British Energy plc

SALE OF OFFICES IN EAST KILBRIDE, SCOTLAND

Edgar Filing: BRITISH ENERGY PLC - Form 6-K

British Energy announces the sale of its corporate headquarters located at Peel Park, East Kilbride, in Scotland to Kenmore Capital East Kilbride Limited in consideration of;

1. a cash payment of GBP6.625m;
2. a potential additional cash payment of up to GBP0.25m if certain letting arrangements come to fruition; and
3. the Company entering in to a lease of part of the ground floor of Peel Park for a period of 10 years at an initial rent of GBP150k per annum.

It is expected that the sale will be completed in January 2005. The proceeds will be used for working capital purposes.

The sale of this office follows the Company's review of its cost base and operational efficiencies, announced last summer, which set the objective of bringing together the nuclear power station support functions at the Company's office in Barnwood (Gloucester) to create a single centre of expertise.

British Energy signed a lease in August 2004 for a smaller corporate headquarters in Alba Campus, Livingston, Scotland which will be better suited to the Company's future business needs. Plans are also well advanced for the sub-leases of premises at Innovation House, Westway Business Park, Renfrew, Scotland for the relocation from Peel Park of staff from certain engineering support groups.
