1 External net operating income is attributed to countries on the basis of the location of the branch responsible for reporting the results or advancing the funds.

Edgar Filing: HSBC HOLDINGS PLC - Form 6-K

2 Net operating income before loan impairment charges and other credit risk provisions, also referred to as revenue.  
3 Non-current assets consist of property, plant and equipment, goodwill, other intangible assets, interests in associates and joint ventures and certain other assets expected to be recovered more than twelve months after the reporting period.

13 Analysis of financial assets and liabilities by measurement basis

Financial assets and financial liabilities are measured on an ongoing basis either at fair value or at amortised cost. The summary of significant accounting policies in Note 2 describes how the classes of financial instruments are measured, and how income and expenses, including fair value gains and losses, are recognised. The following table analyses the carrying amounts of the financial assets and liabilities by category as defined in IAS 39 and by balance sheet heading.
