BARCLAYS PLC POSTS EXCELLENT RESULTS FOR 2006

Barclays Capital and Barclays Global Investors
Again Deliver Outstanding Performances

Barclays PLC announced today a 35% increase in profit before tax for 2006, to US\$13,130 million (GBP7,136m). Earnings per share rose 32% to \$1.32 (71.9p). The dividend per share increased 17% to \$0.57 (31.0p).

The results included excellent performances by the two Barclays PLC businesses with substantial operations in the US: Barclays Capital and Barclays Global Investors (BGI). The results also reflect continued investment in Barclaycard US, the credit card business.

Highlights of the financial results for these businesses included:

- Barclays Capital delivered record results, increasing profit before tax 55% to \$4,077 million (GBP2,216m). Total income increased \$3,242 million (GBP1,762m) to \$11,531 million (GBP6,267m), while net revenues rose 42% to \$11,454 million (GBP6,225m). Income grew in a number of businesses, in particular: commodities, fixed income, equities, credit derivatives and leveraged loans, driving record performances in all asset classes. Income increased in all geographic regions with significant contributions outside the UK, from the US, continental Europe and Asia.
- BGI delivered another year of exceptional results. Profit before tax increased 32% to \$1,314 million (GBP714m), reflecting very strong income growth and higher operating margins. Total income increased \$638 million

(GBP347m) to \$3,064 million (GBP1,665m). The performance was broadly based across products, distribution channels and geographies. Total assets under management increased by \$301 billion to \$1,814 billion (31st December 2005: \$1,513bn), including \$68 billion of net new assets.

- Together, Barclays Capital and BGI profit before tax represented 41% of Barclays PLC profit before tax.

"Barclays operations in the US continued to shine, adding luster to our overall performance," said Robert E. Diamond Jr., President of Barclays PLC. "The US growth of Barclays Capital and BGI helped us achieve our Group goal with approximately half of Barclays profits now coming from outside the UK. We look forward to continuing our Americas success in 2007, and are encouraged by the prospects in our US businesses."

THE INFORMATION IN THIS PRESS RELEASE SHOULD BE READ IN CONJUNCTION WITH THE RESULTS ANNOUNCEMENT BEING FILED BY BARCLAYS PLC TODAY WITH THE US SECURITIES AND EXCHANGE COMMISSION BY MEANS OF A CURRENT REPORT ON FORM 6-K, WHICH IS AVAILABLE ON THE SEC WEBSITE AT www.sec.gov

Forward-looking statements

This document contains certain forward-looking statements within the meaning of Section 21E of the US Securities Exchange Act of 1934, as amended, and Section 27A of the US Securities Act of 1933, as amended, with respect to certain of the Barclays Group's plans and its current goals and expectations relating to its future financial condition and performance. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts.

Forward-looking statements sometimes use words such as 'aim', 'anticipate', 'target', 'expect', 'estimate', 'intend', 'plan', 'goal', 'believe', or other words of similar meaning. Examples of forward-looking statements include, among others, statements regarding the Barclays Group's future financial position, income growth, impairment charges, business strategy, projected levels of growth in the banking and financial markets, projected costs, estimates of capital expenditures, and plans and objectives for future operations.

By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances, including, but not limited to, the further development of standards and interpretations under International Financial Reporting Standards (IFRS) applicable to past, current and future periods, evolving practices with regard to the interpretation and application of standards under IFRS, as well as UK domestic and global economic and business conditions, market related risks such as changes in interest rates and exchange rates, the policies and actions of governmental and regulatory authorities, changes in legislation, progress in the integration of Absa into the Barclays Group's business and the achievement of synergy targets related to Absa, the outcome of pending and future litigation, and the impact of competition - a number of which factors are beyond the Barclays Group's control. As a result, the Barclays Group's actual future results may differ materially from the plans, goals, and expectations set forth in the Barclays Group's forward-looking statements. Any forward-looking statements made by or on behalf of Barclays speak only as of the date they are made. Barclays does not undertake to update forward-looking statements to reflect any changes in Barclays expectations with regard thereto or any changes in events, conditions or circumstances on which any such statement is based. The reader should, however, consult any additional disclosures that Barclays has made or may make in documents it has filed or may file with the SEC.
