Our Annual Report on Form 10-K for the fiscal year ended December 31, 2003 cannot be filed within the prescribed time period because we have recently appointed a new Chief Financial Officer and changed our certifying accountants and, as a result, we are experiencing delays in the completion and audit of our financial statements for the fiscal year ended December 31, 2003 and in the collection of certain information required to be included in the Form 10-K. We expect to file the Form 10-K as soon as reasonably practicable and in no event later than the fifteenth calendar day following the prescribed due date.

Cautionary Note Regarding Forward Looking Statements

Statements made in this Form 12b-25, as well as statements made us in periodic filings with governmental entities, press releases and other public communications, that reflect management scurrent assumptions and estimates of future performance may contain forward-looking statements to future events or future financial performance that involves risks and uncertainties. These statements are made pursuant to the safe harbor provisions of Section 21E of the Securities Exchange Act of 1934. These statements are only predictions and actual results could differ materially from those anticipated in these statements based upon a number of factors including those uncertainties and risk factors detailed from time to time in reports filed by us with the Securities and Exchange Commission, including our most recent reports on Forms 10-K and 10-Q.

We anticipate that the earnings statements to be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2003 will reflect revenues significantly lower than for the fiscal year ended December 31, 2002 and a cash position at December 31, 2003 significantly lower than at December 31, 2002. We also expect that the earnings statements to be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2003 will reflect an operating loss significantly lower than for the fiscal year ended December 31, 2002.

Set forth below are our Total Revenue and Operating Loss for the fiscal year ended December 31, 2002 and our Cash and Cash Equivalents at December 31, 2002 (each as reported on our Annual Report on Form 10-K for such fiscal year) and our current estimates of the same items for the fiscal year ended, and at, December 31, 2003 (as we anticipate reporting on our Form 10-K for such fiscal year, but recognizing that such items are subject to change during the course of audit):
