InterContinental Hotels Group PLC Refinances Debt

InterContinental Hotels Group PLC ("IHG") announces today it has signed a new £1.6bn syndicated banking facility, which will provide flexible committed funding over the medium term and will replace its existing \$1.5bn syndicated banking facility. The £1.6bn facility comprises a 5-year £1.1bn revolving credit facility and a 364-day £500m revolving credit facility. The facility has an initial margin of 37.5 bps over LIBOR and will be used, inter alia, to finance a tender offer launched today to repurchase for cash IHG's Euro denominated 4.75% bonds due 2010, which have a nominal value of 600m, and to finance the separate redemption at par for cash of those outstanding of IHG's Sterling denominated 5.75% bonds due 2007, which have a nominal value of £18.1m.

The key benefits of the refinancing are:

- Provision of flexible and certain funding during IHG's programme of asset disposals and return of funds to shareholders;
- Reduced annual financing costs through the new syndicated facility being provided at a lower debt coupon than the existing banking facility and the bonds.

Under the tender offer for IHG's Euro denominated 4.75% bonds due 2010, IHG will invite current bondholders to tender their bonds at a fixed tender spread over a benchmark German Government bond and to consent to the amendment of the terms of the bonds to give IHG a call option feature at par on any bonds which are not submitted in the tender offer. The offer is expected to result in IHG repurchasing tendered bonds at a premium to par value. Any repurchase premium will be treated as an exceptional profit and loss account charge.

Separately, the outstanding Sterling denominated bonds issued by Six Continents PLC and due 2007 will be redeemed at their nominal principal amount of £18.1m together with accrued interest to the date of redemption. Notice of early redemption has been given today to the bondholders.

Full details of the tender offer proposal can be found in the Notice of Terms of Tender Offer dated 11 November 2004, issued today.
