretation of the Incentive Plan. The Incentive Plan provides that members of the Committee have a right to indemnification with respect to claims arising against them individually as a result of their administration of the Incentive Plan, except in the case of gross negligence, bad faith or intentional misconduct.

The Committee has authority to establish the terms of each award, including the number of awards granted, the vesting schedule and exercisability. The Committee may establish performance goals as a prerequisite to exercisability or vesting, and such goals and other terms need not be uniform among various participants. Each employee or director granted awards under the Incentive Plan will be required to enter into an award agreement with the Company setting forth the terms and conditions of the grant, including any performance goals that are a prerequisite to exercising or vesting of the grant.

Types of Awards Available for Grant under the Incentive Plan

Options. Options granted under the Incentive Plan may be either "incentive stock options," as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or non-qualified stock options.

As a general rule, the exercise price for any stock option must be no less than the fair market value of the stock subject to such option as of the date of grant, except for incentive stock options granted to a grantee who owns 10% or more of the voting power of the Company, in which case the exercise price must be at least 110% of the fair market value of such stock as of the date of grant. To the extent that the fair market value of that portion of any grant of incentive stock options that is exercisable for the first time in any given year exceeds \$100,000, such options will be treated as non-qualified stock options. The Committee shall not grant to any employee or director in any calendar year options to purchase more than five hundred thousand shares.

Options granted under the Incentive Plan generally will not be exercisable after the expiration of 10 years after the effective date of the grant. In addition, no incentive stock option granted to a beneficial owner of 10% or more of the Company's outstanding shares will be exercisable after the expiration of five years after the effective date of the grant.

Generally, options may be exercised only while the award holder is an employee or director of the Company or within a limited period after the award holder leaves employment or service with the Company or after the award holder's retirement, disability, or death. During the award holder's lifetime, an award is exercisable only by the award holder. Awards generally are not transferable except upon the death of the award holder. If an award holder's employment or service is terminated under certain circumstances following a change of control of the Company, the award holder will become 100% vested in the grant and may exercise the award for a period of three months after the date of termination.

On the date of exercise, the award holder may pay the full option price in cash, in shares of common stock previously acquired by the award holder valued at fair market value, or in any other form of consideration approved by the Committee. The use of previously acquired shares to pay the option price enables the award holder to avoid the need to fund the entire purchase with cash. Upon exercise of an award, the number of shares subject to the option and the number of shares available under the Incentive Plan for future option grants will be reduced by the number of shares with respect to which the option is exercised.

Stock Appreciation Rights. The Committee also may grant stock appreciation rights that will entitle the award recipient to receive the excess of the fair market value of a share of the Company's common stock over the exercise price for each share with respect to which the stock appreciation right is exercised. Payment upon exercise of a stock appreciation right may be in cash, shares or a combination of cash and shares, as determined by the Committee. The Committee shall not grant to any employee or director, in any calendar year, stock appreciation rights covering more than five hundred thousand shares.

Stock Grants. The Committee also may grant awards of shares of the Company's common stock in such amount and upon such terms and conditions as the Committee specifies in the award agreement. The Committee shall not grant to any employee or director, in any calendar year, stock grants of more than five hundred thousand shares.

To the extent the Committee considers it desirable for compensation delivered pursuant to a stock grant to be eligible to qualify for an exemption from the limit on tax deductibility of compensation under Section 162(m) of the Code, the Committee may provide that the lapsing of restrictions on the stock award and the distribution of shares, as applicable, shall be subject to satisfaction of one, or more than one, objective performance target(s). The Committee shall determine the performance targets that will be applied with respect to each such stock award at the time of grant, but in no event later than 90 days after the commencement of the period of service to which the performance target(s) relate. The performance criteria applicable to such stock awards will be one or more of the following criteria:

- stock price;
- sales;
- earnings per share, core earnings per share or variations thereof;
- return on equity;
- costs;
- revenue;
- days payables outstanding;
- days sales outstanding;
- cash flow;
- operating income;
- profit after tax;
- profit before tax;
- return on assets;
- return on sales;
- invested capital;
- net operating profit after tax;
- return on invested capital;
- total shareholder return;
- earnings;
- return on equity or average shareowners' equity;
- total shareowner return;
- return on capital;
- income or net income;
- operating income or net operating income;
- operating profit or net operating profit;
- operating margin;
- growth in shareowner value relative to the moving average of the Standard & Poor's 500 Composite Stock Index ("S&P 500") or a peer group index; and/or
- net cash provided by operating activities.

The Committee may appropriately adjust any evaluation of performance under the criteria set forth above to exclude certain items or events or in such other manner and to such extent as the Committee deems appropriate under the applicable circumstances. The Committee may not increase the number of shares granted pursuant to any such stock award, nor may it waive the achievement of any performance target. Prior to the payment of any such stock award, the Committee shall certify in writing that the applicable performance target(s) was (were) met.

Adjustment for Certain Events. If the Company undergoes certain events or changes regarding its capital structure, such as a stock dividend, stock split, reverse stock split, recapitalization, reclassification or a similar event, appropriate adjustments will be made to the number and class of shares available for issuance under the Incentive Plan and the number and class of shares and, if applicable, exercise price relating to any outstanding awards. Appropriate adjustments would also be made if a majority of the shares which are the same class as the shares

that are subject to outstanding awards are exchanged for, converted into, or otherwise become shares of another corporation. If such an event occurs, the Committee will amend the outstanding awards to provide that such awards are exercisable or will be settled for or with respect to such new shares.

Effect of Change in Control. Involuntary or constructive termination of an award holder's employment after a change in control transaction, as defined in the Incentive Plan, may cause the holder's awards to become vested.

No Repricing. The Committee may not modify or amend any outstanding option or stock appreciation right so as to specify a lower exercise price or accept the surrender of an outstanding option or stock appreciation right and authorize the granting of a new option or stock appreciation right with a lower exercise price in substitution for such surrendered option or stock appreciation right.

Amendment or Termination of the Incentive Plan. Except as may be required by law, the Committee may terminate or amend the Incentive Plan at any time without further shareholder or regulatory approval. However, no termination or amendment of the Incentive Plan may adversely affect any then outstanding option without the consent of the award holder. Unless earlier terminated by the Committee, the Incentive Plan will be in effect until options have been granted and exercised with respect to all shares available for the Incentive Plan. However, no award can be granted under the Incentive Plan more than 10 years after the Incentive Plan has been approved by the Company's shareholders.

Tax Consequences

The federal income tax consequences of participation in the Incentive Plan are complex and subject to change. The following discussion is only a summary of the general tax rules applicable to the Incentive Plan.

Options. Options granted under the Incentive Plan may be either incentive stock options or non-qualified stock options. Options that are designated as incentive stock options are intended to qualify as such under Section 422 of the Code. With respect to incentive stock options, neither the grant nor the exercise of the option will subject the employee to taxable income, other than under the Alternative Minimum Tax (Section 56(b)(3) of the Code), which is not discussed in detail in this summary. There is no required tax withholding in connection with the exercise of incentive stock options. Upon the ultimate disposition of the stock obtained on an exercise of an incentive stock option, the employee's entire gain will be taxed at the rates applicable to long-term capital gains, provided the employee has satisfied the prescribed holding periods relating to incentive stock options and the underlying stock. This treatment will apply to the entire amount of gain recognized on the sale of the stock, including the portion of gain that reflects the spread on the date of exercise between the fair market value of the stock at the time of grant and the fair market value of the stock at the time of exercise.

The Company does not receive a compensation deduction for tax purposes with respect to incentive stock options. However, if the employee disposes of the stock purchased on exercise of the incentive stock option prior to the expiration of the applicable holding periods required by Section 422 of the Code, the Company will be entitled to a deduction equal to the employee's realization of ordinary income by virtue of the employee's disqualifying disposition.

Non-qualified stock options granted under the Incentive Plan will not qualify for any special tax benefits to the option holder. An option holder generally will not recognize any taxable income at the time he or she is granted a non-qualified option. However, upon its exercise, the option holder will recognize ordinary income for federal tax purposes measured by the excess of the fair market value of the shares at the time of exercise over the exercise price. The income realized by the option holder will be subject to income and other employee withholding taxes.

The option holder's basis for determination of gain or loss upon the subsequent disposition of shares acquired upon the exercise of a non-qualified stock option will be the amount paid for such shares plus any ordinary income recognized as a result of the exercise of such option. Upon disposition of any shares acquired pursuant to the exercise of a non-qualified stock option, the difference between the sale price and the option holder's basis in the shares will be treated as a capital gain or loss and generally will be characterized as long-term capital gain or loss if the shares have been held for more than one year at the time of their disposition.

In general, there will be no federal income tax deduction allowed to the Company upon the grant or termination of a non-qualified stock option or a sale or disposition of the shares acquired upon the exercise of a non-qualified stock option. However, upon the exercise of a non-qualified stock option by a holder, the Company will be entitled to a deduction for federal income tax purposes equal to the amount of ordinary income that an option holder is required to recognize as a result of the exercise, provided that the deduction is not otherwise disallowed under the Code.

Stock Grants and Stock Appreciation Rights. With respect to stock grants and stock appreciation rights that may be settled either in cash or in shares that are either transferable or not subject to a substantial risk of forfeiture under Section 83 of the Code, the award recipient will realize ordinary taxable income, subject to tax withholding, equal to the amount of the cash or the fair market value of the shares received. The Company will be entitled to a deduction in the same amount and at the same time as the compensation income is received by the award recipient. With respect to shares that are both nontransferable and subject to a substantial risk of forfeiture, the award recipient will realize ordinary taxable income equal to the fair market value of the shares at the first time the shares are either transferable or not subject to a substantial risk of forfeiture. The Company will be entitled to a deduction in the same amount and at the same time as the ordinary taxable income realized by the award recipient.

All of the above-described deductions are subject to the limitations on deductibility described in Section 162(m) of the Code.

The foregoing is only a summary of the effect of federal income taxation upon the award recipient and the Company with respect to the grant and exercise of awards under the Incentive Plan, does not purport to be complete and does not discuss the tax consequences of the recipient's death or the income tax laws of any municipality, state or foreign country in which a recipient may reside.

FOR THE REASONS OUTLINED ABOVE, THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THIS PROPOSAL.

PROPOSAL 3 – RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

BROWN & BROWN, INC.

2010 STOCK INCENTIVE PLAN

1.2 Purpose. The purpose of the Plan is to promote the success of the Corporation and its stockholders by attracting and retaining Employees and Directors by supplementing their cash compensation and providing a means for them to increase their holdings of Stock of the Corporation. The opportunity so provided and the receipt of Awards as compensation are intended to foster in participants a strong incentive to put forth maximum effort for the continued success and growth of the Corporation for the benefit of customers and stockholders, to aid in retaining individuals who put forth such efforts, and to assist in attracting the best available individuals in the future. Notwithstanding the foregoing, if the maximum number of shares of Stock issuable pursuant to the Plan as provided in Section 4.1 has been increased at any time, all Awards shall be granted, if at all, within ten (10) years from the date such amendment was adopted by the Board.

Except when otherwise indicated by the context, the singular shall include the plural, the plural shall include the singular, and the term “or” shall include the conjunctive as well as the disjunctive.

2.3 Sub-Plans for Foreign Subsidiaries. The Board may adopt sub-plans applicable to particular foreign Subsidiaries. All Awards granted under such sub-plans shall be treated as grants under the Plan. The rules of such sub-plans may take precedence over other provisions of the Plan, with the exception of Section 4, but unless otherwise superseded by the terms of such sub-plan, the provisions of the Plan shall govern the operation of such sub-plan.

3. Administration.

3.1 Administration. The Plan shall be administered by the Committee which shall be duly appointed by the Board. All questions of interpretation of the Plan or of any Award shall be determined by the Committee, and such determination shall be final and binding upon all persons having an interest in the Plan or such Award. The composition of the Committee shall at all times comply with the requirements of Rule 16b-3 under the Exchange Act and with the requirements of Section 162(m) of the Code, and all members of the Committee shall be “non-employee directors” as defined by Rule 16b-3 and “outside directors” as referred to in Section 162(m).

3.2 Powers of the Committee. The Committee shall have full power and authority with respect to the Plan, except those specifically reserved to the Board, and subject at all times to the terms of the Plan and any applicable limitations imposed by law. In addition to any other powers set forth in the Plan and subject to the provisions of the Plan, the Committee shall have the full and final power and authority, in its sole discretion:

(a) to grant Awards in the forms of Options, Stock Appreciation Rights and Stock Grants, and to determine the persons to whom, and the time or times at which, Awards shall be granted and the types and amounts of such Award, which determination need not be uniform among persons similarly situated and may be made selectively among Employees and Directors;

(b) to designate Options as Incentive Stock Options or Nonqualified Stock Options;

(c) to determine the terms, conditions and restrictions applicable (which need not be identical) to each Award, including, without limitation, (i) the exercise price of an Option or SAR, (ii) the method of payment for shares purchased upon the exercise of an Option, (iii) the method for satisfaction of any tax withholding obligations arising in connection with an Award, including by the withholding or delivery of shares of Stock, (iv) the timing, terms and conditions of the exercisability of Options and SARs, (v) the time of the expiration of an Award, (vi) the effect of the Grantee’s termination of employment or service with Corporation on any of the foregoing, and (vii) all other terms, conditions and restrictions applicable to an Award or such shares not inconsistent with the terms of the Plan;

- (d) to approve one or more forms of Award Agreement;
- (e) to amend the exercisability of any Option or SAR, including with respect to the period following a Grantee's termination of employment or service with the Corporation;
- (f) to prescribe, amend or rescind rules, guidelines and policies relating to the Plan, or to adopt supplements to, or alternative versions of, the Plan, including, without limitation, as the Committee deems necessary or desirable to comply with the laws of, or to accommodate the tax policy or custom of, foreign jurisdictions whose citizens may be granted Awards;
- (g) to correct any defect, supply any omission, or reconcile any inconsistency in the Plan or any Award Agreement and to make all other determinations and take such other actions with respect to the Plan or any Award as the Committee may deem advisable to the extent consistent with the Plan and applicable law;
- (h) to establish performance goals on which the vesting of the Awards are based;
- (i) to certify in writing that such performance goals referred to in subsection (h) above have been met; and
- (j) to modify or amend each Award, provided however that the Committee may not modify or amend any outstanding Option or SAR so as to specify a lower exercise price, or accept the surrender of an outstanding Option or SAR and authorize the granting of a new Option or SAR with a lower exercise price in substitution for such surrendered Option or SAR, or buy out, for a payment in cash or shares of Stock, an outstanding Option or SAR.

4. Shares Subject to Plan.

4.1 Shares Issuable. Subject to adjustment as provided in Section 4.2, any shares of Stock that are authorized to be issued under the Brown & Brown, Inc. Performance Stock Plan (the "Performance Stock Plan") and that are not subject to awards granted under the Performance Stock Plan and outstanding as of the Effective Date shall be available for Awards under the Plan. Therefore, based on the number of shares of Stock that are authorized to be issued under the Performance Stock Plan and that are not subject to awards granted under the Performance Stock Plan and outstanding as of as of the Effective Date, the number of shares of Stock that are authorized to be issued under the Plan is 5,953,543. If any portion of an outstanding Award for any reason expires or is terminated or canceled or forfeited, the shares of Stock allocable to the expired, terminated, canceled, or forfeited portion of such Award shall again be available for issuance under the Plan. In addition, if any portion of an outstanding award that was granted prior to the Effective Date under the Performance Stock Plan for any reason expires or is terminated or canceled or forfeited on or after the Effective Date, the shares of Stock allocable to the expired, terminated, canceled, or forfeited portion of such Performance Stock Plan award shall be available for issuance under the Plan. Awards made in connection with the assumption of, or substitution for, outstanding awards previously granted to individuals who become Employees of the Corporation or a Subsidiary as a result of any merger, consolidation, acquisition of property or stock, or reorganization, shall not count against the limitations set forth in this Section 4. All of the shares of Stock available for Awards under the Plan shall be available for issuance pursuant to the exercise of Incentive Stock Options granted under the Plan. With respect to Stock Appreciation Rights, if the payment upon exercise of a SAR is in the form of shares of Stock, the shares of Stock subject to the SAR shall be counted against the available shares as one share for every share subject to the SAR, regardless of the number of Shares used to settle the SAR upon exercise.

4.2 Adjustments for Changes in Capital Structure. In the event of any stock dividend, stock split, reverse stock split, recapitalization, combination, reclassification or similar event or change in the capital structure of the Corporation, appropriate adjustments shall be made in the number and class of shares available for issuance under the Plan as set forth in Section 4.1, and in the number and class of shares of any outstanding Awards, and in the annual limits set forth in Sections 6, 7, and 8. If a majority of the shares which are of the same class as the shares that are subject to outstanding Awards are exchanged for, converted into, or otherwise become (whether or not pursuant to an Ownership Change Event) shares of another corporation (the "New Shares"), the Committee shall amend the outstanding Options and SARs to provide that such Options and SARs are exercisable for or with respect to New Shares. In the event of any such amendment, the number of shares subject to, and any exercise price per share of, the outstanding Awards shall be adjusted in a fair and equitable manner as determined by the Committee, in its sole discretion. Notwithstanding the foregoing, any fractional share resulting from an adjustment pursuant to this Section 4.2 shall be rounded down to the nearest whole number, as determined by the Committee, and in no event may the exercise price be decreased to any amount less than the par value, if any, of the stock subject to an Option or SAR. The adjustments determined by the Committee pursuant to this Section 4.2 shall be final, binding and conclusive.

5. Eligibility and Limitations.

5.1 Persons Eligible for Awards. Awards may be granted only to Employees and Directors, as designated by the Committee in its sole discretion. Only Employees shall be eligible to receive grants of Incentive Stock Options. The Committee's designation of a person as a participant in any year does not require the Committee to designate that person to receive an Award under this Plan in any other year or, if so designated, to receive the same Award as any other participant in any year. The Committee may consider such factors as it deems pertinent in selecting participants and in determining the amount of their respective Awards, including, but without being limited to: (a) the financial condition of the Corporation or a Subsidiary; (b) expected profits for the current or future years; (c) the contributions of a prospective participant to the profitability and success of the Corporation or a Subsidiary; and (d) the adequacy of the prospective participant's other compensation. The Committee, in its discretion, may grant Awards to a participant under this Plan, even though stock, stock options, stock appreciation rights and other benefits previously were granted to him or her under this or another plan of the Corporation or a Subsidiary, whether or not the previously granted benefits have been exercised, but the participant may hold such Awards only on the terms and subject to the restrictions hereafter set forth. A person who has participated in another benefit plan of the Corporation or a Subsidiary may also participate in this Plan.

5.2 Fair Market Value Limitation. To the extent that the aggregate Fair Market Value of stock with respect to which Options designated as Incentive Stock Options are exercisable by a Grantee for the first time during any calendar year (under all stock option plans of the Corporation, including this Plan) exceeds One Hundred Thousand Dollars (\$100,000), that portion of such Options which exceeds such amount shall be treated as Nonqualified Stock Options. For purposes of this Section 5.2, Options designated as Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of Stock shall be determined as of the time the Option with respect to such Stock is granted. If the Code is amended to provide for a different limitation from that set forth in this Section 5.2, such different limitation shall be deemed incorporated herein, effective as of the date of and with respect to such Options as required or permitted by, such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonqualified Stock Option in part by reason of the limitation set forth in this Section 5.2, the Grantee may designate which portion of such Option the Grantee is exercising and may request that separate stock certificates representing each such portion be issued upon the exercise of the Option. In the absence of such designation, the Grantee shall be deemed to have exercised the Incentive Stock Option portion of the Option first.

5.3 No Right of Grant or Employment. No Employee or Director shall have any claim or right to be granted an Award under the Plan, or, having been selected for the grant of an Award, to be selected for a grant of any other Award. Neither the Plan nor any action taken hereunder shall be construed as giving any Grantee any right to be retained in the employ or service of the Corporation or a Subsidiary, or interfere in any way with the right of the Corporation or its Subsidiaries to terminate such Grantee's employment or service at any time.

6. Terms and Conditions of Options. Options shall be evidenced by Award Agreements specifying the number of shares of Stock covered thereby, in such form as the Committee shall from time to time establish. No Employee or Director shall be granted in any calendar year Options to purchase more than five hundred thousand (500,000) shares of Stock. The limitation described in this Section 6 shall be adjusted proportionately in connection with any change in the Corporation's capitalization as described in Section 4.2 of the Plan. If an Option is canceled in the same calendar year in which it was granted, the canceled Option will be counted against the limitation described in this Section 6. Award Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions.

6.1 Exercise Price. The exercise price for each Option shall be established in the sole discretion of the Committee and, except as otherwise provided in this Section 6.1 or a sub-plan applicable to a particular foreign Subsidiary, shall be no less than the Fair Market Value of a share of Stock on the effective date of grant of the Option; provided, however, that an Incentive Stock Option granted to a Ten Percent Owner Grantee shall have an exercise price per share that is no less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of such Option. Notwithstanding the foregoing, an Option (whether an Incentive Stock Option or a Nonqualified Stock Option) may be granted with an exercise price lower than the minimum exercise price set forth above if such Option is granted pursuant to an assumption or substitution for another option in a manner qualifying under the provisions of Section 424(a) of the Code.

6.2 Exercise Period. An Option shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria, and restrictions as shall be determined by the Committee and set forth in the Award Agreement evidencing such Option; provided, however, that (a) no Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option; and (b) no Incentive Stock Option granted to a Ten Percent Owner Grantee shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option.

6.3 Payment of Option Exercise Price.

(a) Forms of Consideration Authorized. Except as otherwise provided below, payment of the exercise price for the number of shares of Stock being purchased pursuant to the exercise of any Option shall be made (i) in cash, by check, or by cash equivalent, (ii) subject to the approval of the Committee, by tender to the Corporation of shares of Stock owned by the Grantee having a Fair Market Value (as determined by the Corporation without regard to any restrictions on transferability applicable to such Stock by reason of federal or state securities laws or agreements with an underwriter for the Corporation) not less than the exercise price, (iii) subject to the approval of the Committee, by directing the Corporation to retain all or a portion of the shares of Stock otherwise issuable to the Grantee under the Plan pursuant to such exercise having a Fair Market Value equal to the aggregate exercise price, (iv) by the assignment of the proceeds of a sale or loan with respect to some or all of the shares of stock being acquired upon the exercise of the Option (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System) (a "Cashless Exercise"), (v) by such other consideration as may be approved by the Committee from time to time to the extent permitted by applicable law, or (vi) by any combination thereof. The Committee may at any time or from time to time, by adoption of or by amendment to the standard forms of Award Agreement described in Section 6.5 hereof, or by other means, grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of considerations.

(b) Tender of Stock. Notwithstanding the foregoing, an Option may not be exercised by tender to the Corporation of shares of Stock to the extent such tender would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Corporation's Stock.

(c) Cashless Exercise. The Corporation reserves, at any and all times, the right, in the Corporation's sole and absolute discretion, to establish, decline to approve or terminate any program or procedures for the exercise of Options by means of a Cashless Exercise.

6.4 Tax Withholding. The Corporation shall have the right, but not the obligation, to deduct from the shares of Stock issuable upon the exercise of an Option, a number of whole shares of Stock having a Fair Market Value, as determined by the Corporation, equal to all or any part of the federal, state, local and foreign taxes, if any, required by law to be withheld by the Corporation with respect to such Option. Alternatively, or in addition, in its sole discretion, the Corporation shall have the right to require the Grantee, through payroll withholding, cash payment or otherwise, including by means of a Cashless Exercise, to make adequate provision for any such tax withholding obligations of the Corporation arising in connection with the exercise. The Corporation shall have no obligation to deliver shares of Stock or cash, or to release shares of Stock from an escrow established pursuant to the Award Agreement, until the Corporation's tax withholding obligations have been satisfied by the Grantee.

6.5 Standard Forms of Award Agreement.

(a) Incentive Stock Options. Unless otherwise provided by the Committee at the time the Option is granted, an Option designated as an "Incentive Stock Option" shall comply with and be subject to the terms and conditions set forth in the appropriate form of Incentive Stock Option Award Agreement as adopted by the Committee and as amended from time to time.

(b) Nonqualified Stock Options. Unless otherwise provided by the Committee at the time the Option is granted, an Option designated as a "Nonqualified Stock Option" shall comply with and be subject to the terms and conditions set forth in the appropriate form of Nonqualified Stock Option Award Agreement as adopted by the Committee and as amended from time to time.

(c) Standard Term of Options. Except as otherwise provided by the Committee in the grant of an Option, any Option granted hereunder shall have a term of ten (10) years from the effective date of grant of the Option.

(d) Standard Vesting Provisions. Except as otherwise provided by the Committee in the grant of an Option, any Option granted hereunder shall become vested based upon the attainment of certain performance levels as described in the Award Agreement executed in connection with such Option.

(e) Authority to Vary Terms. The Committee shall have the authority from time to time to vary the terms of any of the standard forms of Award Agreement described in this Section 6.5 either in connection with the grant or amendment of any individual Option or in connection with the authorization of a new standard form or forms; provided, however, that the terms and conditions of any such new, revised or amended standard form or forms of Award Agreement shall be in accordance with the terms of the Plan. The Committee, may in its discretion, provide for the extension of the exercise period of an Option, accelerate the vesting of an Option, eliminate or make less restrictive any restrictions contained in an Award Agreement, or waive any restriction or provision of this Plan or an Award Agreement in any manner that is either (i) not adverse to the Grantee or (ii) consented to by the Grantee.

6.6 Nontransferability of Options. During the lifetime of the Grantee, an Option shall be exercisable only by the Grantee or the Grantee's guardian or legal representative. No Option shall be assignable or transferable by the Grantee, except by will or by the laws of descent and distribution. Following a Grantee's death, the Option shall be exercisable to the extent provided in Section 6.7 below.

6.7 Effect of Termination of Service on Option Exercisability.

(a) Time of Service. No Option granted under this Plan may be exercised before the Grantee's completion of such period of service as may be specified by the Committee in the Award Agreement. Thereafter, or if no such period is specified, subject to the provisions of subsections (b), (c), (d), (e) and (f) of this Section 6.7, the Grantee may exercise the Option in full or in part at any time until expiration of the Option.

(b) Continued Employment. A Grantee cannot exercise an Option granted under this Plan unless, at the time of exercise, he has been continuously employed by the Corporation since the date such Option was granted. The Committee may decide in each case to what extent bona fide leaves of absence for illness, temporary disability, government or military service, or other reasons will not be deemed to interrupt continuous employment.

(c) Termination of Service. If a Grantee ceases to be an Employee or Director, except as provided in subsections (d), (e), (f) and (g) of this Section 6.7, the Option, to the extent unexercised and exercisable on the date of his or termination of employment or service, may be exercised by the Grantee within such period of time as is determined by the Committee and specified in the Award Agreement (but no later than the stated expiration date of the Option).

(d) Retirement. Except as otherwise provided by the Committee in the grant of an Option, if a Grantee ceases to be an Employee or Director as a result of retirement, the Option, to the extent unexercised and exercisable on the date of his or her retirement, may be exercised by the Grantee at any time prior to the expiration of three (3) months after the date on which he or she ceases to be an Employee or Director (but no later than the stated expiration date of the Option). An Employee or Director shall be regarded as retired if he terminates employment or service after his or her sixty-fifth (65th) birthday.

(e) Disability. Except as otherwise provided by the Committee in the grant of an Option, if the Grantee's employment or service with the Corporation is terminated because of the Disability of the Grantee, the Option, to the extent unexercised and exercisable on the date on which the Grantee's employment or service terminated, may be exercised by the Grantee (or the Grantee's guardian or legal representative) at any time prior to the expiration of twelve (12) months after the date on which the Grantee's service terminated, but in any event not later than the stated expiration date of the Option.

(f) Death. Except as otherwise provided by the Committee in the grant of an Option, if the Grantee's employment or service with the Corporation is terminated because of the death of the Grantee, the Option, to the extent unexercised and exercisable on the date on which the Grantee's employment or service terminated, may be exercised by the Grantee's legal representative or other person who acquired the right to exercise the Option by reason of the Grantee's death at any time prior to the expiration of twelve (12) months after the date on which the Grantee's employment or service terminated, but in any event no later than the stated expiration date of the Option.

(g) Termination After Transfer of Control. Except as otherwise provided by the Committee in the grant of an Option, if the Grantee's employment or service with the Corporation terminates by reason of Termination After Transfer of Control (as defined in Section 6.8 hereof), (i) the Option may be exercised by the Grantee at any time prior to the expiration of three (3) months from the date on which the Grantee's employment or service terminated, but in any event no later than the stated expiration date of the Option, and (ii) notwithstanding any other provision of the Award Agreement or this Plan to the contrary, the Grantee shall be deemed to have vested one hundred percent (100%) as of the date of such Termination After Transfer of Control.

6.8 Termination After Transfer of Control.

(a) "Termination After Transfer of Control" shall mean either of the following events occurring after a Transfer of Control:

(i) termination by the Corporation of the Grantee's employment or service with Corporation, within twelve (12) months following a Transfer of Control, for any reason other than Termination for Cause (as defined below); or

(ii) upon Grantee's Constructive Termination (as defined below), the Grantee's resignation from employment or service with the Corporation within twelve (12) months following the Transfer of Control.

Notwithstanding any provision herein to the contrary, Termination After Transfer of Control shall not include any termination of the Grantee's employment or service with the Corporation which: (i) is a Termination for Cause (as defined below); (ii) is a result of the Grantee's death or Disability; (iii) is a result of the Grantee's voluntary termination of employment or service other than upon Constructive Termination (as defined below); or (iv) occurs prior to the effectiveness of a Transfer of Control.

(b) "Termination for Cause" shall mean termination by the Corporation of the Grantee's employment or service with the Corporation for any of the following reasons: (i) theft, dishonesty, or falsification of any employment or Corporation records; (ii) improper use or disclosure of the Corporation's confidential or proprietary information; (iii) the Grantee's failure or inability to perform any reasonable assigned duties after written notice from the Corporation of, and a reasonable opportunity to cure, such continued failure or inability; (iv) any material breach by the Grantee of any employment agreement between the Grantee and Corporation, which breach is not cured pursuant to the terms of such agreement; or (v) the Grantee's conviction of any criminal act which, in the Corporation's sole discretion, impairs Grantee's ability to perform his or her duties with Corporation. Termination for Cause pursuant to the foregoing shall be determined in the sole but reasonably exercised discretion of the Corporation.

(c) “Constructive Termination” shall mean any one or more of the following:

(i) without the Grantee’s express written consent, the assignment to the Grantee of any duties, or any limitation of the Grantee’s responsibilities, substantially inconsistent with the Grantee’s positions, duties, responsibilities and status with the Corporation immediately prior to the date of a Transfer of Control;

(ii) without the Grantee’s express written consent, the relocation of the principal place of the Grantee’s employment to a location that is more than fifty (50) miles from the Grantee’s principal place of employment immediately prior to the date of a Transfer of Control, or the imposition of travel requirements substantially more demanding of the Grantee than such travel requirements existing immediately prior to the date of a Transfer of Control;

(iii) any failure by the Corporation to pay, or any material reduction by the Corporation of, (A) the Grantee’s base salary in effect immediately prior to the date of the Transfer of Control (unless reductions comparable in amount and duration are concurrently made for all other employees of the Corporation with responsibilities, organizational level and title comparable to the Grantee’s), or (B) the Grantee’s bonus compensation, if any, in effect immediately prior to the date of the Transfer of Control (subject to applicable performance requirements with respect to the actual amount of bonus compensation earned by the Grantee); or

(iv) any failure by the Corporation to (A) continue to provide the Grantee with the opportunity to participate, on terms no less favorable than those in effect for the benefit of any employee group which customarily includes a person holding the employment position or a comparable position with Corporation then held by the Grantee, in any benefit or compensation plans and programs, including, but not limited to, the Corporation’s life, disability, health, dental, medial, savings, profit sharing, stock purchase and retirement plans, if any, in which the Grantee was participating immediately prior to the date of the Transfer of Control, or their equivalent, or (B) provide the Grantee with all other fringe benefits (or their equivalent) from time to time in effect for the benefit of any employee group which customarily includes a person holding the employment position or a comparable position with the Corporation then held by the Grantee.

7. Stock Appreciation Rights (SARs).

7.1 General. SARs shall be evidenced by Award Agreements specifying the number of shares of Stock covered thereby, in such form as the Committee shall from time to time establish. No Employee or Director shall be granted in any calendar year SARs covering more than five hundred thousand (500,000) shares of Stock. The limitation described in this Section 7 shall be adjusted proportionately in connection with any change in the Corporation's capitalization as described in Section 4.2 of the Plan. If a SAR is canceled in the same calendar year in which it was granted, the canceled SAR will be counted against the limitation described in this Section 7. Award Agreements may incorporate all or any of the terms of the Plan by reference, and shall include such terms and conditions as shall be determined by the Committee in its sole discretion, including, without limitation, provisions relating to exercise price, vesting and exercisability. Upon exercise of a SAR, the Grantee shall be entitled to receive payment from the Corporation in an amount determined by multiplying:

(a) the excess of the Fair Market Value of a share of Stock on the date of exercise over the SAR exercise price; by

(b) the number of shares of Stock with respect to which the SAR is exercised;

provided, that the Committee may provide in the Award Agreement that the benefit payable on exercise of an SAR shall not exceed such percentage of the Fair Market Value of a Share on the effective date of grant of such SAR as the Committee shall specify. As determined by the Committee, the payment upon exercise of an SAR may be in cash, in shares of Stock that have an aggregate Fair Market Value (as of the date of exercise of the SAR) equal to the amount of the payment, or in some combination thereof, as set forth in the Award Agreement.

7.2 Effect of Termination of Service on SAR Exercisability.

(a) Time of Service. No SAR granted under this Plan may be exercised before the Grantee's completion of such period of service as may be specified by the Committee in the Award Agreement. Thereafter, or if no such period is specified, subject to the provisions of subsections (b), (c), (d), (e) and (f) of this Section 7.2, the Grantee may exercise the SAR in full or in part at any time until expiration of the SAR.

(b) Continued Employment. A Grantee cannot exercise a SAR granted under this Plan unless, at the time of exercise, he has been continuously employed by the Corporation since the date such SAR was granted. The Committee may decide in each case to what extent bona fide leaves of absence for illness, temporary disability, government or military service, or other reasons will not be deemed to interrupt continuous employment.

(c) Termination of Service. If a Grantee ceases to be an Employee or Director, except as provided in subsections (d), (e), (f) and (g) of this Section 7.2, the SAR, to the extent unexercised and exercisable on the date of his or termination of employment or service, may be exercised by the Grantee within such period of time as is determined by the Committee and specified in the Award Agreement (but no later than the stated expiration date of the SAR).

(d) Retirement. Except as otherwise provided by the Committee in the grant of a SAR, if a Grantee ceases to be an Employee or Director as a result of retirement, the SAR, to the extent unexercised and exercisable on the date of his or her retirement, may be exercised by the Grantee at any time prior to the expiration of three (3) months after the date on which he or she ceases to be an Employee or Director (but no later than the stated expiration date of the SAR). An Employee or Director shall be regarded as retired if he terminates employment or service after his or her sixty-fifth (65th) birthday.

(e) Disability. Except as otherwise provided by the Committee in the grant of a SAR, if the Grantee's employment or service with the Corporation is terminated because of the Disability of the Grantee, the SAR, to the extent unexercised and exercisable on the date on which the Grantee's employment or service terminated, may be exercised by the Grantee (or the Grantee's guardian or legal representative) at any time prior to the expiration of twelve (12) months after the date on which the Grantee's service terminated, but in any event not later than the stated expiration date of the SAR.

(f) Death. Except as otherwise provided by the Committee in the grant of a SAR, if the Grantee's employment or service with the Corporation is terminated because of the death of the Grantee, the SAR, to the extent unexercised and exercisable on the date on which the Grantee's employment or service terminated, may be exercised by the Grantee's legal representative or other person who acquired the right to exercise the SAR by reason of the Grantee's death at any time prior to the expiration of twelve (12) months after the date on which the Grantee's employment or service terminated, but in any event no later than the stated expiration date of the SAR.

(g) Termination After Transfer of Control. Except as otherwise provided by the Committee in the grant of a SAR, if the Grantee's employment or service with the Corporation terminates by reason of Termination After Transfer of Control (as defined in Section 6.8 hereof), (i) the SAR may be exercised by the Grantee at any time prior to the expiration of three (3) months from the date on which the Grantee's employment or service terminated, but in any event no later than the stated expiration date of the SAR, and (ii) notwithstanding any other provision of the Award Agreement or this Plan to the contrary, the Grantee shall be deemed to have vested one hundred percent (100%) as of the date of such Termination After Transfer of Control.

8. Stock Grants. Each Stock Grant granted to an Employee or Director shall be evidenced by an Award Agreement that shall set forth, as determined by the Committee in its sole discretion, the conditions, if any, which will need to be timely satisfied before the grant will be effective and the conditions, if any, under which the Grantee's interest in the related shares of Stock will be forfeited. If the Grantee's employment or service with the Corporation terminates by reason of Termination After Transfer of Control (as defined in Section 6.8 hereof), the Stock Grant shall be deemed to have vested one hundred percent (100%) as of the date of such Transfer After Termination of Control.

8.1 Authorization to Grant Stock Grants. Subject to the terms and conditions of the Plan, the Committee may grant Stock Grants to Employees or Directors from time to time. Each Stock Grant shall be evidenced by an Award Agreement that shall set forth the conditions, if any, which will need to be timely satisfied before the Stock Grant will be effective and the conditions, if any, under which the Grantee's interest in the related shares of Stock will be forfeited. No more than five hundred thousand (500,000) shares of Stock may be granted pursuant to Stock Grants to an individual Grantee in any calendar year.

8.2 Code Section 162(m) Provisions.

(a) Notwithstanding any other provision of the Plan, if the Compensation Committee of the Board (the “Compensation Committee”) determines at the time a Stock Grant is granted to a Grantee that such Grantee is, or may be as of the end of the tax year for which the Company would claim a tax deduction in connection with such Stock Grant, a “covered employee” within the meaning of Section 162(m)(3) of the Code, and to the extent the Compensation Committee considers it desirable for compensation delivered pursuant to such Stock Grant to be eligible to qualify for an exemption from the limit on tax deductibility of compensation under Section 162(m) of the Code, then the Compensation Committee may provide that this Section 8(b) is applicable to such Stock Grant under such terms as the Compensation Committee shall determine.

(b) If a Stock Grant is subject to this Section 8(b), then the lapsing of restrictions thereon and the distribution of shares of Stock pursuant thereto, as applicable, shall be subject to satisfaction of one, or more than one, objective performance targets. The Compensation Committee shall determine the performance targets that will be applied with respect to each Stock Grant subject to this Section 8(b) at the time of grant, but in no event later than ninety (90) days after the commencement of the period of service to which the performance target(s) relate. Performance targets may be described in terms of Corporation-wide objectives or objectives that are related to the performance of the individual Grantee or the Subsidiary, division, department or function within the Corporation or Subsidiary in which the Grantee is employed. Performance may be measured on an absolute or relative basis. The performance criteria applicable to Stock Grants subject to this Section 8(b) will be one or more of the following criteria: (A) stock price; (B) market share; (C) sales; (D) earnings per share, core earnings per share or variations thereof; (E) return on equity; (F) costs; (G) revenue; (H) cash to cash cycle; (I) days payables outstanding; (J) days of supply; (K) days sales outstanding; (L) cash flow; (M) operating income; (N) profit after tax; (O) profit before tax; (P) return on assets; (Q) return on sales; (R) inventory turns; (S) invested capital; (T) net operating profit after tax; (U) return on invested capital; (V) total shareholder return; (W) earnings; (X) return on equity or average shareowners’ equity; (Y) total shareowner return; (Z) return on capital; (AA) return on investment; (BB) income or net income; (CC) operating income or net operating income; (DD) operating profit or net operating profit; (EE) operating margin; (FF) return on operating revenue; (GG) contract awards or backlog; (HH) overhead or other expense reduction; (II) growth in shareowner value relative to the moving average of the S&P 500 Index or a peer group index; (JJ) credit rating; (KK) strategic plan development and implementation; (LL) net cash provided by operating activities; (MM) gross margin; (NN) economic value added; (OO) customer satisfaction; (PP) financial return ratios; and/or (QQ) market performance.

(c) Notwithstanding any contrary provision of the Plan, the Compensation Committee may not increase the number of shares granted pursuant to any Stock Grant subject to this Section 8(b), nor may it waive the achievement of any performance target established pursuant to this Section 8(b). The Compensation Committee may adjust performance targets and the related level of achievement if, in the sole judgment of the Compensation Committee, extraordinary events or transactions have occurred after the date of grant that are unrelated to the performance of the Grantee and result in distortion of the performance targets or the related level of achievement.

(d) Prior to the payment of any Stock Grant subject to this Section 8(b), the Compensation Committee shall certify in writing that the performance target(s) applicable to such Stock Grant was met.

(e) The Compensation Committee shall have the power to impose such other restrictions on Stock Grants subject to this Section 8(b) as it may deem necessary or appropriate to ensure that such Stock Grants satisfy all requirements for “performance-based compensation” within the meaning of Code section 162(m)(4)(C) of the Code, the regulations promulgated thereunder, and any successors thereto.

9. Indemnification. In addition to such other rights of indemnification as they may have as members of the Board or a committee thereof or as officers or employees of the Corporation, members of the Board, the Committee and any officers or employees of the Corporation to whom authority to act for the Board or Committee is delegated shall be indemnified by the Corporation against all reasonable expenses, including attorneys’ fees, incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be party by reason of any action taken or failure to act under or in connection with the Plan, Award, or any right granted hereunder, and against all amounts in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Corporation) or paid in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such person is liable for gross negligence, bad faith or intentional misconduct in duties; provided, however, that within sixty (60) days after the institution of such action, suit or proceeding, such person shall offer to the Corporation, in writing, the opportunity at its own expense to handle and defend the same. Without limiting the generality of the foregoing, the Corporation shall pay the expenses (including reasonable attorneys’ fees) of defending any such claim, action, suit or proceeds in advance of its final disposition, upon receipt of such person’s written agreement to repay all amounts advanced if it should ultimately be determined that such person is not entitled to be indemnified under this Section 9.

10. Termination or Amendment of Plan. The Committee, without further approval of the stockholders of the Corporation, may terminate or amend this Plan at any time in any respect as the Committee deems advisable, subject to any required shareholder or regulatory approval and to any conditions established by the terms of such amendment. In any event, no termination or amendment of the Plan may adversely affect any then outstanding Award or any unexercised portion thereof without the consent of the Grantee, unless such termination or amendment is required to enable an Option designated as an Incentive Stock Option to qualify as an Incentive Stock Option or is necessary to comply with any applicable law or government regulation.

11. Dissolution of Corporation. Upon the dissolution of the Corporation, the Plan shall terminate and any and all Awards previously granted hereunder shall lapse on the date of such dissolution.

12. **Rights as Stockholders.** No Grantee, nor any beneficiary or other person claiming through an Grantee, shall have any interest in any shares of Stock allocated for the purposes of the Plan or that are subject to an Award until such shares of Stock shall have been issued to the Grantee or such beneficiary or other person. Furthermore, the existence of the Awards shall not affect the right or power of the Corporation or its stockholders to make adjustments, or to effect any recapitalization, reorganization, or other changes in the Corporation's capital structure or its business; to issue bonds, debentures, preferred or prior preference stocks affecting the Stock of the Corporation or the rights thereof; to dissolve the Corporation or sell or transfer any part of its assets or business; or to do any other corporate act, whether of a similar character or otherwise.

13. **Application of Funds.** The proceeds received by the Corporation from the sale of Stock pursuant to Options granted under this Plan will be used for general corporate purposes.

14. **Choice of Law.** The validity, interpretation, and administration of the Plan and of any rules, regulations, determinations, or decisions made thereunder, and the rights of any and all person having or claiming to have any interest therein or thereunder, shall be determined exclusively in accordance with the internal laws of the State of Florida. Without limiting the generality of the foregoing, the period within which any action in connection with Plan must be commenced shall be governed by the internal laws of the State of Florida without regard to the place where the act or omission complained of took place or the resident of any party to such action. Any action in connection with the Plan must be brought in the State of Florida, County of Hillsborough.

15. **Number and Gender.** Unless otherwise clearly indicated in this Plan, words in the singular or plural shall include the plural and singular, respectively, where they would so apply, and words in the masculine or neuter gender shall include the feminine, masculine or neuter gender where applicable.

16. **Shareholder Approval.** The Plan or any increase in the maximum number of shares of Stock issuable thereunder as provided in Section 4.1 hereof (the "Maximum Shares") shall be approved by the stockholders of the Corporation within twelve (12) months of the date of adoption thereof by the Board. Awards granted prior to shareholder approval of the Plan or in excess of the Maximum Shares previously approved by the stockholders shall become exercisable no earlier than the date of shareholder approval of the Plan or such increase in the Maximum Shares, as the case may be.

6.01 Committee Action. The Committee shall have the right to grant Awards to Key Employees under this Plan. Each Award shall be evidenced by an Award Certificate, and each Award Certificate shall set forth the Grant Date of the Award, the conditions under which the Award will become effective and the conditions under which the Award shall Vest.

6.02 No Transfer of Awards. An Award granted to a Key Employee shall not be transferred, assigned, pledged, charged or otherwise disposed of by the Key Employee (except on his or her death to his or her personal representatives) and shall immediately be forfeited if the Key Employee purports to so transfer, assign, pledge, charge or otherwise dispose of the Award or if the Key Employee is declared bankrupt, or enters into any arrangement with his or her creditors under any formal insolvency procedure.

6.03 Conditions for Awards. The Committee shall make Awards to Key Employees effective only upon the satisfaction of one, or more than one, objective performance targets. Where a target is satisfied the Committee shall certify in writing that such target has been satisfied. If an Award fails to become effective under this Section 6.03, the underlying shares of Stock subject to such Award shall again become available under Article III of this Plan as of the date of such failure to become effective. An Award or Awards may not be granted to a Key Employee in any calendar year over more than 500,000 shares of Stock in aggregate.

6.04 Conditions for Vesting of Awards. Subject to the provisions of Article IX and Article XII of this Plan, an Award which has become effective upon the satisfaction of any conditions for the grant specified by the Committee pursuant to Section 6.03 shall Vest upon the Key Employee's completion of fifteen Years of Vesting Service for a Group Company. Subject to the provisions of Article IX of this Plan, if the Key Employee's employment with a Group Company terminates to the effect that he or she is no longer employed by any Group Company before his or her completion of fifteen Years of Vesting Service for a Group Company, the Key Employee's Award shall be forfeited unless:

(a) the Key Employee's employment with the Group Company terminates on or after the Award Effective Date in circumstances where the Committee is satisfied that the Key Employee has no intention of taking paid employment elsewhere at any time in the future in which case, subject to the provisions of Article XII of this Plan, the Award shall Vest on the date of termination in respect of the Proportionate Number of shares of Stock and shall be forfeited in respect of the remaining shares of Stock subject to the Award;

(b) the Key Employee's employment with the Group Company terminates as a result of his or her death or Disability in which case, subject to the provisions of Article XII of this Plan, the Award shall Vest in full on the date of termination; or

(c) the Committee, in its sole and absolute discretion, waives the conditions described in this Section 6.04 in which case, subject to the provisions of Article XII of this Plan, the Award shall Vest in accordance with the Committee's determination in its sole and absolute discretion.

6.05 Dividends and Voting Rights. For the avoidance of doubt, a Key Employee shall not be entitled to receive dividends declared or paid, or to exercise voting rights or any other right, in relation to Stock subject to an Award in respect of any period prior to the Release of the Stock to the Key Employee.

6.06 Release of Stock. On or as soon as reasonably practicable after an Award has Vested the Company will issue, transfer or procure the transfer to the Key Employee the relevant number of shares of Stock in respect of which the Award has Vested. The certificate representing shares of Stock Released pursuant to the Award shall be transferred to the Key Employee as soon as practicable after the Award Release Date. For the avoidance of doubt, the Key Employee shall have no entitlement in relation to rights attaching to the shares of Stock until the shares have been issued or transferred to the Key Employee pursuant to this Section 6.06.

6.07 Cash Bonus Representing Dividends. Within 30 days of the Release of an Award the Company or another Group Company shall pay the Bonus to the relevant Key Employee, subject to deduction of any applicable Tax (which, for the avoidance of doubt, shall not include secondary Class 1 national insurance contributions for this purpose).

ARTICLE VII - SECURITIES REGISTRATION

Each Award Certificate shall provide that, upon the receipt of shares of Stock pursuant to the Release of an Award, the Key Employee shall, if so requested by the Company, hold such shares of Stock for investment and not with a view of resale or distribution to the public and, if so requested by the Company, shall deliver to the Company a written statement signed by the Key Employee satisfactory to the Company to that effect. With respect to Stock issued pursuant to this Plan, the Company at its expense shall take such action as it deems necessary or appropriate to register the original issuance of such Stock to a Key Employee under the Securities Act of 1933 or under any other applicable securities laws or to qualify such Stock for an exemption under any such laws prior to the issuance of such Stock to a Key Employee. Notwithstanding the foregoing, the Company shall have no obligation whatsoever to take any such action in connection with the transfer, resale or other disposition of such Stock by a Key Employee.

ARTICLE VIII - ADJUSTMENT

The Board, in its sole and absolute discretion, may, but shall not be required to, adjust the number of shares of Stock reserved under Article III of this Plan, the annual grant limit set forth in Section 6.03 of this Plan (to the extent permitted by the rules relating to the qualified performance-based compensation exemption from the limit on tax deductibility of compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code")), and shares of Performance Stock theretofore granted in an equitable manner to reflect any change in the capitalization of the Company, including, but not limited to, such changes as Stock dividends or Stock splits. If any adjustment under this Article VIII would create a fractional share of Stock, such fractional share shall be disregarded and the number of shares of Stock reserved or granted under this Plan shall be the next lower number of shares of Stock, rounding all fractions downward. An adjustment made under this Article VIII by the Board shall be conclusive and binding on all affected persons and, further, shall not constitute an increase in the number of shares reserved under Article III within the meaning of Article X(a) of this Plan.

ARTICLE IX – TERMINATION AFTER TRANSFER OF CONTROL

9.01 Termination After Transfer of Control. If the Key Employee's employment with the Group Company terminates by reason of Termination After Transfer of Control (as defined in Section 9.02) then, subject to the provisions of Article XII of this Plan, the Award shall Vest in full on the date on the date of such Termination After Transfer of Control.

9.02 Definitions.

(a) "Termination After Transfer of Control" shall mean either of the following events occurring after a Transfer of Control:

(i) termination by a Group Company of the Key Employee's employment with the Group Company, within twelve (12) months following a Transfer of Control, for any reason other than Termination for Cause (as defined below); or

(ii) upon the Key Employee's Constructive Termination (as defined below), the Key Employee's resignation from employment with a Group Company within twelve (12) months following the Transfer of Control.

Notwithstanding any provision herein to the contrary, Termination After Transfer of Control shall not include any termination of the Key Employee's employment with a Group Company which: (i) is a Termination for Cause (as defined below); (ii) is a result of the Key Employee's death or Disability; (iii) is a result of the Key Employee's voluntary termination of employment other than upon Constructive Termination (as defined below); or (iv) occurs prior to the effectiveness of a Transfer of Control.

(b) "Termination for Cause" shall mean termination by a Group Company of the Key Employee's employment with the Group Company for any of the following reasons: (i) theft, dishonesty, or falsification of any employment or Group Company records; (ii) improper use or disclosure of a Group Company's confidential or proprietary information; (iii) the Key Employee's failure or inability to perform any reasonable assigned duties after written notice from a Group Company of, and a reasonable opportunity to cure, such continued failure or inability; (iv) any material breach by the Key Employee of any employment agreement between the Key Employee and a Group Company, which breach is not cured pursuant to the terms of such agreement; or (v) the Key Employee's conviction of any criminal act which, in the Group Company's sole discretion, impairs the Key Employee's ability to perform his or her duties with the Group Company. Termination for Cause pursuant to the foregoing shall be determined in the sole but reasonably exercised discretion of the Committee.

(c) "Constructive Termination" shall mean any one or more of the following:

(i) without the Key Employee's express written consent, the assignment to the Key Employee of any duties, or any limitation of the Key Employee's responsibilities, substantially inconsistent with the Key Employee's positions, duties, responsibilities and status with the relevant Group Company immediately prior to the date of a Transfer of Control;

(ii) without the Key Employee's express written consent, the relocation of the principal place of the Key Employee's employment to a location that is more than fifty (50) miles from the Key Employee's principal place of employment immediately prior to the date of a Transfer of Control, or the imposition of travel requirements substantially more demanding of the Key Employee than such travel requirements existing immediately prior to the date of a Transfer of Control;

(iii) any failure by the relevant Group Company to pay, or any material reduction by the relevant Group Company of, (A) the Key Employee's base salary in effect immediately prior to the date of the Transfer of Control (unless reductions comparable in amount and duration are concurrently made for all other employees of the relevant Group Company with responsibilities, organizational level and title comparable to the Key Employee's), or (B) the Key Employee's bonus compensation, if any, in effect immediately prior to the date of the Transfer of Control (subject to applicable performance requirements with respect to the actual amount of bonus compensation earned by the Key Employee); or

(iv) any failure by the relevant Group Company to (A) continue to provide the Key Employee with the opportunity to participate, on terms no less favorable than those in effect for the benefit of any employee group which customarily includes a person holding the employment position or a comparable position with the relevant Group Company then held by the Key Employee, in any benefit or compensation plans and programs, including, but not limited to, the relevant Group Company's life, disability, health, dental, medial, savings, profit sharing, stock purchase and retirement plans, if any, in which the Key Employee was participating immediately prior to the date of the Transfer of Control, or their equivalent, or (B) provide the Key Employee with all other fringe benefits (or their equivalent) from time to time in effect for the benefit of any employee group which customarily includes a person holding the employment position or a comparable position with the relevant Group Company then held by the Key Employee.

ARTICLE X - AMENDMENT OR TERMINATION

This Plan may be amended by the Board from time to time to the extent that the Board in its sole and absolute discretion deems necessary or appropriate. Notwithstanding the foregoing, no amendment of this Plan shall be made absent the approval of the shareholders of the Company if the effect of the amendment is:

- (a) to increase the number of shares of Stock reserved under Article III of this Plan;
- (b) to change the class of employees of the Company eligible for Awards or to otherwise materially modify the requirements as to eligibility for participation in this Plan; or
- (c) to modify the material terms of this Plan that must be approved by shareholders of the Company under the rules relating to the qualified performance-based compensation exemption from the limit on tax deductibility of compensation under Section 162(m) of the Code.

The Board in its sole and absolute discretion may suspend the granting of Awards under this Plan at any time and may terminate this Plan at any time. Notwithstanding the foregoing, the Board shall not have the right to modify, amend or cancel any subsisting Award granted before such suspension or termination unless the Key Employee to whom the Award was granted consents in writing to such modification, amendment or cancellation, or there is a dissolution or liquidation of the Company or a transaction described in Article VIII or IX of this Plan.

ARTICLE XI - TERM OF PLAN

No Awards will be granted under this Plan on or after the earlier of:

- (a) the twentieth anniversary of the effective date of this Plan, as determined under Article IV of this Plan, in which event this Plan otherwise thereafter shall continue in effect until all Awards granted under this Plan have been forfeited or have Vested and any Vested Stock has been Released; or
- (b) the date on which all of the Stock reserved under Article III of this Plan has, as a result of the Release of Awards, been issued or no longer is available for use under this Plan, in which event this Plan also shall terminate on such date.

ARTICLE XII - MISCELLANEOUS

12.01 Costs of the Plan. The cost of establishing and operating the Plan shall be borne by the Company but may be recharged to the relevant Group Companies on such arm's length basis as is considered appropriate from time to time

12.02 No Contract of Employment. Participation in the Plan is a matter separate from any contract of employment or other agreement and any benefit conferred by the Plan shall not be counted for pension or any other purpose. The rights and obligations of any individual under the terms of his office or employment with any Group Company will not be affected by his participation in the Plan and the Plan does not form part of any contract of employment between any individual and any Group Company. A Key Employee shall have no entitlement by way of compensation or damages resulting from the termination of the office or employment (for any reason and whether lawful or not) by virtue of which he is or may be eligible to participate in the Plan or for the loss or reduction of any right or benefit or prospective right or benefit under the Plan which he might otherwise have enjoyed whether the compensation is claimed for wrongful dismissal or otherwise.

12.03 Withholding. No Award shall Vest unless the following conditions have been satisfied:

- (a) if the Vesting or Release of the Award would result in a Tax Liability then the Key Employee must have entered into arrangements satisfactory to the Committee to ensure that the relevant Group Company will receive the amount of such Tax Liability (including but not limited to the Key Employee authorizing the Group Company (or other person) upon the Release of the Award to sell or procure the sale of a sufficient number of Vested Stock subject to the Award to ensure that an appropriate sum is raised in order to discharge any Tax Liability); and
- (b) where the Committee determines that an election should be made pursuant to Section 431 of the Income Tax (Earnings and Pensions) Act 2003 in respect of the shares of Stock Released to the Key Employee, such election has been made or the Committee is satisfied that such election will be made within the applicable time limit.

12.04 Governing Law. The provisions of this Plan and any Award shall be governed by and interpreted in accordance with the laws of England and Wales and any Group Company and Key Employees shall submit to the exclusive jurisdiction of the Courts of England and Wales.
